FRA-

FRATER PLACIDVS GALLEMANT,
Conuentus FF. Minorum Recollectorum Rothomagi Guardianus ; Ad Lectorem beneuolum.

PRÆFATIO

QVOD oculis tuis ſubijcio volumen de Noſtratum pietate Normannorum, in conſtruendis cohoneſtandis dotandiſque hominum Religioſorum Semheis ; (Lector beneuole) ; ſub prælo Calchographorum bonis auibus voluebatur reuoluebaturque ; jamque propediem maturabat ex eorum manibus in apertam prodire lucem : Cum mors inexpectata ſuo vitam ademit auctori, ipſiuſque nixibus remoram fecit. Hæc illius ſors mihi acerba nimium viſa eſt : nec potui, quin animum induxerim ; meas exin fore partes, vt hanc fratris noſtri, noſtræ domus Rothomagenſis alumni, Spartam, ſi quid ei deeſſet, adornarem.

Diſſoluta ergò quæ ſuperabant centum circiter, libri folia collegi ; curaeque quantum in me fuit, vt ſine mendis ederentur. Sed in hoc mihi ex ſententia, quod eſt vitiùm ineuitabile Typographiæ, reſponſum non eſt. Rerum item, quas inter notanda cenſui præcipuas, indices texui : Orphano Tutorem potentiſſimum quæſiui. Et cum aliquid hic præfari debeam ; ad id lubens accingor. Sed opto, (Lector beneuole ;) vt Gentis noſtræ Normannæ (de qua hoc in opere, omnis ſermo totaque res eſt,) magnifica pietas, in tot fundandis Monaſterijs ; ſi tibi erit admirationi, etiam tibi ſit ſanctæ ædificationi.

Fuit ſanè opus ingens & mirificum Diuinæ Prouidentiæ ; quod vbi vbi ſacrum Euangelij ſemen per Apoſtolos ſeu per viros Apoſtolicos ſparſum ac diſſeminatum eſt ; illinc magna exundantium opum copia, in ſinum Eccleſiæ conuecta ſit. Quod futurum videns Propheta Iſaïas ; illique gratulans Gregis Chriſti portioni, quæ dum aliò cæteri diſtrahuntur, ſuis precibus & ſacrificijs Numini colendo & placando vacat : *Erunt*, inquiebat, *Reges nutritij tui, & Reginæ nutrices tuæ, & ſuges lac Gentium, & mamillæ Regum lactaberis.* Lac Gentium, & ſuccum mamillæ Regum ; ob quæ Reges nutricios, & Reginas ipſas nutrices vocat ; illud ipſum intelligit, quod Regibus & hominibus potentiſſimis ſuauius meliuſque eſt : nimirum opes, quæ lacte vt & ſanguine ad Sanctorum Patrum mentem deſignantur. Addebat, Sacerdotes Chriſtianos alloquens, *Miniſtri Dei noſtri, fortitudinem Gentium comedetis, & in gloria eorum ſuperbietis.* Quæ eſt enim fortitudo Gentium, niſi earum diuitiæ ? quæ item gloria maior, quam opum poſſeſſio ? Et hæc omnia Sacrorum Adminiſtris, Iſaïas ſancto Numine afflatus pollicetur. Idipſum Dauid, & ipſe Rex maximus, læto cantu proſequebatur in illo ſuo myſtico Epithalamio. Et filiæ Tyri, aïebat *in muneribus : vultum tuum deprecabuntur omnes diuites plebis.* Tyri munera appellat, donaria illa omnia, exaggeratas illas opes, inſignes illos theſauros ; quibus magna Chriſtia-

norum pietas, templorum altariumque Miniſtros præuidebatur cumulatura. Filias autem Tyri memorat: quod vrbs illa ſuis potiſſimum diuitijs commendetur.

Quod autem de vniuerſali Eccleſia, per totum diffuſa terrarum orbem, nunciarunt euenturum Prophetæ ſancti; hoc plenè cumulatéque perfectum videmus in noſtra Neuſtria ſeu Normannia. In qua homines peculiari Dei ſeruitio mancipati, ſi qui vſquam alibi, *ſugunt lac Gentium Mamilliſque Regum lactantur; fortitudinem Gentium comedunt, & in gloria eorum ſuperbiunt:* Non illa vitioſa ſuperbia, quæ Deo execrabilis eſt; ſed illa veneranda majeſtate, quæ in ipſum gloriæ ſuæ auctorem Deum mirificè redundat.

Non pigebit hoc loco ſubtexere, quod ſanctus Paulinus ante mille ducentos quinquaginta annos, ad Sanctum Victricium Rothomagenſem Archiepiſcopum, patrum noſtrorum parentem optimum, ſcribebat; De Regularium in ſua Prouincia, inſtitutione, victu, multitudine, ſanctitate. Notum, inquit, no„ bis fecit Tyticus, (alias Tychius, ſeu Tychicus,) tuus cariſſimùs frater & fide„ lis miniſter in Domino: (non quidem te magis; quam in te Deum prædi„ cans) quanta Dominus per te lumina in obſcuris ante regionibus accendiſſet. „ Qui educens nubes ab extremo terræ, te quoque in lucem populi ſui de ex„ timo orbis eduxit, & clarum fulgur in pluuiam vberem fecit. Sicut terra zabu„ lon quondam & Nephtalim viâ maris trans Iordanem Galilææ; & qui ſede„ bant in regione vmbræ mortis, lucem viderunt magnam. Ita & nunc in „ terra *Morinorum*, ſitu orbis extrema, (quam barbaris fluctibus tundit Ocea„ nus) Gentium populus remotarum, qui ſedebat in latebris, viâ maris aro„ noſa, extra Iordanem, antequam pingueſcerent fines deſerti, in ea orta ſibi, „ per tuam Sanctitatem à Domino, luce gaudentes, corda aſpera Chriſto in„ trante poſuerunt. Vbi quondam deſerta ſyluarum, ac littorum pariter in„ trita, aduenæ Barbari aut latrones incolæ frequentabant: Nunc Venerabi„ les & Angelici Sanctorum Chori, vrbes, oppida, inſulas, ſyluas, *Eccleſijs & „ Monaſterijs plebe numeroſis*, pace conſona celebrant. Quod quanquam totius „ Galliæ populis & vbique Gentium Chriſtus operetur, qui totum orbem cir„ cuit quærens dignos ſe, & per nationes in animas ſanctas ſe transfert, & in „ viis directionis oſtendit ſe hilariter, & omni prouidentia occurrit amatoribus „ ſuis: Tamen in remotiſſimo *Neruici* littoris tractu, quem tenui antehac ſpi„ ritu fides veritatis afflauerat; te potiſſimum in vas electionis excerpſit; in te „ primo refulſit clarius, inualuit ardentius, & propius apparuit; & in quo „ ſanctificaret illic nomen ſuum, & per cuius nomen etiam ſolis occaſu in „ omnem terram ſonus eius exiret, adſumpſit. Denique nunc *Rothomagum*, & „ vicinis ante regionibus tenui nomine peruulgatum, in longinquis etiam Pro„ uincijs nominari venerabiliter audimus, & inter vrbes ſacratis locis, nobiles, „ cum diuina laude numerari. Haud immerito; cum totam illic (qualis in Oriente „ memoratur) Hieruſales faciem, meritum tuæ ſanctitatis adduxerit. hæc & „ plura Paulinus Victricio.

Ep. 2. ad Victricium Rothomag.

Iuuat etiam illud addere, quod de ſancto Audoëno etiam Rothomagenſi Ar„ chiepiſcopo narrat Fredegodus. Ardebat, inquit, ſummo ſtudio, *Monaſteria* „ & loca ſacra per omnes Franciæ Prouincias conſtruendi, maximè verò in „ propria Diœceſi: vbi ſane multa Cœnobia, eaque ampla & nobilia à fun„ damentis condidit; non pauca verò, Priorum Antiſtitum, & Abbatum de-

De geſtis Guillelmi a Nucis Norman.

Ordric. Vital. l. 7. Eccleſiaſt. Hiſtor.

Quid autem de Ducibus noſtris commemoro? Non enim illi modò, aut alij multis opibus inſtructi ; ſed etiam plerique omnes ex noſtris , loca ſancta & homines ſanctos muneribus ſuis honorauere. Et quemadmodum ipſi Duces noſtri, vrbes ; Barones, cenſus ; Milites, rura : ſic & Vrbani, domos ; Ruſtici, prædia ; fabri operam ; Matronæ , veſtes ; puellæ gemmas ; viduæ, bona dotalia : in eos grandi & deuoto animo, opportunè , importunè , contulerunt.

Fecerunt autem ; quòd in hominibus illis, Deo per vitæ Religioſæ profeſſionem dicatis, ipſum Deum intuerentur ; eumque æſtimarent ſummè honoratum iri , ſuis illis oblationibus, quas in ſuos tanta cum magnificentia conuehebant. Et ſanè bona Monaſteriorum, cùm ſint *depoſita pietatis*, res ſunt Dei; & ſi quæ alia, *patrimonium Crucifixi* : vt qui ea temere dilapidant, quaſi *fures ſacrorum* , apud Fulbertum , Carnotenſem ; & *ſacrilegij rei* , apud Peluſiotam Iſidorum , audiant.

Porro , in affluente illa vbertate & copia tot bonorum, quibus Normaniæ noſtræ Monaſterio fuere locupletata ; cuiuis eorum Archimandritæ , ſeu regulari, ſeu commendatario ; non minore cum reuerentia quam libertate, tria illa verba inſinuauerim , quæ Hugo Victorinus ait , creaturas omnes hominum auribus potenter inclamare. *Accipe , redde , cane.*

Accipiant quas illis de patrimonio Crucifixi Deus contulit opes ; *ſed ad vſum vitæ* , vt verbis vtar Chryſologi , *non ad mortis vſuram* : ſeque villicos exiſtiment Dei , qui ab ipſis ſuæ rationem adminiſtrationis ſit repetiturus, & quem nemo queat decipere. In bonorum ſuorum conſeruationem incumbant; ita tamen , vt nec acres ſint in illis repetendis, nec moroſi; nec ſuorum Oeconomorum fauces ligent preuiantque ; ſi perinde vt optabant , res ſuis cenſibus non ſucceſſerint. Vno verbo ; ſic omnia Monaſteriorum ſuorum bona recipiant , vt ſi Deo placitum ſit , aliorum eſſe malint quam ſua.

Reddant insuper: & in primis curam suam impendant, vt templa sibique concreditæ domus, splendore suo suaque commoditate non viduentur: & si quæ in iis reperiantur euersa seu disturbata, reparent. Turpe est, quippè, quod cum hæresia vltimo seculo, vel ipsa vetustas, quorumdam Monasteriorum seu sacras ædes seu loca regularia in nostra Normannia diruerit: reperiantur multi, qui eorum redditus capiant; nullus, qui ea recréet. *Reddant* item egenis, pro sua necessitate, quæ sua sunt: cum ea quorum administrationem nacti sunt, sint etiam *patrimonia pauperum.*

Hilar. Arelat. in vita S. Honor.

Te verò vnum adhuc monitum velim, quisquis es, Lector beneuole. Nimirum, hunc librum, illustrem esse portionem totius Historiæ Ecclesiasticæ Neustriæ nostræ seu Normanniæ; quam bonæ memoriæ R. P. Arturus du Monstier, magno labore scripsit, & in quinque tomos distribuit; & cuius manuscriptum in hoc Conuentu nostro Recollectorum Rothomagi penes nos est. Sic autem totum suum opus sapienter partitus est. Vt *in primo Tomo*, cui *Neustriæ Christianæ* titulum fecit, seriem Archiepiscoporum Rothomagensium; eorum ab Apostolis & sede Apostolica missionem; labores in Euangelio, Concilia Prouincialia; legationes; confœderationes, Epistolas, &c. tradat. *In secundo*, quem voluit eiusdem *Neustriæ Christianæ* esse partem alteram, (qui magis commodè in duos tomos diuideretur;) De sex Ecclesijs Metropolitanæ in Neustria Suffraganeis; de suorum Episcoporum aduentu; successione; synodis, Epistolis; munijs, & præclarioribus gestis, &c. tractet. *In tertio*, quem *Neustriam Piam* appellat; quique in manibus tuis est; Abbatias & insignes Prioratus totius Prouinciæ; suas fundationes; priuilegia; census; & quæ reperiri potuerunt monimenta omnia, suorum item Archimandritarum Catalogum, facta, &c. describat. *In quarto*, cui *Neustriæ sanctæ* nomen dedit; Sanctos, Beatos, & alios seruos Dei, qui quouis modo Normanniam illustrant, adinstar Martyrologij, pandat. *In quinto* denique, sub titulo *Neustriæ Miscellaneæ*, plurima scitu digna, rem Ecclesiasticam Normanniæ quouis modo spectantia; vt est primatia Rothomagensis Ecclesiæ, Priuilegium feretri sancti Romani; dependentia Vicariatus Pontœsiani à sede Rothomagensi; deuotio Gentis Normannæ aduersus Conceptionem immaculatam Deiparæ, & alia, explicet.

Quod autem, tertius hic tomus, primas ad videndam lucem sortitus sit, illud habet ex liberalitate Serenissimi Principis Henrici d'Orleans Ducis de Lógueuille; qui Typographis ad id aureum calcar admouit: cæteri vero Tomi, partim Illustrissimorum Prouinciæ Episcoporũ, (quorum res in duobus Prioribus agitur,) partim aliorum beneficentiam (quæ nondum eis alluxit,) expectant; quo situm, quem in angulo pauperis cellæ contrahunt, excutiant. Nulli siquidem in officinas Typographiæ patet aditus, vt opera sua prælo submittat; quin ipsas clauibus argenteis, (quibus nobis S. Francisci filijs interdictum est,) referet: vel saltem Librarios in bona eaque eximia spe grandis lucri, de suis expensis reportandi, certissime ponat. Vale Lector beneuole; meamque hanc opellam æqui boni consule.

NEVSTRIA PIA

SANCTVS AVDOENVS,
HOC EST
DE REGIO ARCHIMONASTERIO

SS. Petri & Pauli, Apoſtolorum, nunc S. Audoeni, Archiepiſcopi, totius Neuſtriæ antiquiſſimo; à Clothario I. Rege Franc. fundato: cuius pium opus, Vigilius Papa, approbat, priuilegiiſque illud honorat: itemque S. Gregorius I. magnus, ad inſtantiam Theodorici, & Brunichildis, Regum Francorum, omnium aliorum, per Neuſtriam, cœnobiorum caput conſtituens.

CAPVT PRIMVM.

I. COMPLVRES *Rothomagi* ædes Deo ſactatas, necnon *Monaſteria*, vtriuſque ſexus extructa iam fuiſſe à priſcis illis temporibus, maximè ſub Pontificatu *S. Victricij*, Rothomagenſis Archiepiſcopi, circa ann. 405. ſatis ſuperque diſcimus, ex D. *Paulino*, Nolano Epiſcopo; cuius narrationem paulò ſuperiùs retulimus, quæ poſtea tamen labentibus ſæculis, veluti corruptioni obnoxia, & viciſſitudinibus ſubiecta corporeis, excidium tandem paſſa ſunt, & oblitterata eorum penitùs memoria, nullo apud nos remanente ex eorum ruderibus veſtigio: vtpotè ob infeſtationem *Arrianorum*, *Gothorum*, *Hunnorum*, aliorumque Barbarorum in Gallias irrumpentium: & præcipuè *Normanorum* adhuc infidelium, Neuſtriam, longo tempore, cæde, ferro, & igne depopulantium: de quibus paulò inferius ſermo forſan redibit.

II. Poſt annum verò Chriſti 500. multiplicata fuere hæc Angelica Aſceteria, & totius perfectionis Domicilia, per totam Galliam, ſignanter autem in noſtra Neuſtria. Et quoniam nullum fortaſſis Rothomagi extaret Monaſterium, ſub nomine SS. Apoſtolorum, Deo conſecratum: accidit, vt Diuina prouidentia animum *Clotharij* I. Francor. Regis, induxerit ad extruendum in ſuburbio eiuſdem ciuitatis, cœnobium in honorem SS. Apoſtolorum Petri & Pauli, anno 24. Regni ſui, circa annũ Chriſti 538. vbi poſtea Monachos Ordinis S. Benedicti poſuit. Illic enim, vt fama eſt, olim degebant, quidam Clerici, ac viri religioſi à tempore *S. Victricij*, *Archiepiſcopi* Rothomagenſis: quod non obſcurè teſtatur ſcriptor vitæ S. Clotildis,

matris ipſius Clotharij Regis, hiſce verbis; *Reſtaurauit etiam ab ipſis fundamentis, quoddam miræ magnitudinis Monaſterium, quod in ſuburbio vrbis Rothomag. tempore D. Dionyſij, conſtructum fuerat, & ab eo ſanctis Chriſti Apoſtolis, calendis Septembris dicatum: pro vt in Petra, quæ ad fundamentum Altaris eſt poſita, ſculptum eſt: Ibi enim congregationem Clericorum Deo ſeruientium congregauit.* [a] Probabile quidem eſt, nonnullos ex Diſcipulis SS. *Dionyſij* & *Nicaſij*, Rothomagum fuiſſe tunc amandatos (ſicut SS. *Taurinum*, *Exuperium*, *Latuinum*, &c. in Neuſtriam ablegatos) qui huiuſmodi Oratorium SS. Apoſtolis extruxerint: At cùm S. Maurus, ipſius D. *Benedicti* Diſcipulus, in Galliam deueniſſet, anno 543. ad inſtantiam Cœnomanenſis Epiſcopi; & ſui Ordinis inſtitutum cœpiſſet longè latéque peruagari: præfatus Rex *Clotharius* curauit tandem aliquos eiuſmodi Religioſos habere, qui eo in cœnobio à ſe conſtructo vitam redintegrarent perfectiorem, & cæteris de ſe ſpecimen virtutis exhiberent, alioſque allicerent ad ſtudium pietatis amplectendum & ſummo ingenio Monaſticum inſtitutum excolendum.

Verùm his minimè contentus, Rex *Clotharius*, totum expetiuit Apoſtolica confirmatione corroborari: quare ipſemet, vnà cum conſilio & aſſenſu *Flauij*, Rothomagenſis Archipræſulis, miſit ad ſummum Pontificem, *Vigilium*, tunc in Oriente res vniuerſalis Eccleſiæ agentem, obnixè eum rogans; quatenus piis ſuis dignaretur annuere votis, petitaque à ſe, grato animo admittere. Papa Regis voluntati ac deſiderio protinùs obſecundauit, & perbenignè poſtulationem excipiens, *Clotario* Regi reſponſum dedit, cum Epiſtola ad eum miſſa, anno 553. ſed cuius copia ſit lectu difficilis, & ſubſignatorum præſulum nomina ita ſunt exæſa, ac corrupta, ob inſcitiam, vel incuriam Amanuenſium ſcriptorum: vt eam omittere citiùs iudicauerim; quàm criticis, & dubiæ fidei viris, anſam præbere ſuggillandi, quæ cæcutientes non caperent. [b] Apud *Calcedonem*, autem morabatur tunc ipſe ſummus Pontifex *Vigilius*, dùm Concilium Conſtantinopoli agebatur, anno 553. [c] III.

CAPVT III.

NEminem poſſe latere arbitror, (ſcientibus Hiſtoriam loquor) quanta olim mala, gens Normanica adhuc pagana toti Galliæ inflixerit, quanta-ve depopulatione patriam diuexauerit, vniuerſæque Neuſtriacæ Regioni vaſtitatem qualem ſua repetita irruptione, iniecerit. Iis itaque Normannis per Galliam graſſantibus, anno 851. vrbs Rothomaga, maxima clade affecta eſt, iuxta Gemeticenſem, rem paucis ſic enarrantem. *Ab hinc denique ſequanæ ſulcantes alueum, Rothomagum adeunt, igneque comburunt: horrendum de Chriſtiano populo exercentes ludibrium.* [a] Non ſolùm ea ciuitas incendio conflagrauit, ſed & Monaſterium S. Petri eiuſdem vrbis, æquale ſuſtinuit excidium per ignem. At Monachi hanc prætimentes ſtragem, ſacras B. *Audoeni* Reliquias exindè iam aliò aſportauerant, anno 842. idibus Maij: vti omnes fatentur [b]. I.

Diximus ſuperiùs S. *Ansbertum*, Archiepiſcopum Rothomagenſem, eorpus prædeceſſoris ſui B. *Audoeni*, in locum eminentiorem ac dicentiorem eiuſdem Eccleſiæ Abbatialis tranſtuliſſe: quod & codex MS. confirmat, hæc addens. *Vbi requieuit annis centum ſexaginta quinque, ſcilicet, vſque ad tempora Northmannorum, qui Gentili rabie furentes, vaſtauerunt Rothomagum, & ſuccenderunt Monaſterium ipſius, idibus Maij, Anno Dominicæ Incarnationis, 842. regnante* Carolo, *Rege Francor. Tunc à* Riculfo, *Rothomagenſi* Archiepiſcopo; *& ab Epiſcopis & Abbatibus totius Regni, ſacratiſſimum corpus eleuatur, & totum ex integro, ſine aliqua ſui diminutione cum digno honore, in feretro, auro, gemmiſque pretioſo, collocatur. Indè etiam, ob metum infandorum Gentilium, à Monachis,* Vvadiniacum *deportatur; vbi aliquot annis, miraculis coruſcantibus, requieuit. Poſt hæc inualeſcente ſæuitia Paganorum, & Hoſtium diatim creſcente exercitu: cùm omnis penè Occiduæ Regionis Prouincia, crebris irruptionibus, & incendio depopularetur; prædicti Monachi, S. Audoeni, & SS. Martyrum* Nicaſij, Quirini, *ac* Scuniculi, *corpora, ad villam ſuam*, Condatum, *tranſtulerunt*, &c. [c] ille *Riculfus* erat tunc Abbas iſtius Monaſterij, ac poſtea Archiepiſcopus Rothomagenſis. II.

Interim *Vvenilo*, Rothomagenſis Metropolitanus, inſtitit apud *Carolum Calvum*, ann. Regni ſui 24. vt omnia bona huiuſce cœnobij, ſua authoritate confirmarentur; [d] Deindè præfatus *Riculfus*, item Archiepiſcopus & Abbas ipſiuſmet Monaſterij, nonnulla eidem cœnobio contulit ann. 875. [e] poſtea *Ioannes*, eiuſdem Eccleſiæ Archipræſul, alienæ, vt ſuæ, calamitatis miſertus, curam egit, ne illud cœnobium penè collapſum, reſque ad eum pertinentes, peſſum irent, atque expilarentur. Hinc idem *Carolus* II. cognomento *Calvus*, Rex Francor. & Imperator Roman, pio impulſus fauore, erga eamdem Abbatiam, confirmauit eidem omnia bona, quæ tunc vſque illi largiter collata fuerant: idque ad inſtantiam præfati Ioannis Archiepiſcopi: cuius Regia ſanctio ſequitur. Cœnobium

Cœnobium S. Petri reparatur, prædiis & redditibus illi largitis redintegratur per principes Normannos, maximè per Rollonem, Protochristianum eorum Ducem: ad cuius instantiam corpus S. Audoeni è Francia in Normaniam relatum est. Ac præfato Monasterio restitutum, vbi tanta deinceps ad eius invocationem, edita sunt miracula; vt propterea ipsa Abbatia, de eius nomine postea extiterit nuncupata: Vossius his contrarius refutatus.

CAPVT IV.

I. IGitur hoc Monasterium ignibus traditum fuit atque destructum, à Normannis, an. 842. quando Rothomagum inuadentes, impetu hostili omnia deuastarunt: quod postea excellentiori structura reparatum est per principes Normanicæ Gentis, dùm videlicet, ad fidem Christi conuerti, an. 912. per *Franconem*, Rothomagensem Archiepiscopum, Neustriæ Ducatu potiti sunt, & pietati, virtutique animum addixerunt: Teste Guillelmo *Gemeticensi*, de eis talia retetente. Quædam verò Cœnobia eiusdem Prouinciæ Antiquiora, quæ à Normannis adhuc Paganis fuerant destructa; studio bonorum principum, reædificata sunt. *Rollo* siquidem primus Normannorum Dux, in primordio suæ conuersionis, plurimas possessiones dedit Ecclesiæ S. Mariæ *Rothomagensis*: & S. Mariæ *Bajocensis*; & S. *Mariæ Ebroicensis*: & Cœnobiis, *S. Petri*, sanctique *Audoeni*, *& Gemeticensi*, *& S. Michaeli de periculo maris*. [a] Quibus adstipulatur *Dudo*: addens ipsum *Rollonem*, vnicuique illorum, bona ac prædia largientem: quarto die, ab eius suscepto Baptismate: dedisse alia, *sancti Petri sanctique Audoeni Ecclesiæ*. II. Terris itaque & Latifundis huic Cœnobio attributis: omni, qua potuit solertia, & pietate institit, vt quamprimùm corpus S. *Audoeni* suæ Ecclesiæ S. *Petri* restitueretur. Quando autem, vel quomodò pius ille Dux, id præstiterit, licebit intueri, ex eo pervetusto fragmento Historiæ Normannorum. *Quantæ* humilitatis *Rollo* tuit, postquam fidem Christi suscepit, ex vna re, quam fecit, patenter cunctis innotuit. Quodam tempore, postquam pacificatus est cum Rege Franciæ, venientes ad eum homines Rothomagi, cœperunt eum rogare, vt de *Francia* faceret corpus S. *Audoeni* redire, quod propter timorem eius, illuc olim fuerat translatum; antequam cœpisset Normanniam: Tristes, inquiunt, & multùm dolentes sumus; quòd sic Archiepiscopum nostrum perdidimus. Hoc audiens Comes, mandauit Regi Franciæ; vt ei Presbyterum suum redderet; quòd si non faceret, proculdubio sciret; quòd nullo modo cum illo patem habere posset. Rex autem Franciæ, nolens ei, de hac re facere molestiam: reddidit ei, sicut petebat Presbyterum suum. Dux verò præcepit, vt indè reduceretur corpus S. *Audoeni*, suæque redderetur Ecclesiæ, vndè fuerat asportatum. Monachi ergo, qui custodes eius fuerunt, dùm in *Francia* fuit, reportauerunt illud vsque ad quamdam villam, ad vnam leucam, ab vrbe Rothomagensi, Quò, cùm peruenissent, non parùm de via lassati, manserunt ibidem illa nocte: vt manè surgentes, si possent, S. *Audoenum* ad suum locum reportarent. Cùm itaque manè surgerent, eumque ad ciuitatem portare vellent, nullo modo potuerunt. Tunc tristes Monachi, nimiúmque dolentes de hoc quod illis acciderat: mandauerunt ciuibus, quòd S. *Audoeni* corpus nullomodo poterant mouere, de loco illo, vbi iacuerat illa nocte. Quòd cùm Comiti (tunc apud Rothomagum erat) fuisset nuntiatum; Respondit: Quia meritò hæc tribulatio de corpore S. *Audoeni* eis acciderat: quia si rectè cogitassent, sensumque rectum habuissent, cum

Figure 1. A newspaper, the Times of London, dated Tuesday 1 June 1965. Note the absence of a date on the front page. Reproduced by permission of The Times.

Newspapers are usually published daily, and the publication date is usually printed on the front page. Figure 1 shows a newspaper that does not follow this convention. Why? Because it is a facsimile of a newspaper published on a day that was not ordinary. The publication date is not printed on the front page because the publication date is the day that the reader already knows is special.

Psalm 119:1–176 (Aleph–Tau) — Blessedness of the Law

1 Blessed are those whose way is blameless,
who walk in the law of the LORD.
2 Blessed are those who keep his testimonies,
who seek him with their whole heart,
3 who also do no wrong,
but walk in his ways.
4 You have commanded your precepts
to be kept diligently.
5 Oh that my ways may be steadfast
in keeping your statutes!
6 Then I shall not be put to shame,
having my eyes fixed on all your commandments.
7 I will praise you with an upright heart,
when I learn your righteous judgments.
8 I will keep your statutes;
do not utterly forsake me.

9 How can young people keep their way pure?
By guarding it according to your word.
10 With my whole heart I seek you;
let me not wander from your commandments.
11 I treasure your word in my heart,
so that I may not sin against you.
12 Blessed are you, O LORD;
teach me your statutes.
13 With my lips I recount
all the ordinances of your mouth.
14 I delight in the way of your decrees
as much as in all riches.
15 I will meditate on your precepts,
and fix my eyes on your ways.
16 I will delight in your statutes;
I will not forget your word.

17 Deal bountifully with your servant,
so that I may live and keep your word.
18 Open my eyes, that I may behold
wondrous things out of your law.
19 I am a stranger in the earth;
do not hide your commandments from me.
20 My soul is consumed
with longing for your ordinances at all times.
21 You rebuke the insolent, accursed ones,
who stray from your commandments.
22 Take away from me scorn and contempt,
for I have kept your decrees.
23 Even though princes sit plotting against me,
your servant will meditate on your statutes.
24 Your decrees are my delight,
they are my counsellors.

25 My soul clings to the dust;
revive me according to your word.
26 When I told of my ways, you answered me;
teach me your statutes.
27 Make me understand the way of your precepts,
and I will meditate on your wondrous works.
28 My soul melts away for sorrow;
strengthen me according to your word.
29 Put false ways far from me,
and graciously teach me your law.
30 I have chosen the way of faithfulness;
I set your ordinances before me.
31 I cling to your decrees;
O LORD, let me not be put to shame.
32 I will run the way of your commandments,
when you enlarge my understanding.

33 Teach me, O LORD, the way of your statutes,
and I will observe it to the end.
34 Give me understanding, that I may keep your law
and observe it with my whole heart.
35 Lead me in the path of your commandments,
for I delight in it.
36 Incline my heart to your decrees,
and not to selfish gain.
37 Turn my eyes from looking at worthless things;
give me life in your ways.
38 Fulfil your promise to your servant,
which you make to those who fear you.
39 Turn away the disgrace that I dread,
for your ordinances are good.
40 How I long for your precepts!
In your righteousness give me life.

41 Let your steadfast love come to me, O LORD,
your salvation according to your promise;
42 then I shall have an answer for those who taunt me,
for I trust in your word.
43 Do not take the word of truth utterly from my mouth,
for my hope is in your ordinances.
44 I shall keep your law continually,
forever and ever.
45 I shall walk in a large place,
for I have sought your precepts.
46 I shall speak of your decrees before kings,
and shall not be put to shame;
47 I shall delight in your commandments,
which I love.
48 I revere your commandments, which I love,
and I will meditate on your statutes.

49 Remember your word to your servant,
in which you have made me hope.
50 This is my comfort in my affliction,
that your promise gives me life.
51 The arrogant utterly deride me,
but I do not turn away from your law.
52 When I think of your ordinances from of old,
I take comfort, O LORD.
53 Indignation seizes me because of the wicked,
who forsake your law.
54 Your statutes have been my songs
in the house of my sojourning.
55 I remember your name in the night, O LORD,
and keep your law.
56 This blessing has fallen to me,
that I have kept your precepts.

57 The LORD is my portion;
I promise to keep your words.
58 I implore your favour with my whole heart;
be gracious to me according to your promise.
59 When I think of your ways,
I turn my feet to your decrees;
60 I hasten and do not delay
to keep your commandments.
61 Though the cords of the wicked ensnare me,
I do not forget your law.
62 At midnight I rise to praise you,
because of your righteous ordinances.
63 I am a companion of all who fear you,
of those who keep your precepts.
64 The earth, O LORD, is full of your steadfast love;
teach me your statutes.

65 You have dealt well with your servant,
O LORD, according to your word.
66 Teach me good sense and knowledge,
for I believe in your commandments.
67 Before I was afflicted I went astray,
but now I keep your word.
68 You are good and do good;
teach me your statutes.
69 The arrogant smear me with lies,
but I keep your precepts with my whole heart.
70 Their heart is unfeeling like fat,
but I delight in your law.
71 It is good for me that I was afflicted,
so that I might learn your statutes.
72 The law of your mouth is better to me
than thousands of gold and silver pieces.

73 Your hands have made me and fashioned me;
give me understanding, that I may learn your commandments.
74 Those who fear you shall see me and rejoice,
because I have hoped in your word.
75 I know, O LORD, that your judgments are right,
and that in faithfulness you have afflicted me.
76 Let your steadfast love become my comfort,
according to your promise to your servant.
77 Let your mercy come to me, that I may live;
for your law is my delight.
78 Let the arrogant be put to shame,
because they have subverted me with lies;
but I will meditate on your precepts.
79 Let those who fear you turn to me,
that they may know your decrees.
80 Let my heart be sound in your statutes,
that I may not be put to shame.

81 My soul languishes for your salvation;
I hope in your word.
82 My eyes fail from watching for your promise;
I ask, When will you comfort me?
83 For I have become like a wineskin in the smoke,
yet I have not forgotten your statutes.
84 How long must your servant endure?
When will you judge those who persecute me?
85 The arrogant have dug pitfalls for me,
contrary to your law.
86 All your commandments are faithful;
help me, for they persecute me with lies.
87 They have almost made an end of me on earth,
but I have not forsaken your precepts.
88 In your steadfast love spare my life,
that I may keep the decrees of your mouth.

89 Forever, O LORD, your word
is firmly fixed in the heavens.
90 Your faithfulness endures to all generations;
you established the earth, and it stands fast.
91 By your appointment they stand today,
for all things are your servants.
92 If your law had not been my delight,
I would have perished in my misery.
93 I will never forget your precepts,
for by them you have given me life.
94 I am yours; save me,
for I have sought your precepts.
95 The wicked lie in wait to destroy me,
but I consider your decrees.
96 I have seen a limit to all perfection,
but your commandment is very broad.

97 Oh how I love your law!
It is my meditation all day long.
98 Your commandment makes me wiser than my enemies,
for it is always with me.
99 I have more insight than all my teachers,
for your decrees are my meditation.
100 I understand more than the elders,
for I keep your precepts.
101 I refrain my feet from every evil way,
in order to keep your word.
102 I do not depart from your ordinances,
for you have taught me.
103 How sweet are your words to my taste,
sweeter than honey to my mouth!
104 From your precepts I get understanding;
therefore I hate every false way.

105 Your word is a lamp to my feet
and a light to my path.
106 I have sworn an oath and confirmed it,
to keep your righteous ordinances.
107 I am deeply afflicted;
give me life, O LORD, according to your word.
108 Accept the willing tribute of my mouth, O LORD,
and teach me your ordinances.
109 I take my life in my hand continually,
but I do not forget your law.
110 The wicked have laid a snare for me,
but I do not stray from your precepts.
111 Your decrees are my heritage forever,
for they are the joy of my heart.
112 I incline my heart to perform your statutes
forever, to the end.

113 I hate the double-minded,
but I love your law.
114 You are my hiding place and my shield;
I hope in your word.
115 Depart from me, you evildoers,
that I may obey the commandments of my God.
116 Uphold me according to your promise, that I may live,
and do not disappoint me in my hope.
117 Hold me up, that I may be safe,
and keep my eyes ever on your statutes.
118 You reject all who stray from your statutes,
for their cunning is in vain.
119 You put away all the wicked of the earth like dross;
therefore I love your decrees.
120 My flesh trembles for fear of you,
and I am afraid of your judgments.

121 I have done what is just and right;
do not leave me to my oppressors.
122 Guarantee your servant's well-being;
let not the arrogant oppress me.
123 My eyes fail from watching for your salvation
and for your righteous promise.
124 Deal with your servant according to your steadfast love,
and teach me your statutes.
125 I am your servant; give me discernment,
that I may know your decrees.
126 It is time for you to act, O LORD,
for your law is being broken.
127 Therefore I love your commandments
more than gold, more than fine gold.
128 Therefore I consider all your precepts to be right;
I hate every false way.

129 Your decrees are wonderful;
therefore I obey them.
130 When your word goes forth it gives light;
it imparts understanding to the simple.
131 I open my mouth and pant,
because I long for your commandments.
132 Turn to me and be gracious to me,
as is your way with those who love your name.
133 Keep my footsteps steady according to your promise,
and let no iniquity get dominion over me.
134 Redeem me from human oppression,
that I may keep your precepts.
135 Make your face shine upon your servant,
and teach me your statutes.
136 My eyes shed streams of water,
because your law is not kept.

137 You are righteous, O LORD,
and your judgments are right.
138 You have appointed your decrees in righteousness
and in all faithfulness.
139 My indignation consumes me,
because my foes forget your words.
140 Your promise is well tried,
and your servant loves it.
141 I am small and despised,
yet I do not forget your precepts.
142 Your righteousness is an everlasting righteousness,
and your law is the truth.
143 Trouble and anguish have come upon me,
but your commandments are my delight.
144 Your decrees are righteous forever;
give me understanding, that I may live.

145 I call with my whole heart; answer me, O LORD,
that I may keep your statutes.
146 I call to you; save me,
that I may observe your decrees.
147 I rise before dawn and cry for help;
I hope in your word.
148 My eyes are awake before each watch of the night,
that I may meditate on your promise.
149 Hear my voice according to your steadfast love;
O LORD, in your justice preserve my life.
150 Those who persecute me with evil purpose draw near;
they are far from your law.
151 But you are near, O LORD,
and all your commandments are true.
152 Long have I known from your decrees
that you have established them forever.

153 Look on my misery and rescue me,
for I do not forget your law.
154 Plead my cause and redeem me;
give me life according to your promise.
155 Deliverance is far from the wicked,
for they do not study your statutes.
156 Great is your mercy, O LORD;
give me life according to your justice.
157 Many are my persecutors and my foes,
but I do not swerve from your decrees.
158 I look on the faithless with disgust,
because they do not keep your word.
159 Consider how I love your precepts;
O LORD, in your steadfast love give me life.
160 The sum of your word is truth,
and every one of your righteous ordinances endures forever.

161 Princes persecute me without cause,
but my heart stands in awe of your word.
162 I rejoice at your promise
like one who finds great spoil.
163 I hate and abhor falsehood,
but I love your law.
164 Seven times a day I praise you
because of your righteous ordinances.
165 Great peace have those who love your law;
nothing can make them stumble.
166 I hope for your salvation, O LORD,
and I fulfil your commandments.
167 I keep your decrees,
I love them exceedingly.
168 I keep your precepts and your decrees,
for all my ways are before you.

169 Let my cry come before you, O LORD;
give me understanding according to your word.
170 Let my supplication come before you;
deliver me according to your promise.
171 My lips will pour forth praise,
because you teach me your statutes.
172 My tongue will sing of your promise,
for all your commandments are right.
173 Let your hand be ready to help me,
for I have chosen your precepts.
174 I long for your salvation, O LORD,
and your law is my delight.
175 Let me live that I may praise you,
and let your ordinances help me.
176 I have gone astray like a lost sheep;
seek your servant,
for I do not forget your commandments.

Quidam neotericus scribit *Innocentium* hunc, cùm *Clementem VII.* ann. 1533. in colloquium cum *Francisco* I. Rege Franc. *Massiliam* ad nauigantem comitatus fuisset (vbi Catharina *Medicea Henrico* II. *Francisci filio* nupsit) tanquam sponsæ Fratruelem, honorificè à Rege tractatum, & Rothomagensis Abbatiæ prouentibus, inter alia, noua affinitate, digna stipendia, auctum.[d] Sanè, si de hac præsenti S. *Audoeni* Abbatia intelligit, apertè hallucinatur, cùm satis superque constet S. *Audoeni* cœnobium eidem *Innocentio*, iam indè à *Leonis X.* (qui eum Cardinal. creauit.) temporibus commendatum fuisse. Nam Vicarium Generalem in ipso habuit Antonium *le Roux*, Abbatem S. Cùm

Reflexion, in Optics, the change of direction which a ray of light undergoes when it falls upon a reflecting surface, and is thrown back into the medium from which it came. The ray which falls upon the surface is called the incident ray, and the ray which is reflected is called the reflected ray. The angle which the incident ray makes with a perpendicular to the surface at the point where it falls is called the angle of incidence, and the angle which the reflected ray makes with the same perpendicular is called the angle of reflexion. The law of reflexion is, that the angle of reflexion is equal to the angle of incidence, and that the incident ray, the reflected ray, and the perpendicular to the surface at the point of incidence, are all in the same plane.

CAPVT I.

Sanctus Paternus, nobili genere natus apud Pictauos originem duxit, & I.
à pueritia Monachus Enixionenſis effectus, poſtea in partes inferioris
„ Neuſtriæ ſeceſſit. *In ipſa adhuc adoleſcẽtia* (inquit author vitæ illius) ad
„ ſublimiora ſanctæ vitæ ſtudia adſpirans, eùm non fideret ſibi ipſi, pro-
„ pter ætatis teneritudinem, cum *Scubilione* eiuſdem loci Monacho, priùs commu-
„ nicato conſilio, pro Chriſti amore, relictis parentibus, in pago *Conſtantino*, vnà
„ cum illo, libenter conſtituit peregrinus degere. Itaque, nil præter Pſalterium,
„ ſecum accipientes, eò profecti ſunt. Porro, S. *Scubilio*, licet ætate major eſſet,
„ videns B. *Paternum* meritis venerabilem, vt illum ſibi adæquaret, pallium ſuum
„ diuiſit, eique partem dimidiam dedit. Ambobus verò propter captendam ſoli-
„ tudinem, inſulam quandam adire cupientibus: vir quidam nobilis, & Religio-
„ ſus, Deoque dilectus, detinuit eos apud ſe, donec ciuibus ſuis illorum aduentum
„ indicaret: Rogauitque illos, vt in pharium *Siſciacum* ſe reciperent, ſuiſque pre-
„ cibus homines Ethniciſmi erroribus implicatos, à Dæmonum cultu reuoca-
„ rent. Tum verò illi, circa montis ſinum, in cauernam quandam ingreſſi ſunt,
„ cúmque populus execrabili dudum conſuetudine, in illo phano debaccharetur,
„ Sancti viri admonebant miſeros, ne falſos Deos colendo, ſe æternùm perderent,
„ qui ſalutem poſſent adipiſci ſempiternam, ſi non eiuſmodi injuria ſuum irrita-
„ rent creatorem. Aiebantque rectius omnino ipſos facturos, ſi per gratiam Dei
„ renati, ſuum colerent conditorem. His auditis homines inſani, reuerendos vi-
„ros irreuerenter contemnunt, rituque ſuo cœptum cultum pertinaciter proſe-
„ quuntur. At ſancti viri, tum ſanctæ Crucis ſigno, tum fidei feruore armati, ac-
„ cedunt ad vaſa, in quibus illi miſeri pulmenta coquebant, ſuiſque ea ſcipioni-
„ bus euertunt; potum quoque effundunt, poſthabito præſentiſſimo vitæ ſuæ pe-
„ riculo; vt pro Chriſto fortiter, dimicarent, parati etiam, immò & appetentes,
„ pro illo obire martyrium, ſi non defuiſſet percuſſor. Ecce autem nutu Diuino,
„ timore corripiuntur, qui ſanctos viros facilè etiam trucidare potuiſſent: ſed
„ cùm ad ſuum lectum ambo reuerterentur, mulier quædam, in eorum contume-
„ liam, ſeſe nudauit; at repentè membris omnibus contrahitur, totoque anno,
„ vigore tabeſcente, cruciatur: neruiſque debilitatis, etiam vlcere flagellatur;
„ donec petita à ſanctis viris venia, illis Dominum rogantibus, ſanitati reſtitu-

„ Accidit quadam die, vt non niſi dimidius panis, illis ad neceſſariam refectio- II.
„ nem ſupereſſet; aduenientе peregrino quodam, B. *Paternus* humanitatis ſtudio,
„ eum illi largitus eſt; potius apud Deum ſibi, ex illo mercedem colligere volens,
„ quàm in ſuum, eam, ventrem recondere. Vbi autem ſtata edendi hora aduenit,
„ S. *Scubilio* rogauit eum, vt illud panis fruſtum, ipſis apponeretur. Cui *Paternus*
„ ait: Chriſtus, qui ſemper abundat, ſeruis ſuis eſcas ſubminiſtrabit. Tulit hoc
„ moleſtè *Scubilio*; quippe, qui labore defeſſus, nihil inueniret, vndè vires exhau-

„ & implet omne animal benedictione: nam confeſtim, *Vvithem*, qui ſe primus in
„ illorum diſciplinam tradiderat, illis ieiunantibus, multa attulit munera, &
„ magnam ciborum copiam: ſicque intra temporis ferè punctum, quod indigenti
„ *Paternus* impertierat, cum grandi fœnore receperunt. Sed cùm cibum cape-

„qui eſt fons vitæ indeficiens; preces offerunt; vt ipſe famulis ſuis aquam lar-

„uorum ſuorum, tangenteque *Paterno* humum baculo, fons erupit: crederes te
„videre *Moyſen*, virga percutientem petram.

III. „ Eius rei fama crebreſcente, vir venerabilis *Generoſus*, Abbas eorum, poſt
„triennij ſpatia, abijt ad requirendos Monachos ſuos, tum benè fugitiuos:
„quippe, qui ad Chriſtum confugerant. Vbi tandem ad illos peruenit, didicit
„*Paternum*, arduum ſanè vitæ inſtitutum ſequi: præter panem & aquam, vel olera
„ſale conſperſa, nihil alimentorum admittere, & non fœminarum duntaxat, ſed
„etiam virorum aſpectus declinare, vt ab hominum conſuetudine ſemotus, ſolli-
„citè operaretur viſitationes Angelicas; tantóque plus proficeret in rerum Diui-
„narum contemplatione, quantò minus ſe haberet ex hominibus ſolatij. Tum
„præterea cognouit cum nullo vnquam cubare in lectulo, nulla lecti operimenta
„requirere, nunquam ad plumas vel caput reclinare; ea veſte, qua interdiu vtere-

„vt nec ipſa quidem nocturna quies, corpori ſine moleſtia abiret; exactoque in
„ſanctis laboribus die, nox non ad quietem, ſed ad laborem ſuccedere videretur.

IV. „ His igitur conſideratis, vt aduertit Abbas eum Monaſtici canonis metas, tan-
„quam equum impatientem, immodico feruore excedere: impoſito quodam fre-
„ni retinaculo, ad moderanda eum jejunia reuocauit; ſimulque juſſit, ne tam ar-
„ctæ ſe daret ſolitudini, nec virorum aſpectum & colloquia recuſaret, tum
„etiam cellulas inuiſeret: ſimul etiam apud *Lucianum* Epiſcopum, & ciues præ-
„clarum ei reddidit teſtimonium, bonis & honeſtis eum parentibus eſſe editum.
„Dehinc valefaciens *Paterno*, *Scubilionem* ſecum, ad Monaſterium reduxit; cui ta-
„men non multò poſt, copiam fecit ad *Paternum*, ſeſe recipiendi. Porro *Lucianus*
„Epiſcopus, *Paternum* primò Diaconum, indè Presbyterum ordinauit: ille verò,
„quantum ſibi ſenſerat ex illa promotione acceſſiſſe dignitatis: tantò plus ipſe
„ſibi cumulandis virtutibus, veri honoris adijcere nitebatur. Tantus autem *Siſ-

CAPVT I.

I. ISTVD cœnobium de *Nanto*; ceu *Nantuensis* Abbatia, Gallico sermone *Nantueil*, Ordinis est D. Benedicti, Diœcesis Constantiensis, in confinio *Bajocensis* & *Constantiensis* Neustriæ inferioris ciuitatum, versus mare Oceanum. Conditur autem à S. *Marculpho*, illius loci Proto-Abbate, ann. 558. a liberalitate ac munificentia *Childeberti* I. Francor. Regis & *Vltrogothæ* Reginæ, vxoris eius: tempore B. *Possessoris*, Constantiensis Episcopi: de quo hæc scribit Robertus Cœnalis de Bajocensi vrbe agens. *Protulit ea ciuitas, præter eos, quos enumeranimus, viros, Beatorum addictos consortio, multaque sanctitate illustres. In iis fuere* D. Marculphus, *præter morum excellentiam, ac bonarum disciplinarum copiam, generisque nobilitatem, heroïca virtute præditus; statura quidem pusillus, verùm major in exiguo regnabat corpore virtus. „ Reuerſus igitur B. *Marculphus*, cœpit locum illum excolere, condiditque Mo-

quibus

„quibus cùm vitam Monaſticam duceret, ſibi fratres aſciuit, quos non ſolùm ad-

„progredientes, Regem Regum in Sion contemplari mererentur. Hortabatur
„eos, vt inter ſe prorſus eſſent vnanimes, & quemadmodum de primitiuæ Eccle-

„ſibi proprium, præter peccatum, vendicaret, ſed omnia eis eſſent communia.
„Porro, otium tanquam vipereum fugerent virus, certatimque aut laboribus

„Monachorum obeſſe perfectioni, quàm otium.

VI. „Cùm autem diſſolutionis ſuæ tempus, vir Dei, Spiritu ſancto reuelante, non

„vt periculum declinaret, ſed vt Dei, qui homines & jumenta ſaluat, pateſceret
„magnificentia, beſtiolam dimiſit. Ea fugente, canes, qui ad capiendum parati

„qui ſanctum virum irreuerenter & contumeliosè appellauerat, ab equo, quem
„calcaribus vegebat, vt fugientem leporem ſequeretur, tanta vi decidit, vt rupto
„ventre, inteſtina eius effluerent, cernentes id ſocii eius, qui ob illatam viro Dei
„injuriam id ei accidiſſe non dubitabant, ad pedes illius ſe abijciunt; qui tamen
„ad miſerendum paratior, quàm ad vlciſcendum erat. Mox ille ſe confert eò, vbi

„mox ab equo deſiliens, non ſine multa reuerentia, pedes ad eum accеſſit, orauit-

SANCTVS SEVERVS.

ANN. 558.

SAN-SEVERVS; GALLICÈ, S. SEVER in Diœcesi Constantiensi haud procul à Viria amne.

I. Mnino constat præsens Monasterium fuisse extructum in honorē B. Virginis Mariæ Deiparæ, à S. *Seuero*, postea Abrincensi Episcopo, qui in cœlum migrauit circa ann. Christi 570. Sed hinc labentibus sæculis, istud Asceterium funditùs dirutum esse, Normanis adhuc Paganis; itaque animum lectoris haud parum juuabit, si aliquid de ipso S. Seuero Pontifice, de prompserimus.

S. Euremundus, Fundator primarius & Abbas Fontaneti Monasterij: Deinde alij huiusce loci Fundatores & Benefactores recensentur.

Circa ann. 568. vel 570.

CAPVT I.

I. Onstructa est hæc vetus Abbatia de *Fontaneto*, ceu *Fontenaco*, vel *Fonteneto*, vulgò, *Fontenay*, ad *Ornam* fluuium, versus *Cadomum* Diœcesis Bajocensis, Ordinisque S. Benedicti; cuius primus Abbas fuit S. *Euremundus*, frater S. *Ebrulfi*, primi Vticensis Abbatis. Hic igitur B. *Euremundus*, Bajocis ortus, spectatæ è nobilitatis stirpe, in aula Chilperici I. Francorum Regis, primam exegit ætatem. Hinc vir factus, & matrimonio junctus; cœpit altioris vitæ genus exquirere: quare sponsa in Monasterium, ex consensu, conuolante, ille locum quæsiuit, proposito opportunum. Nam ad suæ possessionis vicum, cui *Fontanetum* nomen, in *Sagiensi* Diœcesi diuertens; illic sex ædiculus constituit, tot cœlitibus qui cœptis fauerent, eas nuncupans; moxque etiam cœnobium, in quo (S. *Annoberto*, Episcopo Sagiensi præclara conamina probante) cum aliquot Dei cultoribus, qui in cœtum cum eo coaluerant, vitam Religiosam instituit; & miraculis clarus obdormiuit in Domino, cuius sacrum corpus S. *Lobarius*, Sagiensis Pontifex. In Basilica, quam idem vir Dei constituerat, honorificè sepeliendum curauit: & S. *Cedulphum*, in eius locum, Abbatem instituit. [a] *a Canalis lib. 2. de Re-Gallica 4. provincia.*

II. Diu itaque eo in cœnobio Monasticæ obseruantiæ feruor viguit: sed, qui per id tempus præfuerint Archimandritæ, nobis prorsus est incompertum. Postea verò labentibus annis, & Normannis per Neustriam vniuersam debacchantibus, cunctaque deuastantibus: ne ipsius S. *Euremundi* Proto-Abbatis, corpus, eorum expilationi expositum iret, Monachi fugientes, indè secum illud asportarunt in interiorem Galliam; vbi à Toparchis *de Creil*, (quod oppidum est in *Bellouacis*) reuerenter exceptum, in Ecclesia de eius nomine ibidem ab illis extructa honorificè postea condiderunt: quam ob causam, apud Martyrologium Benedictinum legitur 11. Iunij, de ipso, *In territorio Belnacensi, S. Euremundi, Abbatis.* [b] *b Martyrolog. Benedictinum 11. Iunij Menardus. ib. lib. 2. Observat. Sanctyus in Martyrolog. Galli ann 10. Iunij. VTICVM VVLGÒ S. EVROVL.

Antiquitas vticensis cœnobij referatur ; illius fundator fuit B. Ebrulfus, primarius Abbas: cuius Primordia, Tyrocinium, vita sanctitas, variaque virtutes, & complura ab eo Asceteria extructa referuntur.

CAPVT I.

I. NVlli dubium arbitror, cœnobium vticense (à soli denominatione sic nuncupatum) vulgò *Ouche* perantiquum esse ; cùm extructum fuerit à B. *Ebrulpho* : vnde & cognomen accepit S. Ebrulphi: Gallicè, S. *Euroul* : Ordinis S. Benedicti, septem leucis à *Sagia* vrbe, (in Lexouiensi tamen Diœcesi extat) dissitum. Quis autem, vel qualis extiterit ipse S. *Ebrulfus*, discimus ex *Orderico*, Monaterij Vticensis alumno, qui gesta tanti patris, scriptis suis tradidit, in hunc modum. [a] „ Venerabilis igitur Pater *Ebrulfus* admodùm nobili ortus Prosapia, „ Bajocassinæ vrbis oriundus extitit : quem parentes nimia educantes cura, Ca„ tholicæ fidei magisterio tradiderunt. Qui mira velocitate, diuina & humana „ diligenter percurrens studia : etiam adhuc puer, ipsos magistros dicitur præces„ sisse doctrina ; cœlestis enim gratia, quæ sibi eum Religionis doctorem „ futurum præuiderat : in omnibus efficacissimè docilem reddiderat. Ne„ que ex insolentia (vt mos est huius ætatis) superbè aliquid agendo, tantæ in„ dolis dignitatem inficiebat, vultu siquidem spectabilis, & affatu dulcis, nulla „ leuitate aliqua existebat grauis. Qui (sicut dictum est) nobilitatis lampade „ clarus, immortalis Dei jam notus præscientiæ, mox innotuit Clothario Regi, „ filio Clodouei : (qui primus ex Christianorum Regibus Christianus factus est, „ & à B. Remigio, Remorum Archiepiscopo, cum tribus nobilium milibus ba„ ptizatus est) qui comperiens quis, vel cuius nobilitatis esset, illico præsentari „ sibi eum jubet : condignum fore dijudicans, vt quem mentis nitor extulerat, Re„ galibus ministeriis deseruiret. Per humilitatis autem officium, tantam ei super„ nus Imperator gratiam contulit apud terrenum : quatinus cæteris prælatus, „ maximum in Palatio obtineret locum. Oratoris quippe facundia præditus ; ad „ agendas causas inter aulicos residebat doctissimos. Ita tamen sæcularibus inten„ debat negotiis : vt nunquam relaxaret animum, ab aspectu internæ dilectio„ nis.

[a] *Orderici lib. 6. Histor. Eccles. anno mcl.*

II. „ Sed cùm opportuna spes propagandæ sobolis haberetur in domo patris : cre„ bra & honesta amicorum compulsus persuasione, condignam natalibus vxo„ rem, instituit ducere. Quam gratia posteritatis, suscipiens, non carnis voluptate, „ Diuina præcepta exequendo deuotè, solerti eadem crebro secum voluebat medi„ tatione. Fruebatur itaque vir Deo plenus temporalibus, cauta cogitatione „ prouidens : ne displiceret conditori in acceptis rebus. Cúmque locupletatus „ nimis fieret ; plus gaudebat bono opere, quàm bona possessione : priscorum Pa„ trum gesta, quæ per multos Codices legerat: qualiter in sese transferret, summo „ studio elaborabat : insistens autem eleemosynis, orationibus, atque vigilijs, „ conjugem quam duxerat, ad idem sanctitatis opus euocabat : quatinus per vi„ rum fidelem, etsi fidelis, accresceret deuotio mulieris. Sicque degens adhuc sub „ Laïcali habitu, vitam instituerat : vt nihil ab his discrepare videretur, quos „ imperium regulare coercebat.

III. Cùm ergo Beatissimus vir, quadam propria lege laudabiliter viueret, & Dominicis præceptis ardenter inseruiret : contigit, vt Dominum in Euangelio suis præcipientem

cipientem audiret : *Qui vult venire post me, abneget semetipsum, & tollat crucem suam, & sequatur me.* Illud etiam ad cumulum perfectionis altæ memoriæ condiderat ; quod ipsa contemptoribus mundi pollicetur veritas. *Amen dico vobis, quòd vos, qui propter me, reliquistis omnia, centuplum accipietis & vitam æternam possidebitis.* Veridicis igitur accensus promissis, (quòd antea cum discretione fecerat) facta distractione rerum : quicquid habere potuit, pauperibus erogat. Conjugem, (quam vt patris nomen haberet, acceperat) *sacro velamine consecrat, cœlesti sponso condonauit, ipse tanquam elapsus à naufragio : ad Monasterium festinauit. Et factus Monachus, mansit ibi in omni humilitate, seruiens Deo per aliquod tempus : excrescebatque in eo magis magisque sanctæ conuersationis affectus.* Quæ omnia ab alijs confirmantur : [b] Præter id, quod affertur de *Clotario* I. Rege : quidam enim volunt, sed perperam, *Childebertum* I. Regem, fratrem ipsius *Clotharij*, hunc S. *Ebrulphum*, adhuc juuenem, adse euocasse : quod rectè obseruauit, reijcitque Antonius *Yeppes.* sup. Relator vitæ S. *Ebrulphi*, Monasterium, ad quod præfatus vir Dei confugit, proprio nomine non distinguit : Idem *Ordericus* ex Seniorum traditione didicit, illud fuisse, quod olim *ad duos Oliuellos* nuncupabatur. IV. Verum cùm obsanctitatis gratiam cœpisset gloriosus Confessor Ebrulfus à fratribus honorari : casum elationis metuens incurrere, accitis secum tribus Monachis, quos sibi familiari collocutione conjunxerat, & ad id perfectionis certamen promptiores cognouerat, vtpotè solius Dei contemplationi volens incumbere, summa cum velocitate studuit heremum expetere. [d] Eadem cæteri narrant : sed quæ sequuntur, peculiaria sunt ipsius Orderici vitalis : qui per Oximensem pagum, in locum (qui Monsfortis dicitur) venerunt : ibique quia locus amœnus, syluis, & fontibus abundabat, hospitati sunt : & aliquamdiu solitariam vitam ducentes, sanctè vixerunt, sed quia duo castella, Oximis, Guaceiumque, ibi vicinio erant, vbi plures acturi forenses causas venichant ; serui Dei aduentantium multitudine molestias plerumque perferebant. Prætera nempe oppida, tempore Cæsaris fuisse, eique leguntur fortiter restitisse ; ibique per multa sæcula, Principum sedes permansisse, indè frequentia Procerum atque mediocrium, quibus antea nobilis Heros in sæculi fastigio notus fuerat, iam speciali Theoriæ feruenter inhærentem visitabat : & multiplici colloquio, de causis vtilibus prolato, cœlestia meditantem inquietabat : illum igitur venerabiles viri locum deseruerunt : ibique posteri Basilicam, (quæ adhuc perdurat) in honore S. *Ebrulphi*, condiderunt. [e] Quæquidem sancta ædes, extat in Decanatu *de Bellomonte*, Diœcesis Lexouiensis ; vocaturque Prioratus S. *Ebrulfi* : Ordinis Cluniacensis. [f]

Deindè syluam ingressi sunt, amatores eremi : quam Vticum protestantur incolæ, quæ sylua densitate arborum horribilis, crebris latronum frequentata discursibus : habitationem præstabat immanibus feris. Cúmque intrepidis gressibus vastissima loca solitudinis peragrarent, non inuenientes vbi conuenienter suæ deuotioni hospitium collocarent : B. *Ebrulphus* puræ conscientiæ spiritu inardescens, orauit ad Dominum, dicens. Domine Iesu Christe, qui populo tuo Israel gradienti per desertum, te Ductorem fidelissimum in columna nubis & ignis exhibuisti : dignare propitius nobis volentibus Ægyptiacæ seruitutis damnationem effugere, locum libertatis, & nostræ fragilitati opportunum, clementer ostendere. Mox verò completa oratione ; apparuit fideli viro Angelus Domini, adueniens, quod poposcerat, indicare, quem sequentes prænium, peruenerunt ad fontes habilissimos ad potandum : qui paululum derivati colligebantur in magnum stagnum, vbi genua flectentes, monstratori Deo immensas referunt laudes : qui nunquam seruos suos spernit sperantes in se. Celebrata autem gratiarum actione, nomen Domini inuocantes : pro quantitate habitantium, de virgultis & frondibus construxere tugurium : quod clausiro parulo eiusdem materiæ circumcingentes, manserunt ibi, optatæ quietis refugium consequuti. Quorum seruitus quantum libera tantùm Deo comprobatur extitisse grata, omnem quippe mundi strepitum conculcantes pedibus, solis inhærebant cœlestibus : & qui cuncta contempserant ; præter Deum nihil habebant, vndè benè cum psalmographo cantare meruerunt : Portio mea Domine, dixi,

Dùm ergò S. *Ebrulfus*, & socij eius, tanta vigilantia, interioris hominis profectum acquirerent, neque eos, aut loci asperitas, vel bestiarum feritas, à proposito deterreret; latronum, qui syluam incolebant, impia caterua, eorum admiratus constantiam, & in Christi seruitio perseuerantiam; ad pedes B. *Ebrulphi* procidit, superioris vitæ deflens statum; at pijs exhortationibus instructi, multi ex illis facti sunt Monachi, aut latrocinia deserentes, efficiebantur agricultores. Ex vicinis etiam locis, fama viri Dei permoti, veniebant ad eum, cupientes faciem illius intueri Angelicam, verbaque vitæ audire, cuncta illi vicissim corpori necessaria subministrantes: sed refecti spiritualibus, mentis cum alacritate remeabant ad sua, vel ad brauium Christianæ perfectionis deprecabantur adscribi: iamque propter aduentantium frequentiam, sylua solitudinis amiserat vocabulum. Accrescente itaque numero fratrum, crescebat & in B. *Ebrulfo* gratia virtutum. Patientiæ & abstinentiæ erat incredibilis: creber in oratione, hilaris in exhortatione; probitate nesciebat extolli, vel poterat aduersitate frangi. Tantam erga pauperes benignitatem ostendebat; vt quod sibi deferebatur à fidelibus populis, egenis, & penuria laborantibus, qui ad eum confluebant, protinus mandaret distribui, etiam si nihil omninò cibi relinqueretur domi. Verùm, misericors Deus hanc acceptans charitatem; ampliori beneficentia, per Angelos, cœnobium cumulabat. Cùm verò paulatim bonis temporalibus augmentari cœpisset: quidam exteri latrones, furari res Monachorum aggressi, ablata quidem secum deportarunt; sed egrediendi syluam nusquam patuit adytus, quare nimio terrore, crimen ipsi propalarunt. Coruus furtiuè multa rapiens in Monasterio: oratione fusa ad Dominum, mortuus confestim cecidit, sicque, quicquid Monachis nocere voluit: aut citò periit, aut pœnitens melioris propositi habitum recepit. l VII.

Childebertus

Childebertus Rex, vnà cum Regina vxore, fama ſanctitatis ſerui Chriſti B. Ebrulfi illectus, Vticum venit, virumque Dei piè viſitat: cuius inſigniora miracula compendio recitantur: & fœlix ipſius ad Deum tranſitus deſcribitur: tumque eiuſdem poſt obitum, memoria in Eccleſia Catholica, ſancta & celebris habita.

CAPVT II.

I. PAràm erat (ut ſecundum hominem loquar) S. *Ebrulphum* huc vſque ſic effulſiſſe: niſi, & Reges quoque ſuæ vi ſanctitatis ad ſe protraxiſſet. „ Dùm longè latéque (*ait Ordericus*) fama B. Patris „ diffunderetur *Ebrulfi*; ad Regis Franciæ peruenit aures Childe„berti. Qui nimio cupiens deſiderio videre illum: cum vxore ſua, „ & aliquibus de familia ſua, perrexit Vticum. Cúmque propè „ Monaſterium viri Dei peruenisſet, in locum ſcilicet, vti nunc Baſilica B. Dei ge„nitrici & Virgini Mariæ, conſtructa eſt: de equo reuerenter deſcendit, ac vt om„nes ad obuiandum ſeruo Dei honeſtè ſe præpararent imperauit. Tunc Clerici, „ qui comitabantur ei, veſtimentis induti, aſtiterunt: manus ad Reliquias atque „ cruces, quas ſuper pallia poſuerant, miſerunt, & eadem reſumere voluerunt, „ ſed nullo modo mouere, potuerunt. Vndè omnes nimio mœrore affecti, ſe in „ terram proſtrauerunt, & miſericordiam Domini ſuppliciter deprecati ſunt. Re„gina verò ſeſe voto conſtringens, ait: ſi omnipotens Deus dederit nobis pote„ ſtatem, vt ſacra, quæ hìc poſuimus ſoſpites recipere poſſimus, in hoc loco Ve„ nerabilem Eccleſiam, in honore genitricis ipſius conſtrui faciam. His dictis, „ clerici manus ſacris appoſuerunt, ſed nihil profecerunt: Tunc Regina nimis „ mœſta, cum lachrymis aiebat: ſcio peccata mea promereri, vt ſeruum Dei non „ poſſim contemplari, attamen, ſi per interceſſionem ipſius ſancti, creator om„nium Deus nos reſpexerit, & ſanctas nobis Reliquias, auferre permiſerit: alta„re marmoreum ex proprìis ſumptibus præparabo, & eidem faciam deferri „ Beato. Cùm ab ore hoc protuliſſet, omnes Reliquiæ per ſeipſas motæ ſunt: quas „ accipientes, obuiam viro Dei, cum gaudio proceſſerunt. Iam enim B. vir adu„nata fratrum turma, veniebat; & cum eo multitudo populi vtriuſque ſexus, in „ aduentu Regis tripudians properabat; ſuſceptus itaque Rex, per triduum ibi„dem demoratus eſt; tertio autem die, ſub Chyrographo XCIX. villas B. *Ebrulfo* „ tradidit, ac ad ſuos indè lætus lares remeauit.

II. „ Regina verò, voti ſui memor, in colle, qui inter riuum Carentonæ, & ſyl„uam conſiſtit: intemeratæ Dei genitrici Mariæ honorabilem Eccleſiam con„ſtrui fecit, & altare marmoreum, vt ſpoponderat, venerabili viro tranſmiſit, „ quod multis annis, in eodem loco perdurauit. Deindè poſt multorum anno„rum curricula, quidam homoncio partem eiuſdem marmoris ad alium locum „ transferre voluit: ſed caſu, illud per medium fregit. Quod factum, vt omnibus „ manifeſtaretur Deo diſplicuiſſe, non in longum paſſus eſt inultum remanere: „ nam antequam annus reuolueretur, præfatus homo vita priuatur; in Baſilica, „ quam retuli Reginam condidiſſe, duæ aræ ſunt conſecratæ: quarum vna, dicata „ eſt ſanctæ & indiuiduæ Trinitati: altera verò intactæ Virgini, Dei genitrici. Fer„tur, quòd ibi fuerit cœnobium ſanctimonialium, necnon cœmeterium Mona„chorum, & ſublimium virorum: quorum illuc cadauera bajulabantur, ad ſepe„liendum, quia in valle paluſtris humus erat, & in hyeme paſſim, dùm foderetur, limpha mox ſcaturiebat, mananſque foueam fons adimplebat. Vndè in „ prædicta æde Virginis matris, plurima inſignis habitationis indicia panduntur:

cultum diuinum feruentes euaſiſtis : ſanè, me vos in hoc opere adiuturum gratanter ſpondeo. Verùm, quem ad hanc fabricam locum elegiſtis? & quid ibidem Chriſto militantibus collaturi eſtis? cui reſponderunt: Apud *Nuceretum*, juuante Deo, caſtrum ei ſtabilire cupimus; & Eccleſias, decimaſque noſtras, & alia, quæ poterimus, pro poſſe paupertatis noſtræ, dabimus. Quibus *Guillelmus* Reſpondit; S. *Benedictus*, Monachorum magiſter, jubet Monaſterium ita conſtitui, vt omnia neceſſaria, id eſt, aqua, molendinum, piſtrinum, hortus, vel artes diuerſæ, infra Monaſterium exerceantur, ne ſit Monachis neceſſitas vagandi foras, quia omninò non expedit animabus eorum. Sed videtis, quia locus iſte, vbi cœpiſtis ædificare, habitationi Monachorum aptus non eſt: *Nucereti* rura quidem ſatis fertilia ſunt, ſed copia ſyluæ, & aqua conueniens, quibus Monachi maximè indigent, procul abſunt. Sed ſi meis conſiliis acquieſcere vultis, aptiorem locum intimabo vobis. Eſt locus in Vticenti ſaltu, vbi quondam amicus Dei S. *Ebrulfus*, Abbas habitauit: ibique magnum gregem Monachorum adunauit: & indè poſt multorum perpetrationem miraculorum, ad Chriſtum fœliciter migrauit. Illius ergò cœnobium ibi inſtaurate, quod deſtructum eſt à Paganis, illicque nimiam aquam inuenietis. Nemus eidem loco contiguum habeo: vndè ad omnia neceſſaria Eccleſiæ ſufficienter adminiſtrabo. Venite, & locum videte: & ſi vobis placuerit. Deo ibi domum communiter ædificemus, hominesque fideles, qui pro nobis piè intercedant, aggregemus: & de noſtris poſſeſſionibus, iuſtiſque redditibus tantum eis demus, vt liberè poſſint ſemper Diuinis laudibus vacare. Nam vetuſta S. *Petri* Baſilica ibidem adhuc permanet: & amplus ager, vbi hortus, & viridaria fieri poſſunt, circumjacet: multorum quoque ſanctorum corpora ibidem requieſcunt: quæ cum ingenti gloria, in extremo die reſurrectura ſunt: vt cum Domino gloriæ exultent, & ſuis nos juuent patrocinijs. His auditis, Vticum ſimul venientes, prædictum locum perluſtrare cœperunt: cunctiſque vltrò placuit, ſed quia locus cœnobio *Beccenſi* jam delegatus fuerat, aliquantique Monachi *Beccenſes* illic conuerſabantur: Abbati B. *Herluino*, & *Beccenſibus* Monachis, in mutua viciſſitudine, villam, quæ dicitur, *Roſſeria*, dederunt: ſicque præfatum locum liberum reddiderunt. e

CAPVT V.

I. Minimè contenti ſunt præfati Proceres, huiuſce cœnobij inſtauratione materiali vacare: ſed & ſpirituali eiuſdem loci profectui ac reformationi vigili animo intendentes, Monachos confeſtim aggregarunt, quibus præeſſet vitæ exemplaris Archimandrita. Ea propter ijdem *Hugo* & *Robertus*, fratres, ab eodem *Guillelmo* Principe, accepta licentia eligendi Abbatem, *Gemmeticum* expetierunt; vbi à D. *Roberto*, eiuſdem loci cœnobiarcha, Theodoricum, magnæ Religionis Monachum, ad Vticenſis Aſceterij regimen expoſtularunt: quorum iuſtæ petitioni pius Abbas vltrò annuens, ipſum B. *Theodoricum*, quem ad Paſtoralem curam nouerat idoneum, illis benignè conceſſit. Illi autem gaudentes eum Duci *Guillelmo* præſentarunt, à quo veneratione eſt ſuſceptus congrua, ab eoque baculo Paſtorali accepto, *Vticum*, venit: vbi tertio nonas Octobris, die Dominica, eiuſdem anni, ſolemniter benedictus eſt à D. *Hugone*, Lexouienſi Epiſcopo, miniſtrantibus ſibi Osberno Archidiacono, aliiſque clericis ſuis, ante altare S. Petri. [a]

II. Fuit ipſe B. Theodoricus *de Mathonvilla*, natione Normannus, ex *Calogienſi* Prouincia, vulgò, *Pays de Caux*, oriundus: ſtatura mediocris, eloquio ſuauis, facie rubea, litteris ſacris eruditus, & ab infantia vſque ad canos Diuino cultui mancipatus, diutino ſedimine Religioſam ducere vitam, jugiter ducere didicerat, in vigilis & orationibus aſſiduus, frigore & jejunio corpus affligebat. Poſt priuatas preces, & opus Dei, quod ſupererat otium, in deſcribendis ſanctorum Patrum libris tranſmittebat. Hunc venerabilis *Theodoricus*, Gemmeticenſis Abbas, de Sacro fonte leuauerat, & ſub Monachili jugo in ſchola Chriſti educatum, multùm dilexerat. Quem dùm ad robur virile veniſſet, boniſque moribus laudabiliter polleret: Vicarium ſibi ad animarum lucra fratribus conſtituit: atque ad infantum Magiſterium, & ad curam Clauſtralis Prioratus tuendam promouit. Tandem, vir Domini, à *Gemetico* aſſumptus, *Vticenſi* nouellæ plantationi, Abbas prælatus eſt. Ordinatus autem in ſuperbiam elatus non eſt: ſed Religionis viam verbis & operibus, his, quibus præfectus erat, ad amuſſim oſtendebat. [b]

CAPVT VI.

Iro Dei, haud defuerunt tribulationes, foris pugnæ, intùs timores: quibus virtus eius magis ſpectata eſſet ad exemplum, probata verò ad meritum, & perfecta ad præmium. Qua de re *Ordericus* longiorem hic protraxit ſermonem.
„ *Antiquus* hoſtis nunquam ceſſat Eccleſiæ quietem va-

„ quos poteſt, mundanæ vanitati ſubjugare, in ſimplici-

Nonnunquam apertè cum eo litigabat: & nonnullas eius conſti„tutiones de rebus exterioribus ſimpliciter factas vituperabat. Vndè ſeruus Dei „plerumque ad Sagienſe Aſylum ſecedebat, ibique ſex, vel octo ſeptimanis habita„bat: & in pace opus Dei faciebat, hominumque ſalutem, pro poſſe ſuo diligen„ter procurabat. Ebrulfi temporibus reconditæ sunt, sed eorum nomina, vel gesta, ceu loca depositionis, pro antiquitate ignorantur ab his, qui supersunt : disposuit nouam ædem tam magnam facere, vt vetustam omninò circumdaret, & ossa, seu Mausolea sanctorum, quæ ibidem latent, semper honorificè contineret ; at procellis tribulationum incumbentibus, cessare ab incœpto opere coactus est, quod nullus successorum eius, ea mensura, vel ordine, ceu loco, quo ipse destinauerat, prosequi ausus est. [h] Osbernus itaque eius successor, Abbas 3. Vticensis, hanc nouam Basilicam inchoare disponens, curam, & impensas, magisteriumque latomorum, commendauerat Richardo de *Heldrici-corte*, militi nobilissimo, ex Vvilcassino oriundo, postea Monacho Vticensi probatissimo. [i] Quo in opere multum insudauit. Huiusce rei verò progressum Ordericus, sic late describit : sub Mainerio Abbate 4. (cui Diuina prouidentia illud opus reseruauerat) qui nouam hanc Ecclesiam, omnesque domos Monachis congruas, Deo juuante, & temporis fœlicitate fauente, construxit. [k]

Cùm Episcopo Lexouiensi jurgium etiam habuit: propter quod absque benedictione Pontificali, toto præcedenti tempore Vticensi cœnobio præfuit: cuius dissidij causam idem *Ordericus* sic commemorat. „ Gislebertus, Lexouiensis Epis- „ copus, à Monachis Vticensibus multoties requisitus fuit: vt Abbatem suum be- „ nediceret. CAPVT XII.

I. QIrca hæc tempora, nempe, ann. 1123. Rogerius, Vticenſis Abbas, æuo & ægritudine fractus, à priſtino robore decidit; & Paſtoralis curæ ſarcina exonerari ſummoperè deſiderauit. *Vnde ſuos* (inquit Ordericus) *honorabiles Monachos, Ernaldum de* Telliolo, *& Giſleberum de* Sartis, *in Angliam miſit: & per eos, huiuſcemodi litteras, quas Radulfo Laurentio edere juſſerat, Regi deſtinauit.*

Glorioſo ſuo Domino Regi Anglorum Henrico, humilis Rogerius Vticenſium indignus miniſter; ab eo ſaluari, qui dat ſalutem Regibus.

QVoniam, vt ait Apoſtolus, non eſt poteſtas, niſi à Deo, quæ autem ſunt, à Deo ordinata ſunt: vtilitati domus Dei ab omni poteſtate ordinatè prouidendū eſt. Ego igitur, mi Domine, qui huc vſque, licet indignus: Deo diſponente, ſub veſtræ moderationis nobili regimine, Vticenſis Eccleſiæ fratribus, Abbatis vice miniſtraui, cuique magis mihi oneri, quàm honori, veſtra ope ſuffultus, jam per longa tēpora, inter aduerſa & proſpera, incubui: modò, tenio feſſus, corpore debilitatus, metuēs Eccleſiæ magis obeſſe, quàm prodeſſe, dùm & mores humani, cum temporum viciſſitudine; variantur, conſilio Patrum ſpiritualium, Archiepiſcopi Rothomagenſis, Epiſcopi Lexouienſis, plurimorum inſuper Abbatum, & diuerſorum Eccleſiaſtici ordinis virorum: veſtram ſupplex depoſco clementiam, quatenùs mei miſerendo, quem hactenus, quantulumcumque licet vos dilexiſſe probaſtis, me à modò inutilem & minus idoneum, à tanto onere liberum reddatis, & iuxta vobis à Deo donatam ſapientiam, congruum & idoneum Paſtorem Domini Dei prouideatis. Verùm, ne prætextu talium, videar quaſi indomitorum rabiem propriæ requiei prouidendo, ſubterfugere; eorum charitati, & obedientiæ, & ſimplicitati teſtimonium coram Deo perhibeo: quippe, qui & lacte, & ſolido cibo abundanter, vberibus matris Eccleſiæ, educati, ad omnia Dei, patriſque ſpiritualis mandata, tractabiles inueniantur, & obedienter pacifici. Solam, præcellentiſſime Rex, imbecillitatis & ſenectutis meæ miſeriam & impoſſibilitatem opponens, ſupplico, ne id efficere differatis: orans obnixè, quantumlibet peccator, Regem Regum, quatenus ad hoc ipſum vobis cooperari dignetur. Valete. [a]

II. „ Beniuolus vtique Rex, debilitate ſimplicis, & Religioſi Senis audita, condo„luit: & directis apicibus, vt bonum, ſibique competentem eligerent Abba„tem, cœtui monachorum imperauit. Guarinus, itaque sublimi auctoritate potentis sceptrigeri corroboratus: in Normanniâ remeauit. Quadragesimalem obseruantiam cum fratribus peregit, & in die Dominicæ Ascentionis, à Ioanne Episcopo Lexouij benedictionem recepit, & exindè labores & dolores Pastorales curæ perpeti edidicit: in primis piè laudandus est; quod venerabili Rogerio seni benigniter seruiuit, eique per tres annos, quibus postmodum superuixit, in cunctis, vt patri filius, & magistro discipulus, obsecundauit. Mansuetus enim senex, in camera sua, vt pridem solebat; psalmis, & orationibus, piisque colloquiis vacabat. Idoneum Sacerdotem sibi Capellanum, & confabulatorem habebat: à quo Missam, officiumque Canonicum, in oratorio S. Martini audiebat, & cum quo, de mysticis scripturarum enigmatibus, vel syntagmatum floribus, interrogando, vel respondendo, tractabat. Et quia pondus exteriorum curarum semper sibi noxium & importabile judicauerat, nunc salubriter & honorificè liber Deo gratias agebat: & quantò liberior, tantò securior supremæ diei metam gaudens expectabat. c

FONTANELLA S. VVANDREGISILLI.

Circa ann. 654.

Genus, ortus, ac Monachatus S. Vvandregiſilli: quomodò, ac quando Fontanella locum, ſibi pretio comparauerit, à Rotmaro, Airamno, & Erchinovvaldo, viris Illuſtribus, vt inibi cœnobium extrueret; cui operi addita eſt Regia facultas.

CAPVT I.

1. BEatus Vvandregiſillus, D. Arnulphi, Metenſis Epiſcopi ſanctiſſima proles, ex nobiliſſimis ditiſſimiſque ac religioſis Francorum natalibus oriundus, territorio Virodunenſi, patrem habuit Vvaltchiſum, ann. 570. [a] quiquidem Pipini ab *Heriſtalo*, filij Anſigiſi, præfati D. Arnulphi Antiſtitis filij, patruus extitit: [b] ſeu Pipini, cognomento de *Lando*, excellentiſſimi Francorum principis, conſobrinus: [c] Propterea & ipſe S. Vvandregiſillus, *Vvando*, ſeu forſan, *Lando*, eſt etiam cognominatus; adoleſcens factus in aula Regis Dagoberti I. negotiis militaribus, & Aulicis, ac vænationi eſt implicatus: ab eoque Rege Comes conſtituitur Palatij: Deindè, parentum hortatu, licet inuitus, vxorem duxit, quam poſt paululum virginitatis zelo exæſtuans, vnanimi caſtitatis voto emiſſo, reliquit, velo piæ religionis opertam, & ſanctimonialium cœnobio ſociandam traditam. Ipſe verò clericus protinus effectus, indè ad locum, qui dicitur *Mons-Falconis*, (oppidum eſt Diœceſis Rhemenſis, propè virdunum, vbi inſignis extat Collegiata Canonicorum Eccleſia) ſecedit; cuidam magnarum virtutum viro, ſanctitate pleno, nomine *Baltfrido*, plurimùm temporis adhærens, monaſticæ ſe religioni mancipauit: cùm priùs omnes facultates, ac prædia ſua, monachorum aſceteriis, pauperibuſque & egenis diſtribuiſſet. Quod indignè Rex ferens, eum accerſiri quàmprimùm juſſit in aulam ſuam: à quo tamen (Deo ſic Regum corda dirigente) benignè, honorificéque habitus, & Regia authoritate, ad dilectæ priſtinæ habitationis locum reuerſus, in quadam cella, aliquantum temporis degit ſanctiſſimè. II. Exindè autem, in *Eliſangium* commigrauit territorium; vbi, pro temporis opportunitate, extructo, in poſſeſſione propria, monaſterio: vitam admirandam, vnà cum aliis ſodalibus, duxit, jeiuniis, vigiliis, orationibus, cæteriſque piis operibus jugiter vacans. [e] At cœleſti viſione admonitus, Italiam petiit, tum ob gratiam vitæ contemplatiuæ, tum ad arctioris perfectionis continentiæque ſemitam explorandam: ſicque cum tribus pueris, & aſello, diſpoſitum arripiens iter, ad *Bobienſe* cœnobium, à ſancto Columbano, Scoto, (dùm à Theodorico Rege, Gallia expulſus eſt) ſub Aigulpho Longobardorum Rege ædificatum, acceſſit. [f] Vbi, cùm aliquantiſper commoratus fuiſſet; Romam, ad limina SS. Apoſtolorum inuiſenda, proficiſci decreuit. Quo completo, diuinitùs adhortatus, vt Galliarum rura repeteret, iter conuertit ad Alpes: quibus tranſcenſis, monaſterium quoddam. *Romanis* nuncupatum, circa *Iurenſem* ſaltum, adijt: vbi ab Abbate comiter exceptus, & in eius conſortium admiſſus, per decem fermè annos, illic fœlici deuotione. Altiſſimo militauit: & cœleſtibus exhilaratus oraculis, maximè ſupernepotis ſui, Godonis, conuerſione: vires animo addebat. [g]

Eo loco, cognita vita, famaque magni Præſulis D. *Audoeni*, tunc temporis Rothomagenſis Archiepiſcopi: admonitus etiam in viſu, vt Occidentalia Galliæ reuiſeret loca: *Rothomagum* venit; vbi ſumma cum reuerentia ab ipſo S. Pontifice *Audoeno* exceptus eſt: qui prioris memor conjunctionis & ſocietatis: necnon piæ eius religionis, aliquandiu eum ſecum in vrbe detinuit, ſacriſque ordinibus initiauit: tumque non multò poſt, ad Sacerdotium, licet renuens, juſſu eiuſd. Beatiſſimi Antiſtitis Audoeni, à D. *Autmaro Tarnanæ* vrbis Pontifice, conſecratus eſt. At verò ſeruus Chriſti Vuandregeſillus, eremi ſecreta plurimùm ambiens, & vitæ tranquillioris ac diſtrictioris viam præambulare ſummè exoptans: omni, quo potuit, conatu, tempus, opportunumque tanto negotio inquirebat locum. [h] Cùm autem talia volueret animo, contigit, vt largiente *Erchinoaldo*, præfecto domus Regiæ, hortatu præfati Archipræſulis B. *Andoeni*, poſſeſſionem haud modicam acciperet; qua *Fontanellæ* cœnobium, vnà cum venerando nepote B. *Godone*, nouo opere, conſtrueret: quam veterum traditio, ob riuorum eo loci confluentium copiam, hoc nomine vocitabat. Monſtrabantur namque in eodem loco, veſtigia immò ruinæ ædificiorum, priſcorum accolarum induſtria olim extructorum: ſed exterorum hoſtium feritate belluina ſolo funditùs æquatorum: & in ipſo quidem loco magis luſtra ferarum, quàm hominum habitatio, tunc temporis videbantur. Hic igitur vepretis omnibus ejectis S. Vvandregeſillus Fontanellenſe hoc cœnobium inchoauit, anno Dominicæ Incarnationis 645. Kalendis Martijs, indictione 3. anno Clodouei junioris, Regis 11. ſub Pontificatu B. Martini Papæ. Eſt autem ab vrbe Rothomagenſi diſſitum milliaribus fermè 15. à fluuio autem Sequana, ſpatio paſſuum circiter octingentorum. [i] Ex quibus refellitur quidam Neotericus, ſcribens hanc Abbatiam erectam fuiſſe in Dioceſi Bajocenſi: illicque S. *Herbelandum* ann. 643. monachatum exercuiſſe, ſub D. *Lamberto* Abbate. [k] Nam ſi D. *Paſquerius*, ceu *Paſchaſius*, Nannetenſis Epiſcopus (qui ipſum S. *Herbelandum* ad ſe legit ex Abbatia Fontanellenſi accitum,) obierit ann. 649. vti ingenuè fatetur, tum locis ſupra citatis, tum in Catalogo Epiſcopor. Nannetenſ. quomodo potuit hunc S. *Herbelandum* à ſuo Abbate, D. *Lamberto* obtinere; qui huic Abbatiæ Fontanellenſi præfectus fuit poſt obitum S. *Vvandregiſili*, ann. 665. ſed clarius perſpicuum erit ex ſequentibus. III.

Verùm, magna exindè oritur difficultas: circa hujuſmodi cœnobij fundationis tempus, conuenit quidem annus 645. indictioni 3. ſed reliqua planè diſſident, vti ſcitè obſeruat eruditus *Launoius*. [l] Nam *Martinus* Papa, nonniſi ann. 649. ſedere cœpit: [m] *Clodouæi* autem Regis vndecimus annus, cum anno Chriſti 655. concurrit: nec S. *Audoenus* fuit aſſumptus in Archiepiſcopum Rothomagenſem niſi poſt Synodum Romanam ſub præfato ſummo Pontifice: [n] Ita conſultiùs arbitror dicendum, meadam illic fuiſſe tranſmiſſam, incuria, ceu vitio librariorum: qui ann. Chriſti 645. indiction. 3. *Clodouei* II. ann. 11. ſcripſerunt: pro anno Chriſti 654. ceu 655. indictione 13. Clodouæi II. anno 9. ſub Pontificatu B. *Martini* Papæ: & Archiepiſcopatu S. *Audoeni*. Propterea, vt hæc omnia faciliùs conciliari poſſint, dicimus iſtud Monaſterium cœpiſſe ab ipſo S. *Vvandregiſillo*, circa ann. 654. ceu 655. iuxta nonnullorum placitum: [o] non verò ann. 658. vti quidam Neotericus opinatur. [p] IV.

Sed qualis fuerit hic Fontanellæ locus ante acceſſum ſeruorum Dei, pleniùs intimemus. Erat poſſeſſio cuiuſdam *Rothmari*, cui largitione *Dagoberti* Regis indulta fuerat; extatque adhuc in ſcriniis ipſius loci, largitionis ipſius authoritas: acta anno 15. prædicti principis 4. nonas Martij, compendio Palatio. In ipſa largitione continetur, quòd præfatus *Rothmarus*, locum *Rothmariacenſem* præſcindendo, indultu Regio, habitabilem reddiderit: molendinum quoque ſuper fluuio *Fontinella*, priſcorum accolarum neglectu dirutum, nouo opere reſtituerit. Defuncto autem Dagoberto Rege, pòſt ann. 19. Idem *Rothmarus*, *Clodouæum*, filium eius adijt, vti ſuam juberet patrari, & patris ſui confirmaret authoritatem de locis prædictis. Quod ſtatim impletum eſt à *Radone*, ſcriptore Regalium Priuilegiorum geruloque annuli Regij editum, juſſu ejuſdem Regis, ac matris ſuæ Bathildis, quæ cum eo Regnum tenebat: anno 1. prætati Regis, *Nantolio* Palatio: & directum *Teutgiſlo* domeſtico, & cuſtodi ſaltuum, villarumque Regalium: necnon & *Radul-* V.

[b] Latius autem id protendit alius Codex MS. his verbis. Nobilis hic Raginfridus fuit; sed malus. Compater etiam spiritualis regenerationis *Pipini*, magni Regis; qui de seculari quidem habitu commutatus, *Grimoni* Archiepiscopo succedens, præsul efficitur Ecclesiæ Rothomagensis, Rectorque Fontanellæ. Parùm dignus erat: namque ignarus litterarum, sicut decessores sui, *Grimo*, & *Vvido*, Fontanellæ alimenta corporis, & tegumenta fratribus subtraxit: & propriis vsibus retorsit. Vnde caterua Monachorum, post opem Dei, precibus imploratam, tres è corpore suo mittit, qui Pipino suggererent; vt memor propinqui sui Vvandregisili, à dominatu tanti prædonis eos liberaret. Nec mora! Raginfridus Fontanella priuatur; reseruato tantum Rothomagensi Episcopatu, cùmque à præfato Rege, quem sibi præficere Rectorem vellent, rogati fuissent: *Vvandonem* responderunt. Iuo, humilis Carnotensis Ecclesiæ minister G. Abbati Monasterij S. Vvandregisili, Salutem in Domino.

„ COnsuluit paruitatem meam Dilectio vestra, vtrum Tabulæ Altarium aliquando consecratæ, cùm translatæ fuerint, & super nouam struem lapidum „ politæ, denuò sint consecrandę. Quod nobis ex auctoritate & ratione faciendum videtur, cùm Canon dicat: altare si motum fuerit, Ecclesia denuò consecretur. Quòd si Ecclesia propter motionem solius altaris denuò est consecranda: quanto magis ipsum altare, quod motum est? t præterea, cùm signa similitudinem habeant earum rerum, quarum signa sunt, sicut fides, quæ caput & „ fundamentum est sacræ religionis, immobile debet manere in credente: sic visibile altare, quod figuram gerit fidei, debet manere immobile. Et sicut à fundamento fidei, si quis motus fuerit; per manus impositionem, corpori Christi, „ quod est Ecclesia, reconciliandus est: sic mensa altaris, fidei typum gerens, si „ mota fuerit, iterum sacris mysterijs imbuenda est. Nec satis similis ratio est, „ quam quidam Fratres vobis obijciunt; quòd altaria portatilia, licet de loco ad „ locum moueantur, non tamen denuò consecrantur. Hæc enim altaria non aliter „ consecramus, nisi vel in Tabulis ligneis, vel aliquo competenti subtratorio „ compacta, & firmiter sint affixa. Vnde, licet de loco ad locum portentur, non „ tamen de loco, in quo consecrata sunt, mouentur: à quo si euulsa fuerint, sicut „ cætera altaria, denuò sunt consecranda. Innocentius, Episcopus, Seruus Seruorum Dei, Abbati S. Vvandregisili, Salutem & Apostolicam benedictionem.

TVannorum socium se esse manifestis probationibus indicat: qui tenacitatis & ambitionis reus, subditis præesse desiderat, & Rectoris officium negligit adimplere. Perlatum siquidem est ad aures nostras, vndè valdè miramur, quoniam cùm locum Abbatis teneas, & fratribus præsis, atque bona Ecclesiæ B. Vvandregisili, tanquam Prælatus tuo arbitrio administres, sub prætextu cujusdam pravæ consuetudinis, quæ sactis oraculis, & rationi resistit: Archiepiscopo tuo professionem facere contemnis, & quod spectat ad Abbatem, Diuinum non suscipis sacramentum. Sacramento ergò contempto, profectò vas vacuus es; & nomen Abbatis cassum gestis & inane. Quòd si homines decipere niteris; Deum vtique fallere non poteris. Ideoque per Apostolica tibi scripta mandando præcipimus, quatinus & benedictionem suscipere, & quod stricti juris ratio postulat, prælato tuo irrefragabiliter obedire non differas; quòd si hoc adimplere subterfugiendo distuleris, Sententiam, quam in te, & obedientes tibi monachos, prædictus frater noster Hugo Archiepiscopus, vir si quidem sapiens, & discretus, dictante iustitia protulerit, aut etiam promulgauerit, nos auctore Domino, ratam habebimus. Data Antisiodori 13. Calend. Ianuar. Ita loquebatur Innocentius II. Sed quia Rex Angliæ Henricus 2. Normaniæ Dux, huiusce Electi Abbatis causæ forsitam faueret, ad eum sequentes litteras dedit: quarum tenor hic est.

Innocentius, Episcopus, servus Seruorum Dei, charissimo in Christo filio, Henrico, illustri & glorioso Regi Anglorum, Salutem & Apostolicam benedictionem.

QVemadmodum personam tuam sincera charitate diligimus; ita in his quæ ad honorem tuum spectare cognoscimus, & secundum Deum possumus, dare operam, parati sumus. Venerabili siquidem fratri nostro, Hugoni, Rothomagensi Archiepiscopo, per scripta nostra mandauimus, & consilium dedimus; quatinus de Abbatibus illis, de quibus tua nobis significauit Serenitas, assensum tuæ præbeat voluntati. Veruntamen quanto altiùs Diuinæ pietatis Prouidentia, personam tuam honore, sapientia, & diuitijs decorauit; tantò ampliùs eam obnoxiam sibi constituit, & ad suum obsequium arctiùs alligauit. Expedit igitur vt in Regno, siue Ducatu, à Diuina dispositione tibi commisso, tuo tempore, pravæ consuetudines amputentur, & vitiorum radicibus resecatis, bona quæque per tuæ nobilitatis studium, Domino cooperante, plantentur. Aliter enim Abbates, & reliqui clerici, nec gratum Domino, famulatum impendere, nec animarum suarum saluti poterunt prouidere: Immò Acephali, id est, sine capite, reputantur, nisi Episcopis suis, & prælatis debita fuerint humilitate subjecti. Vnde, prouidendum est à tua prudentia, ne ipsi omninò liberè, & sine jugo viuendo, in superbiam elati, animarum suarum detrimentum incurrant: & tibi, (quod absit) ante conspectum superni Iudicis imputetur. dentiam pertinet, vt prædictum Fratrem nostrum Hugonem, Archiepiscopum, tantum si quidem virum, tam discretum, de cuius religione & sapientia, sancta Dei Ecclesia lætatur, diligas, & honores, & nullis molestiis inquietari permittas. Data Cremonæ. Idibus Iulij. Sequitur Epistola eiusdem summi Pontificis, ad ipsum Rothomagensem Archiepiscopum.

Innocentius Episcopus, seruus Seruorum Dei, venerabili fratri Hugoni, Rothomagensi Archiepiscopo, Salutem & Apostolicam benedictionem.

FEruorem tuæ dilectionis, ac Constantiam fidei, quæ in persona tua hactenus claruerunt, exigente temporis necessitate, tam apud Ecclesiasticas, quàm sæculares personas, ipsis operum fructibus, sancta Dei Ecclesia comprobauit. Vnde & in specula domus Domini, diuina prouidentia constitutus, super commissum gregem, more boni Pastoris diligenter inuigilas, & te seuerum in corrigendis vitiis exhibendo, Episcopale officium verbis, & exemplis adimplere contendis. Age nunc, charissimè, & iuxta Apostoli vocem, atque, obsecra, increpa, in omnibus tamen charitate, & mansuetudine, ac SS. Canonum forma seruata. Nec vllatenus arbitreris, quòd ea, quæ rectè à te statuta sunt, in irritum deuocare, & quæ plantaueris disperdere, aut eradicare velimus: quin potius, ea quæ secundum Deum, & iustitiam feceris, perpetua firmitate volumus obseruari. Quòd si Abbas S. *Vvandregisili*, vsque ad proximam Pentecostes solemnitatem obedire fraternitati tuæ contempserit; sententiam, quam in ipsum rationabilem promulgabis, Apostolica auctoritate, ratam habebimus. Præterea, frater dilectissime, te præsentibus litteris duximus commonendum, quatenus personam tuam studeas præpare, vt cùm Nuntium nostrum acceperis, B. Petri seruitium valeas exercere. Stolam ob insigne dilectionis de collo nostro assumptam, per dilectos filios nostros, R. & G. viros industrios, tibique deuotos, charitati tuæ transmittimus; vt videlicet ad honorem Dei, & B. Petri reuerentiam, nostrique memoriam, ea assiduè perfruatis. Data Pisis 13. Calend. Februar.

CAPVT XIII.

SCiendum in primis, Guillelmum 2. Nothum. Normaniæ Ducem, & Angliæ Regem, tres post se liberos reliquisse, ann. 1087. videlicet Robertum, Guillelmum, & Henricum: [a] Nam Richardus adhuc inuenis, viuente patre, in fauste apud nouam Forestam, propè Guentam in Anglia, dùm vænaretur, occubuerat. [b] Primogenitus Robertus 2. Dux Normaniæ extitit: hominemque exuit ann. 1134. [c] Guillelmus autem 3. cognomento *Ruffus*, susceptо Regni Angliæ diademate, vixit vsque ad ann. 1100. quo mortuus est. [d] Cui succedens Henricus I. eius frater, Regnum Angliæ, vna cum Ducatu Normaniæ: ann. 35. fœliciter gubernauit: ac postea Stephanus, ann. 1135. & Henricus 2. ann. 1150. idem regnum ac Ducatum possederunt. [e] I.

Extat littera Henrici Regis Anglorum, qua concessit monachis Fontanellensibus, quòd tenerent res omnes, vt possessiones suas, ita benè & in pace, liberè & integrè, sicut tenebant, quando recessit à partibus istis, ad transfretandum in Angliam: & quòd nullus traheret eos in placitum, nisi coram eo. [f] Littera item Guillielmi, Ducis Normaniæ, qua reddit eisdem monachis omnes decimas & eleemosinas, tam in bladis & denarijs, quàm rebus aliis, sicut habebant tempore Henrici Regis, videlicet, decimam Hebdomadarum Thelonei *Rothomagensis*; & quicquid habebant, apud *Archas*, *Dieppam*, *Butellam*, *Estruem*, *Argentonium*, *Faleſiam*, *oximas*, & apud *Cadomum*, in feria prati, & vbicumque aliquid haberent, in anno, quo Rex Henricus, viuus & mortuus fuit. [g] Tum denique littera Ioannis, Ducis, Normannor. qua, post longam litem, adjudicat, restituit, & confirmat eisdem monachis Insulam *Belsinacam*, cum omni fructu. [h] Nam in Scacario *Rothomagensi*, ann. 1336. ad aliquorum instantiam, ordinatum fuerat, quòd inquisitio fieret ea de re. II.

Regum etiam Christianissimorum piæ liberalitates huic cœnobio minimè defuerunt: prostant ad huc eorum patentia diplomata, quibus vel confirmant priores donationes, vel recentiores à se & ab alijs largitas corroborant. Ita Ludouicus, [i] Philippus, [k] Ioannes, [l] Carolus, [m] & alij: sed pleniùs ac copiosiùs Philippus 4. pulcher cognominatus: ann. 1290. [n] qui vt cuncta ritè ac debitè seruarentur, iussit huiusce Abbatiæ censuales codices instaurari, Agrariæque clientelæ beneficia, necnon decimarum, patronatuum, rerumque aliarum tabulas in ordinem redigi, vti constat ex eodem Cartulario Magno, littera X. quæ sic incipit. „ Cartæ Antiquæ, seu chyrographi, aut litteræ, dudùm à Regibus Franciæ, & „ principibus, ac nobilibus, Ecclesiæ sancti Vvandregisili concessæ, postmodùm „ à Philippo magno, Rege Franciæ & Nauarræ, in scripturam nouam redactæ, & „ etiam auctoritate sua Regia, cum sigilli sui impressione confirmatæ. III.

Complures quoque Episcopi Normaniæ, videlicet, Lexouiensis, Sagiensis, Bajocensis, Constantiensis, &c.[o] Tum Eboracensis, Saresburiensis, &c. in Anglia, tumque Parisiensis: [q] ac Beluacensis, &c. [r] in Gallia: sed præcipuè Metropolitæ Rothomagenses: maximè verò Hugo Archiepiscopus, istud singulari prosequuti sunt beneuolentia; cui & multa piè contulerunt. Ita enim habetur. „ Littera IV.

Iohannes in omnibus villis suis jus præsentationis Ecclesiarum dedit & concessit Priori & Conuentui de *Bello-loco*, ipse præsentationem præfatæ Ecclesiæ eidem Conuentui concessit, de voluntate & assensu Abbatis & Conuentus S. *Vvandregesili*: ita quòd nullus de præfato Conuentu *Belli-loci*, dictæ Ecclesiæ in propria persona ministrabit: sed Vicarium, clericum sæcularem D. Idem etiam Vicarius post suam institutionem, totas minutas decimas prædictæ villæ accipiet, & tertiam partem decimarum in garbis, duabus partibus Abbati & Conuentui S. *Vuandregisili* remanentibus. Idem etiam Vicarius, post suam institutionem, infra quindecim dies, accedens ad Abbatiam S. *Vvandregisili*, jurabit in capitulo coram omni Conuentu se fidelitatem eis obseruaturum de decimis, & rebus suis in eadem villa existentibus: ipse etiam Vicarius reddet eisdem, singulis annis, duodecim solidos currentis monetæ annuæ pensionis, medietatem scilicet, in natali Domini, & aliam medietatem ad festum S. Ioannis Baptistæ; non tanquam personis & Patronis, sed pro bono pacis. Prior autem & Conuentus *Belli-loci*, fideliter promiserunt, quòd non procurabunt per aliquod priuilegium, vel Romanum, vel aliud, quòd aliquis de ipso Conuentu, in prædicta Ecclesia, in propria persona ministret, nisi ex voluntate & consensu Abbatis & Conuentus S. *Vvandregisili*; & hæc carta sua confimarunt. Si autem Laici proprijs Sumptibus, non expensis Abbatiæ eam excolent; Vicarius tertiam garbam, & minutas decimas accipiet, sicut de alijs Parœchianis suis. Ipse etiam prædictus D. *Iohannes*, ad extinguendam litem inter Abbatem & Conuentum S. *Vvandregesili* ex vna parte, & Vicarium de *Roetot*, ex alia; & etiam inter eumdem D. *Iohannem*, & eumdem Vicarium de *Roetot*, dedit illi Vicario, & successoribus suis in perpetuum viginti solidos currentis monetæ annuatim rationabiliter assignandos, & percipiendos in eadem villa. Antiquitas huiusce Monasterij; Fundatores, & Abbatissæ, ac sanctæ Reliquiæ inibi asseruatæ.

CAPVT I.

I. VNum fuisse ex Antiquioribus Monasterijs totius Neustriacæ Prouinciæ, rectè arbitratur Gemeticensis: hæc scribens. *Monasterium verò S. Taurini, & S. Leufredi, & Villare-Monasterium, & Cœnobium sancti Amandi, intra vrbem Rothomagensem, inter antiquiora computanda sunt. Vnde constat illa prius fuisse destructa, & iterum reædificata.* [a] Itaque discimus sacrum hoc Ordinis S. Benedicti Gynæceum, sumpsisse exordium sub Clodoueo II. Rege Francor: cuius ope ac liberalitate, diuersis in locis, complura extructa sunt cœnobia, tum virorum, tum sanctimonialium, per S. *Amandum*, Trajectensem Episcopum. Nam & ipse B. Amandus, nonnunquam *Rothonicnsis* (fors *Rotomensis*, vel *Rothomagensis*) alumnus dictus est, qui in suburbana cella, lustris annorum tribus abstinentissimè vixit. [b] Illum natum scribunt anno Domini 571. obijsse verò ann. 661. nonagesimum suæ ætatis annum agentem. [c] Constat autem cœnobium hoc (sicut & S. Audoeni Asceterium) primitùs extra vrbem Rothomagensem conditum fuisse: sed postea muri ciuitatis ampliores facti, ea intra vrbem sunt complexi. Cuius quidem ædificationis pristinæ cùm tempus haud fuerit præcisè assignatum: lubentiùs crediderim, id accidisse ad ann. circiter 660. maximè, cùm ipse S. Amandus legatur strictam inijsse amicitiæ societatem cum nostro B. Audoeno, Rothomagensi Archiepiscopo: qui circa illud tempus impensè ac propriè suo inuigilabat gregi. Quod si in aliud tempus putaueris reijciendum, nos, in illud retulisse scias, vltra quod progrediendum non erit, vel differendum.

II. Igitur præsens Monasterium initium habuit S. Amando, Trajectensi præsule: cui postea dicatum, nomen eius reportauit: quemadmodum & sibi vicinum sancti Audoeni, ab Archiepiscopo Rothomagensi, eius nominis celeberrimo viro. At vtrumque postea excidium passum; sine ob proprios Gallorum tumultus bellicos, ceu à Danis, Nortmannisq; Franciam deuastantibus: itetum reædificata sunt, & instaurata, sub tertia Regum nostrorum stirpe, studio bonorum Principum, & pia Procerum, Dinastarum, Optimatumque Neustriacæ gentis, liberalitate, inter quos elucet insignis *Goscelini*, & *Ammelinæ*, Restauratorum & fundatorum huiusce inclytæ domus, munificentia: quorum præclara nobilitas, egregia facta, virtutesque eximiæ inferius sunt à nobis, ampliori stylo, commemorandæ. III. Quidam volunt, ipsum *Goscelinum*, ceu *Iodocum* (vulgò, *Gosse*, & *Iosse*;) Fundatorem quidem extitisse Abbatiæ montis S. Catharinæ, iuxta Rothomagum: ann. 1015. sed præfatam *Ameliuam*, eius vxorem, præsens S. *Amandi* extruxisse Monasterium: ann. 1030. illud virorum, istud virginum. Sanè constat vtriusque Asceterij fuisse conditores: in quorum primo, vir nobilis ac pius, *Goscelinus*, Monachus tandem factus, sancto fine quieuit ac sepultus est. In hoc ipſo Monaſterio virginum inſignè miraculum accidit, ann. 1107. ab eo- I V.
dem S. *Amando*, editum: quod hîc duximus omnibus propalandum.

Incipit Miraculum, in Eccleſia S. Amandi, infra urbem Rothomagenſem, eius interceſſionibus factum: de muliere, quæ ſe laqueo interemit, & Chriſti ſubueniente gratia, iterum vitam recepit.

Deſideratiſſimo, & in Chriſti membris valdè venerando, Bononi, Elnonenſis cœnobij Abbati, totique Beato à Deo ſibi credito Conuentui: Marſilia Abbatiſſa, Ancillarum Chriſti vltima, & vniuerſa Sororum Congregatio, in Vrbe Rothomagenſi, Deo, & Sancto Præſuli, Amando, ſeruiens; ita de virtute in virtutem prouehi, vt Deum Deorum in Syon meritò valeat contemplari.

VIrtutibus & miraculorum inſignijs, à Deo, vobiſcum per ſanctum, & communem Patrem noſtrum, perpetratis, quoddam præclarum in Eccleſia noſtra, & nobis præſentibus, ejuſdem ſanctiſſimi Patris noſtri, meritis, diuinitùs, geſtum, inſerendum eſt miraculum: quod breuiter ſtylo exaratum, veſtræ ſanctitati dignum duximus inſinuare. Congruum eſt enim, vt ſicut in caſtris Regis æterni, etſi ſexu diſſimiles, propoſito tamen æquales, ſub vno eodemque patrono, militauimus: ita de virtutum eius triumphali præconio, ad honorem Dei, vnanimiter congaudeamus.

Anno igitur Dominicæ Incarnationis 1107. in pago *Lyſiacenſi*, quædam illuſtris fœmina, non tam ſuis exigentibus peccatis, quàm vt gloria Dei, in ſancto ſuo Præſule, latiùs clareſceret, tantam antiqui hoſtis incurrit fæuitiam; vt primò malignis, & varijs cogitationum fantaſmatibus deluſa, agitaretur: poſtremò, naturali ſenſu perdito, hoc ſolummodò agendum deliberaret, qualiter abſentibus cunctis, manus ſibi injiceret, vel laquei ſuſpenſione, aut fluminis ſubmerſione, quoquomodo vitam abrumperet. Quod & feciſſet: niſi ſæpiùs mariti ſui repentinus occurſus obſtitiſſet. Seducta enim fuerat à quadam muliercula, quæ inquieta, & garrula, per domos, per agros, per plateas, eam deceptorijs colloquijs, adijt: aſſerens, quòd vir eius odio eam haberet, & alteram magis diligens, ſibi in carnali copula præferret. Mox illa credula mentienti, quemadmodum olim Euæ ſerpenti, in triſtitiam, quæ mortem operatur, incidit: & immemor Dei, & Chriſtianæ fidei, hoc ſemper machinabatur, ad hoc laborabat modis omnibus; vt qualicumque arte diabolica, miſeram vitam finiret. Sed Diuina miſeratio, quæ neminem vult perire: ad multiplicandam S. Confeſſoris ſui *Amandi* laudem & gloriam, ne hoc fieret, prohibuit. Cùmque maritus ſuus tantam inſaniam intelligens, crebrò eam blandis deliniret verbis, & conſolationibus, vt ab hoc diabolico intellectu reſipiſceret, & ſe, ſuamque familiam tali incommodo triſtem exhilararet: illa, ad verba exhortationis, tale reſponſum dabat, miſeræ deſperationis. Hoc, inquit, nullatenus fieri poteſt; ſed ſinite me ire in infernum, cum diabolo, cui prædeſtinata & data ſum. Hoc nequam verbum nullis blandimentis, nullis promiſſionibus, vel minis, ab eius ore potuita uelli. V.

Tunc inito ſalubri conſilio, maleſanam mulierem ad Eccleſiam *B. Amandi* ad ducunt: cui hoc ſpecialiter genus virtutum à Saluatore collatum creditur, vt ei nulla vis dæmoniaca valeat reſiſtere. Quapropter meritum illiùs, inter cœleſtium poteſtatum VI.

poteſtatum numerum ſortiri, nullo modo ambigimus: quarum dictioni virtutes aduerſæ ſubijciuntur. Cùm autem mulier à nonnullis ſanæ fidei, & vtriuſque ſexus, qui ad eam, gratia viſitationis & exhortationis, confluebant, obnixè roparetur, vt ſe ſalutiferæ crucis ſigno muniret, minimè acquieſcebat: ſed illud ſuperiùs dictum, infœlicitatis elogium, repetens, conquærebatur attentiùs, cur tantas moras ageret, eundi ad interitum perditionis. Inter quos, cùm quidam Religioſi viri, & ſagacioris ingenij, propiùs acceſſiſſent, & eam ſecretiùs alloquerentur, compoſito ſatis ſermone reſpondebat: infernalibus flammis, & ſulphureis pœnis ſe omninò eſſe traditam; quarum etiam portionem, in hoc mundo detenta ſenſerat, & quod eſt reſiduum expectabat, non multò poſt ſibi ad eſſe futurum: Tunc ab his, qui integræ fidei, & intellecto perſpicatiores erant, decretum eſt: vt aqua dolio infuſa benediceretur, & in craſtino, per manus Sacerdotum, cum inuocatione nominis Chriſti, & eius virtutis ac poteſtatis, ibidem deponeretur, Quibus illa ſagaciter auditis & intellectis, vehementer obſtupuit: & ſeriùs vrgeri, ac crebra trahere ſuſpiria cœpit. De hinc, circumſpectis omnibus, calliditate diabolica, exteriùs modeſtiam ſimulabat: cùm interiùs inimici fureret inſania.

VII. Veſpere itaque facto, extra chorum educitur; & coram Altari, in quo *S. Amandus Miſſas celebrare conſueuerat*, ſtatuitur. Deindè, ingruentibus noctis tenebris, cuſtodibus ad eam ſeruandam deputati, receſſerunt qui eam adduxerant: O verſutia diaboli! O doloſitas ſerpentis antiqui in perniciem generis humani! Extemplo enim infœlix mulier, vbi opportunum neci tempus reperit, fraudulenter vigiles admonet: vt poſt excubias & labores, quos in eam impenderant, amodò quieſcant, & tanta incommoditate feſſi, jam ſomno indulgeant. Fingit etiam ſe cum illis nimium fatigatam velle quieſcere: ſiquidem jam ſeptem dies, totidemque noctes fluxerant, ex quo illuc adducta fuerat. Cúmque ſtratui parato, & ſatis honeſtè compoſito, paululum ſe velut ad dormiendum dediſſet, & per gyrum circumſpiciens, neminem adeſſe ſenſiſſet: camiſia tantum induta, parietem, qui eminentior videbatur, furtim aſcendit, & partem pepli, quo caput tergebat, in ſummitate columnæ ejuſdem parietis connexuit: de reliqua verò parte, laqueum curſorium, miro modo, parauit: in quem collum injiciens, & cum impetu proſiliens, cum tanta vi collum flexit, vt radius ſanguinis de gutture exiens, parietis obſtantis partem maculaſſet. Iam medium noctis tranſierat, & quidam de cuſtodibus expergefactus, ſurrexit: qui eam in lectulo non inueniens, luſtrata omni Eccleſia, tandem vbi pendebat, locum reperit: & ingenti percuſſus horrore, corpus rigidum, & penitùs exanimatum intellexit.

VIII. Qui illicò, clamore magno perſtrepens; quid contigiſſet, vociferando incidauit. Quibus auditis, fit vndique ſanctimonialium concurſus, clamor circumquaque exoritur, miſera defuncta miſerè plangitur: *S. Amandus*, multis gemitibus & lachrymis inuocatur, ne loci ſui dignitatem deperire patiatur, ſed ad ſe currentibus clementer ſubuenire dignetur. Tunc accenſo lumine, pendentis collum à laqueo auellitur: & cadauer exanime, ſuper Templi pauimentum dejicitur. Deindè, tres ex ſororibus, quæ audaciores, vel prudentiores eſſe videbantur, quia nox erat, Archidiaconum expetunt; & quid facto opus ſit, flentes inquirunt. Quibus ille tale reſponſum atque conſilium dedit: vt antequam illuceſceret, cadauer de Eccleſia extraheretur, & quamlibet in foueam projiceretur. Quas redeuntes & ipſe Archidiaconus ſubſecutus eſt: & cum clamantibus, & circumſtantibus, tantam diabolicæ fraudis admirans verſutiam, aſſitit. Interea, dùm quædam ſanctimonialium propius acceſſiſſent; vna earum, palpitantem redluidum in pectore ſpiritum ſenſit: & interdum paulatim rubere faciem, interdum verò paulatim oculos aperire, & ima ſuſpicia interdum trahere, intellexit. Circumſtantes autem hoc diligentius explorantes, ingenti clamore ſancti Patroni ſui *Amandi* auxilium inuocant: & pectora ſua percutientes, orationum vota multiplicant. Dùm hæc agerentur, cognouerunt ſubitò, Dei omnipotentis virtute, & ſui glorioſi, & admirandi antiſtitis *Amandi* interuentione, animam ad corpus redijſſe. Illa tamen die, ac ſubſequenti nocte, poſtquam reſſuſcitata fuit, ſine vocis officio manſit: tantum enim ſibi inerat robur fortitudinis, vt vix à quatuor hominibus teneri poſſet.

In craſtino verò, aurora illuceſcente, prima vox eius fuit : *Sancta Domina, pia* IX.
Dei genitrix, Maria, adiuua me ! ac deindè, ad laudem noſtri Saluatoris, & eius dilecti *Confeſſoris*, os aperuit, & multimoda congratulatione, Omnipotenti Deo, gratiarum vota perſoluit. His ita geſtis accerſito quodam Sacerdote, Confeſſionem de præteritis peccatis ſuis plenariam fecit, & abſolutionem humiliter aſſecuta eſt ac deindè ſubjungit : Gratias ago tibi Domine Ieſu, qui me tua gratia, S. *Amandi*, Domini mei, meritis, reſſuſcitaſti, & de manibus perniciosiſſimi hoſtis, & inferni voragine, liberaſti. Te cum Patre & Spiritu Sancto, fideliter credo, te adoro : & omnibus Sathanæ pompis & inſidiis abrenuntio. Hoc vbi mirificum longè latéq; perſonuit miraculum, glorioſus & mirabilis Deus in ſancto *Præſule* ſuo magnificatur : per quem tot ſigna mirabiliter operatur. Sicut enim quondam in mundo poſitus, latronem affixum patibulo, & extinctum, oratione reſſuſcitauit : ſic & nunc in cœlo, viuens cum Chriſto, miſeram mulierem, quæ ſuſpendio interiit, ſuis pretioſis meritis, ad vitam reuocauit : ad laudem Domini noſtri Ieſu Chriſti, qui ſolus & vbique cum Patre & Spiritu Sancto, viuit & regnat Deus, per infinita ſæcula ſæculorum. VVLGÒ FESCAN.

Post Ann. 662.

Primordia deſignationis loci Fiſcannenſis, pro futura conſtructione Abbatiæ, ſub Anſegiſo Duce.

CAPVT I.

I. QVidam opinati ſunt Abbatiam *Fiſcannenſem* ex recentioribus eſſe, quæ ſub finem ſecundæ ſtirpis Regum Francorum initium ſumpſere: at quàm longè aberrauerint, indè clariùs patebit, quòd eadem Abbatia, priùs eſſet monaſterium ſanctimonialium, conſtrui cœptum à B. *Vvaningo*, viro Illuſtriſſimos tempore S. *Audoeni* Rothomagenſis Archiepiſcopi, & D. *Vvandregiſili*, Fontanellenſis Abbatis, circa ann. Chriſti 662. Verùm vt debitus ordo, in compluribus huiuſce inclytæ Abbatiæ monimentis mox à nobis producendis, ſeruetur: operæ pretium eſt, dignumque in primis iudicauimus, opuſculum vetus MS. venerandæ antiquitatis, ſimul & hiſtoricæ veritatis ſchediaſma peroptimum, in lucem nunc edendum, & ſcholijs quibuſdam illuſtrandum: quo tota rei hiſtoricæ ſeries comprobaretur ac fulciretur: animuſque Benigni lectoris haud parum iuuaretur. Extat autem Fiſcani apud D. Nicolaum de *Marſſeilles*, huiuſce Abbatiæ *Infirmarium*, monachum.

II. *Incipit Libellus de Reuelatione* & authoritate Fiſcannenſis Monaſterij: in quo quidem Libello inuenire potes, ſi ſedulò legas, qualiter ædificata, & Dedicata fuit, dicta Fiſcannenſis Eccleſia, in nomine ſanctæ & Indiuiduæ Trinitatis.

Incipit Prologus.

Libellum de Reuelatione, ædificatione, & authoritate Fiſcanenſis Monaſterij, Pater inclyte, Guillelme, compoſui, & compoſitum tuæ dilectionis ſincero iudicio, corrigendum & confirmandum deſtinaui: quatenus tuæ cellitudinis aſſenſus, & Libellum edere præcipiat, & edito Libello pondus & authoritatem concedat. Ego quidem, Pater inclyte, ignorantiam meam maluiſſem tanto ſilentio tegere, quàm alicuius ſcripturæ præſumenti iudicio publicare: ſed fratrum noſtrorum juſſione inſtanti, & inſtantia jubenti, compellitur noſter animus poſſibilitatem excedere, ſuamque iuſtitiam multorum aſpectibus hominum improuiſus aperire. Compellitur, inquam noſter animus ſuam ignorare ignorantiam, & noſtrorum fratrum, rogantis imperio exhibere obedientiam; cui exhibendæ, & mentis iudicium nullatenus acquieſcit, & propoſiti verecundia, omninò contradicit. Verùm, cùm obedientia ſancta, nullum opus difficile, vel impoſſibile, excuſet, aut excuſare debeat, diu cunctans, multarumque procraſtinationum inducias fugens, vrgente fraternæ dilectionis continua juſſione, onus tandem imperatum ſuſcepi; & Fiſcannenſis Monaſterij exordia, Libelli ſubſequentis, agreſti & ignobili ſtylo, aperui & expoſui; in quo Libello nulla falſa fallaciter interpoſui: verùm, ſacras hiſtorias, antiquorum virorum fideli narratione cognitas, ſuorumque poſterorum tenacis memoriæ ſinu cuſtoditas, & noſtris temporibus ſuccedentium virorum diligenti relatione illatas ſcripſi, & ſcriptas, ad authoritatem Fiſcannenſis Eccleſiæ, & ad vtilitatem legentium fratrum edidi. Huius igitur Libelli principium, non omnium; ſed paucorum, rationabilium relatorum authoritatem ſecutus: miraculum de ceruo propoſui, & iuxta chronicarum exqui-

sitam diligentiam, Ducis Ansegisi primam fuisse reuelationem constitui. Quod verò ab ipso antiquo exordio, non Glorioſæ & incontaminatæ virginis Mariæ, vt quidam volunt, sed sanctæ & Indiuiduæ Trinitatis titulo, insignitam fuisse Fiscannensem Ecclesiam prosequutus sum, Ratio fuit: quatenùs rem ambiguam, in illam declinarem sententiam, quæ nullius falsitatis consequeretur ignominiam. Omnis enim Ecclesia, licet illius, vel istius distinguatur titulo sancti, principaliter fundatur, constituitur, dedicatur, sub nomine & patrocinio, sanctæ & Indiuiduæ Trinitatis.

Explicit Libellus.

Incipit Tractatus.

Postquam Summæ Deitatis ineffabilis Trinitas, suæ clementiæ arcano consilio, humanam naturam liberare, antiqui serpentis virulentas persuasiones publicare, disposuit: cuiusdam virginis corporis incontaminati partem incontaminatam, excluso virili opere, inenarrabiliter tulit, quam humanæ speciei compagine, Diuinitùs conformatam, rationali anima, vberrate totius cœlestis gratiæ fœcundata, viuificans, in perfecti hominis substantiam composuit & expoliuit. Istum ergò, ex incorruptę virginis vtero, hominem sine homine, tota quidem sancta & incommutabilis Trinitas composuit, sanctificauit: verùm Verbi solius sublimitas, suæ proprietatis personam personaliter sociauit & conjunxit. Oportebat enim duabus personis obedire vnam, quæ suæ humilitatis exemplo, creaturas informaret, qualiter inferiores suo creatori obedirent: cùm ab æquali, æqualibus tantæ obedientiam humilitatis exhiberi cognoscerent. Huius autem humilitatis officium quasi cuiusdam dilectionis priuilegio, Filius Dei exigebat Deo, quatenus reconciliaret homines, factus homo: quos sua, & virtute & sapientia, creauerat ex nihilo. Suæ igitur dilectionis dulcedinem, dulcedinis exuberantiam, exuberantiæ magnitudinem, misericorditer hominibus manifestam, Dei verbum efficitur caro, concipitur ex illibatæ virginis vtero, progreditur de suo thalamo, non Deum conuertens in hominem, verùm incommutabili Deo personaliter conjungens hominem, Dei & hominum benignum constituens. Ergò Christus perfectus homo, suæ majestatis exinaniuit formam suorum, seruorum induit naturam, induit infirmitatem, quatenus redimendis hominibus facilius prædicaret peccatorum indulgentiam, probabilius suaderet conuersionis & reuertionis vtilitatem; quorum naturæ & infirmitati, Diuinæ sublimitatis nequaquam dedignabatur conjungere formam. Poterat planè multis alijs modis Sathanam damnare; suas tergiuersantes insidias, insidiantes tergiuersutias excludere; aut imperans nutu solo, aut Angelorum vtens obsequio, verùm ostendenda videbatur hominibus reuersionis via: quatenus potentiam præcederet patientia, & patientia consequeretur potentiam. III.

Clemens igitur Deus, secreta prouidentia, per hominem hominibus consulens, de humilitate superbiam, de morte damnauit mortem: Originalis noxæ maledictionem conculcans, nouæ gratiæ benedictionem, sui sanguinis effusione, renatis fidelibus clementer impertiens. Ad istius incomprehensibilis gratiæ, solemnis conuiuij jucunditatem, summæ Trinitatis ineffabilis benignitas, conuiuas conuocauit, conuocari constituit, quorum auidas mentes cœlestibus epulis, abundanter satiaret, suosque torrentis delectabili poculo debriaret. Diriguntur ergò electi discipuli per orbem vniuersum, cœlestis thesauri bajulatores, beatitudinis redditæ annuntiatores, promissæ gratiæ nuntij fideles. Prædicatur charitatis nimietas, incarnationis humilitas, passionis tolerata silenter crudelitas, mortis suscepta gratulanter asperitas: prædicatur, inquam, conuersis peccatoribus, peccatorum perfecta donanda remissio, veteris vitæ adhibenda correctio, nouæ vitæ ædificanda constructio; publicantur dæmonum falsitates, famulantium dæmonibus conuincuntur errores. Cœlestium nubium voluntarium imbrem miraculorum comitantur copiosæ coruscationes: quibus validæ idolatriæ famulantia comminuuntur, & Christo militantia corda corroborantur, & sublęuantur. Imbribus ergo cœlestis gratiæ, totius mundi cultura, fœcundetur, antiqua veprium IV.

proterua

Cantè hæc legenda.

proterua aſperitas extirpatur & ſuccidítur : lætæ prorumpunt ſegetis flores, ſactis colliguntur horreis beatæ ſationis maturatæ meſſes. Promiſſi temporis completa plenitudo : cunctarum delitijs diuitiarum, cœleſtis ſacramenti nuptias ditat : quibus ſponſo omnium rerum ſpecioſiſſimo, thalamis ſpiritualibus copulatur Eccleſia, immaculata virgo. Ergò inuitatæ conueniunt cunctarum gentium nationes & cœleſtis ſponſi conuiuio concinunt cœleſtis harmoniæ ſuauitates : Regalia atria complentur ordinibus diſcumbentium, quorum intentio, perennis aulæ gaudijs ſublimata, obliuiſcitur temporalium voluptatum : in tympano igitur & choro, in cythara & pſalterio, in chordis & organo, conſonant cœleſtes paranymphi, quorum continuæ laudis modulata ſymphonia, totus congregatur mundus, ſupernę curiæ conciliatur chorus Angelorum.

Hîc Explicit quare ſanctorum Baſilicæ ædificantur.

CAPVT I.

V. Cernens ergò incorruptę Trinitatis ſublimis Diuinitas, ſuę gratię populum Diuinis laudibus aſſiſtere, temporalium rerum negotia contemnere, imperat ædificari ſacras ædes, quas terrenis negotiis claudi, & ſolis ſuis laudatoribus conſtituit aperiri. Ædificantur ergo Templa ſacra, Templorum ſacrorum ædificia glorioſa, quibus Eccleſiaſtica Sacramenta religioſiùs celebrentur, legalium ſcripturarum myſteria reuelentur, ſanctorum Euangeliorum ſententiæ recitentur, & audiantur. Conſurgunt beatorum populorum ſanctæ Baſilicę ſpiritualibus officijs conſecratę, quas ſummi Imperatoris ęterna prouidentia, ſublimium virorum nominibus inſigniri, ac titulis conſtituit appellari : ſanctis igitur Eccleſiis, ſanctis hominibus conſecratis, ſancti homines exorantur, & venerantur : & ſolus Deus colitur & adoratur. Suis igitur locis BB. Apoſtoli, Martyres & Confeſſores, necnon glorioſę virgines, ſuas Baſilicas ſortiuntur, ſortitis commorantur : quibus concurrentium deuotiones aſpiciant, orationes exaudiant, poſtulata beneficia miſericorditer impendant.

Quomodo vallem Fiſcannenſem ſuo nomini conſecrandam elegit Deus.

CAPVT II.

VI. Conſtructis igitur & Conſecratis ſanctis ſummæ hominibus venerationis habitaculis, ratio exigebat, quatenus trino & vni Deo, rerum omnium Creatori potentiſſimo cæteris glorioſius ædificaretur Templum : quod ſui nominis Regali priuilegio, inſigniret, & ſuæ ſingularis celſitudinis præſentia exornaret, ac cuſtodiret. Tanti igitur Imperatoris habitaculo, Galliarum maritimæ fines eliguntur, qua *Calciacenſis* Prouincia reſpiciens læua, *Sequana* octo millibus diſtante, voracitati Occidentalis Oceani, quodam eminenti promontorio, duorum fluuiolorum, exponit aquas. Ibi ergò eligitur *Calciacenſis*, Prouinciæ *Fiſcannus*, vallis maritima, quæ & ſyluarum & veprium denſitate obſcura, & ingentium ſuperminenti extollentia circummunita, non rerum Creatori habitaculum, verum feris, & marinis latronibus credebatur præbere latibulum. O Diuinæ Majeſtatis humilitatem maximam! O humilitatis maximæ imaginem mortalibus proponendam! non ciuitas, non ager cultus; ſed tanti tituli ſpeciali priuilegio, quædam vallis opaca & horrenda inſignitur *Fiſcannus*. Quæritur, cujus reuelationis verba, aut miraculorum ſigna claruerint, quibus æterna & incommutabilis Trinitas, prædictum locum ſuo ſeruitio ſegregari, & ſui nominis oraculo judicauerit honorari? Quæſtionis ſolutionem propoſitæ crebra antiquorum noſtrorum relatione, cognouimus, cognitamque ſtyli ſequentis diligentia, enucleare curauimus.

De Duce Anſegiſo.

CAPVT III.

VII. *Virorum* igitur fideli narratione cognouimus, *Anſegiſum* Ducem Gallis an-

tiquitùs Imperaſſe ; quem nobilium actuum ſtrenuitas præclara exterius mundo , & multæ religionis virtus inclyta interius commendabat Deo. Barbarorum quippe acies horrendas , & incurſiones truculentas , audaci gladio , Gallorum finibus arcebat , & ſubjectas Prouincias pace continens ſecuras , juſtitiæ laudibus , commendabat , & morum ſanctitate exornabat. Non eius ambitione ſuo Regno adjacentia regna marcebant , aut vaſtabantur : verùm ſuæ virtutis conſilio , vigebant , & pacificabantur. Nullius auaritiæ clandeſtinis Conſilijs Prouinciales ſuos hoſtiliter expoliabat : ſed ſuæ facultatis opibus , ſuorum procerum diuitias regaliter ampliabat , pauperum verò indigentias miſericorditer ſuſtentabat. Tantorum igitur meritorum viro , *Fiſcannenſis* Eccleſiæ primæ reuelationis argumenta conceduntur , primorum argumentorum reuelationes manifeſtantur. Prædictus enim Dux in mundo , velut extra mundum , cujuſdam Theoriæ prærogatiua , conſtitutus , non commiſſa Regni gloria paſcebatur , verùm cœleſtis Imperij manentes opulentias meditabatur , quarum dulcedinis gratia, rerum temporalium negotia , inuitùs tractabat, voluntarius declinabat; & multo venandi ſtudio vacans, ſyluarum ſolitudine delectabatur , & frequentis occaſione laboris exercebatur. Quocirca *Calciacenſis* Prouinciæ partem maritimam frequentabat : quæ annoſis nemoribus copioſa , diuerſis ferarum generibus præbebat latibula.

De Contractis canibus & equis.

CAP. IV.

Quidam igitur die Dux *Anſegiſus* , ſolito maturus conſurgens , ſuos venatores VIII
conuocauit , canes copulari diſpoſuit , plagas , venabula , cæteraque venandi inſtrumenta , ad ſaltum *Fiſcannenſium* , imas valles , & arduos montes , comportari præcepit. Iuſſis igitur ſui Domini venatores obaudiunt , canes conuocant , ſyluarum latebras juſſarum intrant , tendunt retia, cuſtodes adhibent , explorata & implorata loca , ſumma diligentia perluſtrant. Tandem Duci , & ſuis venatoribus, magno labore , & multo inueniendi deſiderio , æſtuantibus & anhelantibus , miræ magnitudinis occurrit ceruus : qui niueo corpore totus candidus , nullius varietatis macula diſtinguebatur. Protinus obſtupeſcentium venatorum clamore maximo , & irruentium canum latratu diſſono , ſublimia æris ſpatia compleatur , & reſpondentes nemoroſi colles clamore feruntur : abſoluuntur canes omnibus copulis , dimiſſiſque habenis , totis viribus admittuntur equi. Verùm ſpecioſus ceruus , Omnipotenti patrono tutus , perſequentium fæuitiam facilè illudebat; & oppoſita retia , aut tranſilibat , aut ſui violentia pectoris illæſus diſſoluebat. Ergo fruſtra canum incitatur ſagacitas, equorum-ve calcaribus crebris velocitas exigitur , aut nimbus telorum ingens proſequitur. Ceruus enim non diuertendo diſcurrens , aut diſcurrendo diuertens , lento paſſu tranquillus incedebat; & ad locum ſui propoſiti ſuos perſecutores fideliter adducebat. Tandem itaque præfatam venerat ad vallem , ad vallis partem , vbi æterna & incommutabilis Trinitas futuram ſui nominis titulo diſponebat aram. Illuc igitur perueniens ſubſtitit , atque demiſſis cornibus , ſuo genere , cujuſdam benignitatis vultum prætendens , ſecurus ſuos perſecutores reſpexit , ibi circumlatrantes Innocentem nocentes canes, vltio conſequitur Diuina , eorumque omnia membra contrahens , cunctarum virium petulantia feſtinanter priuat : videres alios non latrare hiantes ; alios emiſſam linguam non reducere : alios irruentes , immobiles remanere. Tanti igitur miraculi ſpectaculo conueniunt Dux & venatores ſui , & pede flagrantes, cupiditatem feræ velut captæ congratulantur ex imo. Mira res ! repentina vltio Ducem, ſuoſque venatores corripuit , eorumque equorum omnia membra contraxit , & canum ſimilitudine , cunctis viribus expoliauit. Quod miraculi ſignum , aut ſigni miraculum , maximus Heros cernens , latentiſque ſacramenti ſilentium , mentis viuacitate contemplans : ceſſate , exclamat , ceſſate venatores mei , non Ceruum, ſed ſummi Dei nuntium agitate , vel perſequi. Ceruus iſte , inquit , candidus, deſignat nobis locum propoſitum , & loci propoſiti aliquem ſummæ virtutis habitatorem & patronum : quapropter equis noſtris feſtinantes deſcendite , poten-

tiſſimumque omnium rerum Creatorem deuotione ſupplici exorate, quatenus ignorantiæ noſtræ manifeſtare dignetur, quæ tantæ formalitatis ceruo, inſolitæ rei euidentia ſignificari conſpicimus. Deſcendentes igitur, proſternuntur humiliter ſolo proſtratique reuerenter ſupplicant rerum Dominatori potentiſſimo: qui eorum ſuſcipiens deuotionem, præſentis miraculi patefecit ſignificationem, & ſuis equis & canibus reſtituit priſtinam ſanitatem. Nam, cùm finita oratione, ſurgerent, & oculos ad ceruum ſtudiosè reducerent; ceruus demiſſo capite ad ſimilitudinem ſpheræ, in eodem loco circuitum edidit, tacito motu innuens, illîc, illius nomine, ædificandum habitaculum, qui ſuæ magnitudinis potentia orbem adminiſtraret vniuerſum. Quo facto ceruus euanuit, circumſtantium notante nullo, vtrum ſurſum aſcenderit, aut terram intrauerit, aut aliter aliàs declinauerit. Dux igitur exultans, præſentiſque miraculi ſignificationem cognoſcens, Diuinæ prouidentiæ gratias reddidit; ramos arborum concidi, conciſaque præcepit comportari, & quandam Eccleſiæ imaginem viminibus & ramis propoſito cerui loco feſtinus compaginauit: conſtituens animo ſe maturius ædificaturum ibi Trino & vni Deo operoſæ magnitudinis oratorium. Verùm, Deo aliter diſponente, regique alij, tanti operis gloriam diſponente; Dux Anſegiſus hominem exuit: & labentibus multis temporibus, prænominatus locus, incultus perſeuerans, ignotus & in honoratus manſit.

IX. CAPVT II.

I. MINIMÈ hæſitandum eſt, nec diutius immorandum circa primarium hujuſce inſignis cœnobij fundatorem; cùm luce clariùs conſtet *S. Vaningum*, virum non minùs vitæ ſanctitate illuſtrem, quàm bonorum copia temporalium potentem: genereque ac dignitate clarum, totius rei ſeriem idem Codex MS. ſic refert: vbi de B. Vaningo, & quomodò fuit à febre correptus, narrationem proſequitur. [a] *Multorum* igitur profluxerant temporum dies, & dignus inueniebatur nullus: qui, aut ſignificatum oraculum ædificaret, aut cui ſummæ clementię ineffabilis Trinitas ædificandi ſignificationem declararet. Expectabat enim Diuinæ prouidentiæ cellitudo virum, quem carnalis deſiderij carcere liberum, ſancto ſpiritui conſecraret, & cuſtodiret Templum delectabile. Oportebat quippe hominem, ſpirituale Templum Dei, ædificare Deo corporale Templum: qui ſui interioris conſiderata imagine, conciperet, qualiter exterius, rerum vniuerſarum creatori, Templum ordinare & ædificare deberet. Quocirca tandem tantæ deliberationis ædificando, oraculo, ſanctus & glorioſus confeſſor *Vaningus* eligitur, electuſque monetur. Cujus nobilium actuum excellentiam Galli proceres admirabantur, & cœleſtium morum gratiæ, cœleſtis curia congra-

tulabatur. Poſſidebat enim, quod non multi, verùm diuites pauci, poſſidere ſolent; & æternorum deſiderium, & affluentiam temporalium bonorum; quorum elementi expenſa, nullorum reſpiciebat, aut fauorem, aut retributionem mortalium. Talium igitur meritorum gratia, & Deo amicus, & mundo clarus & Regi *Lothario* habebatur familiaris & ſecretaneus. *Lotharius* enim Rex, B. *Vaningo* Regni ſui partem maximam commendauerat; nihilominus etiam in totius ſumma ordinanda, vel adminiſtranda, B. viri prudens conſilium ſequebatur & audiebat. Commendauerat, inquam, B. *Vaningo*, Rex *Lotharius* Prouinciam *Calciacenſem*, quę, ob antiquarum ſyluarum abundantiam, & ferarum diuerſarum venationem jucundam, valles diligebat; nulliſque, niſi familiari & fideli committere rationabiliter judicabat. Commiſſas igitur ſyluas fideliter cuſtodiens B. *Vaningus*, frequenter viſitabat, viſitando perluſtrabat; non tantum capiendarum ludo, aut captarum ferarum lucro gaudens, quantum carnalium tumultuum refrigerationem, vmbra ſyluarum, ſolitudine quærens. Tali itaque ſtudio commodiores *Fiſcannenſes*, ſaltus judicabat, judicando frequentabat: ignorans Ducis *Anſegiſi* reuelationem præteritam, ſancti Loci manifeſtationem, & futuri oraculi reuerentiam obſeruandam. Loco enim ſancto S. *Vaningus* reuerentiam nullam exhibebat: verùm ibi frequentes canes copulabat, aut retia tendebat, vel agitabat fugientes feras, vel ſuis priuabat exuuijs captas: quam præuaricationem, nimiæ juris ignorantiæ corrigendam Diuina ſublimitas miſerata, ſanctum corripuit virum, & complendi miraculi manifeſtum dedit indicium.

Ingentium quippe febrium virum ſanctum repentinus ardor inuaſit; qui totius II.
corporis compagem labefactans, cunctiſque viribus membra omnia inclementer priuans, auferre vitam, & mortem minabatur inducere præſentem. Ingraueſcente ergo moleſtia, penitùs vigor vitalis concluditur, concluſus extinguitur; atque conſumpto exteriori, ſuus homo interior in cujuſdam extaſis tranſlatione maxima extenditur & inducitur. Deducitur, inquam, ſanctus *Vaningus*, ad BB. virorum glorioſa loca, & hominum miſerorum crudelia tormenta; vbi quantas, & iuſtorum coronas, & reproborum pœnas, reuerſus narrauit, ſuorumque actuum euidentia patenter expoſuit. Viſis ergò Beatitudinis & miſeriæ perpetuis domibus; judici cuidam S. *Vaningus* præſentatur, atque excelſo ſuæ majeſtatis Throno deponitur, & collocatur. Verùm, cùm & ſedis incircumſcriptum fulgorem, & ſedentis aſpectum terribilem, circumſtantiumque innumeram multitudinem, contemplaretur, & contemplans ferreretur, corruit: & toto corpore proſtratus, coram judicis præſentia, velut exanimis & conturbatus jacuit. Tunc Iudex: Quomodo, inquit, *Vaninge*, *Fiſcannenſem* vallem nomini meo conſecrandam ignoras, & ignorando exhonoras? Qua ratione conſecrationis meæ locum nequaquam attendens, contaminare exhorreſcis? Num vereris incurrere iram meam, cujus fideliter cognoſcis omnipotentem voluntatem? Dixerat, & circumſtantium chorus ſeniorum, ſui Imperatoris ſententiam grauitatis, ſeuero vultu confirmabat. Sanctus autem Vaningus valdè perterritus, nullatenus ora ſoluebat, aut caput ſolo erigere præſumebat: ſed ſui animi puritate, & fatebatur culpam, & poſtulabat veniam, & prætendebat ignorantiæ excuſationem ſolam. Silentibus igitur cunctis aſtantibus, ſuoque ſilentio, & inferendam diſciplinam, & exhibendam indulgentiam, conteſtantibus: ſola ſancta virgo *Eulalia* ſurrexit, & jacentis cauſam ſuſcipiens, clementis judicis ſeueritatem deliniuit, indulgendam ignorantiam exorauit, ſuique familiaris & amici S. *Vaningi*, præſentem vitam viginti annorum protelatione, interuentu ſuo prolongauit. Virgo itaque S. *Eulalia* exauditur, eique exauditæ ſanctus commendatur *Vaningus*, quatenus eum perfectè inſtruat, qualiter ſanctum Oraculum conſtituat, conſtitumve, quibus perſonis committere debeat. Cui virgo! Conualeſces, inquit *Vaninge*, & viues, tuiſque poſſeſſionibus reſtitueris, ad *Fiſcannenſem* vallem: At in Fiſcannenſi valle, Duci *Anſegiſo* manifeſtatum locum ab incolis diligenter exquire, & inuentum feſtinus excole, ibi ſummæ & individuæ Trinitatis congruum Templum fideliter conſtrue: completum autem Templum ſanctis virginibus commendabis, quibus *Childemarcham*, Burdegalenſem virginem, inibi multarum virginum matrem, inclytam Abbatiſſam præponere curabis.

De

De Fiscannensi Ecclesia primo per Regem Lotharium fundata, & ditissimis prædijs dotata.

CAPVT VI.

III. Finitis demùm tantæ reuelationis sermonibus, cum vita sospitatem, & cum sospitate vitam S. *Vaningus* suscepit æqualiterque suis cunctis conualescentibus membris: Regem *Lotharium* expetijt, suæ reuelationis seriem totam explicuit. Quibus Rex *Lotharius* compunctus & perterritus: Festinus, inquit, fili *Vaninge*, regredere, & sanctum locum iuxta relationis tuæ veritatem, diligenter inquire, rebusque meis, & tuis, summi Imperatoris Palatium, quàm maturiùs gloriosiùsve volueris, construe. Quod læto audiens animo, B. *Vaningus*, ad *Calciacensem* Prouinciam, continuò remeauit: ingressusque Fiscannensem syluam, prænominatum locum exquisiuit; inuenit, excoluit. Adhibitis ergò operarijs, annosæ quercus cæduntur, & prosternuntur, vimina-ve & vepres extirpantur & comburuntur, & antiquæ solitudinis dumis & sentibus locus cœlestis habitaculi purgatur, & liberatur. Ponuntur fundamenta, & ineffabili celeritate, consurgunt parietes sacri; & velut Diuinæ virtutis omnipotenti operatione, collocantur tecta, complenturque ædificia præmissæ reuelationis. Consummato igitur, completoque ædificio, Galliarum Rex *Lotharius*, inuitatur, multarum Vrbium SS. Patres conuocantur, & congregantur, & rerum omnium Creatoris & administratoris titulo, factum oraculum insignitur, & consecratur: consecratumque Regalibus gazis, & prædijs liberaliter dotatur, & diuitiarum cumulo abundantius ditatur, & ampliatur.

Quomodo Rex Lotharius, ipsius Templi curam Childemarcæ, & pluribus Virginibus commisit; Administrantibus SS. Audoeno & Vvandregesillo.

CAPVT VII.

IV. Imperat Rex Lotharius, sanctas virgines congregari: & congregatis virginibus juxta B. *Bulaliæ* jussionem, *Childemarcam*, summæ sanctitatis virginem præponi: totiusque Ecclesiæ summam administrationem Sanctis & Beatissimis Confessoribus, *Audoeno*, & *Vvandregesillo* committit & injungit.

Quomodo B. Leodegarii linguam abscinderat Ebroinus, & postea Diuinitus recuperauit.

CAPVT VIII.

V. Deuotæ igitur virgines sacræ conueniunt, promissæ virginitatis cœlesti sponso chyrographa immobilia conscribunt: suæque conuersationis aromaticis cunctis odoribus, circumjacentes Prouincias, omnipotenti famulari Deo admonent, & accendunt. Congratulatur B. Trinitas, incommutabilis Deus, & completo Templo, & conuenientium virginum famulatui cæsto: quarum trecentarum sexaginta sex, diurnas nocturnas-ve continuas contemplans laudes, & mortis liberationem, & immensura ciuitate promittit & præparat Beatæ retributionis immarcessibilem coronam. Illo tempore, B. & gloriosus martyr, *Leodegarius*, *Fiscannum* deducitur, quem efferus & nephandus Apostata *Ebroinus*, Episcopatus sui sede injustè expulerat, rerum affluentia multarum expoliauerat; & lingua inclementer abscissa, totius officio sermonis priuauerat. Verùm, cùm gloriosus martyr Episcopus, summi & omnipotentis Dei sacras ingrederetur ædes, & psallentium virginum audiret Angelicas voces, ablatæ officium, linguæ recepit: & per annorum vertiginem duorum, cum sanctis virginibus conuersatus, humilitatis & patientiæ formam exhibuit, & audientium corda, rore cœlestis doctrinæ irrigauit & fœcundauit. Cernens igitur B. *Vaningus* inopinatam Templi gloriam, sanctæque congregationis religionem, & multitudinem cœlestem, cunctas suæ proprietatis diuitias recensuit, sanctariumque in vsus virginum delegauit: & toto vitæ suæ cursu, totius famulatus humilitatem, & obedientiam in eadem Ecclesia, ratione & consuetudine seruientium exhibuit.

Ex qua quidem narratione, nonnulla veniunt obseruanda. I. Clotharium, ceu Lotharium (cuius fit mentio) esse tertium huiusce nominis, Clodouei II. filium qui Regni habenas suscepit post ann. 662. [b] & Regnauit annis IV. Regia autem munificentia, qua illud cœnobium ditauit, Fundator rectè agnoscitur. II. Sanctum Audoenum, Rothomagensem Archiepiscopum, non parùm insudasse, sua Pontificali authoritate & vigilantia Pastorali, pro huiusce modi Abbatia fundanda; cuius rei causa & ipse Fundator nuncupatus reperitur ab *Ordorico*, dùm constanter scribit quòd *vnum cœnobium Sanctimonialium, Fiscanni condiderit.* [c] Illudque *Nicolaus Gillius* admittit: sed vterque in assignatione temporis fallitur. Sanctũ III. Vvandregisillum, Fontanellensem Abbatem, tituhim etiam fundatoris meruisse, tum ob Illustrissimam generis prosapiam, & ingentia, quę possederat, bona, huic eidem Abbatię proculdubio collata; tum propter directionem spiritualem, & monasticę obseruantię disciplinam, quam inibi edocuit: iuxta Sigibertum; S. *Vvandregesillus* (inquit) *qui & Vvando, Ansegisi majoris domus ex Valchiso fratre nepos, hoc tempore claruit: qui cœnobia Fiscannum & Fontinellam Deo construxit.* [d] Hallucinatur autem, cùm ille sanctus obierit ann. 665. [e] V I.

Itaque dicimus cœnobium istud Fiscannense ædificatum esse post ann. 662. non verò ann. 659. vt autumat Antonius *Teppes*, vel 660; vti opinatur Thesaurus Chronologicus. Deindè, cùm constet S. *Leodegarium*, Æduensem Episcopum, apud Fiscannum diuersatum fuisse, tempore sui exilij; sequitur inibi moram egisse antè annum 685. quo Martyrio coronatus est, per impium Ebroinum, majorem domus Regiæ Theodorici I. ex *Sigeberto*, *Baronio*, *Surio*, & alijs. [f] Denique apparet præfatum S. Vvaningum, diem obiisse extremum, circa ann. 685. Nam, vt ex visione cœlitùs sibi facta, comprobatur, vita illi prorogata est per spatium viginti annorum; nempe, ab incœptione structuræ huiusce Abbatiæ ann. circiter 662. vsque ad ann. 682. ex quo *Ferrarius* corrigendus, aiens floruisse circa ann. 707. & 730. tam enim verum est, quàm quod subdit. *Apud Caletes, in Gallia S. Vvaningum in votis habuisse se Monastico Ordini tradere: sed aliter à Deo prouisum. Quod quamuis verum sit, non tamen remouendus est ab Ordine Benedictino: quippe, qui multos annos cum sanctimonialibus Fiscannensibus, vixerit, & vt credibile est, regulariter: nam, cùm totis votis vitam Monasticam exoptauerit, nihil prohibebat eum, earumdem Virginum ritu viuere. Vvandregesillus Archimandrita, ad quem illa Diuinitus missa fuerat, vt noui Monasterij regimen, curam sanctimonialium ibidem degentium susciperet: illis quippe præfecta fuit à præfato S. CAPVT IX.

II. Defuncto autem B. Vaningo, multorumque dierum transcurrente spatio, inferiores Galliarum Prouincias inuadunt Sequanenses, Pagani ; qua cum crudelitate vrbes delentes, castra subuertentes, villas, vicos-vè depopulantes, multorum populorum, interfectorum, aut fugatorum exuuias, & diuitias congregatas asportauerunt, & consumpserunt. Illius ergo tempestatis crudelissimo turbine, Fiscannensis Ecclesia inuaditur, & corripitur, & multorum meritorum Sanctæ Virgines expelluntur, & effugantur : proch dolor ! Tanti nominis oraculi sublimia comburuntur, directi parietes confodiuntur, & ipsa fundamenta Templi, suis secretis locis extrahuntur, & comminuuntur. Multæ sanctæ virgines, quas glorioſi Templi amor nimius retinuerat, hostili gladio, ante ipsam sacram aram corruerunt, suique cruoris effusione, vastantium violentiâ frustra tardauerunt, tardandoque extinguere laborauerunt. Quid multa ? prænalentibus flammis sacrum Templum comburitur, sacro Templo adjacentia ædificia adnihilantur ; & solæ remanentes ruinæ, magni apparatus opera præcessisse testantur. O Diuinam patientiam ! ô Deitatem patientem ! ô patientiam magnitudinem admirandam ! ô omnipotentissime Deus ! suis exigentibus culpis cunctas Galliarum Prouincias insana barbaries depopuletur : saltem domus tuæ celsitudinis, singulari priuilegio insignita, reseruetur, custodiatur. Quid enim Templum tuum destruendo, agas, vtrum corrigas culpam, an exerceas patientiam, vel latentium turpitudinum punias immunditiam, omninò ignoramus : ignorantes omnino discutere non præsumimus, cuius igitur præcesserit, nobis occultatur. Verùm, sacri loci confusionem, antiquarum quoque veprium reuersionem, & solitudinem fuisse, & vsque ad tempora Guillelmi 2. Normannorum Ducis perseuerasse audiuimus & cognouimus. [c]

CAPVT X.

Longa igitur bellorum miseria contritis & fatigatis Galliarum Prouinciis, ali-
quando Diuina seueritas delinitur, suarumque antiquarum misericordiarum re-
miniscitur; & inopinatæ opitulationis consolationem laborantibus populis lar-
gitur. Diuinarum quippe affluentia gratiarum errantes Pagani compunguntur,
compuncti conuertuntur, inquam, Barbarorum truculentæ mentes; Religionisq;
Christianæ veritatem summa deuotione sectantur, & venerantur, quam paulò
ante ferali væsania persequebantur, & abominabantur. Vnde contigit, vt dono,

sortirentur; quas sui laboris incolatu externo excolerent, & ab irruentium Bar-
barorum inuasionibus defenderent & custodirent. Diuinitùs itaque conciliatis
populis, pax mundo redditur, vrbes deletæ muniuntur, subuersaque castra vallo
competenti & aggere cinguntur: & reuertentibus colonis villæ & agri replentur,
& excoluntur. Denique Normanni spiritualium gratia Sacramentorum innouati,
suas acceptas Prouincias, *North*, venti sui vocabulo, *Normanniam* appella-
uerunt: cuius terræ Ducatum Rollo I. & Guillelmus Rollonis filius, ha-
buit secundus. Huius ergo Ducis tempore, æternæ & Indiuiduæ Trinita-
tis oraculum reperitur, repertumque notitiæ & vtilitati multorum popu-
lorum reducitur, & renouatur. Dux enim Guillelmus præcepit seruis suis
quatenus Fiscannense oppidum renouarent, atque in renouato oppido, mul-
tæ speciositatis & magnitudinis Palatium ædificarent. Obedientes autem seruî
opus aggrediuntur imperatum; oppidoque renouato, excelsi fastigij ædificare
moliuntur Palatium. Vbi dùm discurrerent, & ædificando Palatio lapides & cæ-
menta inuenire satagerent; sacrarum ædium ruinas reperiunt, repertasque in ædi-
ficium humanæ habitationis transportare disponunt. Verùm, repentino consilio
Diuinitùs aspirati, illius loci antiquos, & indigenas conuocant, inuentarum
ruinarum causas interrogant; & cujus Imperatoris, alterius potentiæ per summa
Palatia illas ruinas præcesserint, diligenter inuestigant. Locus iste, inquiunt, in-
terrogati indigenæ, olim clarus & celebris, vallis fuit, rerumque omnium Impe-
ratoris insignitus titulo, multis virginibus quietem, & habitationem secretam
præstitit. Quibus auditis sancti operarij, sacrarum ædium deflent vastationem,
suique Paganissimi exhorrent inhumanitatem, & sanctis cineribus donantes liber-
tatem, alibi sui propositi operis satagunt exquirere materiam: qua inquisita, &
facile reperta, mulcæ ambitionis Palatium extollunt, suique Ducis jussionem
complentes, breui interuallo, assepti operis magnitudinem consummarunt. Ex-

pleto igitur tanti laboris præcepto, artifices inuitarunt Ducem *Guillelmum*: caſtrumque & Palatium conſummatum, ſuę auctoritatis judicio & ſententiæ reddunt. Quorum *Guillelmus* Dux peritiam & formam completorum operum commendans, eorum negligentiam reprehendit: quod in caſtro, juxta Palatium, Eccleſiæ nullius oraculum inuenerit. Super cujus negligentiæ culpa, ſuos artifices arguens; Ite, inquit, & illarum ruinarum loco ſancto ædificate Eccleſiam, cujus aſpectus ſancti Templi memoriam contuentibus reddat; & mihi, aut alioui meo hæredi, antiquam Eccleſiam repanandi voluntatem aliquando incutiat. Ducis juſſionem audientes operarij, accedunt ad ſacra loca, atque in ipſa incendij & excidij confuſione, cujuſdam Eccleſiolæ ponant fundamenta: ſignatoque primæ aræ loco, ruinarum lapidibus & fragmentis, non multæ extollentię parietes erigunt, erectoſque ad propoſitæ quantitatis ſummam, nulla intercapedine, deducunt. Completis ergo parietibus, tectū ſolùm deerat; cujus petlato munimine, aerias inclementias ab vniuerſa domo arceri opportebat. Quocirca lignorum inquiruntur fabri, & inuenti adducuntur; eiſque cura faciendi tectum injungitur, & relinquitur. Fabri autem inſtrumenta corripiunt, imperato operi augendo habiliora reddunt; electaſque ſyluas maturius intrare diſponunt.

De tecto, quod mare attulit de Conſtantienſi Prouincia, & duobus lignis, quæ defuerunt.

CAPVT XI.

V. Verùm diſcurrente deliberationis interuallo, diuina omnipotentia, & fabros à propoſiti laboris ſudore, liberauit & reuocauit: & ſuę magnitudinis præſentiam in præfata Eccleſiola, eximij miraculi glorioſa atteſtatione declarauit & docuit. (*in Cod. M. S. Domini Bigot ſup. habetur, in pago Conſtantino, apud quandam inſulam in mari*) Conſtantienſis enim Prouinciæ homines, S. *Marculphi* cuidam Eccleſię quoddam tectum pręparauerant, atque præparatum eidem Eccleſiæ ſuperponere diſponebant. Illud ergo tectum, pelagus ſupergrediens inuaſit, & ſuſtulit, leuiſque vndę obſequio, ad *Fiſcanni* littora deuexit: & dictu mirabile! coram ſanctæ Eccleſiolę erectis parietibus officioſè depoſuit, ſuique littoris alueo, lapſu innocuo refluxit. Mirantur operarij, & pelagus refluens, & tectum remanens; & in remanente tecto, nullius clani, procellarum impulſu, apparere labefactationem. Conſequitur Majus miraculum; nam dùm ſuis parietibus alienum tectum ſuperponunt, tantæ æqualitatis, quantitatis-ve parilitate inueniunt, quæ conuenientiores metientium lineæ, vel arundines concordiam exprimere poſſunt. Ligna duo deerant, quæ commiſſa pelagus non fraudauerat, ſed quæ *Conſtantienſium* hominum manus cæteris lignis tecti nondum compaginauerat. Præcipitur fabris ligna cædere, cæſaque ſua induſtria, lignis ſuperpoſiti tecti indigentiam ſupplere & complere. Fabri obediunt, cædunt ligna, metiuntur cæſa; tecti membris cæteris moliuntur conciliare frequentius impoſita. Verùm truſtratur omnino labor deſudans, & peritia diligens; quam nullius artificio lineæ ſui laboris opus operi cœleſtis gratię poſſunt conjungere. Qua incommoditate mœſtos artifices, ac ſollicitos, quidam ſuperueniens releuauit, maximiſque littoribus duo ligna jacere nuntiauit, quarum impoſitione, imperfectionem poſſe compleri, penitus aſſeruit. Vnde exhilaratis artificibus, ligna deportantur, totiuſque lineę amoto officio, facilè ſuæ proprietatis loco collocantur: ſuiſque naturalibus membris vniuerſa tecti fabrica conſummatur, & perficitur.

De Angelo, & Cultella, & veſtigijs remanentibus, in eodem lapide, de quo aſcendit Angelus.

CAPVT XII.

VI. Tanta ergo miraculorum multitudine artifices excitati, Ducem *Guillelmum* expetunt, ſuarum rerum euentus maximos exponunt, & ad Dedicationem conſtructæ Eccleſiæ, paucis perſuaſionibus accerſunt. Tunc Dux, multa cœleſtium gratiarum abundantia prædicandus, Epiſcopos & proceres multos conuocauit: quo-

rum multitudine conſtipatus *Fiſcannum* venit, nouam Eccleſiam intrauit; cuncta Dedicationis neceſſaria præparari præcepit. Quibus ergo ſufficienter præparatis & congregatis; Dux & Epiſcopi, cum multis proceribus, Eccleſiam conſecrandam intrauit, & cujus ſancti titulo inſigniri debeat, diligenter pertractant. Vbi, dùm diuerſa ſentirent, ſententiaſque diuerſas defenderent, & juxta deuotionem, quam ſinguli ad ſingulos ſanctos habebant, Eccleſiam conſecrandam contenderent: vir quidam vultu & veſte ſpecioſiſſimus, caput, prolixamque barbam, canis candidiſſimis coopertus, Eccleſiam intrauit, ſuaque lumina nuſquam flectens, directo itinere ad altare conſecrandum peruenit: ſuper quod reuerenter inclinans, cultellum depoſuit, nulloque ſermone ſuum ſilentium corrumpens, conuerſo gradu, Eccleſiam exiuit; & quamdam curiam Eccleſiæ penè contiguam ingreſſus, ibi poſitum molarem lapidem aſcendit, atque indè ſe ſuſtollens in aerâ, non comparauit.

Quomodo Dux & Pontifices admirabuntur Angelum tam ſubitò euaneſcere.

CAPVT XIII.

Multi autem, qui Dedicationis gratia, illa die, *Fiſcannum* conuenerant, proſequentes remeantem Angelum, ad lapidem, quem aſcenderat, confluxerunt: in quo lapide, Angeli veſtigia, velut in arena, aut in ſicco puluere impreſſa reperiunt. Cujus rei admiratione perturbati, *Guillelmi* Ducis præſentiam adeunt; tantæque excellentiæ miraculum velut ignoranti, quiſque præcedens, ſequens narrare contendit. Gaudent omnes, & altare, ſuper quod cultellum Angelica manu deponi conſpexerant, conuenientium corona circumcingunt; atque quid prætendat cultellus depoſitus, cuncti emucleari quærunt. Tunc ſancti Præſules cultellum accipiunt, atque in accepto ſcripturam inueniunt; cujus indicio, & procerum controuerſia finitur, & in cujus titulo Eccleſia debeat Dedicari, declaratur. Erat enim in cultello ſcriptum: *In nomine ſanctæ & Indiuiduæ Trinitatis.* Quod audiens *Guillelmus*. Dux præclarus, multo gaudio exiliuit, atque in honore ſanctæ & Indiuiduæ Trinitatis, præſentem Eccleſiam Dedicari præcepit; multę promiſſionis ſe firmans ſacramento, ſuo opere eamdem Eccleſiam, aliquando ampliari, atque in Eccleſiam tanti nominis, priuilegio concinentem magnificari & extolli. Verùm Diuina Prouidentia aliter diſponente, dolo ac fraude *Flandrenſium*, præfatus Dux interficitur; ſuoque filio *Richardo*, ampliandi ſancti Templi gloria transfertur & conceditur. VII.

Eccleſia Fiſcannenſis Readificatur à Richardo, I. Duce Normanniæ; qua completa, & varijs donis, ac muneribus ampliſſimis ditata, dedicatur per Robertum, Metropolitanum, & alios Neuſtriæ præſules. Tum à Canonicis Regularibus inhabitatur indeque Richardus Dux præfatus, jure Fundator Fiſcanni habetur.

CAPVT XV.

Quadam igitur die, cùm præfatus Dux, Fiſcannenſis Palatij cuidam ſublimi feneſtræ accumberet, & ſanctæ individuæque Trinitatis Eccleſię longè inferius poſitam conſpiceret, velut ignorans, aſtantes ſuos proceres interrogauit, nomenque præſentis Eccleſię, ſuæ lenitatis ſapido ſermone inquiſiuit: cui illi, Pater, inquiunt, tuus, Eccleſiam iſtam fundauit, tituloque deificę Trinitatis inſigniri & dedicari præcepit. Quibus auditis glorioſus Dux maximo doloris jaculo compungitur, & erumpentium lachrymarum diſtillantibus riuis, ſuam roſeam faciem, & barbam niueam madefecit: & diu ſilens, caputque concutiens, tandem ſingultibus ſermonem irrumpentibus: ô, inquit, quàm malè congruit me hominem tantæ ambitionis habitare Palatio, & Deum omnipotentem tali latere tuguriolo! O, inquam, quàm malè congruit ſuperiorem & cœleſtem Dominum inferius habere tugurium: & inferiorem & terrenum ſeruum, ſuperius tenere Palatium! Quàm rationabilius conuerteretur me habere paruum, aut nullum, & Dominatorem omnium rerum, tenere & ſolum, & maximum! Dixerat, & effluentium lachrymarum vndas, nulla animi virtute, nullaque manus crebra deliberatione, aut continere, aut exſiccare poterat. Deinde adjecit: multi in opere cœmentarij inquirantur, inuentique adducantur; quoniam hoc Palatium in comparatione illius Eccleſiolæ, quam deſpicitis, faciam apparere aut nullum.

Quare Dux Richardus in Reædificatione Eccleſiæ Fiſcanenſis, poſuit manu propria lapidem, ſupra quem Angelus aſcenderat, in fundamento Eccleſiæ.

Nec mora: inuenti lapides comportantur, magnorum multitudo rogorum concrematur, futurique Templi magna, multaque materia præparatur & congregatur. Fundamento denique ponendo Dux ſanctus affuit, arreptoque ſarculo; terram primus aperuit; & lapidis, de quo *Guillelmi* Ducis tempore, Angelus aſcenderat, partem vnam ipſo fundamenti principio primus depoſuit. capite, prolixa barba, procero corpore, conſpicuus, omnes operarios circuibat, alios admonebat, corrigebat iſtos, vacantes impellebat: illis laborantibus ſubueniebat, cunctos æqualiter, ſui feruoris exemplo, ad cœpti operis maturationem accendebat. Tali igitur ac tanto flagrantis Ducis deſiderio, breui interuallo ſanctæ & indiuiduæ Trinitatis glorioſum templum perficitur, decorum illa qualitate & quantitate, quam peritorum artificium diligentia, illo tempore, majorem & pulchriorem valuit excogitare. Quocirca Dux exhilaratus, ſuæque voluntatis iudicio completi operis reſpondere ſpeciem admiratus: vaſis & ornamentis aureis & argēteis nouam Eccleſiam multipliciter ditauit: cortinarūque ſericarum lineatum, atque lanearum triplici adornatione copioſiſſimè veſtiuit. Miroquemodo, & ſacri altaris ornamentis, & ſacerdotalibus indumentis aureis, & gemmis honorauit & ampliauit. Quibus omnibus Ducis nimia liberalitate compoſitis & cōpletis, totius Normanniæ, aliarumque Prouinciarum Principes & Epiſcopi conuocantur & congregantur, atque in nomine ſanctæ & indiuiduæ Trinitatis conſummatæ Eccleſia dedicatur & *titulatur.* Codex MS. præfatus D. *Bigot*, numerat 14. Quoddam admirabile miraculum de corpore & ſanguine Domini noſtri Ieſu Chriſti.

CAPVT XVII.

V. *Eo tempore*, quoddam miraculum relatione dignum, iuxta *Fiſcannum* contigit. Sacerdos enim quidam nomine *Iſaac*, cùm fititis orationibus, ſacroſancta Sacramenta Dominici corporis & ſanguinis aſſumere deberet, ſubſtantiam corporis & ſanguinis, non panis, aut vini ſpecie reperit coopertam, ſed euidentiſſimè carnis & ſanguinis colorem & qualitatem protendentem. Cuius rei nouitate Sacerdos perturbatus, Richardum Ducem, & ſanctorum præſulum congregationem feſtinus adijt, inſolitique miraculi magnitudinem patefecit. Tunc Dux, cunctique Epiſcopi, & populi maxima multitudo, illuc pergunt; & ſecundum Sacerdotis reuelationem, rei geſtæ veritatem inueniunt, & reuerenter tanti ponderis myſteria, ſuſtollentes, ad conſecratam Eccleſiam deferunt, vbi ſacro calici patinam conſigillantes, ad ſimilitudinem Angeli cultelli, quem in crucifixo incluſerant, in ipſius ſanctæ Trinitatis ara, ſacroſancta myſteria concludunt & reponunt. Ea res miraculoſa ſic memoratur apud Robertum *de Monte*, in appendice ad chronicam Sigēberti, ſub ann. 1182. *Hoc etiam accidit quidam ſanctiſſimo Præsbytero iuxta Fiſcannum, dùm cantaret Miſſam in die Dedicationis Eccleſiæ ſanctæ Trinitatis Fiſcanni. Qui mittens Diaconum ſuum vocauit Epiſcopos: qui ad Dedicationem conuenerant. Et venerunt, & Præsbyter tulit in manibus ſuis, in Calice: ita vt erat reueſtitus, & poſuerunt illud in altari. Hæc fecit pietas Domini, ad confirmandam fidem Sacramentorum ſuorum in nobis, in quos fines ſæculorum deuenerunt.* Eadem verò ſic commemorat codex MS. *Domini Bigot* ſup. *Illis in diebus* erat quidam Præsbyter nomine *Iſaac*, vir bonæ vitæ, frequenter Miſſarum ſolemnia celebrans, ad altare S. Machuti, Epiſcopi & Confeſſoris, haud procul à Fiſcanno diſtans, duobus milliaribus: Qui quadam die, &c. Vide, in ea, ad 27. Martij in *Neuſtria Sancta*. Alia ſimilia, alibi euenisſe in Gallia ſcribit *Rolliardus*, in Hiſtoria Melodunenſi pag. 406. & 407.

VI. Præſentis ergò (*addit idem toties nominatus Codex MS.*) miraculi magnitudinem, miraculorum antiquorum multitudini, Dux prouidus diligenter concilians, atque vtrorumque miraculorum conuenientia, conſecrandæ Eccleſiæ authoritatem compenſans, multos canonicos elegit, electiſque canonicis ſanctæ Eccleſiæ commendauit; quatenus in ea deuotè habitarent, & rerum vniuerſarum creatori & Domino æternas laudes, obſequiaque ſpiritualia ſoluerent. Omnibus ergò tandem officijs conſummatis, totiuſque Eccleſiæ ſtatu, ſummaque, diſpoſitis & determinatis; Dux alacrior Ducatus ſui adminiſtrationi reuocatur; Epiſcopique

Quoniam priorum patrum sanctione, necnon decreto bonorum hominum, quorum mens & possibilitas actuum, non tam caduca, quam etiam mansura, exoptant sibi meritorum præcedentium executione, decreuerunt rata ac rationabilia esse: vt Deo cunctorum datori, sanctisque ipsius, quorum supplemento viget mundus, ac propellitur labens hominum scilicet peccaminum næuus, & impenditur bonis merces, juxta executionem operum: vt ex his, quæ ipsis, in hoc mundo à Deo tribuuntur bonis, reiterato tanquam vicissitudinis chyrographo, eidem Christo, vel sanctis suis, conferant talionem; vt prosit præsentialiter, & in futuro. Idcirco ego *Richardus* Consul, meo posse, quem sibi asciuit cunctipotens Deus, qui est Trinitas & vnitas, sua misericordia præueniente, non proprijs meis exigentibus meritis, & sua mihi largitus est gratis, opto esse fidelis, & confero ei in hoc loco, qui dicitur *Fiscannus*, & in hoc Monasterio, in honore sanctæ *Trinitatis* dicato, de bonis ab eo mihi indigno datis, videlicet *Emundi-villam*, & quicquid ibi pertinere videtur: *Argentias* etiam cum omnibus appenditijs suis; Sanctum *Valericum*, & quicquid ibi pertinet: *Bretennoles*, ex toto: *Ingulfi* etiam villam, & quicquid ibi meæ ditioni subjicitur: eo rationis tenore, vt in prædicto loco maneat cum firmissima stipulatione, perenniter, absque vlla contradictione. IX. Hinc plures etiam alij principes & magnates fundarunt, & dotarunt Eccleſias, ea lege, vt abordinatiis eſſent exempta; quas, forſaſſe, aliàs non ædificaſſent aut indotatas remanſiſſent; & eo caſu tantundem minutus fuiſſet cultus diuinus: vti refert de Abbatijs, Cluniacenſi, S. Itaque, cùm exemptiones dent cauſam fundatoribus & dotationibus Eccleſiarum, quibus augetur ſeruitium Diuinum; & eò fauorabiliores & vtiliores retinendæ ſunt, non autem rejiciendæ, pro vt quotidiè cenſet & judicat Senatus, ſtatus Eccleſiæ conſeruator, declarando abuſum commiti, actibus diuinum cultum minuentibus; qui vt augeatur, licet jus patronatus ſit ſpirituale, aut ſaltem ſpiritualibus annexum, tamen ipſis laicis jus illud reſeruatum fuit, vt ceteri allicianter ad fundationes.

Idem Dux Richardus I. conatur Canonicos è Fiſcano propulſare, ſed impeditus, moritur magno cum pietatis Chriſtianæ, & inſignis deuotionis exemplo: cui ſuccedens Richardus II. filius eius: S. Guillelmum è Diuinione ad ſe vocatum cum aliis ſui inſtituti Benedictini aſſeclis, benignè ſuſcipit, tum Canonicis Fiſcano depulſis in eorum locum ipſos ſubſtituit.

CAPVT V.

I. NONNVLLI arbitrantur Richardum I. Normann. Ducem, Monachos Benedictinos, Fiſcanni poſuiſſe, loco Canonicorum Regularium: D, eo etenim ſic ſcribit Malmesburienſis. *Ea fuerat* (inquit) *filia* Richardi, Comitis Normaniæ, filij Guillelmi, qui poſt patrem, 52. annis illi Ducatui præfuit, & 28. anno hujus Regis vitam finiuit. CAPVT XVIII.

Interea contigit Fiscannenses Canonicos, aliorum canonicorum mores imitari, latas perditionis vias ingredi; & rerum temporalium luxus & desidias voluptuosè sectari; quam canonicorum miseram vitam, & viuentem miserùm, Dux prudentissimus, Richardus audiens, & audiendo cognoscens, valdè doluit; hominumque prauorum mores, & conuersationem exhorrens, Legato festinanter *Cluniatum* direxit, & sanctum *Majolum*, magnæ humilitatis precibus *Fiscannum* accersiuit, atque secundum S. Benedicti Regulam & institutionem, disponi & ordinari nouam Ecclesiam, exoratit. Cui S. *Majolus*: Hujus, inquit, laboris magnitudinem talis rationis conditione, Charissime fili Richarde, suscipiam, si per totum Ducatum tuum, consuetudinem, quæ vulgariter, *Pasnagium* dicitur, Deo donaueris; nullumque tuæ potestatis principem, aliquando amplius exigere decreueris. Vbi Richardus Dux, non morbo auaritiæ, verùm occulta Dei prouidentia disponente, & sancto *Guillelmo* Abbati gloriam ordinandi S. Ecclesiam transferente, suorum hominum consilio, acquieuit: & sancti *Majoli* sanctam interpellationem non exaudiuit. Vnde contigit, vt S. *Majolus Cluniacum* reuerteretur; & Canonicorum correctio, vel expulsio, per aliquot tempora protelaretur. b

Verùm, illud haud possum pertransire intactum, quod de ipsius Richardi I. Ducis, pia deuotione, insignique humilitate, narratur: dùm mortis suæ appropinquante tempore, scilicet, ann. 996. voluit apud Fiscannum humari. Nam (inquit Dudo) *jussit* sibi excidi sacrosegum silice, & infra Ecclesiam Fiscanno, nomine Deificæ Trinitati consecratam, ante locum stationis suæ locare; & vno quoque die sextæ feriæ quantum frumenti capax erat, & quinque solidos, pauperibus erogare: &c. cœpit anxiari & ægrotare, viribusque deficere, & à Bajocacensi pago, ad aulam Fiscanninæ sedis secedere: ne eò defuncto fastidium translationis esset in plebe: &c. Dux verò magnus Richardus infirmitatis aggranatus importunitate, cilicio indutus, nudo pede, petijt delubrum Trinitatis Deificæ, diuersaque dona, variaque munera & pretiosa, mittens super altare; perfusus faciem lachrymarum imbre, supplex & deuotus, flebilisque excepit typicum salutiferi viatici stipem, adjumenta scilicet, viæ. Tunc Comes *Rodulfus* dixit ad eum secretiùs: Domine, quo loco Templi præparabitur sepulchrum tuæ requiei? Respondit: Cadauer tanti sceleris, non requiescet infra aditum hujus Templi, sed ad istud ostium, in stillicidio monasterij: &c. c Eadem referuntur apud prædictum Codic. M. S. Fiscanens. CAPVT XIX.

Tandem igitur prolixæ ætatis sancto senio Dux inclytus Richardus, fatigatus, cujusdam ægritudinis ingenti molestia corripitur; & corpore dissoluto, cunctis eliminatis viribus, ad extrema deducitur. Qui dùm ingraueſcente molestia, extremam imminere cognosceret horam, Ducatus sui cunctis congregatis proceribus, Richardum filium suum vocauit, rerumque suarum omnium hæredem, & successorem constituit. Quibus leni & hilari ſermone peroratis, ſopore velut aggrauaretur leui, expálluit; ſuoque adepto deſiderio, animam ſuam pane vitæ & intellectus ſaginandam, æternæque beatitudinis gloria coronandam, rerum omnium potentiſſimo judici reddidit, emiſit, & commiſit. Cernens igitur Richardus ſancti Patris mortem & abſentiam, velut lapis diriguit; lamentiſque & clamoribus, totam aulam repleuit. Tandemque receptis viribus, amentis ſimilitudine, ſuper exanime corpus irruit, & diu deoſculans, quaſi recedentem reuocaret, attonitus laborauit; animi verò virtute, longo poſt tempore reformatus, procerumque circumſtantium conſolatione releuatus Richardus, ſancti Patris exequias, per multos dies celebrauit; & poſtremo, juxta juſſionem factam, in ſanctæ Eccleſiæ ſtillicidio ſepeliuit: atque ſuper ſepulchrum Patris, in honore S. *Thomæ* Apoſtoli, Baſilicam ædificauit, & vbi ad honorem Dei, & cognitionem ſancti Confeſſoris, frequenter glorioſa miracula clareſcunt, & ſepulti Ducis merita, intelligentibus animis enucleatiſſimè oſtendunt.

CAPVT XX.

V. *Richardus* igitur filius Richardi, totius Normanniæ Ducatum aecipiens, ipſo ſui Ducatus initio, ſuos rebellantes Normannos prudenter ſuſtinuit, fœliciter ſuperauit, & paterni jugi conſuetudinibus potenter reddidit & ſuppoſuit. Quibus repentè ciuium ſuorum ſeditionibus mitigatis, circumjacentibuſque prouincijs, paternæ probitatis imagine, pacificatis & confœderatis; Dux inclytus Richardus, cœpit clareſcere, ſuarumque virtutum fragrantias exurgentes per mundi partes diuerſas effundere & dilatare: ſuorum quippe anteceſſorum claritatem & eminentiam incomparabili actuum nobilitate præcellebat & obfuſcabat, ſuiſque ſucceſſoribus viuendi imaginem imitabilem nonnullis compingebat, & proponebat. Totius ferè mundi ſanctarum congregationum fraternitatem exigebat: atque acceptæ fraternitatis ſanctis congregationibus, per annos ſingulos, juxta propoſitam quantitatem, magnæ liberalitatis vectigal, voluntarius exoluebat. Tanta ſuę deuotionis nimietas fuiſſe fertur, vt ingreſſus ciuitatem, non prius egrederetur; quàm totius ciuitatis Eccleſias, ante lucanum circumirer, atque in ſingulis Eccleſijs, ſacras excubias celebraret, & multarum lachrymarum flumina funderet & relinqueret. Vbi, ſi caſu orantes reperiebat, ſuæ dapſilitatis immenſo munere replebat; aduentuque ſuo indigentes multos, ad nocturnas orationes excitabat, & prouocabat. Cùm Dux inclytus Richardus tantarum, gratiarum fulgenti lampade, mundo penè vniuerſo, coruſcans; ſui patris juſſionem glorioſam recoluit, & ſe recolere; ipſius operis effectu & euidentia comprobauit. Congregatis enim ſummæ peritiæ operarijs, *Fiſcannum* venit, & clauſtra, officinaſque alias, omneſque domos monachorum vſibus congruas, ore proprio limitauit, diſpoſuit, & ædificauit. Cunctis ergo officinis completis, ſolius aquæ vſus deerat, quam laborioſè circumducens, atque in caſtrum volutis competentibus ſubterducens, per turres ipſius Eccleſiæ poſtremas, in curiam manare, atque per cunctas monaſterij officinas, abundanter fecit diffluere. Interea diligenter inueſtigabat, & inueſtigans inquirebat; cui potiſſimum juxta S. Benedicti Regulam, & inſtitutionem, diſponendam & regendam ſanctæ & indiuiduæ Trinitatis crederet & committeret Eccleſiam. Illo tempore, Beatæ memoriæ *Guillelmus* Abbas ſummæ Religionis affluentia, totius partes Romani Imperij illuſtrabat; Abbatumque multorum trepidos animos ſui feruoris imagine, reformabat & accendebat. Apprimè enim liberalibus artibus eruditum; atque diſciplinis Eccleſiaſticis, cunctiſque ſpiritualibus officijs, nihilominus etiám ferè virtutum omnium gratia imbutum, & illuminatum, *Diuionenſium* Eccleſiæ B. *Majus* præpoſuerat & conſtitue-

rat Abbatem & magiſtrum. Tanto igitur ac tali viro Dux inclytus Richardus ſuos Legatos direxit, & ſui propoſiti intentionem patefecit; atque vt *Fiſcannenſem* Eccleſiam, juxta B. Benedicti Regulam, diſponeret & erudiret, magnæ humilitatis precibus exorauit. Quibus B. memoriæ *Guillelmus* Abbas primùm reſpondiſſe fertur; Chariſſimi filij, audiuimus Duces Normannos, homines barbaros & truculentos, ſubuertere & non ædificare ſancta Templa; delere & effugare, & non colligere aut nutrire ſpiritualium hominum congregationes ſanctas; quapropter ad Ducem veſtrum redite, & nos hujus rei imparatos omninò reſpondete; cùm & nobis fratribus deducendis deſunt equi, atque ſtipendijs conducendorum fratrum, deſunt clitellarij. Quod reuerſorum Legatorum relatione Dux inclytus comperiens, extimuit, multoſque equos & clitellarios feſtinus præparauit: quos reuertentibus Legatis, B. memoriæ Abbati *Guillelmo* humiliter remiſit. Tunc B. Abbas Ducis importunitatem & perſeuerantiam, atque de importunitate & perſeuerantia compenſans animi voluntatem, & deuotionem iſtam; collecta ſpiritualium fratrum multitudine, maxima, iter arripuit, pauciſque diebus decurſis, æſtuantis Ducis deſiderio ſuam & multorum fratrum præſentiam exhibuit. Quem Dux egregius, totius animi ſinceritate, totiuſque ſinceritatis dilectione, ſuſcipiens, velut ſuſcepto Chriſto, alijs amotis ſeruientibus, ipſe proprijs manibus ſeruiuit; medioque breuis temporis interuallo *Fiſcannum* deduxit, & ſanctæ Trinitatis Eccleſiam donauit, & tradidit, eamque donatam & traditam, juxta Regulam S. Benedicti, & inſtitutionem diſponi, & ordinari exorauit. Donauit, inquam, & tradidit Dux egregius Richardus Beatæ memoriæ Abbati *Guillelmo* ſanctæ Trinitatis *Fiſcannenſem* Eccleſiam; Canonicorum carnalium expulit enormem multitudinem, quorum poſſeſſiones Eccleſiæ penitus retinens & reddens, expulſis, & conuerti nolentibus Canonicis, alibi congruam reſtituit compenſationem. Nocte igitur, cujus ſequenti die *Fiſcannenſis* Eccleſia ſpirituales ſuſcepit monachos, carnaleſque expulit Canonicos, ipſis Canonicis Eccleſiæ culmen totum Aquilis videbatur operiri: quibus aquilis ingredientium monachorum theoria & ſpiritualis volatus, ac deinceps protegentium Angelorum deſcenſus & conuerſatio congruè figuratur. Igitur B. & glorioſus Abbas *Guillelmus* ſuſceptam Eccleſiam cœpit gubernare & adminiſtrare, & juxta S. Benedicti inſtitutionem, diſponere & corrigere, atque de diuerſis Prouincijs verè fideles conuocare, & in obſequijs cœleſtibus vnire & confirmare: ſubita igitur conuerſione *Fiſcannenſis* Eccleſiæ cœleſtium virorum ſtudijs feruebat, & flagrabat: & multæ opinationis gloria, circumpoſitas Eccleſias præcellebat & obſcurabat. Faſtigium quippe tantæ celſitudinis ſua momentanea tranſlatione, *Fiſcannenſis* Eccleſia conſequebatur: quatenus ita omnes Galliarum Eccleſias tranſcendens, re & habitu ſummæ Religionis, quemadmodum tranſcendebat verbo & ſpeciali priuilegio ſuæ nuncupationis. Parſimonia & pudicitia, & voluntariæ paupertatis abundantia, *Fiſcannenſis* Eccleſia valdè radiabat, luce virtutum, quarum euidentia latentem ſuæ formæ, cæteris forma pulchritudinem deſignabat; atque contuentium mentibus, ſuæ conuerſationis conſilium inire & imitari, perfectarum argumento virtutum accendebat & prouocabat. Ignorabat illo tempore *Fiſcannenſis* Eccleſia totius proprietatis ſingularitatem, ſoliuſque communitatis cognoſcebat vnitam dilectionem, quæ juxta, diuerſitates indigentium, partes diuerſas diſtribuens, SS. Apoſtolorum renouabat & repræſentabat primitiuam imaginem; quorum igitur bonorum eminenti perſeuerantia Dux Richardus *Fiſcannenſis* Eccleſiæ totus aligabatur, atque vtilitatibus ejuſdem Eccleſiæ, totius prouidentiæ diligentia transferebatur. Adeò enim *Fiſcannenſis* Eccleſiæ illuſtrium virorum regularem vitam, & religionem veram diligebat, & diligens frequentabat, vt totius Ducatus ſui collecta, vt ita dicam, pinguedine cœleſti, Congregationi deſeruiret; atque epulaturis fratribus ſeruientium multitudine frequenter ipſe miniſtraret, tantæque humilitatis completo miniſterio, fratrum omnium vltimus reſideret, & regularium epularum delectabili pabulo refici congauderet.

Quod ſpectat ad illam Canonicorum expulſionem, Monachorumque Benedictinorum in eorum locum ſubſtitutionem: Glaber Rodulphus illius ævi ſcriptor, compendiosè illud ſic recitat. *Cùm igitur* fama ſanctitatis illius jam latius deferretur, VI.

ferretur, Normannorum Dux venerabilis illam competiens Richardus ; misit ad eum reuerenter supplicans, vt ad se veniret. Qui tandem libenter, vt rogatus fuerat, pergens, venit ad eum : à quo etiam, sicut decebat, honorificè susceptus est. Cuius sanctissimis, cùm recreatus, vt erat totius boni amator, Dux fuisset alloquiis : obsecrauit illum, vt Ecclesiam sanctæ & Indiuiduæ Trinitatis nomini & honori dicatam, in loco, *Fiscanensi* cognomento, antiquitùs constructam, à suo tamen patre Richardo, honorificentiùs reformatam, ordine Monachorum suscipiens decoraret. Erat enim illic more viuens carnali, jugo soluta regulari, cleticorum leuis conciola. Cernens denique pater *Vvillelmus* illius animi deuotionem ; promisit se cum Dei adjutorio, illud quod poscebat impleturum. Qui pariter venientes ad prædictum locum satis sublime, ac solemniter commisit ei isdem Dux, cum aliquibus Episcopis, dominium ; & curam regiminis totius loci: tum vir Domini congregauit ibidem Monachorum regularem cateruam : ita videlicet personis numerosam, ac bonorum studijs copiosam, vt triplici sui numero præteritorum numerum excelleret Clericorum. Quód cernens jam dictus Princeps: multorum donorum, ac possessionum, largitionibus ampliauit locum. Monuit etiam tam Abbatem quàm cæteros fratres sæpius : vt ab illo peterent ; quicquid suorum vtilitati expedire nossent : vtpotè quoniam de hac re secundum velle prouenerat ei & posse. d

VII. Eadem confirmat chronicon S. Benigni ; nonnulla addens notatu digna, in hunc modum. *Audita* viri Dei fama nobilissimus Normannorum Comes, Richardus, misit ad eum reuerenter, supplicans, vt ad se veniret, qui tandem libenter, vt rogatus fuerat, venit ad eum, à quo, sicut decebat, honorificè susceptus est : multisque eius precibus exoratus est, vt Ecclesiam sanctæ & Indiuiduæ Trinitatis nomini & honori dicatam, in loco, qui *Fiscannus* dicitur, olim constructam, & à se in ampliorem statum decenter reformatam, susciperet, atque Monachorum collegio decoraret. Cuius precibus annuens, ita præfatum locum omnibus religiosis studijs, cæterisque bonorum copiis adornauit ; vt præ cunctis illius Prouinciæ locis, fœlicibus semper floreat incrementis, in quo loco multi conuenerunt nobiles viri, tam clerici, quàm Laici, eius doctrinis cupientes instrui. Inter quos Osmundus Episcopus, sanctæ & religiosæ vitæ extitit Monachus : duo quoque clerici liberalibus artibus apprimè eruditi, aula Regis postposita Vvillelmum patrem expetierunt mente deuota. Vnus eorum vocabatur *Lecolinus* : alter, *Berengerius*. E' quibus prior postmodum Abbas extitit : sequens in eodem loco vitæ finem accepit. De transmarinis etiam partibus, hoc est Anglorum terra, vir quidam nobilis, Regali prosapia clarus, *Clemens*, nomine, relictis sæculi pompis, ad idem Monasterium venit, Deo inibi cupiens militare, sed cùm ab hominibus ex sua patria aduentantibus crebrò inuiseretur, magis cupiens Deo seruire cum quiete, quàm vanitates mundi frequenter audire : Diuionense expetiuit cœnobium, vbi laudabilis vitæ compleuit cursum. Fuit itaque secundum Etymologiam sui nominis *Clemens* animo, omnibus virtutibus adornatus ; præcipuè humilitate se tam abjectùm & vilem asserebat, vt cùm sacerdotij gradu fungeretur : nunquàm in omni vita sua, nisi semel, ad hoc ministerium accedere præsumpserit. e

VIII Vnum penè omiseram, quod de *Ethelredo*, Rege Anglo, refertur dùm ad Richardum 2. Normanniæ Ducem illic perrexisset : *Anno Henrici* II. Imperatoris 19. *Ethelredus*, quidam nomine, Danos fugiens, venit Normanniam, ad *Richardum*, fratrem vxoris suæ *Emmæ*, filium Richardi Ducis, qui cœnobium Fiscanense, quod pater suus inchoauerat, perfecit. Hic noctibus custodias famulorum fallens, ad matutinas Monachorum ibat, genua flectens in oratione, vsque ad lucem. Quadam nocte sic faciens, ostium Monasterij inuenit obseratum, qui excusso violenter pessulo, soporem Sacristæ turbauit ; qui surgens à somno, & videns eum plebeio amictu vestitum, in capillos inuolat, & multos colaphos intulit. Ille incredibili patientia, nec responsum ei dedit. Postera die in capitulo querelam deposuit, & Monachum illum ad vicum *Argennas* sibi præcepit occurrere, minitans se sic vindicare, quòd tota de hoc Gallia loqueretur. Die dicto Monachus, à iudicibus adjudicatus est : quem ille mox absoluit, & vicum eundem, qui optimi vini ferax est, officio Sacristæ addixit : pronuntians eum optimum esse

CAPVT XXI.

Sensit igitur Dux inclytus quorumdam clericorum corrosiones & detractiones præsagijque cuiusdam futuras aduersitates, quos, ob Ducis nimiam charitatem, & sanctæ Ecclesiæ maximam Religionem, inuidiæ morbus infecerat, infectosque crudeli intestini liuoris molestia cruciabat. Horum ergò detrahentium maleuolentiam Dux comperiens, clericorumque præsumptiones superbas, & præsumentes superbias cognoscens, totius Normaniæ Episcopos, & viros nobiles, festinus Fiscannum conuocauit, & *Fiscannens.* sanctæ Trinitatis Ecclesiam, ab omni Episcoporum Iugo, & consuetudine, iusta, vel iniusta, eripuit & liberauit. Hanc autem libertatem Rothomagensis Archiepiscopus fecit, & fieri voluit, atque alias quatuordecim Ecclesias, ob patris sui memoriam, & fratris, præsentis jussionem, ac voluntatem, ab omni Episcopali consuetudine, & exactione, absoluit & liberauit: donatæ libertatis chartam Archiepiscopus, aliique Episcopi, signo & consensu corroborauerunt, atque corroboratam virorum nobilium adstipulationibus tradiderunt. Cupiens ergo Dux prouidus sanctam Ecclesiam modis omnibus confirmare & præmunire, *Robertum* Regem, & multos Galliarum proceres, *Fiscannum* accersiuit; atque Regali Carta & authoritate, suorumque æqualium consensu, & adstipulatione, ab omni Episcoporum jugo & consuetudine *Fiscannens.* Ecclesiam eripuit & liberauit, & suam suorumque nobilium cartam & ordinationem firmauit & corroborauit: *Hoc autem* fuit assensu tam Archiepiscopi Metropolitani, quàm omnium Episcoporum totius Prouinciæ: vti supra cap. 4: in fine, videre est, in priuilegio Richardi 1. Ducis Normân. II.

Quomodo Guillelmus Abbas Romam perrexit jussu Ducis: & quomodo priuilegia à Domino Papa obtinuit.

CAPVT XXII.

Ecclesiæ igitur *Fiscannens.* constitutæ libertati Dux Richardus congratulans, futuramque perennem mentis viuacitate discutiens, Beatæ memoriæ *Guillelmum* Abbatem compellauit, suæque Legationis injuncto officio, ad Romanæ sedis Apostolicam authoritatem, multis onustum xenijs direxit. Confecto itaque itinere, III.

nete, Abbas *Guillelmus* Romam peruenit, & piæ memoriæ Papæ *Benedicto*, aduentus sui rationem, & mittentis Ducis voluntatem aperuit, & factæ Cartæ confirmationem, & Apostolici priuilegij authoritatem, magnæ humilitatis oratione congrua, postulauit. Papa igitur *Benedictus*, Ducis diligentiam admirans, & susceptæ amici præsentiæ summam excellentiam, priuilegia postulata confirmauit, & voluntarius tradidit, & Fiscannens. sanctæ Trinitatis Ecclesiam ab omni Episcoporum jugo, subjectione, & consuetudine, liberans & eripiens, sub solius Romanæ Ecclesiæ gubernatione & patrocinio constituit & suscepit. Constituit, inquam, *Fiscannens.* soli Romanæ Ecclesiæ subjacere; atque ab omni aliarum Ecclesiarum potestate immunem, & absolutam, & omninò liberam, forma *Cluniacensis* Monasterij permanente. Acceptis igitur Apostolicæ authoritatis exquisitis priuilegijs, Beatæ memoriæ *Guillelmus* Abbas festino cursu Normaniam remeauit, & Ducis Richardi desiderio suæ voluntatis effectum, injunctæque Legationis officium fœliciter consummatum, enucleauit & ostendit. Vnde Dux ineffabiliter exhilaratus, Trino & vni Deo gratias totius intensionis feruore reddidit; qui Ecclesiam, quam Richardus Pater fundauerat, atque ipse Patris Richardi rogatu & jussione compleuerat, ac ordinauerat, Diuinæ prouidentiæ arcano consilio, tantarum personarum conuenientia, ab omnium hominum jugo & prælatione, absoluebat & liberabat. Magnis deinde xenijs suum dilectissimum Abbatem *Guillelmum* honorauit, honoratumque sanctæ Trinitatis Ecclesiæ *Fiscannensis* remisit: iterum atque iterum enixius exorans, quatinus commissæ Ecclesiæ, juxta cœpti Ordinis religionem, custodiret, & custodiendo perficeret, ac confirmaret. Cuius sanctas preces sanctarumve precum nimias humilitates, Beatus Abbas, velut oracula Dei suscipiens, Fiscannum intrauit, & per multorum annorum vertiginem, vsque ad Ducatum Hierosolymitæ *Roberti Fiscannensis* Ecclesiam rexit, subjectosque suos verbo & exemplo succendit & reformauit ad imaginem & similitudinem, honorem & gloriam Dei omnipotentis: qui viuit & regnat per omnia sæcula sæculorum. Amen.

IV. His adjecit Dux Richardus II. Diploma priuilegij amplissimi, confirmationem continens, fundationis præsentis Abbatiæ Fiscanens. omniumque donorum, ac bonorum à se huic eidem pia munificentia collatorum: ad perpetuam rei memoriam cujus exemplar hic libens appono.

„ Propitia Diuinæ gratia Clementia, Ego *Richardus* Normanorum Dux, omnibus Christi fidelibus, toto orbe terrarum, longè latéque diffusis. Quanta Christianæ fidei cultoribus, erga Omnipotentis obsequia, pro spe æternæ remunerationis, debeat esse deuotio, docemur; non solùm Euangelicis, verùm etiam singulis quibusque Diuinæ scripturæ paginis, fermentum spiritalis doctrinæ subministrantibus nobis: quibus etiam cœlestis nos sapientia, quæ Deus est, in tantum ad plenius cognoscendum prudentiæ viam, piè erudire non destitit, in quantum nostræ fragilitatis naturam à se nihil id muneris habere cognoscit. Vnde ne quid nostræ salutis perfectioni desit, cuncta sibi placita hic nobis mandare non cessat, eisque nos obedire, vel aliquando ad hoc expectat; quatinus obedientiæ via, nos quandoque ad paradisi sedes reducat, quos inobedientiæ diuortium, interhali quondam reuinxit cathena. Ergo tantis Diuinæ pietatis monitis, non solùm corporis, sed etiam cordis aures, vt obtemperemus, accommodare oportet: sicut ex ipsa sanctorum Euangeliorum voce, ipso Domino attestante, docemur, qui aures corporis habentibus aliquando ita est locutus: *Qui habet aures audiendi, audiat.* Qua Domini voce dulcissima, commonitus, Ego, secundus nominis mei Normannorum Dux *Richardus*, eaque necessitate

„ compulsus, qua plus cæteris sæculi curis intentus, plus omnibus me grauari, in-
„ de obortis sentiebam sceleribus, si Deus quando otium concederet, intensissimè
„ aures cordis diuinis accommodare cœpi, monitis, simul domini implorans cle-
„ mentiam; vt quamtulamcumque mandati sui particulam, mihi opere complere
„ concederet, cujus obedientia me à peccatis, quibus satis semper timui, eripetet.
„ Cui studio cùm auidè insisterem, audiui ipsum Dominum beatæ Euangeliorum
„ voce, dicentem: *Date eleemosynam, & ecce omnia sunt munda vobis.* Psalmogra-
„ phum quoque illum Dauid concinnantem: *Dispersit, dedit pauperibus, justitia eius*
„ *manet in sæculum sæculi, cornu eius exaltabitur in gloria.* Hacitaque subnixus spe, vt
„ Domini misericordia mihi super his indulgeret, quæ in me, & carnalis fragili-
„ tatis, & sæcularis solertiæ, vulpa contraxerat, summam, erga Diuini cultus
„ obsequia, adhibui animi diligentiam; & præcipuè, vt ordinarem Ecclesiasticis
„ monasterium, quod genitoris mei industria construxit in honorem summæ & in-
„ diuiduæ Trinitatis, in loco, qui *Fiscannus* dicitur: & vt ei tunc satis visum est,

„ & honoris, & hujus pijssimi laboris, summo studio & auiditate, vt ipse dispo-
„ suerat, votis libenter annuerem, festinus ordinaui in jam dicto monasterio pau-
„ peres Christi, ad seruiendum ipsi; committens illud Beatæ memoriæ Abbati
„ *Guillelmo*, qui vita & moribus, doctrina quoque, tanti officij dignus semper in-
„ uentus est minister, humilitatis & patientiæ speculum; non solum suis exiltens,
„ verum etiam mundo. Qui suscepto regiminis loco decenter & ordinatè, pro vt
„ ego semper optaueram, institutа Pij Patris *Benedicti*, in eo monasterio seruanda
„ instituit. Vnde ego majori succensus deuotionis ardore, concedo, pro animæ
„ meæ remedio, genitoris quoque vel genitricis, & conjugis meæ, quæ *Iudith* di-

CAPVT XVIII.

Interea contigit Fiscannenses Canonicos, aliorum canonicorum mores imitati, latas perditionis vias ingredi; & rerum temporalium luxus & delidias voluptuosè sectari, quam canonicorum miseram vitam, & viuentem miseriam, Dux prudentissimus, Richardus audiens, & audiendo cognoscens, valdè doluit; hominumque prauorum mores, & conuersationem exhorrens, Legato festinanter *Cluniatum* direxit, & sanctum *Majolum*, magnæ humilitatis precibus *Fiscannum* accersiuit, atque secundum S. Benedicti Regulam & institutionem, disponi & ordinari nouam Ecclesiam, exorauit. Cui S. *Majolus*: Hujus, inquit, laboris magnitudinem talis rationis conditione, Charissime fili Richarde, suscipiam, si per totum Ducatum tuum, consuetudinem, quæ vulgariter, *Passagium* dicitur, Deo donaueris; nullumque tuæ potestatis principem, aliquando amplius exigere decreueris. Vbi Richardus Dux, non morbo auaritiæ, verùm occulta Dei prouidentia disponente, & sancto *Guillelmo* Abbati gloriam ordinandi S. Ecclesiam transferente, suorum hominum consilio, acquieuit: & sancti *Majoli* sanctam interpellationem non exaudiuit. Vnde contigit, vt S. *Majolus Cluniacum* reuerteretur; & Canonicorum correctio, vel expulsio, per aliquot tempora protelaretur. b

Verùm, illud haud possum pertransire intactum, quod de ipsius Richardi I. Ducis, pia deuotione, insignique humilitate, narratur: dùm mortis suæ appropinquante tempore, scilicet, ann. 996. voluit apud Fiscannum humari. Nam (inquit Dudo) *jussit* sibi excidi sacrosagum silice, & infra Ecclesiam Fiscanno, nomine Deificæ Trinitati consecratam, ante locum stationis suæ locare; & vno quoque die sextæ feriæ quantum frumenti capax erat, & quinque solidos, pauperibus erogare: &c. cœpit anxiari & ægrotare, viribusque deficere, & à Bajocacensi pago, ad aulam Fiscannina sedis secedere: ne eò defuncto fastidium translationis esset in plebe: &c. Dux verò magnus Richardus infirmitatis aggranatus, importunitate, cilicio indutus, nudo pede, petijt delubrum Trinitatis Deificæ, diuersaque dona, variaque munera & pretiosa, mittens super altare; perfusus faciem lachrymarum imbre, suppliex & deuotus, flebiliſque excepit typicum salutiferi viatici stipem, adjumenta scilicet, viæ. Tunc Comes *Rodulphus* dixit ad eum secretiùs: Domine, quo loco Templi præparabitur sepulchrum tuæ requiei? Respondit: Cadauer tanti sceleris, non requiescet infra aditum hujus Templi, sed ad istud ostium, in stillicidio monasterij: &c. c Eadem referuntur apud prædictum Codic. M. S. Fiscanens. CAPVT XIX.

Cernens igitur Richardus ſancti Patris mortem & abſentiam, velut lapis diriguit; lamentiſque & clamoribus, totam aulam repleuit. Tandemque receptis viribus, amentis ſimilitudine, ſuper exanime corpus irruit, & diu deoſculans, quaſi recedentem reuocaret, attonitus laborauit; animi verò virtute, longo poſt tempore reformatus, procerumque circumſtantium conſolatione releuatus Richardus, ſancti Patris exequias, per multos dies celebrauit; & poſtremo, juxta juſſionem factam, in ſanctæ Eccleſiæ ſtillicidio ſepeliuit: atque ſuper ſepulchrum Patris, in honore S. *Thomæ* Apoſtoli, Baſilicam ædificauit, & vbi ad honorem Dei, & cognitionem ſancti Confeſſoris, frequenter glorioſa miracula clareſcunt, & ſepulti Ducis merita, intelligentibus animis enucleatiſſimè oſtendunt.

Quomodo Richardus II. fecit appropriare vſui monachorum Fiſcanenſem Eccleſiam.

CAPVT XX.

V. *Richardus* igitur filius Richardi, totius Normanniæ Ducatum aecipiens, ipſo ſui Ducatus initio, ſuos rebellantes Normannos prudenter ſuſtinuit, fœliciter ſuperauit, & paterni jugi conſuetudinibus potenter reddidit & ſuppoſuit. Quibus repentè ciuium ſuorum ſeditionibus mitigatis, circumjacentibuſque prouincijs, paternæ probitatis imagine, pacificatis & confœderatis; Dux inclytus Richardus, cœpit clareſcere, ſuarumque virtutum fragrantias exurgentes per mundi partes diuerſas effundere & dilatare: ſuorum quippe anteceſſorum claritatem & eminentiam incomparabili actuum nobilitate præcellebat & obfuſcabat, ſuiſque ſucceſſoribus viuendi imaginem imitabilem nonnullis compingebat, & proponebat. Totius ferè mundi ſanctarum congregationum fraternitatem exigebat: atque acceptæ fraternitatis ſanctis congregationibus, per annos ſingulos, juxta propoſitam quantitatem, magnæ liberalitatis vectigal, voluntarius exoluebat. Tanta ſuę deuotionis nimietas fuiſſe fertur, vt ingreſſus ciuitatem, non prius egrederetur; quàm totius ciuitatis Eccleſias, ante lucanum circumirer, atque in ſingulis Eccleſijs, ſacras excubias celebraret, & multarum lachrymarum flumina funderet & relinqueret. Vbi, ſi caſu orantes reperiebat, ſuæ dapſilitatis immenſo munere replebat; aduentuque ſuo indigentes multos, ad nocturnas orationes excitabat, & prouocabat. Cùm Dux inclytus Richardus tantarum, gratiarum fulgenti lampade, mundo penè vniuerſo, coruſcans, ſui patris juſſionem glorioſam recoluit, & ſe recolere; ipſius operis effectu & euidentia comprobauit. Congregatis enim ſummæ peritiæ operarijs, *Fiſcannum* venit, & clauſtra, officinaſque alias, omneſque domos monachorum vſibus congruas, ore proprio limitauit, diſpoſuit, & ædificauit. Cunctis ergo officinis completis, ſolius aquæ vſus deerat, quam laboriosè circumducens, atque in caſtrum volutis competentibus ſubterducens, per turres ipſius Eccleſiæ poſtremas, in curiam manare, atque per cunctas monaſterij officinas, abundanter fecit diffluere. Interea diligenter inueſtigabat, & inueſtigans inquirebat; cui potiſſimum juxta S. Benedicti Regulam, & inſtitutionem, diſponendam & regendam ſanctæ & indiuiduæ Trinitatis crederet & committeret Eccleſiam. Illo tempore, Beatæ memoriæ *Guillelmus* Abbas ſummæ Religionis affluentia, totius partes Romani Imperij illuſtrabat; Abbatumque multorum trepidos animos ſui feruoris imagine, reformabat & accendebat. Apprimè enim liberalibus artibus eruditum, atque diſciplinis Eccleſiaſticis, cunctiſque ſpiritualibus officijs, nihilominus etiám ferè virtutum omnium gratia imbutum, & illuminatum, *Diuionenſium* Eccleſiæ B. *Maioris* præpoſuerat & conſtitue-

rat Abbatem & magiſtrum. Tanto igitur ac tali viro Dux inclytus Richardus ſuos Legatos direxit, & ſui propoſiti intentionem patefecit; atque vt *Fiſcannenſem* Eccleſiam, juxta B. Benedicti Regulam, diſponeret & erudiret, magnæ humilitatis precibus exorauit. Quibus B. memoriæ *Guillelmus* Abbas primùm reſpondiſſe fertur; Chariſſimi filij, audiuimus Duces Normannos, homines barbaros & truculentos, ſubuertere & non ædificare ſancta Templa; delere & effugare, & non colligere aut nutrire ſpiritualium hominum congregationes ſanctas; quapropter ad Ducem veſtrum redite, & nos hujus rei imparatos omninò reſpondete; cùm & nobis fratribus deducendis deſunt equi, atque ſtipendijs conducendorum fratrum, deſunt clitellarij. Quod reuerſorum Legatorum relatione Dux inclytus comperiens, extimuit, multoſque equos & clitellarios feſtinus præparauit: quos reuertentibus Legatis, B. memoriæ Abbati *Guillelmo* humiliter remiſit. Tunc B. Abbas Ducis importunitatem & perſeuerantiam, atque de importunitate & perſeuerantia compenſans animi voluntatem, & deuotionem iſtam; collecta ſpiritualium fratrum multitudine, maxima, iter arripuit, pauciſque diebus decurſis, æſtuantis Ducis deſiderio ſuam & multorum fratrum præſentiam exhibuit. Quem Dux egregius, totius animi ſinceritate, totiuſque ſinceritatis dilectione, ſuſcipiens, velut ſuſcepto Chriſto, alijs amotis ſeruientibus, ipſe proprijs manibus ſeruiuit; medioque breuis temporis interuallo *Fiſcannum* deduxit, & ſanctæ Trinitatis Eccleſiam donauit, & tradidit, eamque donatam & traditam, juxta Regulam S. Benedicti, & inſtitutionem diſponi, & ordinari exorauit. Donauit, inquam, & tradidit Dux egregius Richardus Beatæ memoriæ Abbati *Guillelmo* ſanctæ Trinitatis *Fiſcannenſem* Eccleſiam; Canonicorum carnalium expulit enormem multitudinem, quorum poſſeſſiones Eccleſiæ penitus retinens & reddens, expulſis, & conuerti nolentibus Canonicis, alibi congruam reſtituit compenſationem. Nocte igitur, cujus ſequenti die *Fiſcannenſis* Eccleſia ſpirituales ſuſcepit monachos, carnaleſque expulit Canonicos, ipſis Canonicis Eccleſiæ culmen totum Aquilis videbatur operiri: quibus aquilis ingredientium monachorum theoria & ſpiritualis volatus, ac deinceps protegentium Angelorum deſcenſus & conuerſatio congruè figuratur. Igitur B. & glorioſus Abbas *Guillelmus* ſuſceptam Eccleſiam cœpit gubernare & adminiſtrare, & juxta S. Benedicti inſtitutionem, diſponere & corrigere, atque de diuerſis Prouincijs verè fideles conuocare, & in obſequijs cœleſtibus vnire & confirmare: ſubita igitur conuerſione *Fiſcannenſis* Eccleſiæ cœleſtium virorum ſtudijs feruebat, & flagrabat: & multæ opinationis gloria, circumpoſitas Eccleſias præcellebat & obſcurabat. Faſtigium quippe tantæ celſitudinis ſua momentanea tranſlatione, *Fiſcannenſis* Eccleſia conſequebatur: quatenus ita omnes Galliarum Eccleſias tranſcendens, re & habitu ſummæ Religionis, quemadmodum tranſcendebat verbo & ſpeciali priuilegio ſuæ nuncupationis. Parſimonia & pudicitia, & voluntariæ paupertatis abundantia, *Fiſcannenſis* Eccleſia valdè radiabat, luce virtutum, quarum euidentia latentem ſuæ formæ, cæteris forma pulchritudinem deſignabat; atque conuentium mentibus, ſuæ conuerſationis conſilium inire & imitari, perfectarum argumento virtutum accendebat & prouocabat. Ignorabat illo tempore *Fiſcannenſis* Eccleſia totius proprietatis ſingularitatem, ſoliuſque communitatis cognoſcebat vnitam dilectionem, quæ juxta, diuerſitates indigentium, partes diuerſas diſtribuens, SS. Apoſtolorum renouabat & repræſentabat primitiuam imaginem; quorum igitur bonorum eminenti perſeuerantia Dux Richardus *Fiſcannenſis* Eccleſiæ totus aligabatur, atque vtilitatibus ejuſdem Eccleſiæ, totius prouidentiæ diligentia transferebatur. Adeò enim *Fiſcannenſis* Eccleſiæ illuſtrium virorum regularem vitam, & religionem veram diligebat, & diligens frequentabat, vt totius Ducatus ſui collecta, vt ita dicam, pinguedine cœleſti, Congregationi deſeruiret; atque epulaturis fratribus ſeruientium multitudine frequenter ipſe miniſtraret, tantæque humilitatis completo miniſterio, fratrum omnium vltimus reſideret, & regularium epularum delectabili pabulo refici congauderet.

Quod ſpectat ad illam Canonicorum expulſionem, Monachorumque Benedictinorum in eorum locum ſubſtitutionem: Glaber Rodulphus illius æui ſcriptor, compendiosè illud ſic recitat. *Cùm igitur fama* ſanctitatis illius jam latius de- VI.

Cuius ſanctiſſimis, cùm recreatus, vt erat totius boni amator, Dux fuiſſet alloquiis: obſecrauit illum, vt Eccleſiam ſanctæ & Indiuiduæ Trinitatis nomini & honori dicatam, in loco, *Fiſcanenſi* cognomento, antiquitùs conſtructam, à ſuo tamen patre Richardo, honorificentiùs reformatam, ordine Monachorum ſuſcipiens decoraret. Erat enim illic more viuens carnali, jugo ſoluta regulari, clericorum leuis conciola. Cernens denique pater *Vvillelmus* illius animi deuotionem; promiſit ſe cum Dei adjutorio, illud quod poſcebat impleturum. Qui pariter venientes ad prædictum locum ſatis ſublime, ac ſolemniter commiſit ei iſdem Dux, cùm aliquibus Epiſcopis, dominium, & curam regiminis totius loci: tum vir Domini congregauit ibidem Monachorum regularem cateruam: ita videlicet perſonis numeroſam, ac bonorum ſtudijs copioſam, vt triplici ſui numero præteritorum numerum excelleret Clericorum. Quód cernens jam dictus Princeps: multorum donorum, ac poſſeſſionum, largitionibus ampliauit locum. Monuit etiam tam Abbatem quàm cæteros fratres ſæpius: vt ab illo peterent, quicquid ſuorum vtilitati expedire noſſent: vtpotè quoniam de hac re ſecundùm vellè prouenerat ei & poſſe. d

Eadem confirmat chronicon S. Benigni; nonnulla addens notatu digna, in
VII. hunc modum. *Audita* viri Dei fama nobiliſſimus Normannorum Comes, Richardus, miſit ad eum reuerenter, ſupplicans, vt ad ſe veniret; qui tandem libenter, vt rogatus fuerat, venit ad eum, à quo, ſicut decebat, honorificè ſuſceptus eſt: multiſque eius precibus exoratus eſt, vt Eccleſiam ſanctæ & Indiuiduæ Trinitatis nomini & honori dicatam, in loco, qui *Fiſcannus* dicitur, olim conſtructam, & à ſe in ampliorem ſtatum decenter reformatam, ſuſciperet, atque Monachorum collegio decoraret. Cuius precibus annuens, ita præfatum locum omnibus religioſis ſtudijs, cæteriſque bonorum copijs adornauit; vt præ cunctis illius Prouinciæ locis, cœlicibus ſemper floreat incrementis, in quo loco multi conuenerunt nobiles viri, tam clerici, quàm Laici, eius doctrinis cupientes inſtrui. Inter quos Oſmundus Epiſcopus, ſanctæ & religioſæ vitæ extitit Monachus: duo quoque clerici liberalibus artibus apprimè eruditi, aula Regis poſtpoſita Vvillelmum patrem expetierunt mente deuota. Vnus eorum vocabatur *Lecolinus*: alter, *Berngerius*. E' quibus prior poſtmodum Abbas extitit: ſequens in eodem loco vitæ finem accepit. De tranſmarinis etiam partibus, hoc eſt Anglorum terra, vir quidam nobilis, Regali proſapia clarus, *Clemens*, nomine, relictis ſæculi pompis, ad idem Monaſterium venit, Deo inibi cupiens militare, ſed cùm ab hominibus ex ſua patria aduentantibus crebrò inuiſeretur, magis cupiens Deo ſeruire cum quiete, quàm vanitates mundi frequenter audire: Diuionenſe expetiuit cœnobium, vbi laudabilis vitæ compleuit curſum. Fuit itaque ſecundum Etymologiam ſui nominis *Clemens* animo, omnibus virtutibus adornatus; præcipuè humilitate ſe tam abjectum & vilem aſſerebat, vt cùm ſacerdotij gradu fungeretur: nunquàm in omni vita ſua, niſi ſemel, ad hoc miniſterium accedere præſumpſerit. e

VIII Vnum penè omiſeram, quod de *Ethelredo*, Rege Anglo, refertur dùm ad Richardum 2. Normanniæ Ducem illic perrexiſſet: *Anno Henrici* II. Hic noctibus cuſtodias famulorum fallens, ad matutinas Monachorum ibat, genua flectens in oratione, vſque ad lucem. Quadam nocte ſic faciens, oſtium Monaſterij inuenit obſeratum, qui excuſſo violenter peſſulo, ſoporem Sacriſtæ turbauit; qui ſurgens à ſomno, & videns eum plebeio amictu veſtitum, in capillos inuolat, & multos colaphos intulit. Ille incredibili patientia, nec reſponſum ei dedit. Poſtera die in capitulo querelam depoſuit, & Monachum illum ad vicum *Argennas* ſibi præcepit occurrere, minitans ſe ſic vindicare, quòd tota de hoc Gallia loqueretur. CAPVT XXI.

Sensit igitur Dux inclytus quorumdam clericorum corrosiones & detractiones præsagijque cuiusdam futuras aduersitates, quos, ob Ducis nimiam charitatem, & sanctæ Ecclesiæ maximam Religionem, inuidiæ morbus infecerat, infectosque crudeli intestini liuoris molestia cruciabat. Horum ergò detrahentium maleuolentiam Dux comperiens, clericorumque præsumptiones superbas, & præsumentes superbias cognoscens; totius Normaniæ Episcopos, & viros nobiles, festinus Fiscannum conuocauit, & *Fiscannens.* sanctæ Trinitatis Ecclesiam, ab omni Episcoporum Iugo, & consuetudine, iusta, vel iniusta, eripuit & liberauit. Hanc autem libertatem Rothomagensis Archiepiscopus fecit, & fieri voluit: atque alias quatuordecim Ecclesias, ob patris sui memoriam, & fratris, præsentis jussionem, ac voluntatem, ab omni Episcopali consuetudine, & exactione, absoluit & liberauit: donatæ libertatis chartam Archiepiscopus, aliique Episcopi, signo & consensu corroborauerunt, atque corroboratam virorum nobilium adstipulationibus tradiderunt. Cupiens ergo Dux prouidus sanctam Ecclesiam modis omnibus confirmare & præmunire, *Robertum* Regem, & multos Galliarum proceres, *Fiscannum* accersiuit; atque Regali Carta & authoritate, suorumque æqualium consensu, & adstipulatione, ab omni Episcoporum jugo & consuetudine *Fiscannens.* Ecclesiam eripuit & liberauit, & suam suorumque nobilium cartam & ordinationem firmauit & corroborauit: *Hoc autem* fuit assensu tam Archiepiscopi Metropolitani, quàm omnium Episcoporum totius Prouinciæ: vti supra cap. 4. in fine, videre est, in priuilegio Richardi 1. Papa igitur *Benedictus*, Ducis diligentiam admirans, & susceptæ amici præsentiæ summam excellentiam, priuilegia postulata confirmauit, & voluntarius tradidit, & Fiscannens. sanctæ Trinitatis Ecclesiam ab omni Episcoporum jugo, subjectione, & consuetudine, liberans & eripiens, sub solius Romanæ Ecclesiæ gubernatione & patrocinio constituit & suscepit. Vnde Dux ineffabiliter exhilaratus, Trino & vni Deo gratias totius intensionis feruore reddidit; qui Ecclesiam, quam Richardus Pater fundauerat, atque ipse Patris Richardi rogatu & jussione compleuerat, ac ordinauerat, Diuinæ prouidentiæ arcano consilio, tantarum personarum conuenientia, ab omnium hominum jugo & prælatione, absoluebat & liberabat. IV. His adjecit Dux Richardus II. Diploma priuilegij amplissimi, confirmationem continens, fundationis præsentis Abbatiæ Fiscanens. omniumque donorum, ac bonorum à se huic eidem pia munificentia collatorum: ad perpetuam rei memoriam cujus exemplar hîc lubens appono.

„ Propitia Diuinæ gratiæ Clementia, Ego *Richardus* Normanorum Dux, omnibus Christi fidelibus, toto orbe terrarum, longè latéque diffusis. Quantæ Christianæ fidei cultoribus, erga Omnipotentis obsequia, pro spe æternæ remunerationis, debeat esse deuotio, docemur; non solùm Euangelicis, verùm etiam singulis quibusque Diuinæ scripturæ paginis, fermentum spiritalis doctrinæ subministrantibus nobis: quibus etiam cœlestis nos sapientia, quæ Deus est, in tantùm ad plenius cognoscendum prudentiæ viam, piè eruditre non desistit, in quantum nostræ fragilitatis naturam à se nihil id muneris habere cognoscit. Vndè ne quid nostræ salutis perfectioni desit, cuncta sibi placita hîc nobis mandare non cessat, eisque nos obedire, vel aliquándo ad hoc expectat; quatinus obedientiæ via, nos quandoque ad paradisi sedes reducat, quos inobedientiæ diuortium, interna liquándam reuinxit cathena. Ergo tantis Diuinæ pietatis monitis, non solùm corporis, sed etiam cordis aures, vt obtemperemus, accommodare oportet: sicut ex ipsa sanctorum Euangeliorum voce, ipso Domino attestante, docemur, qui aures corporis habentibus aliquando ita est locutus: „ *Qui habet aures audiendi, audiat.* Qua Domini voce dulcissima, commonitus, „ Ego, secundus nominis mei Normannorum Dux *Richardus*, eaque necessitate

„ compulsus, qua plus cæteris sæculi curis intentus, plus omnibus me grauari, in-
„ de obortis sentiebam sceleribus, si Deus quando otium concederet, intensissimè
„ aures cordis diuinis accommodare cœpi, monitis, simul domini implorans cle-
„ mentiam; vt quamtulamcumque mandati sui particulam, mihi opere complere
„ concederet, cujus obedientia me à peccatis, quibus satis semper timui, eriperet.
„ Cui studio cùm auidè insisterem, audiui ipsum Dominum beata Euangeliorum
„ voce, dicentem: *Date eleemosynam, & ecce omnia sunt munda vobis*, Psalmogra-
„ phum quoque illum Dauid concinnantem: *Dispersit, dedit pauperibus, justitia eius*
„ *manet in sæculum sæculi, cornu eius exaltabitur in gloria.* Hac itaque subnixus spe, vt
„ Domini misericordia mihi super his indulgeret, quæ in me, & carnalis fragili-
„ tatis, & sæcularis solertiæ, culpa contraxerat, summam, erga Diuini cultus
„ obsequia, adhibui animi diligentiam; & præcipuè, vt ordinarem Ecclesiasticis
„ monasterium, quod genitoris mei industria construxit in honorem summæ & in-
„ diuiduæ Trinitatis, in loco, qui *Fiscannus* dicitur: & vt ei tunc satis visum est,

„ conditionis communem legem, hominem exuit: cujus ego, Dei gratia hæres,
„ & honoris, & hujus pijssimi laboris, summo studio & auiditate, vt ipse dispo-
„ suerat, votis libenter annuerem, festinos ordinaui in jam dicto monasterio pau-
„ peres Christi, ad seruiendum ipsi; committens illud Beatæ memoriæ Abbati
„ *Guillelmo*, qui vita & moribus, doctrina quoque, tanti officij dignus semper in-
„ uentus est minister, humilitatis & patientiæ speculum; non solum suis existens,
„ verum etiam mundo. Qui suscepto regiminis loco decenter & ordinatè, pro vt
„ ego semper optaueram, institutia Pij Patris *Benedicti*, in eo monasterio seruanda
„ instituit. Vnde ego majori succensus deuotionis ardore, concedo, pro animæ
„ meæ remedio, genitoris quoque vel genitricis, & conjugis meæ, quæ *Judith* di-

VI. Multis autem miraculis, in vita & post obitum claruit: de quibus hæc scribit prædictus Glaber. „ Nec prætereundum nobis videtur, quòd dum Patris Vvil-

VII. Nuper vidimus sacrum ipsius corpus humatum fuisse intra Ecclesiam Fiscanensem, in conspectu euntium & redeuntium fratrum, scilicet, ante altare S. Taurini Confessoris: at exindè ablatum, translatumque esse, & absconditum in Capellam S. Mariæ Magdalenæ eiusdem Ecclesiæ, in cornu Euangelij, ad Septentrionalem plagam: intra parietem eiusdem ædis (forsan, ob bellorum frementium varios casus) discimus: vbi incognitum mansit vsque ad ann. 1638. quo die Iouis 28. Octob. illud Sarcophagum reseratum est & apertum, tempore D. Caroli de *Campion*, magni Prioris: qui postea acceptis litteris ab Illustrissimo principe, Henrico à Lotharingia, Abbate commendatario, sub Datum Lutetiæ 3. Nouembris,

eiusdem anni; rursus apertum est idem sepulchrum, die 6. Decemb. illius an. 1638. ad instantiã præfati principis, Abbatis: vt exindè aliquot Reliquiæ ipsius B. Guillelmi extractæ darentur D. Nicolao le *Roux*, Parœcho de *Veilly*, Decano & Archi-Præsbytero de *Gamachijs*, Diœcesis Rothomagensis asportandæ in Sabaudiam, ad Serenissimam Ducissam, cuius nomine, eas instanter petierat. Die itaque assignata, illud quod primò occurrit, in ejusmodi parietis sepulchralis apertione, fuit latens Epitaphium ipsius B. Guillelmi, Abbatis, litteris antiquis in plumbi lamina exaratum; in hunc modum.

Abbatem, plenum, lector, dignosce dierum,
Nomine Vvillelmum hic recubare senem,
Iste loci primus pastor præfulserat eius,
Quo statuit multos, dante Deo, monachos.
Iani primas dies animæ noua claruit eius,
Cui noua Ierusalem obuia tota fuit.

Tum postea, extrahuntur ossa quatuor, ex brachijs ac tibijs: quæ reuerenter suscepta, delata sunt honorificè, per D. Carolum *Parent*, de *l'Estanville*, Monasterij Hortolanum, ad supradictum principem, Abbatem: pro ipsa sereniſſima Ducissa Sabaudiæ; necnon pro Ecclesia S. Benigni Diuionensis: Hæc autem acta sunt præsentibus: præfatis, monachis magno Priore, & Hortolano; item DD. Gaspare le *Chevalier*, Præcentore: Adriano de *Lualier*, tertio Priore; Carolo de *Roly*; & alijs. Quæ omnia perlustraui ann. 1640. die 10. Iulij. o

Duo proximiores Abbates producuntur, videlicet, BB. Ioannes, & Guillelmus 2. vitæ monasticæ obseruantia, & virtutibus eximijs, admodùm illustres.

CAPVT VIII.

VM B. Guillelmus Diuionensis, plurium per Galliam Monasteriorum, curam & sollicitudinem assumpsisset; maximè in Neustria, operam impensius dedit, vt quibus ad instantiam Ducum Normannorum, ex charitate præesset, pro bono eorum regimine, omnia coaptaret, nec gubernio eis abesset; primùm constituit Fiscanensi cœnobio priorem, *Theodoricum*, patria Burgundũ, sibi familiarem & amicũ, monasticaq; obseruantia eximiũ: quem postea Gemeticensium præfecit Abbatem. a In cujus locum, alium mox substituit, nomine *Ioannem*: Regulari vita clarum: Priorque extitit Fiscanensis secundus. Itemque Abbas: cujus rei causa paulò superius aperuimus. b De quo hæc recitat testis oculatus. „ *Hic* in Italia partibus Rauennæ ortus, litteris eruditus, ac medicinali arte, per ipsius patris jussionem edoctus, religiosæ conuersationis eius, doctrinæ quoque, ac omnium virtutum ipsius, præ cunctis alijs extitit imitator studiosus; qui ab exilitate corporis *Ioannelinus*, diminutiuo nomine est dictus. Sed humilitatis, sapientiæ, discretionis, ac cæterarum virtutum tanta in eo refulsit gratia; vt sicut sanctus refert Gregorius in libro Dialogor. de Constantio Præsbytero; ita & in hoc mirum esset, intuentibus in tam paruo corpore, gratiæ Dei tanta dona exuberare. Sed quia adhuc nobiscum habitat, sufficit hoc tantum dixisse. Dicit enim scriptura: *Ne laudes hominem in vita sua.* c Quiquidem Abbatiam rexit ann. 51. juxta *Ordericum*: d nempe vsque ad ann: 1082. sicque series Abbatum Fiscannensium hoc ordine dirigenda est, maximè à tempore suæ restaurationis.

„ tibi , Reuerende pater , nos ipsos , quoniam , vt credimus , ad Curiam Dei nostri
„ te patronum præmisimus , non amisimus. Quis enim dùm noster eras , in lachry-

„ disceptabas siquidem tecum pro nostris excessibus , & ô pater dulcissime , cruci-

„ Cuius enim excessum compatiendo non fecisti tuum ? Toties teipsum macti-

„ quòd mentiretur, quoniam in vno quoque erat, vndè merito extolleretur. Sed
„ alius alium sibimet præferebat; & hoc totum de mutua dilectione, & de Regulæ
„ monachilis institutione procedebat. Litterarum notitia sic redundabant, vt scri-
„ pturæ sanctæ affluentiam pleniter plures attigerint, memoriæ commendauerint,
„ non ob id minus auidè alios loquentes audiebant, neque cæteros tanquam minus
„ sciolos aspernabantur: sed humilitatis gratia, quoslibet superuenientes comple-

„ tos, parsimoniæ conuenienter intentos, silentio ædificationis verba proferen-
„ tes, Conuentibus monasticis assistentes, & nihil officij sui negligentes. Dei mi-
„ lites, cum antiquo serpente pugnabant, ideoque semper in procinctu erant, re-
„ gem expectabant, & idcirco indefessi dimicabant. Talis Legio, talis exercitus,
„ tale Collegium D. Abbatem *Guillelmum*, vt Dominum timuerant, vt Magistrum
„ audierant, vt patrem dilexerant, & adhuc omnes pro eo suspirabant.

„ Illa in Ecclesia, vnum quid erat, quod mihi non mediocriter complacuit: VII.
„ quod ad Deum laudandum, & excitandum, Dauid canticis suis inseruit: *Lauda-*
„ *te*, inquit, *Dominum, in chordis & organo*, ibi siquidem instrumentum vidi musi-
„ cum, fistulis ex eis compactum, quod follibus excitum fabrilibus, suauem red-
„ debat melodiam, & per continuam Diapason, & per symphoniæ sonoritatem,
„ graues, & medias, & acutas voces vniebat, vt quidam concinnentium chorus
„ putaretur; cleticorum, in quo pueri, senes, iuuenes, jubilantes conuenirent,
„ & continerentur; organa illud vocabant, certisque temporibus excitabant.
„ Non tamen ignoro, quia sunt multi, qui tale quid in suis non habentes Eccle-
„ sijs, eos qui habent, murmurando dilapidant, quos nos obloquentes & dotta-
„ bentes audemus nuncupare: qui quod organa nobis innuant, nescrunt expone-
„ re. Hi dederunt oblitioni, quoniam psalterium Lyrici composuere pedes: Hi
„ forsitan non legerunt Dauid sanctissimum Saul arreptitij chordarum modula-
„ tione furorem mitigasse; Hi pro certo didicerunt, quòd Elyseus ad seipsum,
„ quem grauiter Rex Israel exacerbauerat, complacandum, suis jusserit: *Adduci-*
„ *te mihi Psaltem*: Dùm verò psaltes caneret, super eum ita mansuetatum fuit
„ manus Domini videlicet spiritus sanctus venit; in iracundam enim animum &
„ malinolam, spiritus sapientiæ, nequibat, introire. Intrauit igitur in exhilara-
„ tum, per psalterij ministerium. Non igitur aberramus, si tantorum patrum ve-
„ stigia, vt possumus, imitamur: non tamen in his Dominum non oblectari, ar-
„ bigimus, sed hujusmodi multa viscera sunt Ecclesiastica, sicuti aurea, vel ar-
„ gentea, vel serica ornamenta, ad laudem Dei, & ad sollicitandam hebetudinem
„ corporis humani. Ego siquidem in modulationibus organicis non mediocriter dele-
„ ctor, sed per hoc ad intelligendum excitor: quod sicut multimodæ fistulæ varij
„ ponderis, & diuersæ magnitudinis, in vnam vento agitatam conspiunt canti-
„ lenam: ita homines in vnam debent conuenire sententiam, à Spiritu sancto in-
„ spirati, in eamdem conuenire voluntatem. Porrò, si ligna indolata, dolando: si
„ lapides impolitos, poliendo; ad commodum opus compellimus: quid de homi-
„ nibus, arbitramur agendum intelligibilibus? vt conuiuiantur, dolendi sunt, vt
„ conueniant, bituminandi sunt charitatis glutino, ne dissideant: id totum me
„ docent organa, quæ sistuntur in Ecclesia. Nonne & nos organa sumus Spiritus
„ sancti? Denique, qui hæc eliminat ab Ecclesia, omnem eliminet ab eadem vo-
„ calem strepitum; & cum Moyse, immotis oret labiis, sustineat, donec ei dicat
„ Dominus: Quid clamas ad me? Quod si jubilum, quod si vocum sonorum concor-
„ dent non refutamus, dicant æmuli, dicant reprehensores, dicant qui à seipsis
„ dissident, quid agendum est: Nos absolutè dicimus, quia bona sunt organa, si
„ intelligamus mystica, si ex eis spiritualem hauserimus harmoniam, harmoniam
„ etenim hanc omnium moderator, insinuauit nobis, cùm elementa à seipsis mul-
„ tùm dissona simul associauit, & Rythmo consono colligauit. Hoc mihi præstant
„ organa, hoc tympana, hoc cymbala, quod psalterium, quod voces jubilantium:
„ excepto, cùm syllabatim & distinctè scripturas proferimus. Si igitur organa
„ habemus, eis vti Ecclesiastica consuetudine promittimus: sin autem, sine sacri-
„ legio, eis carere possumus. Audientes organa, interiori vniamur harmonia, &
bituminemur dilectione bifaria.

„ rauerunt igitur, quàtinus ad Dedicationem Eccleſiæ, quam anniuam & feſti-

„ dubitarem. Plus etenim, inquiunt, triſtamur in noſtro abſceſſu, quàm in noſtro
„ acceſſu: ſimpliciter loquimur, quoniam corde & corde loqui erubeſcimus. Non
„ eſt noſtrum loqui aliquid fictitium, quia puritatem nouit Fiſcannenſe colle-

„ miſſi copioſæ ſunt; & quid contra hoſpitalitatem murmuraremus, nunquid hi-
„ larem datorem non diligit Deus; & hoſpitales inuicem eſſe, ſine murmuratione
„ jubemur? Grande periculum eſt, ſi à bono hoſpitalitatis torpuerimus, quia
„ quòd hoſpitale noſtrum ſuſtenter, abundanter Eccleſiæ noſtræ ſuppeditat Deus.
„ Locus noſter huc vſque neminem nouit creditorem; nouit dare, ſed ignorat fre-

„ adhuc imberbis, prolixi tamen temporis, canus animo, ingens capillo, capel-

„ Miſſæ cælebrandæ ſummo mane, tanta diligentia præparabat, vt penè quotidiè

quibus tribuit, veſtrà reddit induſtria cautiores; cùm ita viris prudentibus amicam parſimoniam in ipſa largiendi liberalitate ſeruetis, vt & amicus ſemper apud vos poſſit inuenire quod placeat, & vobis opportuna non deſit materia largiendi. Indè eſt, quòd vos vtiliter, & doctrina quæritur & prouentus: vt & ditiores copia faciat, & prudentia doctiores. Sic enim veſtra operatur inter vtrumque diſcretio, vt quod virtutis eſt, vtrinque reducens, quod vitij eſt ſeparet ac repellat: ne vel ſobrietatem tollat effuſio, vel parcitas quandoque manus contrahat affluentes. Si tamen in alterutro peccandum eſt; malim facilis, quàm difficilis, promptior aliquando, quàm tardior inueniri. Porrò, inter omnia, quæ donantur, æquus eſt, id quod donatorem pluribus occaſionibus reddit obnoxium, quia ſi quid à laude minus eſt: ij, quibus datur, ſtatim culpæ donatoris attribuunt, reique imperfectionem, licet de inopia quandoque prouenìat, imperfectioni voluntatis aſcribunt. Si durius ambulat, cõcuſſionis arguunt donatorem; ſeque ruinæ deſtinatos prædicant, ſi pes vnquam fortuitum cæſpitem retruſus offendat: ſi durus eſt, aiunt ipſum de veteri Domino traxiſſe duritiã qui amicos ſegnius audire cõſueuerit, quã equus calcaribus obedire. Si minus elegãtis formæ, ſi minus habeat venuſtatis, aſſerũt rem informẽ nõ ſatis dignitati donatoris, vel donatarij cõuenire. Interea, ſi quid imprecandũ eſt, non equo, ſed auctori potius imprecantur: qui tot ſcandalis injuriam magis itrogaſſe videatur, quàm beneficium contuliſſe. Palam eſſe nolle, eum à ſe quicquam vlterius implorari: qui id dederit, quod negaſſe ſatius fuerat, quàm adjuncto maleficio præſtitiſſe. Certum eſt etiam quoſdam non tantum calumniatores, ſed ingratos etiam inueniri, falſa rei donatæ vitia confingentes; vt omni gratiarum debito videantur abſolui. Quiſquis tamen accipit, ipſa ſtatim ſuſceptione redditur obligatus: etſi penes eum res donata reſederit, alleganti vitia ratio quaſi cujuſdam legitimæ præſcriptionis occurrit. Si quidem in rebus donatis, nec quantò minoris, nec reddibitoria locum habet: ſed omnem actionem exceptio ſpontaneæ liberalitatis elidit. Quod ſi aliena bene merentibus gratia non reſpondet, merces tamen ſua virtuti non deerit: quæ potius interioris fructus lucra conſiderans. Satis habet ſimpliciter apud ſe de bono fœlicis conſcientiæ teſtimonio gloriari. Nec enim ſubjecta eſt externæ diſpoſitionis arbitrio, ſed in ſua proprìæ puritatis majeſtate conſiſtens, ab indignioribus præmia non inquirit: ita tamen, vt neque ex eis honeſtè prouenientia reſpuat, nec pro deſiderio eorum, vel vſu, ſi qua nouit potiora dimittat. Quòd ſi quem fructus trahit exterior, is, ſicut ait ſapiens ille, non poteſt, niſi ſimilem materiæ ſperare ſententiam: quoniam fortuitis intentus, nonniſi fortuitos experietur euentus. Altera ſequitur.

reputantes, super hac re, perpetuum silentium imponimus Abbatibus supradictis. [b] Isti enim Abbates (vt probè annotat glosa [c]) monachi erant cœnobij Fiscannensis, quando assumpti fuerunt in Abbates; & tunc Conuentus reseruauit illis confraternitatem, & quod haberent vocem in capitulo Fiscannensi: & ità hoc pretextu se credebant debere vocari ad electionem Abbatis. Sic consueuerunt facere multi monachi, vt quasi sint de collegio vtriusque monasterij: vt sic possint eligi, si conueniant, vt de collegio eodem fiat electio. Petebant ergo isti Abbates electionem Fiscannensis Abbatis cassari; in qua dicebant se fuisse contemptos, qui in quasi possessione esse videbantur. Verùm, cùm isti tempore petitionis suæ expulsi erant de possessione juris, quod se habere credebant: quia quandoque fortè habuerant vocem in capitulo Fiscanni; nec ad illos de jure communi electio pertinebat; meritò debebant exprimere, quo jure hæc petebant. Ideoque ineptam actionem, siue causam exponentes, imponitur eis silentium; eo quod allegauerint consuetudinem hanc nomine suo, quam solummodo debebant producere nomine Ecclesiarum suarum. [c]

Volo enim scire, si in aliquibus imminutæ sint Reliquiæ Ecclesiæ, vel redditus, post mortem patris mei. Quid plura? factum est, vt imperauit Dux. Cùm igitur hinc indè quamplures scripta legerent inter cætera inuentus est à lectoribus, Rotulus quidam, cujus continentia, hæc erat. *Infra ambitum*, hujus Ecclesiæ est pretium sub quodam Altari; ipsumque pretium, vt subsequens *declarabit littera, procul dubio ab Hierosolymitanis partibus ad nos vsque peruenit*: &c.[a] *Vbi refertur quomodo à Nicodemo*, Christi discipulo, sanguis hic prętiosus fuit recollectus: quando corpus Saluatoris depositum de cruce, & in monumento sepeliuit: [b] Tunc enim prætiosum sanguinem Christi recollegit circa vulnera pedum, manuum, ac latteris ipsius corporis Domini, & in sua reposuit Chirotheca: conseruauitque omni tempore, deindè moriens, reliquit ipsum nepoti suo Isaac: &c. At, antequam vltra progrediamur, quędam sunt hic annotanda, consideratione dignissima: & veluti, ad lapidem lydium Theologię Scolasticę examinanda, vt omnis error prorsus à nobis abigatur: & in possessione tanti thesauri gloriemur. ARGVMENTVM.

Siſte gradum ſtabilem prudens quicumque viator,
Aſpice quæ graphicis ſunt his depicta tabellis:
En tibi clara patent, ſicut ſpectantis in vnda,
Seu leui in ſpeculo ſolet apparere figura,
Quæ fuerint hujus vtilæ primordia Gemmæ,
(Gemmeticum ſiquidem à Gemma, dixere priores;
Quod reliquis Gemmæ præcelleret inſtar Eoæ)
Indè ſcies quinam dederint Regeſque, Duceſque,
Tot bona, tot terras, & opes, tot prædia, cenſus:
Vnde Monoptolemi nongenti cœlitùs acti,

Quas itidem lelegum turmæ Dacæque phalanges;
Intulerint clades. Qui tandem à ſedibus imis,
Hæc loca ſarcierint priſcis conuiſa ruinis,
Expedio breuibus, complexus geſta camœnis.

Horriſonis vacuas complebant vocibus auras.
Quæ priùs exuccos ſylueſtri germine fœtus
Triſtis alebat humus, condenſis obſita dumis,
Fertilis ambroſios cœpit producere fructus.
Taxus olens, tiliæ molles, aconita, cicutæ

Purpureæ grauidis turgent in vitibus vuæ,
Et renouatus aper, dulces producit ariſtas.
Hic vbi creſcebant calami, juncique lacuſtres,

Vt populum, mirante polo, nutriret Hebræum,
Per ſteriles campos, deſertaque rura vagantem.
Sic ſua Gemmeticis largitus dona colonis

Aſpera quæ fuerat, fieret cultiſſima eremus:

S. Philibertus , è Gemeticenſi cœnobio , velut ſplendidiſſimum Iubar , virtutis & ſanctitatis , vbique ſigna ſpargit & diffundit : Monaſteria Virginum , Villarienſe & Pauliacenſe conſtruit : ab impio Ebroino , Domus Francia Majore inſectatus ; & falsò apud S. Audoenum, Rothomagenſem Archiepiſcopum, accuſatus , carcèri mancipatur ; cujus innocentia cognita , exindè , non ſine honore educitur.

CAPVT III.

I. VT igitur S. *Philibertus* , primus cœnobij Gemmeticenſis Abbas euaſit, mirùm ! quantis virtutum radijs emicuerit, quotque perfectionis ſpecimina vbique locorum profuderit. Meritò inter præcipua Eccleſiæ Gallicanæ ornamenta , & ſidera, tunc collucentia, ſub Regibus Francor. Dagoberto I. Clodoueo II. &c. ab *Orderico* recenſetur. *Temporibus* (inquit) *horũ Regum in Frãcia, viri S. virtutibus & ſignis claruerũt, Romanus & Audoenus; Ansbertus & Eligius : Ebrulfus & Iaunomarus; Maurus & Colũbanus: Philibertus, & Vvandregiſilus : alijque plures fide & prædicatione pollentes; ſanctitate & prodigiis coruſcantes.* [a] Maximè autem illius meminit , vbi de S. II. Ex Gemetico autem, velut in ſpecula poſitus , compluribus fiebat cauſa ſalutis; & omnibus, ea quæ ad animarum profectum juuabant, pro viribus , ſuppeditabat. „ *Solebat* vir pius (ait Autographus) ob animarum curandam ſalutem , fratres è „ monaſterio ablegare , vt ſuis exhortationibus inſtruerent. Itaque confluebant „ ad eum viri nobiles, & potentes ; propriaque calcata voluntate, Chriſti ſeruitio „ ſe mancipabant. Cumque in monaſterio fratrum numerus increuiſſet aliud cœ„ nobium condidit , quod *Pauliacum* vocant , decimo milliario à *Gemmetico* ; atque „ in eo habitare voluit , ſanctas fœminas , quibus præfecit matrem prudentiſſi„ mam , illuſtri familia ortam , *Auſtrebertam*. Multa quoque alia ejus exemplo, con„ ſtructa ſunt monaſteria in Neuſtria. Longum eſt enarrare per ordinem ſingula, „ quantumque eius opinio creuerit : vt etiam Abbates alij ſua monaſteria relin„ querent , vel probatiſſimos monachos ſuos ad eum ablegarent : vt multo tem„ pore apud eum degentes , eius vitam & conuerſationem diſcerent : ſicque ad ſuos „ reuerſi , rectius illis conſulere poſſent. Eos omnes vir ſanctus , & in fide vera pro„ bè inſtituebat, vel confirmabat : & vt mutuam ſinceramque inter ſe charitatem „ retinerent admonebat. Multa tum ei pecunia à Rege , & fidelibus offerebatur : „ cujus ille decimam partem indè ſepties detraxit. Cùmque id anno integro feciſ„ ſet ; ſemper plus ei pecuniæ acceſſiſſe comperit , quàm ipſe indè abſtraxiſſet. III. At cùm S. Philibertus tanta fulgeret ſanctitate , totque miraculis clareret, quidam ventus vrens perſecutionis eum decoxit ; nimirum impius ille *Ebroinus* , Majoris Domus, Theodorici I. IV. Rem verò copioſius ac diſtinctius enarrat, geſtorum S. Aichardi, Abbatis 2. Gemeticenſ. Autographus. „ *Hac tempeſtate* venerandus, (inquit) Dei Sacerdos,

VI. „ Porro, B. Philibertus, cùm pro causa Monasterij, ad Palatium properasset,

„ se animosius accinxit. Percontatus itaque, cujus Diocesanus esset, dùm compe-

„ Regem Missas; quibus ipsum Pontificem, reum Majestatis incusaret, necnon
„ auri & argenti pondus enorme thesauris Regijs eum accumulasse, per quod Re-
„ gis animum sibi conciliaret: vt sanctum Pontificem à sede propria extorrem,
„ perpetuo exilio damnaret, & se in locum ipsius subrogaret, ad fidem igitur com-

„ longè abhorrentem, tandem, dùm dolum non præuidet, importunis monitis
„ ad credendum, impellunt; adeò, vt S. Abbatem carcerali ergastulo recluderet:
„ vbi per aliquod tempus demoratus, anterioris patientiæ virtutem non amisit.
„ Beatus verò, Pontifex, mox vt accusationem, ex inuidia contractam intellexit,
„ & vndè, inter *Ebroinum*, & S. Philibertum, causa odiorum emerserat, recogno-

CAPVT IV.

INTER alia, quæ sancto Philiberto agente, constructa sunt asceteria; *Quinciacum*, in Territorio Pictauiensi recensetur: Vbi B. „ *dies, quam fecit dominus, exultemus & lætemur in ea.* Mox vir Apostolicus
„ ex prophetali versu, sumpta occasione, B. Aichadrum intuens, jam præ gaudio
„ silentium rupit, & spiritu exultante: Frater, inquit, charissime, nunquid audis
„ qualiter nos ad exultandum & lætandum Diuina psalmodia præstringit? Credo
„ etenim, nec vana fides, non fortuitò lectori prophetalem versum ad manum ve-

„ nos prophetico spiritu præmoneri, vt qui ad superiam Hierusalem festinamus,

CAPVT VI.

I. BEatus *Aichadrus*, ceu *Aichardus*, vel *Achadrus*, Pictauis, nobilibus & piis parentibus ortus, ab ineunte ætate futuræ sanctitatis specimen dedit. Nam sub cura cujusdam serui Dei educatus, infra breue tempus, in omni genere sacræ disciplinæ adeò perfectus emicuit: vt eunctos non solùm præiret scientia, sed virtutum quoque superexcelleret gratia, potens in ieiuniis, patientia fortis, humilitate fundatus, cæterarum etiam virtutum fulgore decenter ornatus; etsi tunc foret puer decem annorum. Audito verò *Ansionis*, celebris Monasterij nomine, in quo religiosorum non minima turba, regularis vitæ disciplinam seruabat, eò, jam duodennis factus, properare voluit: vbi coma capitis deposita, jugum Christi suaue suscepit. Nec Christus lucernam suam sub modio, diu latere passus est: nam cæci, & claudi, variaque molestia depressi, monitis Angelicis ad eum ire jubentur; à quo celerem reportarent salutem. Iam 20. annorum cursum expleuerat adolescens, cùm ad altiorem perfectionis modum aspirans, monasterium *Quinciacum*, jam à S. *Philiberto*, Gemeticensi Abbate in honorem S. Petri cœptum, sibi elegit inhabitandum: quod & paternis sumptibus, & propriis expensis, ampliauit, perfecit, & S. Mariæ Virgini, Deiparæ, dedicandum curauit ab Episcopo Pictauiensi *Ansoaldo*: cui & Abbas præfuit. Vndè postea, ab eodem S. Philiberto, euocatus, de licentia eiusdem Diocesani Pontificis, & consensu Monachorum; ad regendum Gemeticense cœnobium ablegatus est: fuitque illius loci secundus Archimandrita. „ & modernos inspicis, quæ fuit ab initio gens vlla, sortis nostræ ditione adeò li-
„ bera, vt in ea licenter nobis operandi potestas vlla deesset? Nam primi terrige-
„ næ, quid fraus nostra valeret, experti sunt. Sed, vt plura sileam, nunquid non
„ gens Hebræa denos septies annos captiuitatis deplorans, nostræ dominationis
„ sensit injuriam? Enimverò, quis fuit Dux, & totius feralis consilij architectus,
„ quando in atrio Caiphæ, mors Christi tractabatur, quis fuit, inquam, nisi ego?
„ in his tam sublimibus causis, quod meum erat licuisse, non defuit: & nunc à lo-

„ gloriaris? Nam mors Christi tibi ademit mundi Imperium. Mors Christi, vita
„ est credentium; sed tibi, & principi tuo æternale supplicium. Quod verò in pri-
„ mis terrigenis nocendi accepisti potentiam, in obedientia promeruit: qui con-
„ cessa arbitrij libertate, dum male abusi sunt, extorres à paradisi deliciis, & im-
„ mortalitatis gloria nudati, indigebant Christi morte reparari: tu in hac parte
„ nihil tuum inuenies hic, in quo fraudis tuæ nequitiam exercere tibi liceat: quia
„ in istis obedientia, in illis humilitas, in his charitas regnat: quæ talia merentur
„ vitæ præmium, non exilium. Quod autem de Hebræorum captiuitate susurras,
„ in illis præuaricatio meruit exterminationem, exterminatio captiuitatem, ca-
„ ptiuitas confusionem. In his verò, quia non præuaricatio, sed legis Christi ob-
„ seruantia; non offensio, sed obedientia, non inuidia sed charitas regnat: idcir-
„ co translmigratio, qua vocantur ad præmia, non erit illis ad confusionem, sed
„ ad remunerationem: non ad Babylonem, sed ad Hierusalem cœlestem: non sub
„ Chaldæorum Rege, sed sub cœlorum Dominatore. Ad hæc insidiator malignus
„ ait: Ergò hinc ego inanis abibo? Respondit Angelus, dicens: Non sic abiturus
„ es. Habebis hic ministerium, illis quidem fructuosum, sed non tibi proficuum:
„ illis ad expiationem, sed tibi ad confusionem. Ad hæc, ille: Nunquid ego his,
„ aut vllis christicolis debitor sum ad salutem? At ille, in hoc, inquit, debitor es,
„ quia si quid in eis est, quod resecari debeat, horrore visionis tuæ purgabitur. Ille
„ è contra, Abeam, inquit, hinc inanis potius & deceptus, quàm ex visione mei,
„ medicinale Antidotum illis terror infundat. Hæc inter se illis altercantibus, ver-
„ ba singula vir Domini captans, terrore simul & gaudio concutiebatur. Cui pro-
„ pius Angelus Domini assistens ait: Tu frater, de his, quæ audisti & vidisti, ne
„ terrearis, sed potius constans esto, & viriliter age, quòd cœpisti: quia exaudita
„ est deprecatio tua. Nam in proximo est horum fratrum vocatio: sed & nomina

B. Hugonis, Gesta conscribit Baldricus, Dolensis in Britannia Armorica, Pontifex: volens ipsum B. Hugonem, Archiepiscopum extitisse Rothomagensem: ac postea Monachum Gemeticensem.

CAPVT VIII.

MVLTA se offerunt notatu digna; B. *Hugonis*, ortum, statum, & dignitatem referentia; quæ inferius duximus discutienda, postquam Gesta ipsius, ex MS. codice, excerpta, in medium protulerimus: quorum narratio ita subsequitur. [a] I.

a *Ex MS. Codic. Abbatiæ S. Vedasti Atrebatens.*

Incipit prologus in vitam S. Hugonis.

Baldricus Dei gratia, Britannorum Archiepiscopus, *Vrsioni*, venerabili *Gemmeticensium* Abbati, ejusdemque loci Reuerendæ congregationi, obedientiam & benedictionem. Omnis materies nullius politoris artificio commendata; minoris apud intuentes est pretij. Aurum enim & Argentum, Ebur & Lignum, marmor & omne genus lapidum, nulla decusata sculptura, vel politura, quod esse videbantur, duntaxat sunt; quibus si accesserit manus politoris, statim ex pretiosis prætiosiora fiunt. Haud dissimiliter quælibet nobilis historia, nisi vrbanè recitetur, vilescit; nisi disertus eam colorauerit stylus, à nobilitate sua deperit. Cantilenas etiam nisi commendauerit modulatio; lectionem quoque nisi venustauerit scnoritas, & faceta distinctio: ipsa eam deturpat inconcinnitas, & fastidiosa subripit ei vilitas. Euidens est igitur quia tantum in singulis super addita valet Euphonia: quantum in omnibus nocet negligentia, vel imperitia. Vos autem fratres *Gemmeticenses*, Gemma cœnobialis, Gemma laudabilis, humilitati nostræ imperando, & obsecrando injunxistis, quatenùs de conuersione & conuersatione D. *Hugonis*, Rothomagensis Archiepiscopi, viri penè ab vtero matris sanctissimi, aliquid scribam; ex *libello*, *qui* super hoc ab annis & annis conscriptus est, correctoriè censoris oculum adjiciam. *Librum* autem illum, vel laudare, vel liuidare supersedeo, corrigere verò non præsumo: quoniam ad hoc opus & onus, nequaquam sufficio. Beatus siquidem *Hugo*, Regale germen eluxit; & ideò Regali vrbanitate, calamoque Palatino, tanta res deberet præsumi. Nam, quis ego, qui scribam? Quis, inquam, ego, quem nullus color Tullianus associat, qui ad hoc sufficiam? Sed quis ego, qui D. Abbati vestro, vobisque fratribus nostris, & dominis, imò ipsi charitati, non obediam? Totus igitur vester, vobis acquieui: & de Gestis Domini mei *Hugonis*, pro vt potui, paucis absoluam. Forsitan etiam spiritus sanctus dispensauit, quatinus ego Britannorum Archiepiscopus, Normannorum Archiepiscopum, monachus monachum, prædicem; & veritate seruata extollam, & de nobili materia, parum quid excerpam, spiritum autem paraclytum mihi coöperatorem & coadjutorem, ipse beatissimus *Hugo*, precesque vestræ, charissimi fratres, implorent. Amen.

Incipit vita ipsius S. Hugonis Archiepiscopi.

Lecturos, quod de B. Hugone, succinctè digessimus, persuasos, & obsecratos volo, ne nimis inuectim nobis insurgant. Ne simplicitatem nostram violent: qui tanquam præsumptiuus noua de veteribus, elicui, & scriptis eorum velut occlamaui. Scripta illa non diffiteor simplicia; sed tamen scio veracia. Quòd autem illuc manum nostram applicui; charitas & obedientia coegit. Nec ego in scribendis, quæ Deus per D. *Hugonem*, miraculis, operatus est, diutius immorór, cùm tamen II.

men multa ſint: ſed ſanctitudinem ipſius, modumque conuerſationis pro vt potero, explicabo. De miraculis autem libando, quaſi diſſimulabo, quæ poſſunt fidelibus & infidelibus eſſe communia: ſicut ſcriptum eſt, quia ſe, de miraculis jactantibus, *Neſcio vos*, dicturus Dominus. Enim-verò *Hugo*, infantiam & adoleſcentiam, inſuper & ætatem ſuam reliquam, ita ſanctificauit; vt quo ad vixit, longum martyrium duxerit, inter ſpinas roſa formoſa floruerit, eleemoſynis, & jejunijs, lachrymiſque ſuis Roſcidus, tanquam ſuo ſanguine purpuratus rubuerit, & nihil, quod religioſitati competeret, neglexerit. Nam juxta ſui Ieſu condictum, crucem ſuam bajulauit: quo vſque crucifixus, ad Ieſum crucifixum migrauit.

III. Quibus autem parentibus Hugonis genealogia proceſſerit, illis difficillimum eſt ignorare, qui Regũ Francorum proſapiam ſucceſſiuam (ſcriptum eſt enim) curauerunt legere. Inter ſiquidem Regũ illorum nobiliſſimam computationem, quidam nobiliũ, nobiliſſimus emerſit, Galliarũ & Italiæ imperator, Carolus magnus, *Pipini* patricij filius, bellis inuictiſſimus, & tamen inceſſanter bellicoſus: illius Caroli magni exercitus quemdam Bajoariæ Ducem, nomine *Taſſilonem*, in quodam conflictu deuicit, & cœpit; & captum in Franciam, Imperatori præſentauit, quia non ſine damno & labore graui, de eo tandem triumphauit. Quem Rex exilio damnatum, vt tamen ei vitam concederet, monachum in *Gemmetico* monaſterio, fieri permiſit; qui locus, & tunc, & multò poſt, magna rerum copioſitate, & ordinis rigore, efloruit. *Anſtrudem* verò *Taſſilonis* filiam thalamis ſuis Imperator aſciuit; & exindè filium genuit, quem *Hugonem* vocari voluit. Anſtrudis autem prædictum liberum ſuum, tenerrimè dilexit: & ſuis vberibus educauit, quo vſque jam in anno quarto Regis Caroli, eum delegauit in palatio alendum, & vt filium Imperatoris ibidem ſalutandum & honorandum, ſuper quem paterno ſpiritu exhilaratus dominus imperator, multùm exultauit, & infantulum cuſtodiæ fideli commendauit. Puer autem prouehebatur ætate; & apud Palatinos magna proficiebat gratia.

IV. Tempus affuit, quo puer Regij germinis litteris imbuendus deſtinari debuit. Mandatum eſt de eo, qui curam ſuper hoc impenderet, magiſtro. Adjunctus eſt itaque Hugo coætaneo exercitui, quatinus libentius vacaret ſcholis, vt nos eſt artis litteratoriæ, prima videt elementa: quæ illi præſentabantur in membranula. Nondum quinquennis erat, & jam in iſto tyrocinio deſudabat. Exercitium autem illud vltra collegas ſuos, haurire videbatur: & in ejus pectuſculo, tanquam in mollicera, formabatur, quicquid inuehebatur. Erat ſiquidem animus eius miræ capacitatis, & tenacis viuacitatis, & vltra tempus infantile, induſtriæ ſagacitatis: non tamen ſine Magiſtri ipſius admiratione; qui jam aliquid magnum auſpicari cogebatur de Hugone. Iam quoque ſpiritus ſanctus aliquid præſignabat in puerulo; quod olim Galliarum profuturum eſſet omni populo. Tranſcendebat ſiquidem ætatulam puerilem: & anticipabat magiſtri ſolliciti curioſitatem. Nec tantum erat in litterarum perceptione laudabilis; ſed jam aliquatenus facundus erat in colloquijs. Redimebat aliquando Magiſtrum ſuum, prontiſlis, & quibuſdam hortationibus, quatinus inſiſteret magis ſedulus ſuper eum, ſtudijs ſcholaribus. Iam enim videbatur agere ſeptennium; & tamen vltra ſeptennis agebat tyrocinium.

V. Audiuit Rex hujuſcemodi de filio, neque ſi quidem genitoris animus, à primogenito ſuo diu poterat eſſe longinquus; eumque ad ſe deductum complexatur, & deoſculatur, & de tam tenelli infantuli ſagacibus reſponſis admiratur etiam, quod magnum quid in filioli pectuſculo latitaret. Præter enim perceptionem doctrinæ; venuſtabat eum quædam honeſtas vitæ. Neque ſiquidem jocis puerilibus aſſidebat, neque ſpectaculis Regalibus inhiabat: ſed pedetentim ad prouectiora maturabat. Imperator de filij ſui gaudius indole, ad Eccleſiam Beatiſſimi *Dionyſij*, eum direxit; quatinus ibi inter ſeruos Dei educaretur & doceretur, proſpiciebat ſiquidem Rex filio ſuo vtile: vt ibi nutriretur, vbi nulla mali thecna macularetur. Suſceptus eſt in ſcholis: & accuratè alebatur filius Regis. Tantò autem videbatur capacioris ingenij: quantò & altioris erat ſanguinis. Nec propter Regalem celſitudinem dedignabatur diſciplinam: ſed deditus ſcholæ, ſubditus erat & ferulæ. Diligebat quippe virgam: quo facilius aſſequeretur diſciplinam. Nam nullo mens eius inflabatur ſupercilio, pro eo quod erat oriundus germine Regio. Putares illum in-

ter conſcholares vnum de inferioribus ; quia nullatenus extollebatur profublimibus vtriuſque parentelæ diſcurſibus. Magiſtros & condiſcipulos ſæpè numero matutinus præueniebat : vt planè daretur intelligi in tam ſtudioſi diſcipuli nouitate, diſcipulatus nouitas. Nam quicquid audiebat pectore ſitibundo vltra humanum ingenium ſibi rapiebat ; & de paucis multa conjiciebat. Erubeſcebat enim non mediocriter, ſi vnquam otioſus inueniretur. Mirabantur enim Magiſtri, mirabantur omnes ; quoniam nec admirari non poterant, quid talis & tanta litterarum abyſſus portendebat. Ipſe ſiquidem Magiſtros ſuos precibus per ſe redimebat, vel quouis pretio conducebat, ſeu etiam compellebat ; quo lectionibus inſtarent, ipſumque famelicum quoquomodo ſatiarent. Erat igitur de eo multus, & frequentiſſimus ſermo: interim ad annos quidennos Hugo pubeſcebat, & prouehebatur: & Ciceronis, Varroniſque libris decurſis, jam in alijs cogitationibus verſabatur in eius pectore, quàm olim conceperat, Dei dilectio ; & ex inſtabat iſtius conceptionis parturitio. Nolebat amplius occupari garrulitatis ſophiſmatibus ; ſed de cætero vacare deliberabat diuinis occupationibus.

Subintrauit autem eius animum huiuſmodi cogitatio, quatinus ad Apoſtolorum VI.
limina properaret, ipſorum fulciendus patrocinio : Dignum ſiquidem autumabat, tantis doctoribus prius ſuũ propalare deſideriũ : quos principes nouerat Apoſtolorũ omniũ. Decernebat etiá ſibi magiſtrũ aſcribendũ, petri, immò Dei ſpecialẽ Vicariũ. Arbitrabatur etenim voti ſui promereri quodlibet incrementũ, per ipſos Senatores ; qui totius Apoſtolatus obtinuerant principatum. Accepta igitur à Magiſtro ſuo ad Palatium redeundi licentia (magiſtris quippe ſuis ſemper ſubditus eſſe volebat) venit ad patrem : vt ei conſiteretur voluntatem. Alacri vultu ſuſceptus eſt, & cum Clericis Palatinis aliquantulum conuerſatus eſt. Die quadam, ad Miſſas clerici ſuſtinebant Imperatorem, & interim, vt aſſolet, de quibuſdam Diuinis, ambiguam habuere confabulationem. Dixit vnuſquiſque quod ſentiebat ; nec tamen quilibet ad ſententiæ medullam, pertingebat. Audiebat Hugo vniuscuiuſque taciturnus ſenſum ; nec redarguebat iſtum vel illum. Elationem vitabat, dùm nondum rogatus, ſilebat. Tandem ad illum peruentum eſt : & ab illo reſponſum quæſitum eſt. Pendebat ab ore ſermocinantis : & admirabantur prudentiam exponentis. Non videbatur enim loqui ore hominis : ſed loquebatur tanquam plenus ſpiritu Dei. Placuit igitur omnibus. Nec defuit, qui de filij prudentia patri nuntiaret : ſuper quæ in immenſum gauiſus eſt. Extunc Carolus magnus cœpit eum habere chariorem : eique majorem à ſuis lateralibus impendi decernebat honorem. Ex tunc vocabat eum familiariùs : etſi grande quid emergebat : audiebat eum attentius. Dedit ei tunc Imperator in duabus Abbatiis, omnia ſua Regalia, *Resbacenſem* videlicet locum, & *Crucem S. Audoeni*, villas videlicet perpulchras, & ad eius redditum opportunas. Cognouit etiam quod Romam proficiſci diſponebat, quod ſtatim ei conceſſit : & electiones, quæ Regis filium decerent dapſiliter præparauit. Scripſit etiam *Leoni*, Papæ venerabili, quatinus Hugonem ſuſciperet, provt competebat filium Imperatoris. Erat ſiquidem ei chariſſimus, & omni acceptione dignus. Si quid etiam Hugo à Papa poſtularet ; mandabat Rex, quatinus ei indifficulter impertiret ; diligeret ipſum paterno affectu, & in omne bonum confirmaret eum charitatis affectu.

Iam verò, qualem ſe conuiatoribus ſuis exhibuerit, quàm jucundum, quàm VII.
dapſilem, quàm benignum, quàm omnibus indigentibus magnificum ; quàm ſobrius in conuiuijs, quàm indigus ſibi inſeruierit, quàm affabilis fuerit, quàm rarus in verboſitate, quàm ſedulus in oratione, & pernoctatione, non eſt noſtrum edicere ; quia non omnia poſſumus omnes. Vbi quoque Romam ventum eſt, quàm ſingultuoſas lachrymas immolauerit, quanto mœrore ſe in auribus Dei, & B. Petri affecerit ; ipſe nouit melius, cui ſe totum vouebat, bonæ indolis juuenculus. Putares illum carne præmortuum ; tanta ſoliditate deoſculabatur ſolum. Commendabat ſe ſuppliciter omnium ſanctorum patrocinijs : in quorum conuerſabatur domicilijs. A Domino Papa tandem Hugo ſolemniter excipitur : & in omnibus tanquam Regis filius, honoratur. Alloquitur alter alterum ſpirituali jucunditate, ſeque ſibi communicant reciproca viciſſitudine. Inter alia piæ confabulationis colloquia, Hugo Domino Papæ ſecretum ſui pectoris deſiderium ape-

rit: & de ſe clericando delegit. Audit Papa juuenis voluntatem; & dubitat, an ipſius debeat fauere petitionibus. Veretur Imperatorem in vtroque timet enim, ſi Rege inconſulto, filium tondeat; identidem veretur, ſi filij Regiam voluntatem offendat. Aſcendit tandem in cor Apoſtolici, quia melius erat juueni acquieſcere, vbi Deo ſeruiretur: quàm tantam rem negligere, vbi Deus offenderetur. Regem poſt offenſam prouidebat ſibi reconciliandum: ſi duntaxat Deum promereretur propitium. Et adjecit: Rex per cartas ſuas nobis mandauit: quatinus in omnibus filij ſui ſatisfaciamus voluntati. De Tonſura, non expreſſit: ſed qui dicit in omnibus; nihil excepit. Faciamus igitur in quo Deo lucremur. Nos jaciamus fundamentum: Deus dabit incrementum. Et ſtatim admotis forcipibus, arreptam Hugo ſuam ipſe Cæſariem, confeſtim amputauit: ipſamque ſingultuoſus Domino Deo libauit. Videres aſtantes pia compunctione collachrymantes: & de Hugone altius præſagientes. Factus eſt itaque Hugo, Domini Papæ filius adoptiuus; cuius ſe totum bonus adoleſcens mancipauerat præceptionibus. Promotus itaque clericus, proſtrauit ſe Hugo humillimus Domini *Leonis* pedibus: vt vbicumque de cætero ſpecialiter fulciretur ipſius orationibus. Cincinnos autem capitis ſui B. Petro obtulit: vt per hoc ſignum, totus dicaretur clericatui. Dixit etiam: proceſſu dierum, Deo cooperante, me Monachum futurum profiteor, in noſtra patria, in quodam Dei contubernio, *in Gemmeticenſi* videlicet Monaſterio. Tempore opportuno, vſque Leuitam, per manum ſummi Pontificis, (diu ſiquidem cum eo manſit) ordinatus eſt: & tandem multis Sanctorum Reliquijs, quas vnicéque flagitauerat, honoratus, in Franciam, proſpero pede, regreſſus eſt.

VIII Non tamen ſilentio ſupprimendum eſt, quòd dùm Roma exiret, per ipſum Dominus Deus operari dignatus eſt. Neque ſiquidem vlterius militem ſuum volebat abſconditum: qui Deum ſuum jam prædicabat per publicè aſſumptum clericatum. Dæmoniacus quidam cautè cathenatus (nam nimio Dæmonis furore angebatur) multis ſuorum comitatus, ante ſanctiſſimum Hugonem adducitur: & pro eo inſtanter ſupplicatur. Interim ſe miſer ille dilaniabat, horrendumque clamabat: & ſi quid attigiſſet, violenter diſcerpebat. Erat enim furor immenſus. Subſtitit Hugo ſanctiſſimus, inſtinctu ſancti Spiritus afflatus: nec poterat carere miſericordiæ prærogatiua, in quo Spiritus S. viuebat affluẽtia. Quẽ videns Dæmoniaſus, confeſtim, tanquam obſtupuit: & cõcitus in terrã corruit. Iam enim ſpiritus malignus commentabatur; quod Spiritus ſanctus ordiebatur. Rogat Hugo Beatiſſimus Epiſcopos, qui aderant, qui eum deducebant, quatenus benedicant; quoniam & præſignare debebant. Ipſe autem intrepidus ad furioſum acceſſit, eique lignum S. crucis ſuppoſuit: & in nomine Domini, ſpiritui maligno increpatiuus imperauit, quatinus innoxius diſcederet, neque denuò illum vexare præſumeret. Dedit ei etiam ad potandum aquam benedictam: ipſe quoque illum manu ſua ſignauit, & perturbatorem ſerui Dei à non propria ſede expulit. Mirati ſunt vniuerſi; neque poſt hæc, de ſanctitate Hugonis taceri potuit. Ad confirmationem quoque miraculi, futibundus ille, ſui compos effectus, ſanus & lætus, cum illo ſancto collegio proficiſcebatur; & in laudes Dei cum alijs, incolumis, gratulabatur.

IX. In redeundo, ſanctus ille nunquam fuit otioſus. Iugis ei oratio, iuge jejunium: jugis exercitium pſallentium. Eleemoſyna larga; contemplatio crebra. Et quamuis hæc & ſingula Hugo ante clericatus aſſecutum tyrocinium conſueuiſſet: tamen detonſo capite, & ordine ſuſcepto, tanquam immutatus eſt, quoniam ex tunc in omnibus bonis ſedulò ſpiritus eius contribulatus eſt. Eo in tempore Carolus *Treuiris* in Palatio ſuo reſidebat. Affuit quiſpiam, qui Regi de filij ſui aduentu nuntiauit: eique vt quantocius ad ſe maturaret, mandans! Afficiebatur etenim magno videndi eum deſiderio. Miſit quoque illi obuiam magnam domus ſuæ partem: adjuncti ei & plures, de illius mutatione mirantes. Alij dolebant, & flebant; Alij, quibus mens ſanior erat, gaudebant. Erat in Regis curia Hugonis frater Germanus, *Drogo* nomine; laudabili & ipſe venuſtatus conuerſatione. Hic fratri feſtinus obuiauit, eumque deoſculatus, vlniſque fraternis complexatus, vberrimè plorauit: plorauit, inquam, tanquam jam videret mortuum, quem videbat clericatum, non quia clericatui derogaret, cùm ad idem opus anhelaret: ſed fraternus

affectus lachrymas extorquebat, singultusque nimios repererat. Plorabat igitur, & plorando tabescebat. Ad quos Hugo, & ad fratrem præcipuè: gaudendum est, inquam de me, tibi frater, & vobis, quoniam talis est mutatio dexteræ excelsi. Venienti filio pater assurgit, eumque deosculatum sibi consedere fecit: maduerunt oculi Regi, pro quasi rediuiuo & reduce filio, hæsitque diu in complexati osculo. Delectabatur filio Imperator, in vtroque, præcipuè tamen in Hugone.

Sedentibus eis iuxta patrem ad mensam, allatæ sunt epistolæ; alia de *Rothomagensis*, alia de *Metensis* Ecclesiæ infortunio, vnaquæque conquærens; & Pastorem illius populi migrasse intimans. Dicebant etiam clerus & populus illius & istius Ecclesiæ: Rex, concordi supplicatione precatur, vt duos liberos suos Pontifices sibi mereantur: (nam & *Drago*, de quo modo sermo, admodùm litteratus erat) Canonicè, inquiunt, eos elegimus, tantummodo non defit nobis magni Cæsaris assensus. Litteris recitatis, Augustus interim siluit; donec super hoc accitis multis Episcopis & optimatibus suis, consuluit. *Aquisgrani* concilium propterea specialiter Carolus celebrauit: in quo super Ecclesijs desolatis consilium quæsiuit. Non enim tunc temporis Reges inclyti super tali re, temerè vel præcipitanter agebant: sed cum Episcopis, virisque religiosis, considerate & morosè conferebant, Deique voluntatem humanis intrusionibus semper præferebant. Et litteræ denuò recitatæ sunt: & Legati sapienter distinctè loquuti sunt. Cognouit sancta synodus, quòd huiuscemodi rei Dux & præambulus extiterat spiritus sanctus: neque si quidem sensus humanus tam opportunam, tamque consonam fecisse potuerat electionem. Adducti sunt duo fratres, duæ oliuæ, duo magna luminaria, in medio: & de ipsis, provt spiritus sanctus dictauerat, est institutum. Rex autem electionem factam, & conditum Episcoporum, nutu suo confirmauit: & *Rothomagensibus* Hugonem; *Metensibus* verò Drogonem destinari mandauit. Subdidit etiam Hugoni, qui major natu erat, *Abbatias*, & omnia Regalia, quæ in Diœcesi illa Rex, jure hæreditario, possidebat: sumptibus filij sui, & vsibus paupertum Christi, temporibus suis, profutura. Drogoni etiam *Metensi*, cum suis Regalibus, eodem tenore, subjugauit Prouinciam. Facta est hæc synodus *Aquisgrani*, tertiodecimo calendar. Octobrium, anno ab Incarnatione Domini 702. regnante magno Rege Carolo. Fratres prædicti, quibus vltra spem & voluntatem contigerat, obstupefacti, dubitabant, quid potissimum deberent, acquiescere, an reniti: Reniti, inobeditioni: acquiescere hujusmodi deputabant vel humanæ ambitioni. Reniti tamen præsumpsissent: nisi ex Deo adjurati coactiuè fuissent. Nec quilibet poterat refellere rem, tam secundè progredientem: ex Diuina prouidentia processisse. Quoniam igitur die crastina, Sabbathum illucescebat, & autumnale jeiunium erat, eos sancta synodus Præsbyteros ordinauere, & die subsequenti, Dominica videlicet, Episcopos consecrauere. Sciebant equidem dilationem in hujusmodi nociuam. Emisit eos Imperator Augustus, ad sibi prædestinatas à Deo sedes; adjungens vnicuique Legatos idoneos, sumptusque necessarios, & ex thesauris Regalibus copiosos. X.

Suscepit Hugonem *Rothomagus* cum magno tripudio; & obuiauerunt ei omnes cum exultatione & gaudio: successit itaque isdem vir venerandus Hugo, in sede *Rothomagensis Ecclesiæ* 23. à *Mallone*, primo Pontifice eiusdem vrbis; porrò in regimine cœnobij *Fontanellensis*, à S. *Vvandregesilo*; & à B. *Philiberto*, in regimine cœnobij *Gemmeticensis*, septimus: & à D. *Aichadro*, sextus. Mensa sua tantæ lætitiæ condigna, die illa, prius refocillauit pusillos pauperes, deinde pauit majores. Nec illa, nec aliis diebus, mensæ suæ defuit lectio: ne fortè loquacitas subreperet in conuiuio. Dein Ecclesijs Dei reædificandis cœpit insistere: & Ecclesiam in honore Iacobi Apostoli, à fundo diruptam decreuit reædificare. Tabernas meretricales, lupanar, & prostibulum, & omnem abusum, quæ publica erant in ciuitate, destrui mandauit: vt liberius munditiæ vacaretur & castitati. Mandauit etiam ad se, ex tota Diœcesi sua, Dei seruos clericos, & Monachos, sanctimoniales, & viduas, vt sanctam illorum conuersationem sigillatim dignosceret: & illorum paupertati subueniret, si quid forte deesset. Commendauit etiam se notitiæ singulorum, & orationibus. Vocabat certis temporibus Hugo sanctus & disertus plebem suam, & differens de scripturarum jucunditate, sæpè docebat eam: & ad cœleste desiderium eos accendebat. Celebrabat inter Episcopos suos Concilia: in quibus XI.

affluenter

affluenter & affatim, de morali ſanctitate diſputabat. Nolebat enim, vt ſe quodlibet tempus præteriret; quo à Diuinis operibus otioſus eſſet. Nec ſpero, quòd aliquis à Conciliorum conuentu diſceſſerit; donec in euectionum vſibus, ſalutationem & benedictionem illius largifluam perceperit. Quippe nolebat aliquid proprium, ſed faciebat omnia ſua communia: maximè tamen pauperibus profutura. Nec illud ſilendum eſt, quòd ideò in Hugonis curia, copioſa quotidiè parabantur conuiuia: quoniam & Eccleſiæ *Rothomagenſis* dignitas, & Regij ſanguinis celſitudo, illud expoſcebat. Quæ conuiuia pauperibus & ſuperuenientibus communicabat; ipſe tamen à menſa copioſa, ſemper vel jejunus, vel eſuriens ſurgebat. Menſæ ſuæ lectionis condimentum non deerat, quoniam ſuus homo interior ex hac maximè delectabatur & viuebat. Accidit igitur, vt quadam die, lector in principio lectionis hujuſmodi exordium dederit: *Væ vobis diuitibus, qui habetis conſolationem veſtram: quoniam facilius eſt camelum tranſire per foramen acus, quàm diuitem intrare in Regna cœlorum*, ſtatimque ſubjunxit: *Beati pauperes ſpiritu, quoniam veſtrum eſt Regnum Dei.* Et iterum: *Beati, qui nunc eſuritis, quia ſaturabimini.* Quæ lectio viro Dei incuſſit formidinem: vt ſe vir Dei ſpecialiter increpatum intellexerit, quatinus à Septuageſima vſque in Ramis palmarum, cum fratribus *Gemmeticenſibus* habitaret, ſilentio, jejunijs, & orationibus vigilaret. Adhuc indutus clericum, jam viuebat Monachum.

XII. Deindè, paucis euolutis diebus, mortuo Patre, diuerſarum regionum conuocato populo, indignum ſe eſſe Epiſcopum, præ humilitate reputans, & proclamans, poſtquam per viginti ſex annos, *Rothomagenſem* rexerat Eccleſiam, licentia à populo ſuo accepta, *Gemmeticum* migrauit: & ibi factus Monachus Archiepiſcopalem exuit dignitatem. Vbi fere decennio in hoc carnis vixit exterminio: & germen Regale ſeipſum depoſuerat in totius vtilitatis ſterquilinio. Die quadam, matutinorum expleta ſolemnitate, Beatus ille peculiares ex more celebrans orationes, remanſit in Eccleſia, lachrymis rigans pauimentum, precibus pulſans cœlum; nudus pedes, marmoris & hyemis deſpiciebat algores. Totus in cælo; nihil de terreno curabat incommodo. Febres igitur Hugonem aggreſſæ ſunt; quæ illi mortem contiguam nuntiauerunt. Febribus igitur quatiebatur: ſed quoniam ab itinere patrum aliquantulum coercebatur adhuc, anguſtiabatur. Deſiderabat enim cum Apoſtolo: *diſſolui & eſſe cum Chriſto.* Accerſiri tamen ad ſe mandauit Abbatem, & fratres *Gemmeticenſes*: vocauit etiam ſucceſſorem ſuum, Archiepiſcopum *Rothomagenſem*; quibus ſui corporis diſſolutionem prædixit, ſeque ipſorum orationibus commendauit. Munitus autem corporis & ſanguinis Dominici perceptione, ſed primùm delibutus olei ſancti liquore, & alijs Chriſtianæ religionis inſignibus Deo ſpiritum reddidit: Corpuſculum quoque ſanctis operibus profligatum, pallida Monachorum turba aromatibus condiuit. Migrauit autem ſæpènominandus Hugo, pridie idus Aprilis: in confeſſione veræ fidei, & in conſummatione veræ religionis. Totus verò B. Hugonis conuerſationis & agonis curſus; quædam fuit Deo acceptabilis militia, quæ mox in ipſa rutilare cœpit puericia. Fuit autem copioſus in eleemoſynis, in prædicatione diſcretus & ſubtilis, amator paupertatis, continui conſeruator jejunij: alumnus, & vas honeſtum ſobrietatis, contemptor totius carnalitatis. Obedientiam & humilitatem, duas videlicet ſorores egregias, ſibi conglutinatas præelegit, & peculiauit: & inter Monachos *Gemmeticos* Monachus manſuetiſſimus habitauit, & dormiuit. Multorum autem miraculorum patrator enituit: quæ tamen ſemper eſſe abſcondita voluit. Nos autem illa ſtylo celebriori digerenda dimiſimus: manumque noſtram quieti proſpectantes, à tanta falce ſubtraximus. Vixit autem ille Beatus annis ſeptuaginta quatuor, ſemper militans in procinctu: duntaxat vt togam mereretur. Euolauit autem ad locum à Deo ſibi deſtinatum: ſenex, plenuſque dierum. Senectus eſt enim venerabilis, non diuturna, neque numero amorum computata: ſed Deo placens, & benè diſpoſita. Fecerunt autem ei exequias celebres & lugubres, grex flebilis & pupillus *Rothomagenſis*, & *Gemmeticus*, quos omnes paterno educauerat affectu; cùm tamen ſcirent rationabiliter de eo magis gaudendum, quem Deus Deorum vocauerat ad cœlum: cujus Regnum & Imperium ſine fine permanet in ſæcula ſæculorum. Amen.

Gesta B. Hugonis à Baldrico, Dolensi Episcopo edita: examinantur, discutiuntur, & explodunturque variis mendis & salebris, veritati historicæ & rationi chronologicæ, repugnantibus, scateant, deducitur: Excerptum quoque chronici cœnobij Noualiciensis, de eodem B. Hugone, postea Abbate istius loci; pari correctione indigere, ostenditur.

CAPVT IX.

TAm multa sunt, tamque varia & diuersa, in prælatis, S. Hugonis gestis, vel coaceruata, vel conficta, ne dicam falsa: vt proindè à nobis gradatim sint discutienda, breuiterque enucleanda. Quòd in primis, notat de *Tassilone* Bojorum *Duce*; consonat vniuersa illius temporis historiæ, ad ann. 788. [a] Maximè autem de illius *Tassilonis* Monachatu, ad Gemmeticum cœnobium; [b] quo & debitum mortis tandem persoluit. I.

De filia verò eiusdem *Tassilonis* Ducis, quam vocat *Anstrudem*: à Carolo magno in Thori consortem, assumptam: repugnat omninò veritati historicæ: qua edocemur; non solùm *Tassilonem* Monachatum professum: sed & ipsius vxorem, velamen sibi imposuisse Religionis: & duas filias eius, vnam ex illis transmisisse ad *Calam* Monasterium, & aliam ad *Laudunum* Monasterium. [c] hæc Carolus magnus. II.

Præterea, vult ipsum Monarcham Carolum, ex ipsa *Anstrude* genuisse S. Hugonem: cùm tamen *Eginhardus*, testis oculatus, testatum reliquerit: ipsius matrem, nuncupatam fuisse Reginam. [d] Non re, sed nomine. [e]

Asserit *Hugonem* primogenitum extitisse, *Drogonem* verò natu minimum: cui omnes adhærsantur oculati Authores. Cùm enim Carolus 4. concubinis vsus fuisset ad Thorum, tertiam sibi copulauit, nomine Reginam, *quæ ei Drogonem, & Hugonem genuit.* [f] Eadem referunt *Theganus* & *Nithardus*: vti mox patebit. III.

Addit S. Hugonem jam adolescentem, Romam profectum, à Leone Papa, fuisse non solùm clericali militiæ ascriptum, sed & vsque ad Leuitam ordinatum: immò verò post reditum, vnà cum fratre suo *Drogone*, ad Episcopatus postulatum: ac proindè ab Episcopis simul consecratos: illum in Rothomagensem, illum in Metensem, Pontificem: ex sententia Concilij Aquisgranensis: instante ipso Carolo Rege, &c. Quæ certè mihi fictitia semper visa sunt, & commentitia: necubi re, quandoquidem contrarium scripserint propiores rei gestæ testes. *Fratres quoque* (inquit Nithardus, de Ludouico Pio Imperat) *adhuc tenera ætate Drogonem, Hugonem, & Theodericum, participes mensæ effecit, quos & in Palatio, vnà secum nutriri præcepit: & Bernardo, nepoti suo, filio Pipini, Regnum Italiæ concessit. Qui quoniam ab eo paulò post defecit, capitur; & à Bertmundo, Lugdunensis Prouinciæ præfecto, luminibus priuatur & vita priuatur. Hinc autem metuens, ne post, dicti fratres, populo sollicitato, idem facerent: ad Conuentum publicum eos venire præcepit, tetendit, ac per Monasteria, sub libera custodia, commendauit.* [g] Si adhuc tenera ætate erant sub Ludouico Pio Augusto: quomodo poterant in Episcopos consecrari, tempore Caroli magni? jam enim è vita excesserat. Eadem confirmat *Theganus* in hunc modum. *Eodem tempore, jussit fratres suos tonsurari, Drogonem, Hugonem, & Theodoricum, ad disciplinam mitigandam: & liberalibus disciplinis jussit instrui: quos postmodum honorificè constituit. Drogoni Episcopatum dedit: & Hugoni cœnobialia Monasteria.* [h] Assumptus est autem Drogo ad Metensem Pontificatum, ann. 823. juxta *Sigebertum*. Drogo, (inquit) *frater Ludouici Imperatoris, fit Metensium Episcopus.* [i] Quodquidem distinctius enarrat, Anonymus, qui tum rebus interesset Palatinis. *Gundulfo porrò (aut)* IV.

Metensi

metensi Episcopo, eodem tempore defuncto, Clerus omnis, populusque ejusdem Ecclesiæ, veluti uno spiritu animati; Drogonem Imperator. fratrem, sub Canonico habitu nobilissimè viuentem, sibi poscunt dari sacerdotem: mirumque in modum, tam Imperatoris, quàm procerum eius, sed & totius populi consensu, quasi quodam coagulo, in unum coniurauit, vt omnes id velle, nullus nolle, reperiretur. Ideò Imperator. cum summo gaudio petitioni Ecclesiæ annuit: eisque quem petebant Pontificem dedit. k

VI. Subjungit ordinationem S. *Hugonis* & *Drogonis*, in Episcopos; peractam esse in synodo Aquisgranensi, ann. 702. Regnante magno Rege Carolo: qui tamen eo tempore, necdum natus agnoscitur in tota Regum Franc. Historia Genealogica. Quod si illic, vitio librariorum, mendum irrepserit, legendumque sit, ann. 802. quomodò hæc sibi cohærere possint, haud video: tempus hujusmodi ordinationis, Pontificatus, & obitus, Nam, vt de S. *Hugone* specialius agamus: nil magis absurdum reperies. Scribit etenim, paucis euolutis diebus, à morte Caroli-Magni, Imperatoris, optimi patris, Hugonem Pontificatu, se, præ humilitate, abdicasse, postquam per viginti sex annos Rothomagensem rexisset Ecclesiam: sicque *Gemmeticum* se transferens, illic ferè decennio, monachum egerit, ac tandem annos natus septuaginta quatuor, sanctè quieuerit. Conueniunt omnes hunc Imperatorem obijsse, die 25. Ianuarij ann. 813. ceu 814. pro varia supputatione, cùm esset septuagenarius, ceu ann. 71. vel 72. Atqui S. *Hugo*, ferè decennio super-vixit: scilicet vsque ad ann. 824. quo è vita decessit, cùm esset 74. annorum: Igitur, quando Carolus migrauit è vita septuagenarius, ceu ann. 72. Christi veto ann. 814. S. Hugo, jam ann. 64. attigerat: sicque pater præcessit ætate filium, solummodò annis octo: cùm autem idem Carolus Rex jam antea complures filios & filias habuisset: profectò, eorum quosdam genuisset, antequam ipse natus esset: quod omninò ridiculum est.

VII. Deindè, ann. 814. agebat S. Hugo sui Pontificatus, ann. 26. ex quo sequitur, ann. 788. sumpsisse Episcopatum: quo tamen tempore, *Anstrudis*, prætenta eius mater, filia *Tassilonis* Ducis, vix eum concepisset in vtero; vti liquet ex præfatis jamrab initio deductis: præterea, si Caroli magni tempore obitus S. Hugo, esset 64. annorum; Pontificatusque sui attigisset ann. 26. quomodo dicitur adhuc tenera ætate vitam agere, sub Ludouico pio Imperatore?

VIII Denique, scribit, quòd cùm S. Hugo ad annos peruenisset quindenos; adolescens, Romam perrexit, vbi à Leone Papa III. Clericus factus est: quiquidem Leo haud summum Pontificatum adeptus est ante ann. 795. ergò Clericus euasit Hugo, post Episcopalem consecrationem obtentam: vel eo tempore nondum Episcopali initiatus erat ordini: cùm tamen eius dictis, S. Hugo jam sui Episcopatus annum sextum, vel septimum attigisset. Cætera verò, quæ exindè etiam deduci possent, vel aliundè afferri, lubens omitto; cùm fabulam potius redoleant, veritati, quę historicæ, & rationi chronologicæ magis repugnent; quàm quid certum referant. Ex quibus omnibus istud elicio, assertum, hunc *Hugonem*, Caroli Magni filium, monachatum haud potuisse assumere sub S. Aichadro apud *Gemeticum*.

IX. Aliunde verò se se offert de hujusmodi S. *Hugone*, Caroli Magni naturali filio narratio, quam sic habet Chronici cœnobij *Noualiciensis*, quod in valle Segusiana situm est, excerptum. „ *Post denique* inuasionem Italiæ à Karolo factam pergente eo „ in Romaniæ tellus, vbi & Imperium, & patriciati honorem promeruit; reuer„ tente eo, *Hugonem*, filium suum puerulum adduci præcepit, quem B. viro *Fro„ doino* commendans, rogauit vt in sancta & monastica professione, illum nutriret. „ Qui benignè eum suscipiens, aluit, & enutriuit, vt filium tanti Imperatoris de„ cuit. CAPVT X.

BEATVS Hugo, illustri genere natus, nobilior autem virtutibus factus, filius fuit *Drogonis* principis, primogeniti *Pepini*, majoris Palatij Franciæ. a Hic autem Pipinus cognomento de *Heriſtallo*, ab alijs dictus est etiam, *Groſſus*: Pipini à *Landa*, primi Brabantiæ Ducis, nepos. Cujus vxor extitit *Plectrudis*, Lotharingiæ, seu Austrasiæ Dynastæ; ex qua genuit *Drogonem* & *Grimoaldum*: sed ea contempta vxore legitima, *Alpaidem* pellicem super induxit, ex qua ortus 1.

a Codex MS. Abbatum Fontinellenſ. in eo Hugone. Apud D. Bigot. Dadræus in Archiepiscop. Rothom. sub eod.

ortus est Carolus *Martellus*; pater Carolomanni, & Pipini, *Brevis*: postea Regis Francorum. [b] Pipinus igitur *Grossus*, obijt ann. 714. [c] cùm prius migrasset, filius eius *Drogo*, Dux Campaniæ, ann. 699. [d] seu ann. 708. [e]

II. Propterea, Ordericus, de hoc ipso B. *Hugone* agens; sub-intulit: *Hic consobrinus Pipini, Principis Francorum, fuit.* [f] cui alij adstipulantur. [g] Quorsum autem dicuntur consobrini B. *Hugo*, & Pipinus *Brevis*? consobrini quippe vocantur, qui ex duabus sororibus, sunt progeniti, quasi consororini: potius namque dicendi forent compatrueles, quippe, qui ex duobus fratribus nati essent. Sed breuiter respondetur, more vulgari, ipsi communi appellatione consobrini nuncupari. Porrò, de pueritia, adolescentia, & statu laicali ipsius copiosè superius egimus, in Abbatia *Fontanellensi* S. Vvandregisilli, cap. 6.

III. Per id tempus S. *Aychadrus*, Gemeticensis Abbas, vitæ moribus, & virtutum coruscatione fulgebat. Ad cujus piam conuersationem, Beatus Iuuenis Hugo, diuina inspiratione succensus; disciplinam monachorum, & habitum, ex toto desiderio appetiuit, sacrisque magistri moribus informatus, omni virtutum genere perfectus emicuit. Interim S. Aichadrus moritur, ann. 690. obieruntque & B. Hugonis parentes, videlicet *Drogo*, & Pepinus *Grossus*; pater eius, & Auus; post quorũ decessũ, suscepto Regularis professionis schemate, in Gemeticẽsi cœnobio, publicè monachus effectus est. [h] Cui postea præfuit Abbas; & exindè ad Fontanellensem Abbatiam regendam vocatus, post fœlicem transitum S. Benigni Abbatis, ann. 722. eam aliquo tempore sanctissimè gubernauit: Tum demùm ad Episcopalem dignitatem, Parisiensem, deindè Bajocensem, ac Rothomagensem euectus; breui temporis interuallo, ijs omnibus illuxit. *Hugo*, (ait Ordericus) *Rothomagensis Archiepiscopus, floruit: & Episcopatibus Parisiensi & Bajocensi: Abbatiis etiam Gemmeticensi, & Fontanellensi, præfuit.* [i] Et rursus: *Ecclesiis etiam Parisiensi præfuit & Bajocensi; Abbatijs quoque Gemmeticensi, & Fontinellensi.* [k] Itemque Chronicon Rothomagense. *Anno Domini 722. Hugo. Hic fuit Rothomagensis Archiepiscopus; præfuit etiam Ecclesijs Parisiacensi, Bajocensi: Abbatijs etiam Gemmeticensi, & Fontanellensi;* [l] cæteros omitto: eadem attestantes. [l]

IV. Verùm, vt de ijs figillatim differamus: de Monachatu S. Hugonis apud *Gemmeticense* cœnobium constat: [m] de cœnobiarchia ejusdem apud *Fontanellam*, superius, vbi de ea Abbatia, copiosè annotauimus. [h] Sed à Normannis, postea deuastatus, in Prioratum redactus est, sub nomine ipsius S. Philiberti: cuius sacrum corpus exindè asportatum fuit ad S. Philiberti nuncupatum fuit, ex quo ipsius sacrum corpus illic asseruatum est; quod etiam-num honorificè, magna cum deuotione colitur, ab vniuerso illius patriæ populo. [i] Huiusce rei sic meminit Chronicon Cadomense & Rothomagense: ann. 836. Herio insulâ, *Translatio S. Philiberti: quando Normanni vastauerunt Britanniam, & alias terras.* Cui & Ordericus ita subscribit. *Tunc Normanni Britanniam, aliasque terras vastauerunt: & corpora Sanctorum Samsonis, & Philiberti, aliorumque multorum, præ timore Paganorum translata sunt*: hæc ille lib. 1. Normanni prædis assuefacti, cladem maximam toti Neustriæ ingerunt: præcipuè à parte Sequanæ amnis, Rothomagum vsque; cuncta inibi de populantes. Anno Domini 841. (inquit Anonymus) *Nortmanni, ab Oceano Euripo, Rotumam irruentes, rapinis, ferro, ignique Bacchantes, Monachos, populumque cædibus, vel captiuitate deleuerunt: & omnia Templa, & loca flumini Sequanæ adherentia depopulati sunt: & multis acceptis pecunijs recesserunt.* [k] Quo tempore *Gemmeticense* cœnobium grauia quæque sustulit ab ipsis: iuxta relationem eiusmodi cladis testis oculati. Verùm, omnibus accuratè perspectis, dicimus Normannos, semel & iterum irruptionem feciisse in Neustriam, per alueum Sequanæ fluminis: nimirùm ann. 841. sub Duce Oscharo, cum quo reuertuntur ân. 851. sub *Hastingo*, eorum *Antesignano*: quod author Chronici Abbatiæ *Fontinellensis* his verbis patenter exponit. *Eodem tempore, classis Normannorum fluuium Sequanam ingressa est, ipso die tertio idus Octob. CAPVT XIII.

I. ET si, finitimas Galliarum partes, iteratis vicibus, sæpius aggressi sint Normanni, nulli tamen sic audaci, obstinatoque animo, diutiùs institere, quàm Neustriacæ regioni, cujus rei causa toties, solum salumque percurrentes; ad eam tandem, resumptis viribus, protinus cursum dirigebant, vndè tot lucra ac deprædationes sibi obueniebant. *Oscharo*, & *Hastingo*, Archipyratis, alio dilabentibus: mox surrexit *Rollo*, Dux inclytus: Normanicæ prosapiæ heros strenuus, & claro stemmate; necnon militari potentia insignis. Qui in Angliam primo appulsus, deindè in Neustriam, traijciens, Sequanica littora lustranda sibi decreuit. „ *Anno igitur* 876. ab Incarnatione Domini (ait Dudo) nobilis Rollo, „ consultu fidelium suorum, librauit vela ventis nauigeris, fluminis *Scaldi* alueum „ deferens, atque permenso ponto, *Sequana* cæruleo gurgite, perspicuisque cursi„ bus fluens, odoriferasque excellentium riparum herbas lambens, fluctuque in„ flatiore maris sæpè reuerberata, secundum discrimina lunæ, inundantis maris „ pelago se immittit; aggrediens: nauibus, *Gimejas* venit: videnſque S. *Petri* mona„ sterium, monachilis habitationis domibus adornatum, sanctumque reputans „ esse locum, morari illic distulit, sed vltra flumen, ad Capellam S. *Vedasti*, naues „ applicuit: corpusque cujusdam virginis nomine *Hameltrudis* (quod secum aspor„ tauerat) super altare: S. *Vedasti* posuit: huicque capellæ ex nomine virginis no„ men sempiternum inhæsit, diciturque ille locus, ad S. *Hameltrudem*, ab incolis. [a] Sed *Dudo* videtur ignorasse (vt cum erudito *Menardo* loquar) vastationem Gemmeticensis cœnobij jam antea ab ann. 841. seu 851. ab *Hastingo* peractam: cùm ait *Rollonem* Gemeticum aduenientem, cœnobium S. Scio *Belforestum*, voluisse id jam fuisse reparatum: [c] sed perperam: cùm ex eo tempore manserit ann. 50. 40. vel 50. & quod excurrit; habitatoribus vacuum, desertum, solitarium, spinis & carduis scatens, ferarumque latibulum horrendum: vnde, nec mirum, si illic Rollo, figere pedem noluerit; sed in altera Sequanæ ripa, diuersatus sit.

EPITAPHIVM:

Quos deffendebat Guillelmus nemo premebat;
Auxilio caruit, ledere quem voluit.
Regibus ac Ducibus metuenda fuit manus eius:
Belliger Henricus Cæſar eum timuit.
Rexit Normannos viginti quinque per annos:
Militis atque Ducis promptus in officiis.
Cœnobium pulchre reparauit Gemmeticenſe,
Et decreuit ibi ferre jugum Monachi.
Feruidus inuicti coluit normam Benedicti,
Cui petijt ſubdi plenus amore Dei, &c.

III. Scribit Petrus Blesensis : Magistro *Alexandro* ; Priori de Gemetico , charissimo socio & amico, Epistolam, cujus initium est : *Prouiseram vobis*, &c. [k] Rursus ad Adrianum , summum Pontificem : super negotio Gemeticensi à se contecto. „ *Pro causa* , ex mandato vestro dirimenda, quæ inter Abbatem Gemmeticanum, „ & monachos vertebatur, ad ipsum monasterium vsque descendimus ; vt nobis „ facilius, de proximo facies Ecclesiæ, & rerum veritas innotescere posset, ac sine „ sumptu & labore partium, ipsa commodius controuersia, terminari. Cæterùm, „ in quamcumque partem debeat culpa conferri , certum est Monasterium anti- „ quum & nobile miserabiliter in spiritualibus & spiritualibus defeciſſe : tan- „ tusque inter Abbatem & monachos omnes, exceptis tribus vel quatuor, zelus „ exarsit, vt in omne tempus de reformanda inter eos concordia desperetur. Tot „ enim in ipsum turpitudines publicè protulerunt, vt necesse sit semper vtramque „ partem de vera alterius gratia dubitare, quoniam quiescente fortasse litigio, „ odiosa probrorum memoria non quiescet. Proposuerunt siquidem aduersus eum „ tria capitula ; primum, de turpi & Innaturali incontinentia ; secundum, de Sy- „ monia : tertium, de Dilapidatione, per quam, non tantum ad inopiam, sed & „ ad extremam inediam se dicebant esse deductos. Ne verò confusionem faceret „ multitudo, si de tribus promiscuè tractaretur, elegerunt primum illud de in- „ continentia capitulum : super quo septem accusatores monachos Sacerdotes, & „ nouem postmodum testes monachos itidem, sed diuersorum ordinum produxe- „ runt. Quorum diligentius explorato testimonio, cognouimus quinque, singu- „ los de singulis actibus singulare testimonium perhibere, nec aliquem eorum ali- „ quid cum alio percepisse ; sed per se sigillatim vnumquemque quod dixerat in- „ uenisse. Duorum autem, qui in vnius actus attestatione producti sunt ; repe- „ rimus alterum laicum, nullius ordinis, olim militem : ideoque ad exhiben- „ dam in Præsbyterum criminis probationem minus idoneum. Alter verò, cùm „ eo detracto, solitarius remaneret, à nobis est minus sufficiens reputatus. Porro, „ de duobus nouissimis, qui similiter in vnius, sed alterius actus testimonio proces- „ serunt ; alter subdiaconus & adolescens inuentus est, qui & ipse cùm ob vlterio- „ rem Abbatis familiaritatem suspectus esse fratribus incœpisset, se nihil inhone- „ stum, de Abbate percepisse constantissimè coram omnibus affirmauit. Vndè pro „ minori ætate, & ordine, & inconstantia sermonis exclusus, socium nihilomi- „ nus solitarium fecit : licet illum quoque lasciuius se gessisse, & pars aduersa di- „ ceret, & fama consentiens prædicaret. Quibus omnibus diligenter auditis, & „ cognitis, visum est nobis, ex sententia, cuncta quæ processerant, non ad pro- „ bationem, sed ad præsumptionem posse proficere ; quia probationis priuilegium „ solitaria testimonia non merentur. Quia igitur præsumptioni standum est, do- „ nec in contrarium probetur : Abbati est à nobis adjudicata purgatio, septima „ quidem manu, trium scilicet Abbatum, & trium monachorum sacerdotum, „ notæ, opinionis, & nominis ; quorum juramentis, vulneratæ famæ necessarium „ posset remedium comparare. Appellatum est ergò à monachis ad octauas Pente- „ costes, Apostoli postulati & traditi ; partibusque mandatum, ne interim ab eis, appellati nominis Apostolici reuerentia læderetur. [l] De eo ita habet Robertus de Monte ann. 1169. Chronicon verò MS. Becci, ad ann. 1166. *Obijt Petrus* Gemeticensis Abbas, cui successit Monachus Beccensis, nomine Rogerius, Deo & hominibus charus : in cujus diebus, multa bona euenerunt Ecclesiæ Gemeticensi, 17. Quaſdam literas inſpeximus, in hæc verba.

In nomine Patris, & Filij, & Spiritus Sancti.

Rex Dei, nutu ſuperni Regis, Comes patrie *Andegauie*, vitam & ſanitatem Chriſtianis omnibus, cum vitæ virtuſque profectibus. Volo notum eſſe tam Dominis meis, quàm fidelibus ſuis, & hæredibus, cunctiſque, quos monet cauſa, veritatis huius Carrulæ : hoc quod ioquitur, nunc ſcriptis eſſe factis, poſt illos, me firmaſſe. Regina Francorum *Aeelidis*, Regi Regum Aeeillata, mulimodè, ſi cut mulieres reperiere eius in gella, carera, quæ reliquit poſteris ſuis, bonitatis exemplum, quæ etiam iuſtè conſtituta fuit in memoria æterna, quandoni vellam, quæ *Gemellenilla*, vulgò dicitur, & propriè in ſumptus Regios expendebatur, dedit ad *Gemeticenſe* Abbatiæ capitale Monaſterium, quod in honore S. Petri, Apoſtolorum Principis, eſt antiquitus dedicatum. Illam verò, ne quiſquam eximè bi vendicaret, ſeltem in aliquo, violentia copidatus humanæ, ſaltò & confirmato legaliter Teſtamento, dedit in perpetuum poſſidendam, jure hæreditario cum ſuis omnibus appendiciis, manſionibus, Eccleſiis, molendinis, aliiſque hujuſmodi quamplurimis, quæ iuſtè vel iniuſtè mundanis vlurpantur legibus.

III. *Hoc autem*, ſicut tunc, manſit firmatum, ſic poſtea permanſit omnimodis firmum, vſque ad tempus Ani nici, ſcilicet, *Pauleri*, & ejuidem loci Abbatis, videlicet, *Rodberti*,

Rodberti, qui quondam sæcularium militia vrgente coactus, postulauit ab illo; vt ex ea terra, sibi fieret aduersus aduersarios aduocatus; & taliter legis mundanæ succrescente superfluo vsu, illa cœpit fatigari diuersi census innumero ritu, ad votum aduocatorum, vsque ad tempus meum. Quapropter vir bonæ memoriæ *Theodericus*, tunc temporis Abbas supradicti cœnobij factus, miseriæ incolarum condolens, & eam intima compassione ferens, studuit eius obtinere, meritis & precibus, vt superstitio tanta, vel talis abdicaretur penitùs. Indè igitur Rothomagensis monetæ sexaginta & duas libras mihi obtulit, necnon & sex equos, permagni pretij, præsentauit; & insuper tres monachos permisit deinceps futuros assiduè in prædicto Monasterio, qui regulariter militarent, pro animarum quarumcumque vellem remedio.

IV. *Ego autem*, hominem Dei offendere nolens, imò Deum in homine diligens, simul ac formidans, hoc, vt subueniret, ad redemptionem animarum suarum, *Auo meo*, & *Aniæ*, sub quorum manibus illa xenia increuere; vt adhuc succurreret patri meo, vel matri, quorum in Curia tributarios census constat, non tam quiescere, quàm remoueri, vt insuper mihi & conjugi meæ *Etiæ*, vel *Emmæ*, nomine, cunctisque nostris, ex carne nostra hæredibus, animarum & corporum adcresceret salus; recepi oblata, concessi petita, huius prolocutionis contentione alternæ.

V. *Quod qualiter* actum sit, vt liquidò pateat, terram jam dictam quæ ad prædictam Abbatiam, quamuis inquietè, possessione tamen pendebat, quando manus nostra & nostrorum, consuetudinibus varijs, & exactionibus diuersis, eam inquietabat, ligatam exsolui, solutam, dimisi, dimissam reddidi, scilicet, postmodum immunem, à consuetudinaria exactione, securam ab exactoria consuetudine: & vt breuiùs ac lucidiùs dicam, omninò à nostra, tam in bono, quàm in malo, aduocatione, vt ex integro liberata à nostris, nostrorumque legibus, monachorum tantummodo *Gemeticensium* inseruiret vsibus, quamdiu moueretur præsentis sæculi volubile tempus. Vt autem hujus conuentionis laudabile pactum stabile permaneret, ex tunc in perpetuum: indè hoc scriptum fieri jussi, & manu propria corroboraui. Quod si quis meorum hæredum, vel aliorum (quod Deus prohibeat) quorumlibet successorum, infringere præsumpserit, vi, vel quolibet ingenio, ex omnibus, quæ loquitur, ne dum in multis, saltem in vno; in primis, iram Dei Omnipotentis incurrat, eiusque virginis matris ad eum placandum auxilio careat; & à D. *Petro*, cœlestis aulæ clauigero retrorsum præcipitetur, atque à sanctis omnibus, vinculo maledictionis, nisi resipuerit, constringatur. Anno ab Incarnatione Domini 1030. indictione 13. Regnante Rege Francor. Roberto, Anno Regni sui 42. & filij eius concorditer cum eo regnantis anno jam quarto *Henrici*. Actum est hoc apud castrum, *Melantum* nominatum, sub assignatione horum testium. S. *Ego* Henricus, *gratia Dei Francor. Cujus petitioni ipse præpotentissimus princeps libentissimè annuit. Concessit ergò, Ecclesiam vnam cum vineis multis, & in Dominicatis, & alijs, terrasque arabiles, cultas & incultas, cum prato, & omni terra, quæ pertinet ad eumdem vicum. Quibus peractis, idem *Albertus*, quod Deo, sanctoque tradiderat *Petro*, liberum ab omnibus malis inquietudinibus, volens esse ac quietum, me Comitem *Vvalerannum* ag-

Illicio me deferentem quamplurimis inter nos quoque zelo, decrem libras nummorum mihi dederunt, ea profecto gratia, vt quotieque hic Colmus voluerim, per me, hereſeſque meos, ac eorumque ſucceſſores, eiuſdem dominium nunquam ſollitarem. Ec licet ſimiſſima pace, audiſſio diſcordia, Francl Normannique pigrant, tamen pralibata poſſeſſio, rata perenniter ſtabit. Porro tributum mihi nulla hominum futurorum vehementer cupidinem inuidebitur, & decreuerint, in altari nonplus tributum, quam hoc noſtro tempore, illis conceſſum eſt dare, videlicet: pro vna quoque libra, in deciſionem, denarios duodecim. Adſcriptum inſuper quondam cartam nobilis viri *Roberti*, fratris ejuſdem Regis Francie, quondam Comitis Drocarum, & *Agnetis* Britannie Comitiſſe, veteris eius de compoſitione practica factam, in hac verba: *Ego Rolertus*, frater Regis Francie, Comes Drocarum, & *Agnes*, Britan Comitiſſa, vxor mea, cum filiis noſtris. Notum fieri volumus preſentibus & futuris. Quod compoſitio ſubſcripta de Manerio Monachorum *Gemeticenſium*, de *Ros*, inter nos, & Petrum, ipſius loci Abbatem, mediante venerabili viro, Roberto Carnotenſi Epiſcopo, ordinata fuit: imo ipſa loci, ipſa fratres, Quod habebunt ipſi monachi propriam eam partem territorij de *Ros*, quam via Drocenſi tendens ad curtem Henrici diuidit a curtibus ſuis. Habebunt quoque illius partis hoſpites, ab omni omnino conſuetudine, quietos, liberos, & immunes: in cetum, quidi forte aliquis eorum, aliquem de hominibus noſtris, vel aliquem alium voluerit arare, vel occidere, & non deuenit prius ad vadiare, ſeque vltra prætaxatam viam, in propriam monachorum partem, ſequitur, nulli omnino licet eum, eo vſque perſequi, vel illi capere, vel iuſtitiam inde exercere, per manum monachi, nec noſtri, vel eorum hominis, incident, vel aliquo modo vaſtabunt, ſed communiter ad claudum ville & caſtelli illud conſeruabitur. Ea vero pars territorij de *Ros*, que eſt extra ſaepi dictum vium, a parte caſtelli, propria erit eorum noſtra, excepta Eccleſia, & hoſpitalitio, monachi

ibi manentibus, ex arbitrio & dispositione præfati Episcopi diuidendo: & ita etiam, quòd monachi habebunt decimam septimanam: in omnibus, redditibus mercati, & furnorum; decimam quoque frugum, & censuum, omniumque omninò reddituum, quos nos, vel hæredes nostri, in toto illo territorio habuerimus, vel per Castellum de *Bes*: excepto jure Ecclesiarum, acquirere potuerimus: ita liberè & quietè, sicut & nos nouem nostras habemus septimanas. Porro, etiam habebunt totum Teloneum olerum, porcorum, Alliorum, vnionum, omniumque herbarum, quæ vendentur, & ad pulmentaria faciunt. Feriam verò S. *Leodegarij*, nos & monachi communem habebimus per medium; necnon monachi, & homines eorum, in nemoribus de territorio de *Bes*, & in alijs, sub garantia, & tuitione nostra, accipient ligna & nemora, ad calefaciendum, & ad hospitandum, vbicumque homines nostri ea acceperint. Quod si contigerit aliquem hominum monachorum alicubi disturbari: nos ipsum, quasi aliquem de nostris proprijs hominibus, requiremus, & liberabimus. Omnia verò Pascua vtriusque partis hominibus nostris, & hominibus monachorum, erunt communia, quamdiu pascua fuerint.

IX. *Concedimus etiam*, quod & Abbas & Conuentus concesserunt, & nobiscum statuerunt: quòd terræ omnes, quæ sunt de proprio Territorio de *Bes*, hinc indè inter nos & monachos, funiculo metiantur, & partiantur per medium: ita tamen, vt agricola, qui ante partitionem, terram dirupit, & de nemore extraxerit, quietè eam habeat, & excolat, & Domino, cui terra illa in partem cesserit, campi partem reddat. In Molendinis autem nostris, quos habemus apud vlmellos in fluuio qui dicitur *Blesia*, habebunt monachi decimam septimanam, in Annona & Denarijs; ita liberè & quietè, sicut nos habemus nostras nouem septimanas, quamdiu ipsis placuerit mittere homines suos molere ad illos molendinos: cùm autem noluerint homines suos ad molendinos nostros ire, sed ad alios molendinos, molere, in molendinis nostris decimam non habebunt, nec reclamabunt. Amplius, si aliquis hominum monachorum in molendinis nostris aliquid forisfecerit, duplicem reddet molturam, pro emendatione per manum Prioris de *Bes*, monachi quidem de annona sua, quam molere facient, in molendinis nostris ad vsum suum, & ad vsum propriæ familiæ, nequaquam dabunt molturam. Concedimus etiam monachis, rogatu prænominati Episcopi, quod ibi capiant decimam suam, vbi nos capiemus nostram campi partem. Omnis præterea præpositus de *Bes*, infra triduum, quo præposituram acceperit, faciet Priori de *Bes*, fidelitatem, per Sacramentum, se legitimè & fideliter obseruaturum illis & successoribus suis omnia jura sua, in præscriptis redditibus, sicut in præsenti scripto continetur: nec se aliquo modo præpediturum quo minus illis ad integrum reddantur.

X. *Si quidem*, Ego Comes *Robertus*, & *Agnes*, Comitissa, vxor mea, & filij mei, vel quicumque terram tenebunt, hæredes nostri, ex deuotione, & recognitionis etiam, quòd sæpè dictum castellum in terra *Gemeticensis* Monasterij est situm, singulis annis, in festo Apostolorum *Petri & Pauli*, decem solidatas ceræ trademus Priori de *Bes*, vndè fiet cereus, idem Prior ad *Gemeticense* Monasterium deferat, vt accensus in diè festo, ad memoriam & honorem ibi effulgeat: quas decem solidatas ceræ, Prior & Præpositi nostri de *Bes*, in nostris censibus prædicti castelli annuatim, in festo S. *Remigij* accipient, easque homini, quem fideliorem reputauerint, & à quo Prior ad faciendum cereum in festo S. *Ioannis Baptistæ*, receperit, tradendas aptum duximus: pro quo beneficio, & alijs à nobis, ipsis monachis collatis jam, & conferendis, singulis annis, nostra Anniuersaria celebrabunt; necnon & hæredum Anniuersaria, quicumque post nos terram tenuerint. Quod vt ratum per succedentia tempora perseueret, præsentem cartam sigilli nostri attestatione communiuimus.

Audoeno monachilem habitum: & inſtructus coeleſtibus diſciplinis, miſſus eſt in monaſterium Pentallí vocabulo nuncupatum. Erat autem in eodem monaſterio inſtituta regularis monachorum, qui ſcilicet ad regendum parer Geremarus conſtitutus erat. Fuit enim ibi nonnulli malitioſi & impij, qui nolentes recipere praedictum eremitam, extorſerunt tradare de morte ipſius. Erat autem ibi conſuetudo in primo Calle: tantum ad laudes Dei ſurgere, & vſque ad crepuſculum hasti, in Dei laudibus, ac diuinis peruigilijs manere. Completo autem officio fuit monachis ire ad dormitorium: & illi prorerat conſilium inter ſe acceperunt, ut cubiculi beſtiarum ponerent, ut S. Virredienſis Eccleſia, ſuper cubiculum ſe eum impoſa corporis ingrederet, & ſic ſenectutem interficeret, quod & fecerunt. Manducatum cubiculi ſolo adhaerunt: eorum vero ſeni terri nudum in aris ſpatium exterunt. Reuertens B. Geremarus ad locum ſpiritus ſancti ubi orationi, ſtatim hoc quod non reperit ſolitum. Certe, tetigit manus ſuas, & diuinum ſuis in manum, innuit quod erat abſcuſum, ſtatim vt ſenſit fraudem eſſe paratam, reliquit locum, reuerſus eſt ad monaſterium. Et quod ſupererat noctis, per noctes ſuas ſtruens, ſuis in manibus laudibus Dei ſuis. Et mane primo, eum, quo ei contigerat, nemini indicauit. Tertia vero hora diei, in capitulo autem poſtmodum profectus rogauit, vt ei paſtoralis cura illum abſolueretur, & meliorem conſuleret. Quibus audiens paſſe ſuper te eligerent. Illi autem nolebant, ſed magis ac magis petebant, vt eos non deſe-reret. Pregens ergo ad S. Audoenum, locaſſecum eſt deprecare ut S. Peter, ei locum mihi ad habitandum, tuis precibus demonſtres: conſilio etenim, quod Deus te exaudiet. Tertia autem nocte, in ſomnis & oratiombus poſita, apparuit per viam veriſſeue Angelus Domini, dicens, Surge, egredere, & Flauiacum nuncupatur, & ibi mancrum deſiderium veſtrum. Mane autem facto, retulit eorque quod viderat; & gratias agerunt Domino, rendunt ad locum: &c.

II. Locus igitur praſtini Pentallí cenobij, ad Arctum annem, vulgo *Eſcaut*, in inferior Hondbudum, & Pontem-Adomarum: nunc omnino deſertus eſt, & habitatoribus vacuus: cuius fundatorem extitiſſe D. Audoenum, ſcribit Antonius Pagius, ſup. Porro, eadem habentur, & multò amplius, in vita eiuſdem S. Geremari, ex peruſinque. MS. Codice Abbatiæ Conchenſis excerpta: vbi cap. 5. ſub hi. hanc Audoenus, *Terra nos hora diei, poſt lectionis diſpenſationem, in capitulo, ante pedes omnium proſtratus, rogabat, vt à paſtorali cura illum abſolueretur, & meliorem conſuetudinemque parem ſuper le eligerent. erat ibi omnium timentium Dominum, & super patrem Geremiam, lamentantium, & dicentium; cur nos, pater, deseris? aut, cui nos desolatos derelinquis? quid egimus? quid in te commisimus? quemodo fuimus tibi contrarij? Ipse autem respondit eis; nemo vestrum extitit vnquam mihi contrarius in aliquo, nemo alienus, nemo malus, nemo durus, omnes mihi vt patres, vt fratres, vt veritatis amatores: nolebat enim prodere in publicum, quod inuenit in loco absconditum, ne locus ipse verteretur in exemplum malorum. Iterum atque iterum prosternus ante pedes omnium, rogabat ista Pastorali fede, abboluerent eum: illi autem nolebant, sed magis petebant, vt eos non deereret. Tandem victi petitionibus, cryptam, quam petebat, ei concesserunt. Reliquens autem Monasterium B. Audoeno, abiit ad praedictum locum, ibi se in orationibus die ac nocte dedit, faciens plurimam abstinentiam, majorem quàm facere consueuerat. Tandem ei gratum Dominus visus est eodo famulatu, coronam, vt cunctis mundi mentes transcenderet, & lapsus coelestibus fecerit se interesse. Beatus autem Audoenus, audiens famam sanctitatis eius, & fcirens meritum eius, in gradum Presbyterij eum ordinauit: cuius voluntati multum resistere voluit, sed Spiritu sancto eum compellente, praecepsit S. Pontifis obedire. Factaque Sacerdos, Dominos facere studuit. Offerebat enim sacrificium illi per singulos dies cum lachrymis & contritione cordis. Ibi in exemplum omnium positus, annis quinque, & mensibus tribus, in omnibus mandatis extitit sincerus & deuotus.

SAN-SIDONIVS GALLICE S. SAËNS.

Postan. 670.

I. HOC Monasterium nomen accepit à S. *Sidonio*, primo huiusce loci Abbate; monacho Genestetensi, S. Philiberti cœnobiarchæ discipulo, a quod *Prodegisilus* fcitè tenuit, dum eum remotis Conuentum S. *Ansberto*, Rothomagensis Archiepiscopi (cui charissimus erat) Romam ad Sanctum Apostolorum limineda profectionem, *Multi etiam*, (inquit) *comendabis viri, & Deo deuoti, vna cum illo profectis filii liceo prætulerunt: in quibus erat S. Sidonius grauis etiam, extremis Merouingi, quod nunc, per Metamorphosim, Sidonium appellant.* Quod ita cecinit, carmine heroico, versus Author, ejusdem S. *sanctitia* gesta referens.

Multa etiam plures nomen fecit sortitus;
Inter eos vnus Scottorum fertur creatus,
Nomine Sidonius, vir simplicitate probatus,
Ardenter : cessans, qui beatis temptet vitam
Diuinis, & Trinitatem precis in nomine dictam
Fecerat, & Deo placuerat sanctis moribus.

a Attendas illi, vt ait Gloriosissimus Merouæus, Rex Francorum, & Regis Francigenæ.

b Vt infra dicemus.

c Quod Ansbertus Archiepiscopus Rothomagensis, vt Romam ad Sanctum Apostolorum limina Petri, & Pauli Apostolorum Principum, proficisceretur, Abbatem Fontanellensem, qui nunc Sancti Wandregisili dicitur, ordinauit.

II. Dicitur itaque S. Sidonius, vel etiam S. Audoenus : hujus extructor ædificij, fed imperiosè accersiri libertatis & immunitatis Monasterij, Regis Francigenæ, & propterea, illius Monasterij agnoscitur fundator : quod ingenuè fatetur Hugo *Menardus*, ex vetere MS. Codice : hæc habentia. *Circa hæc tempora, Theodericus Rex Francorum, filius Clodouei II. ædificauit Rothomagi, consilium, quod pollice dicitur, S. Sidonium : qui perfectum habens S. Sidonij tertium, prum huic monasterio præfecit Abbatem.* Theodericus Regni fastigio habebat annum 667. & S. Audoenus mortis debitum soluit ann. 697. cui in pontificatu succeſit S. Ansbertus, cum quo & præcipui vinculum amoris nexit ipse B. Sidonius; vti habent gesta D. Leufredi, eius discipuli, in hunc modum.

d Menardus Hist. Sancti Benedicti, lib. 1. num. 697.

III. Euoluto autem tempore, cum iam dispensatio Diuina per eum plures locum-dos decreuerat, multis tunc B. *Sidonij*, vti Dei Leufredus *Archiepiscopus* vrbem, pronius adueniet : vbi præditus homo Dei *Sidonius Hiberniæ Britanniæ* insulæ ortus, virtutum splendore venerabilis habebatur. VII. Denique familia exiſtit illuſtriſſima, nomine S. *Sidonii* inſignita: ſub primatibus noſtris Normaniæ Ducibus Chriſtianis, Auguſtiſque quippe Richardus, vice-Comes Rothomagenſis. Cujus filius, fuit Lamberus de S. *Sidonio* 4 et quo geniti ſunt Helyas de Sydonio: Robertus II. Dux Normaniæ annus illimus. 5 Tunc Robertus Dux (an Gerbericus) contra tot hoſtes regnabum paravit, ut nunquam ſimum, quam de poſſibus habuerat, Helyæ, filio Lamberi de Sydonio Conjugem dedit, de Gerbe, cum Rosa, & adjecente proximitate, in Marinaio tribuit: ve adversarios reſiſterent, Caſtrum Constantum defenderet. Ille vero juſſa vindicet, compleret cepit. Roberto enim Duci, & Guillelmo filio eius, femper fidelis fuit, & ſub ducibus Regibus, Guillelmo & Henrico, multa pertulit, labores vidolices, arcubuſtum, ſtamna, exilium, ac mortalia pericula. 6 Adde, & annibonem exſtiti fuit S. *Sidonii*, et ipſe author tellatur poſtea ad ann. 1108. 7 Sed hoc illius, dedit illi Guillelmus Dux, *Arnulfo* ſuo caſtrum, ann. 1127. 8 Ab eo autem omnes duxit proavos Matthæus de *Sydonio*, cujus paulo ſuperius meminimus.

MONTIS-VILLARE.

Antiquitas huius cœnobij; Fundatio à Vvarattone, dynasta, tempore S. Philiberti, Gemeticensis Abbatis: destructum instauratur à pijs Ducibus Normanis; terris, donis, & redditibus, amplissimis ditatur; priuilegijs, & exemptionibus copiosè decoratur.

CAPVT I.

ANTIQVVM est præsens Sanctimonialium domicilium: ideòque Monasterium vetus Gallicè, *Monstier-vieil*, dictum; & prisca nuncupatione, *Monasterium-villare*, frequentiore vsu Gallico, *Monti-villier*, vocitatum: extat in Decanatu S. *Romani*, Diœcesis Rothomagensis, non longè à portu *Hari-fluctus*, ad ostia *Sequanæ* fluminis, estque Ordinis S. Benedicti: [a] in regione *Caletensi*, ceu *Caltina*, vulgò, *en Caux*, Situm. I.

Fatetur Arboretanus præsul ipsum olim fuisse constructum à S. Philiberto: [b] sed quo ad tempus structuræ eius hallucinatur, dùm paulò antea, hæc prescripsit. *Anno 740. aut circiter, cœpit religio Gemeticensis, authore D. primùm Philiberto; qui etiam fundauerat villare-Monasterium*, Gallicè Monsti-villiers. [c] *Nisi* fortè menda irrepserit, quam suo loco superiùs diluimus. [d] Sanè istud Monasterium fuisse ædificatum, tempore SS. Audoeni, Rothomagensis Archiepiscopi, & Philiberti, Gemeticensis Abbatis, satis superque indicat Author vitæ ipsius B. Philiberti. Cùm enim de mutua charitate, inter hos sanctos viros, tractasset, continuò subjungit, de fundatione huiusce domus sacræ. *Eodem tempore*, Vvaratto, Palatij Princeps, in Caltino territorio, oppidum donauit S. Philiberto, vt in eo Virginum Monasterium construeret: villare, id appellant, vbi, hodiéque viget sacra Religio. [e] II.

Quis verò fuerit ille magnus, inclytusque Heros, paucis aperiemus: ex gestis prætati Archipræsulis, S. Audoeni, in hunc modum. „ *Erat tum* in eius, quem di„ximus, Regis Palatio, primaria dignitate vir illustris *Vvaratto*. Is filium habuit „strenuum & industrium, sed animo ferum, ac moribus asperum, & ipsi parenti „suo insidiantem: *Gislemari* nomen erat illi; nec destitit à concepta malitia, do„nec patrem suo principatu dejecit. Etsi verò objurgaret eum B. *Audoenus*, quòd „tantam nequitiam aduersus patrem exerceret; at ille tamen, monita eius salu„taria audire noluit. Sed non multò post à Deo percussus, impijssimam animam „exhalauit: quemadmodum ei vir Dei ante prædixerat. [f] Hæc eadem ab alijs confirmantur. [g] At *Gislemaro* defuncto *Vvaratto* iterum honorem pristinum consecutus est. [h] Tum quoque anno 10. Regni Theodorici Regis Franciæ, & Crotildis Reginæ, res Palatij administrante eodem *Vvarattone* subregulo, apud villam *Clypiacum*, in agro Parisiensi, S. Audoenus, iam longæuæ ætatis senio confectus, in morbum incidit, quo & vitam finiuit die 24. Augusti, ann. Christi 677. [i] Cui successit S. Ansbertus, sub quo & ipse *Vvaratto*, decessit è vita, vti colligitur ex *Ansgrado*: sup. Quibus omnibus accuratè inspectis; in eam vltrò imus sententiam, vt præfatum Monasterium sit extructum circa ann. 674. ceu 684. non verò, ann. 740. III.

Hinc decurrentibus annis, diu integrum substitit: donec ab *Hastingo* Danorum, Northmannorumque Duce, Neustriam, Galliam-ve suis infestationibus, cladibus & incendijs diuexante, graue passum est excidium, circa ann. 850. 860. &c. par infortunium alia totius Neustriæ incurrerunt cœnobia: quæ certè omnia, non sine maxima, diuinaque prouidentia, peccata populi castigare volente, euenere; provt legere est apud Gemeticensem, rem ita referentem. „ *Eius igitur* permissu, IV.

Ob fælix omen Diuinitùs editum, hoc cœnobium, de Cruce S. Audoeni, poſtea S. Leufredi, cognominatum: cuius ipſe S. Leufredus fundator, & Abbas primarius extitit inclytus: ſacrum eius corpus vnà cum Reliquijs S. Thuriani, Dolenſis Epiſcopi, eius diſcipuli, Lutetiam delatum: SS. Agefredus, & Barſanorius Abbates ſucceſſores.

CAPVT I.

NOn ſolùm antiquitate, compluribus antecelluit Aſceterijs, ſed & cœleſti euentu, cuncta prorſùs ſupergreditur. Factum narrat *Fredegodus*, author fideliſſimus, agens de S. Audoeno, Rothomagenſi Archiepiſcopo: cuius verba lubens huc retuli. „*Cùm*, (inquit) „tempore, quodam, Paræchiam prædicando perluſtraret, & „per hunc ipſum locum iter ageret, curru vectus: (non enim „poterat nimio ſenio jam equo vehi) Muli, qui currum trahebant, ſubitò ſubſti„tere. Sentiens autem vir Dei, non ſine nutu Diuino, animalia „manere immota; confeſtim ſurſum erectis luminibus, vidit Crucis vexillum, „multo ſplendore latè circumfuſum. a *Fredegodus in vita S. Audoeni Archiepiſcop. Rothomag. cap. 17. Apud Surium 24. Auguſti. Antiquitates MSS. Normaniæ pag. 150.*

Dùm verò ſenio multo confectus, & æuo,
Dignus perpetuo ſacer Audoenus *honore,*
Villas & vicos, luſtraret, & oppida, pagos:
Nec veheretur equo, verùm reſideret in alto
Curru, non per ſe jam præſumens equitare:
Fixerunt greſſum Diuino numine fixum,
Nec poterant fixi currum diuellere muli:
Aurigæ ſtimulis inſtante, & verbere mulis,
Percutiunt, lacerant, ſtimulant, nimiumque coarctant,

Impingunt

Impingunt omnes, nil prorſus proficientes.
Sed Domini ſeruus rerum nouitate coactus,
Viſus ad ſuperi retulit ſpectacula cæli:
Quo Crucis almiſſuum meruit cognoſcere ſignum;
In quo percepit, cur ſic animalia fixa,
Siſtant, quidve ferat, vel talis fixio poſcat.
Tunc circumſpiciens, & plurima mente reuoluens,
Aduocat agricolam ſibi, quem propè cernit arantem:
De cuius ſtimulo, ſigno Crucis effigiato,
Reliquijs poſitis, infixit humo, atque receſſit.
At ſacer ille locus, Audoeni Crux *vocitatur,*
In quo mirantur virtutes, atque patrantur,
Præcipuè primum, quo contigit eſſe ſacratum.
Nam poſtquam geminis mundum nox veſtit alis,
Multi flammiuoniam ſubitò videre columnam:
Quæ fulgore ſui ſuperabat lumina Phœbi.
O Domini pietas, Domini miranda poteſtas!
Quàm benè ſublimat, vel qua diſponit, opimat!
Namque locus pridem non cultus, viſitur idem,
Atque frequentatur, colitur, Dominoque ſacratur;
In quo leproſis curatio, lumen & orbis,
Surdis ac mutis reparantur dona ſalutis.
Tunc ibi ſalutifera Crucis, atque Dei ſub honore,
Et patris Audoeni, *vitæ meritis Reuerendi,*
Fundatur Templum Leutfredi *rebus adauctum:*
In quo ſanctorum diſponitur ordo virorum,
Et Regi Regum famulantur nunc & in æuum. [b]

quam terrore Divino, animalia subiiciuntur, nec à loco moveri poterunt. Tunc
vir Domini, non absque mysterio, tam rantam fieri sentiens, familiare cum
Domino ferentem inijt. Et rece replicitem in coelum: vidit signum sanctæ Cru-
cis mire fulgore radians. Statimque animadvertit vir Dei plenus, reliquendere
posse ad terram, & terra ad coelum, quòd locus ille, tutus temporibus, Cru-
cibus Domini Jesu Christi veros cultores habiturus esset, qui Crucis mortifica-
tionem in corde, & in corpore suo, exercendo gestarunt efferri. Tali igitur visio-
ne gloriosus Domini Pontifex satisfactus: justit ibi afferri lignum, vnde signum
ipsius vinificæ Crucis effigiare posset, sed cum minuitur, non inuenitur: à nullo-
rum quidam, in eodem loco terram arante, parem illius pretio emerunt, ut
de qua vexillum Crucis figuraret, & scipsie congelto, defuper illud compositi,
fundi namque lectiquas ibidem colligunt. Quo facto iter, quod cœperat,
prosecutus est: ipsoque itinere perdulcem sibi ad præsium, quod vocatur Clye-
piacum, in quo finem vitæ præsentis accepit: & ad aulam Regni coelestis transla-
tus, virtutum etiam ad obtegen. Eorum terra peragitiosus, crebris miraculis
refplendebat; ita vt adiuentantium illuc miserorum multitudo, ptiffane sanitati
restituerentur. Quin etiam continuis nodibus, pubes splendidissima super ipsum
locum videbatur, pertingens coelum, ac si igne ad terram. Vicinis ergo incolentis
communem hujus, tanta rei notitiam fuspectabilis, quidam eorum exhalem horrei
fui fregit ingens fanctorum cœtus pariter cum Domino; illudque cum hoc de-
nique locum vir Dei *Leufredus* poft aliquot annos decessum S. *Audoeni* Archie-
piscopi, inuiste tertiatus, vifoque loco, annotatæ rei, (eo quòd eiet aqua-
rum, nemorumque, & vinearum fertilitate jucundus) miraculorum quoque
prodigijs, quæ ibi fiebant plurimum latisfactus: domum facram Domino Deo,
ibi conftruere accelerauit, in honorem fcilicet vinificæ Crucis, & fanctorum
Apoſtolorum, ac præcipui Confeſſoris Chriſti *Audoeni* Pontificis. Atque in eo
loco altare ftatuit: vbi Crux teſtimonium apparuerat. Sed & poſt modicum tem-
pus, congruentibus habitaculis eandem cellulam cinxit: atque Monachorum
in conſeruatione nobilitauit. Siquidem ex diuerſis partibus ad eum confluebant,
qui poſſeſſiones agrorum ſuorum vendentes, pretia ante pedes eius, fecundum
morem primitiuæ Eccleſiæ deferebant, vt diſtribuerentur omnibus, prout cui-
que opus eſſet. Alij autem de facultatibus ſuis eumdem locum ditare certebant:
vt de reddituibus rerum ſuarum, per futura tempora ſervi Dei ibidi habitantes,
neceſſaria acciperent. Dein non poteſt quanta celeritate locus ille, Domino
exaltauerit: itain breui ſpatio multi, preſertim pauperes abilicas, conuerſi ſint ad
Dominum.

Poſtquam igitur S. Leufredus, per multa annorum curricula, cœtum ipſum mo-
nachorum diuina pace rexit, quos ipſe Domino, miris virtutum exemplis, &
monitis ſalutaribus acquirebat, appropiauit tempus vocationis ad res ſæculares: i-

ctute bona: plenus dierum & bonorum operum: die 21. Iunij, circa ann. 730.
quod ita diiudicandum venit. Confule quippe S. Leufredum vitam monaſticam

assumptis, tactum ipsum ad terreditionem minus idoneum, Diœcesis Episcopo præfentantes, qui per dictum illum Custodium, Abbatem præfat. Monasterii S. Vos ergo videntes verbum proposituum retardari, ne aliquid in præjudicium Monasterij dicti fieret, fedem Apostolicam appellastis: à qua postmodum, ad venerabilem fratrem nostrum, Henricum Episcopum, & dilectos suos Henricum, cantorem, & R. Monachi item eligentes nihilominus in Abbatem, ad hoc dictos Henricum Epis-

merito non fiebat, pol appellationem quoque ab eodem procuratore interpo-

MONS S MICHAELIS. ANN. 709.

GALLICÈ, LE MONT S. MICHEL.

S. Michaël Archangelus, Christi signifer, ac primas cœlestis exercitus, Apparens S. Aucherio, Abrincensi Episcopo, monet locum in vertice Montis Tumba, sibi consecrandum; cui pius Antistes obtemperat, extructa inibi Ecclesia.

CAPUT I.

I. MOnachi rupes asperitatem Mons erat, cinctus Sylvis & fallibus, ad fex milliaria in longum, ad quatuor in latum, produdus, hinc solo, inde mari Oceano contiguus, quatuor leucis ab Arboreto urbe distitus, in confinio Normaniæ, & Britanniæ Armoricæ dictus, *Mons in procella Maris*, vel, *in periculo Maris*; aut *Mons in Tumba*, in cujus radice fedem fixerat eremitæ nonnulli, animo pietati & Deo maxime addicto. Clhos, & alimentis illi mitere solebat Parochus de *Beaucey*, Deo tunc ipsorum indigentium vitibus faper ædes eius signo manifestante. Huic fecreto ferendæ alimoniæ munus, qui prædictum fachus eft lupo fibi obuiami, qui Divina Providentia ac potestate id officii exhibere coactus fuit; quod olim corui Elyam in deferto pafcentes, vti Ecclesiæ propugnantes, & Leonis tumulum S. Paulì Eremitarum coriphæi, cum S. Antonio fodientes.

Anno circiter 709. placuit Deo, vt Princeps Angelorum, & fummæ cœlestis antiquus Synagogæ Hebraicæ protector, vti nunc Ecclesiæ Catholicæ, veteris ferpentis victor, fanctarum animarum conductor in cœlum, S. Michaël, colere tur in hiis plagis Occidentalibus, veluti in Monte Gargani, ad Orientem. Quid ità quandoquidem Patriarchæ, & Prophetæ, Abraham, Loth, Iacob, Iosue, Daniel, Daniel, Zacharias, vterque Tobias; Angelos fanctè colerunt, ante eos fefe profternentes. Itaque S. Michaël Archangelus, apparuit, D. Auchberto, tum rotio, Abrincenfi Epifcopo, cui fe nouus fecit: dixitque Dæmi velle, vt ædificatur templum in præfidio monti, quod Tumba nuncupatur dicatum. S. Epifcopus non leuiter addens fidem omni fpiritui, hoc difficilis negotium, fecundo Angelus apparuit, & eadem quæ antea retulit. Venerabilis & prudens pallor, experiri volens, arbitr vifio & reuelatio effet a Deo, nec ne, turbas interrogat Apparitionem difficilè ; quem tunc Angelus in crederido & obtemperando minus leuem arguit, cumque eius digitum in feria, vt fuerunt eliammus in eo videre licerat (quod & ego latens confpexi anno 1612. & 1614.) perpetuam ac indubitatam veritatis argumentum. Quod non minus leri potuit, & credere poffumus, quàm quod Angeli cæpiflent a damnum & Eutm Paradifo terrefiri; Loth Sodomæ abscedens: ac alia quamplurima in laudem Dei, & famulorum eius patrantium. Quare S. hic Epifcopus, exporta vifione, mandatoque Angeli, cæpitis etiam feruentes fuis Canonicis, & venerandis Ecclefiæ miniftris obtradit, quibus cognita, addidifque operatijs pluribus, ad montem pergit, eius cacumen attingit, illic templum, vti in mandatis habebat, ædificarunt, eodem tempore Archangelo, variis reuelationibus, fique habebat dubia, eximente, & fignis magnificiante, quo in loco, qua magnitudine, quove modo, illud ædificare deberet.

II. Interea, Tumba, in eadem infula à latrone furtim capta, figuræ in hoc illa, vnde Epifcopus certo ordinatis mensuris, vt locus ipfe fundamentum iacerer, quo paratum fi gnum inuenirer; & dicit cum certum pebbus centrinfile videret, & Ec-

II. Rollo 1. Dux Normannorum, Chriſto, per lauacrum aquæ ſalutaris, regeneratus, ann. 912. tanti in ſe collati beneficij haud ingratus, vel immemor, petijt ab ejus Baptiſta Francone ſcilicet, Rothomagenſi Archiepiſcopo, quæ ſacræ ædes in ſua Prouincia, per Neuſtriam cultu præcipuo colerentur, vt eas donis cumularet ampliſſimis. „ *Hisc* conuocato Francone Epiſcopo, quæ Eccleſiæ veneratiores, in ſua terra haberentur ſciſcitatur: & quæ potentiores merito & patrocinio ſanctorum dicerentur. Tunc Franco; Rothomagenſis, & Bajocacenſis, atque Ebroicacẽſis, Eccleſia, Sacroſanctæ Mariæ, matris Domini noſtri Ieſu Chriſti, & Virginis, in honore eſt dedicata. In periculo maris Eccleſia monte poſita, Archangeli Michaëlis, paradiſi præpoſiti, nomine prætitulata; &c. Quibus ſufficienter edoctus, illicò vnicuique iſtarum Eccleſiarum, gradatim, iuxta ordinem, quo Pontifex enumerauerat, dona maxima dilargitus eſt: & quarto die, à ſuſceptione ſacri Baptiſmatis dedit. *Archangeli Michaëlis Eccleſiæ vicibus inundatione procellarum maris circumſeptæ, ſecundum curſum Lunæ, incrementi ſeptenarij numeri diſpoſitione.* Ita *Dudo*, grauis & vetus Author. III. Attamen ſimile excidium tulit, quod aliæ ædes ſacræ, per Neuſtriam ſunt expertæ, ſub inuaſione, & excurſione Gentilium, Paganorum, & aliorum, patriam, Galliamque vniuerſam infeſtantium. Rollo ſiquidem primus Normannorum Dux, in „ in primordio ſuæ conuerſionis, plurimas poſſeſſiones dedit Eccleſiæ S. Mariæ „ Rothomagenſis, & S. Mariæ Bajocenſis, & S. Post predictorum huius Ecclesie ordinationem, quamplurimum affuerunt serendi hominesin regione vitra Anglium fita (quidam putant ex Hyberna) tuleruntque hec arma & insignia, publice affirmantes in sua Provincia, sub Regno Ilge principis, fuisse insignem ac horrendum serpentem, plus tanquam gladius asperum, tenens lethifero pennum: cuius ventus & status pestifero, herbe arelectum, arbores verbarunt, animalia deficiebant, homines expirabant, patria ipsa deserta manebat atque inhabitabilis. Sapè accedebat ad nitedum & lacidum homorem, originem cuiusdam fluvij: quem ita inficiebat, vt brutu animantia ac homines, absque periculo mortis sibibat, fumere non poterent. Accole igitur illius fluvij, unanimis prefij angustijs, Dei opem sollicitarunt, & consilio Episcop, fanctis atque meritis Patroris, tribus diebus jejunia & preces continuauerunt, non tiedidiores elemosynas erogantes: vt adueriis discursum ita funestum, penam habere propitium. Tali mortecarentis, intra eius pedes aduertunt parualum fontem, & decliuum, quem ferebant: & cum libi non poilent perfuadere, quin tam potentem aduersarium profratum armis ita immobilem fecisset, & ad tantum effectum impropris: immortalis Deo gratias egerunt ob relatam victoriam, eoquerantusque feruentes, vt huius operis authorem reuelaret, cui debitam honorem deferret quem max ime cupiebant. S. Epifcopo, interea orante, humi profratus, lachrymis effufis, atque orationi, tota corde & animo, dedito S. Michael apparuit, & hec dixit. Ego fum Michael Archangelus, ímper Deo prouisus ad tutelam & defensionem mortalium. Iste me belluam hanc occidille, quam nemo inhis orbis tellus profternere, nunquam valuillet. Hac arma (nempe fcutum & gladius) mea funt: non quod illis ad hunc effectum egerim, fed ea amisi, & illicet reliqui, vt homines armis illis terrestribus & vilibilibus, apprehendant vim & potentiam spiritualem ac inuisibilem, quam à Deo accepi, vt eos protegerem ab hoftibus vilibilibus, & inuisibilibus, brumeque à laudate; qui multiplices vtrobilis, vos ab aduerfarijs vtrisque liberauit. ANN. 1013.

BERNAYVM.
GALLICÈ BERNAY.

Iudith, vxor Richardi 2. Ducis Normanniæ, Fundatrix: quam ipſe Dux piè imitatus, Fundationem auget, & confirmat, ſua carta: idemque agit Philippus 3. Audax, Rex Franciæ; Duo primarij Abbates referuntur.

CAPVT I.

BERNAYVM Neuſtriæ oppidum eſt haud ignobile, ad *Carentonam* fluuium Diœceſis Lexouienſis; vbi extat hæc Abbatia, ordinis S. Benedicti, dicata Beatiſſ. Virgini Mariæ, Deiparæ: quæ taxatur ad 1200. florenos aureos pro Annatis cameræ Apoſtolicæ ſoluendis. [a] Cujus fundatrix inclyta, extitit, Iudith, ſoror Goisfredi Britannorum Principis, deſponſata autem Richardo 2. Normanniæ Duci. [b] Teſte Guillelmo Gemeticenſi: *Iudith verò, vxor eius, Eccleſiam S. Mariæ Bernai fundauit:* [c] Idem atteſtatur Ordericus: *Iudith* (inquit) *vxor eius, ſoror Gaufredi Britonum Comitis, cœnobium apud Bernaicum, in honore S. Dei genitricis Mariæ fundauit.* [d] Quod & ab alijs confirmatur. [e] Fundatrix itaque Iudith hoc cœnobium extruendum curauit, & opus jam impenſè proſequebatur, cùm repentina mors, eam de medio abſtulit. At Richardus, Dux pientiſſimus, votis amantiſſimæ conjugis demortuæ obſecundans, & fauens, totum adimplendum aſſumpſit: qua de re cartam ampliſſimam in hunc modum edidit. I.

Diuina propitiante Clementia: Ego Richardus Normanorum Dux, omnibus Chriſti fidelibus, toto orbe terrarum, longè latéque diffuſis. Nulli dubium videri debet futuros eſſe hæredes Regni cœleſtis, & cohæredes Dei, qui Chriſtum hæredem ſui facientes, eorum, quæ in hujus vitæ peregrinatione, quaſi quadam paterna hæreditate poſſident, locis ea Diuino cultui deditis mancipare non dubitant. Ad quam rem, noſtram firmat fidem calix aquæ frigidæ, qui juxta Euangelicum verbum, ſuo pollet munere. Non ergò diuini muneris gratia priuari credendi ſunt, qui Eccleſiaſticis obſequijs, & ſi officio non interſunt, rerum tamen ſuarum adminiſtratione, Diuini officij ſuſtantant miniſtros: ea ſpe temporalem ſubminiſtrantes alimoniam, vt ſic ſolummodò cœleſtibus reddant intentos, qui cœleſtis Regis aſſiduo conſtituuntur inuigilare obſequio, participes fiãt ejuſmodi beneficij omnimodò. Qua ſpe & deuotione ſubnixa, mihi à Domino conjunx conceſſa, quæ *Iudith*, ſuo eſt nomine appellata, delegit Chriſtum hæredem ſui facere, eius, quod illi dotali lege, conceſſeram fundi, ac familiæ, noſtram piè expoſtulans vnanimitatem, vt eius ſuper hoc voluntati fauerem. Quia verò hujuſmodi ſupplicationibus ſemper libenter annui, ſicut carnalis nos copula vnum fecerat, dicente Domino; Erunt duo in carne vna. Ita & vnanimem ſeruans fidem, eius deuotioni aſſenſum præbui: vt quod mente tractauerat, ex Diuino adjutorio complere ſatageret. Igitur diſpoſito operi principium ponens, in honore B. & glorioſæ Dei genitricis Mariæ fundamenta poſuit in loco hoc, qui *Bernaicus*, priſcorum dictus eſt vocabulo; præparans ipſa Monaſterij ædificia, monaſtico ordini congrua, quem eo in loco ordinare diſpoſuerat. Sed cùm necdum, vt oportuerat, perfeciſſet, piam in Chriſto accepit dormitionem: cujus ego animi conſcius, ſeruorum Dei aſſiduam conſtitui habitationem, committens illud venerabili, Vvillelmo Abbati perficiendum, & monaſticè ordinandum, qui in locandis fundamentis, modicum præſtiterat conſilij auxilium. Concede ergò, pro animæ meæ remedio, & illius, II.

1. PRIVSQVAM ad vlteriora progrediamur, immorandum nobis est, circa Donationem Prioratus de *Bolebec*, huic conobio, tempore *Vitalis* Abbatis, ann. 1061. factam prout carta subsequens indicabit. *Pij piorum* fructus operum ad æram Domini, deferre non possumus, vel vlmus saltem infructuosa, vinea palmites fundere conentur, & quia remuneratorem omnium in iudicio diuorum non ambigimus: Quod vel ex fratribus meis fecilis, mihi impendisse cognoscatis. Hac ſpe laturiſere vocis roborati: vt hanc Domini ſeruentiam ſecuri audiamus, totis nitibus laboremus. Scimus enim, quia à fuo non fraudabimur deſiderio; quos pauperum ſpiritu ſublimauerit ineffabilis. Eſt igitur æquum ac ſalutare conſilium; vt eis temporale impendamus ſolatium, quorum precibus, ad æternum optamus tranſire conſortium. Ego itaque *Rogerius Porchet*, quia Deum offendiſſe, me doleo, ac propter hoc, ſeruorum Dei ſuffragijs, Deo, ac ſanctæ Mariæ de *Bernaco*, atque D. *Vitali*, eiuſdem Monaſterij Abbati, & Monachis, inibi Deo famulantibus, quartam partem Eccleſiæ S. Et ego *Ada de Raphetot*, commiſſa, quæ peregi deleri cupiens, pro remedio animæ meæ, dimidiam partē quartæ partis eiuſdem Eccleſiæ, ipſis Monaſterio & ſeruis Dei, concedo. *Concedimus* etiā eis non pariter hic nominati, decimam totius Thelonei noſtri de *Bolebec*, & omnium molendinorum noſtrorum, atque Bercuriarum. CAPVT I.

I. IN occiduis partibus, tunc temporis diuæ memoriæ Richardus Normaniæ Princeps erat egregius: Richardi Ducis cognomentò Senis filius. Siquidem Rollo, qui & Robertus, Danorum Dux nobilissimus, atque fortissimus, qui eamdem patriam debellando cœpit, clarisque potitus triumphis, suæ, suorumque hæredum ditioni perpetualiter subegit, huius proauus extitit. Is ergò glorioſus Princeps Richardus, virtutum gratia redimitus, non solùm vicinis, sed & exteris, & procul positis nationibus habebatur opinatissimus; quia erat bello strenuus, hostium oppugnator fortissimus, & erga Dei cultum fide Catholicus, iudicio iustus, pupillis & egenis non mediocriter dapsilis, humilitate mansuetus, totius Regni sui moderator ac propagator egregius. Huius tam liberalissimi Principis fama, penè ad vsque mundi Cardines, peruolauerat: adeò vt præfati monachi B. Catharinæ de Monte *Sinaj*, eius comperta opinione, missos ad eum dirigerent; quatinùs sibi pro sua, totiusque orbis pace ac salute orantibus, aliqua suæ largitatis munera, scilicet, ad restaurationem sui Monasterij, & victus subsidia transmitteret. dentia, cæterosque præire videbatur, non fine Diuinæ (vt opinor) dispensatione, iniungitur : vt scilicet incomparabilem thesaurum, quem penes se habens occultum S. Martyris amore indefinenter ferebat, congruo tempore reuelaret, Occidentali populo salubre sieret remedium. Quatuor ei etiam monachos, tamulofque nonnullos adjungunt in itinere, quorum ope & solatio commissum sibi negotium fremuit valentes explere.

Profecti itaque ferui Dei, emenso cum longo terrarum spatio, tandem ad prædictum Normaniæ Ducem perueniunt : eique tractarunt precum præbuisse salutamina, rem, pro qua venerant, humiliter pandunt. Qui cernens pauperioris cultus homines, sed Diuinæ religionis non contemnendos cultores : omnemque eos ac honorificè susceptit, ipsorumque gratanter fauens petitioni, cuidam fuorum Primatum nomine *Gisselino*, viro nobilissimo, qui eius erat à secretis, commendauit : vt eis hospitalitatis curam impenderet, & quæ necessaria erant sufficienter ministraret. Hic verò *Gisselinus*, vna cum conthabili coniuge sua, oneratos *Iumenta*, licet sæculi opibus & honore infignes habentur, nullo tamen ex hoc superbiæ fastu tumebant : sed ærternorum accensi desiderio, magis cœlestia quàm terrena eligentatis gloriam affectabant. Erant enim inopum ac peregrinorum susceptores assidui, Xenodochiorum & Monasteriorum fundatores deuoti, exercitiique bonis operibus jugiter intenti. Quinon tam principis Imperio, quàm miræ deuotionis studio, B. Symeonem, eiusque commilitones, ac si Christum hospitiosè susceptisse in domum suam gaudentes, eos humanè tractabant : pijsque delectare obsequijs fatagebant. Interea Clementissimus Princeps Richardus, charitate profluus, misericordia copiosus, feruorum Dei motus necessitudine, tamque prolixi itineris laboré, primum eis præsentibus affluenti rerum collatione affluit, dein per eos absentibus plurimos equos fuorum diuitiarum copia omnibus mitit : ficque extra fui regnimetas benigne conducere jussit. Itaque viri ex itinere recreati ; & quæ petierant, largissime sunt adepti. Venerabilis Symeon, fratres, qui secum venerant, principis benedictione & munere audito, ad propria remisit.

phano, viro nihilominus sancto, biennio permansit. Cunque ad intimos de animæ salute, & æternæ beatitudine, mutuo sermocinarentur, prælibatus heros, eiusque coniunx, videntes eum cœlesti sapientia præditum, sanctitatis gratia decoratum, cœperunt eum ex affectu diligere, & quicquid cordi ibi inerat, dulciter aperire. Interque ei & hoc fui animi patefacunt desiderium, quòdque sæliceret ex propria facultate, cœnobium vellent construere, & aliquos ibidem sub regulari obseruantia monachos aggregare. Audiens hoc B. Symeon, valde gauisus est in Domino, quia cernebat jam Diuina præordinari dispositione, vbi S. martyris Reliquias, quas secum attulerat, digné & competenter valeret collocare : vt scilicet, Occidentalis plebs rali gauderet suffragio. Illamque perpetuo celebraret tripudio, eiusque frequenter releuari mereretur Antidoto. Corpit ergo eorum animos multiplici hortamine incitari, vt ea, quæ mente conceperant, ad effectum perducere satagerent : pollicens fe eidem Ecclesiæ, quam Deo disponebant construere, tale aliquid collaturum, quod omni auro, gemmisque, aut ornamentis, pretiosius, rodarum ac lilium flore fuauius, pigmentorum, & Thimiamatum odore fragrantius, ibidem excoli & adorari deberet in perpetuum. His igitur nellifluis animarum verbis, simul & exhilaratus promissis, vir inclytus *Gisselinus*, ocyus fanctum opus aggreditur ; collectasque manu artificum, haud procul ab vrbe Rothomagi, in vicino monte, nobile Deo vilus est condidisse templum. Quod B. memorat Robertus eiusdem vrbis Pontifex, cum nonnullis eo-Episcopis, præsente inclyto *Duce* Normanorum Roberto, excellentissimi Principis Richardi (cuius superius fecimus mentionem, qui etiam jam in Domino obierat) filio, fuisque tutius Regni primoribus, ac plebe innumerabili 17. Calend. Septemb. confecratur in honore sanctæ & individuæ Trinitatis, sanctæque Dei genitricis Mariæ, atque omnium Sanctorum, anno videlicet 1030. ab Incarnatione Domini.

Quendam etiam venerabilem virum nomine *Hemfermum*, genere *Teutonicum*, tam diuinis, quam humanis literis eruditiffimum, & in omni religione perfectum (qui in comobio S. *Ambrofii*, antiftitis præfatæ vrbis, profeffus fuerat monachum) eidem Eccleſiæ præficiunt. Hic fiquidem, quo ad vixit, comobium ibi commiſſum firmauit & laudabiliter rexit : ac veluti bus monachis à fe decenter inſtructis plurimum robuſtauit. Extenſo igitur, vt prædictum eſt, Monaſterio, ac diuerſis, quæ tribus neceſſaria erant, pro loci opportunitate, habitatoribus : B. *Epiphius* te non immemor ſponſionis, præfatiſſimus gloriofæ Virginis & Martyris Chriſti *Catharinæ*, Reliquias, quas ordine, quo diximus, à monte *Synai* detulerat, memorato viro *Gofelino*, & eius fereniſſimæ coniugi *Emmelinæ*, ad decorem & honorem ipſius Eccleſiæ condonauit. Quas deinde venerabilis Abbas *Hemfermus*, vna cum fratribus, ab eis comitanti gaudio & reuerentia ſuſcipiens : honorifice in eadem Eccleſia externaliter adorandas collocauit. In commune itaque ab omnibus noſtri Salvatoris nomen beneficiatur, ex vota omnibus prædicatur : qui locum ſuum tam ſolici huiuſmodi reliquiarum, tamque incomparabili theſauro præditauit.

V. Verùm de obitu S. Viri, qui horum ſolicium meruit eſſe delator pignoris, pauca eſſe memorandum. Poſtquam enim, vt prædiximus, ſeruus Dei *Symeon* apud ſuæ dictum illuſtrem virum *Gofelinum*, & eius coniugem, per bonum annum, & eo, ob impenſa ſibi plurima deuote ab eis beneficia, & pie charitatis obſequia, ad honorem Eccleſiæ, quam fundarunt, harum ſanctarum Reliquiarum xenia largitos eſſet : turbis ad propria reuerti cupiens, *Treueren* petuenit ad vrbem. In qua, ex itinere fatigatus, aliquantiſper cupiens remorari : corporali percutitur molestia, & ex hac mortali ſæculo, in æternitatis adeſcifci meruit collegio. Qui ibidem à fidelibus honorifice ſepultus, magnis vtique hodie fulget virtutibus : vnde non pro tanti viri merito, gratiarum actiones perſoluimus Chriſto. Namque per hunc in nobis exhibitas atque publicis, Virgo Beata Dei gratia ſua munera mitis, hic ibi, ſuis adeſt, : ad cujus buſta frequenter mira fiunt terris ad laudem cunctipotentis. Stephanus quoque viri Dei miniſter idoneus, & ipſe in-breui defunctus : cujus vita fuerit, nihilominus, ad eius tumulum, ſignorum copia patebit. Hæc de fanctarum Reliquiarum Tranſlatione, necnon & comobij, in quo venerantur, conſtructione, paucis dixiſſe ſufficiant : &c.

VI. Ex qua quidem Relatione, diſcimus in primis, diſcrimen haud parvum, inter ea, quæ inibi alata ſunt de illo, viro Dei, B. *Symeone* : & quæ apud alios leguntur : ſi fed quæ ſeruus, loquimur, & quæ vidimus, teſtamur : quamquam in hoc omnes conueniant : vt hunc gloriolum Aſceram Treuiris obijſſe Calendis Iunij, aſſerentes : quem ob clara ſanctitatis indicia, crebraque per eum edita miracula, Benedictus Papa IX. ad inſtantiam Popponis Treuirenſis Archiepiſcopi, Apoſtheoſi donauit. Quæ de re fuſius ferme redibit ad 1. Iunij. Moritur autem, non ann. 1005. vt perperam nonnulli arbitrantur : ſed forſitan, ann. 1015. iuxta Sigeberum : rectius ann. 1025. hinc liquido patet, nullatenus de eo mentio haberi apud Bedam (quod tamen ſcribit *Baronius*) quem conſtat plurimos præceſſiſſe Epiſcolis.

VII. Deinde fatis ſuperque apparet præfatum *Gofelinum* hujuſce cœnobij fundatorem extiſſe, virum inclytum Nobiliſſimum, inter primates pucis Normanicæ Richardi : (cui erat ſecretis) opibus & honore infignem : necnon mirabilis virtutibus pollentem. *Wiccemitum* eum vocat *Gemeticenſis*; dicens. *Iam Wiccemus apud Rothomagum in monte, ſtruit imminenti, cœnobium ſummæ Trinitati : ex ſumptu proprio conſummans, mentibus ibidem Deo ſeruituros conſtituit.* Et licet eum proprio nomine minimè appellauerit, nec cujus *Wiccemitatus* honore fuerenue notauerit; Attamen Codex MS. de Rebus Neuſtriacis, refert hunc *Gofelinum*, fuiſſe Dominum Arcæ-dum & Deppæ : Wiccemitem, vero Rothomagenſem. ¶ Sané *Ordericus* vitalis ipſum nuncupat, *Gofelinum de Archis.* ¶ Quod expreſſius indicat Arboretanus Annales : his verbis. *Gofelinus, Wiccemus, Arcacenſis, Callice, Atques, patruus Godefridi, patris Mathildis, vxoris Guillelmi Cameraij, fecit Monaſterija S. EPITAPHIVM,

Sous ce Tombeau gisent deux corps ensemble
Vnis en vie, & que la mort assemble;
Apres honneurs & biens mondains passez,
Gardans amour tant vifs que trespassez:

L'vn pour mary Goſſelin le Vicomte
Se fait nommer, dont l'hiſtoire raconte;
Qui d'Arques fut Seigneur, & des Dieppois;
Premier autheur des meſures & poids,
Selon raiſon en ce pays Normant.
Ce Corps qui giſt prés ſon coſté dormant;
C'eſt Ammeline eſpouſe ſans diffame,
Dudit Seigneur, ſage & notable femme:
Leſquels ont eu ſi parfaite amitié,
Que n'eurent oncques entr'eux inimitié:
En leur vivant eurent trois beaux enfans,
L'vn dit Guillaume, & Hugues, & leur ſeur
Qui nom auoit de Beatrix i'en ſuis ſeur.
Ce bon Seigneur deſirant vie auſtere,
Fit & fonda ce noble Monaſtere;
Ou toſt apres fut fait Religieux,
Sous Iſambart Abbé devotieux.
La bonne Dame en ſon cœur Dieu aymant,
Aprez fonda à Roüen ſainct Amant,
Nonnains leans auec ſa fille vnique,
Pour prier Dieu, qui tous biens communique.
Lors Robert, fils du grand Richard le Sage,
En Normandie auoit place & paſſage,
Et qu'en ce temps on conteoit mille & trente,
Ledit Seigneur dota de biens & rente,
Ce Monaſtere nommé la Trinité,
Priant mon Dieu, rempli de pieté,
Leur doint'es Cieux ſi bonne recompenſe,
Que l'vn & l'autre en ſon Royaume herité,
Comme bienfait auant mort le merite. [m]

VI. Huius quoque ſcripti atteſtatione nolo ſucceſſores noſtros latere, vbicumque fuerit ſylua fadus palus in noſtra regione, omnis grex porcorum hominum in illis terris (quas dedi, vel Deo monente traditurus ſum) manentium, libere & quietè diſcurrane, per quania mea nemora, ſyluaticum paſtum accipientes: & à nemine requiratur paſnagium, niſi ab ipſis Monachis prædicti loci, quia perpetualiter concedimus. Quod autè domo ad præſens, vel permittente Deo conceſſurus ſum, ita vt deliberatum, vt nec vicarius, nec foreſtarius, vel venator, vel venatos, vnquam terram illam ponetet, nec telonearius ibi aliquid requirere tentet. VII. Hiuc vero ſupradictæ liberalitati adiungo, quod ſi quis S. Mariæ homo, manens ac reſidens in prafata terra, *Aqua quæuenda* vocata, eundo ſiue redeundo tranſierit, quodcumque ibi proprium ducat, vel deferat, nullatenus paſſagium, neque conſuetudinem dabit. His itaque ell adnexendum, quod concedo Monachis S. Mariæ, in tribus ſolemnitatibus, ſcilicet S. I. VEtuſtum eſſe præſens cœnobium, & inter antiquiora Neuſtriæ Monaſteria, non abſque ratione, computandum duximus: veluti ex maximè, quod S. Vigor, 9. Baiocenſis Epiſcopus illic egetit circa ann. 560. quo ſtorebat: qua de re hæc referuntur. „ *Per id tempus Vulufianus* quidam, „ homo opulentus, prædia & familia locuples, in eadem „ Regione degens, venit ad virum Dei, atque illi: ſcio „ miraculis poſſeretem te eſſe, quæ per te Dominus efficit: „ oro igitur, vt venias ad poſſeſſionem meam. Eſt enim il„ lic in ſylua ſerpens immanis, qui ſtatu ſuo, & homines, & pecora multa adurit, „ vt nemo auſit, in eius loci circuitu quicquam attingere: tu nos precibus tuis, „ ab illo libera. Reſpondit vir Dei; non poſſum ego quicquam me efficere, „ niſi Chriſtus filius Dei: qui dedit diſcipulis ſuis poteſtatem calcandi ſu„ per ſerpentes & ſcorpiones, & ſuper omnem poteſtatem inimici; conſtantiamq; „ mihi præſtet ad conterendam calidiſſimi ſerpentis nequitiam. „ſeruum, mox contracto ore, & abiecta ceruice, venit ad eum. At vir ſanctus,
„ſublata manu, crucis ſignum exprimens, orarium ſuum iniicit in collum eius,

Addidi quoque in omnibus ſyluis meis, paſnagium, tam porcorum monachorum, quàm ſuorum hominum. Dedi etiam decimam totius nemoris de *Mal-pertuis*, de omnibus, quæ decimari poſſunt. Syluam quoque, quæ dicitur, *Molera*, cum omni venatione, quæ in ea capi poteſt. In *Regneſij*, autem ciuitate, donaui prafatæ Eccleſiæ terras meas, juxta dominicales, in loco, qui dicitur, *Cornix*, centum quadraginta acras; & ex alia parte ciuitatis, ſexaginta tres Acras prati; ſuburbanos quatuor, cum terris ſuis, & hominibus. Fundatio Abbatiæ Illustrissimæ Beccensis, authore B. Herluino, viro nobili & inclyto, eiusdem Prothocœnobiarcha: cuius priora egregiè facta ad annussim referuntur.

CAPVT I.

1. BEccensis Abbatia, ordinis S. Benedicti, fundationem habet à primo ipsius Abbate B. Herluino, circa ann. 1034. in Diœcesi Rothomagensi, ad honorem S. Mariæ Virginis, Deiparæ; quæ postea sic amplis opibus excreuit ac diuitiis, pia liberalitate ac munificentia, Regum, principum, & optimatum, vt indè taxata legatur ad 9000. florenos aureos, pro Annatis curiæ Romanæ soluendis. * Quandoquidem crebertimè occurrit, occurretque id nominis & loci, iuuat exponere, (etenim expositisse iuuabit) sed de eius conditore B. Herluino, viro splendidis virtutum ornamentis decorato, & ordo, & ratio, ledorisque non mediocre commodum nonnulla prolequi fundent, imò compellunt: quia (vt inquit Gilbertus *Crispinus*, *) mundum ibi, & ad votum arridentem, ea penitus astate secusauit, qua vehementius alij se ingerunt, recusati: & in patria, in qua tunc incolumem armis militem, monachum fieri, portentum habebatur.

Bernard. ad Abbat.

II. Igitur à Normannis, qui Neustriam primi obtinuerunt; puter eius originem dixit, mater proximam Comitum Flandriæ consanguinitatem attigit, *Anfredus* ille illa *Heroys* nomen habebat. Gilbertus, Brionensis Comes, Richardi I. Normanniæ Ducis nepos, ex filio, consule Gaufrido, illum enutritum penes se, inter omnes curiæ fuæ primates habuit acceptissimè. Habilis hic ad arma plurimùm erat: nec minori ea animositate gestabat, omnes totius Normanniæ familiæ, in electis illum habebant armis: omnique rei militaris vsu, & cultu corporis sui attollebant. Ab

inhonestis auenebat animum: honestis, quæ curiales magnificunt, impendebat omne studium. Vitæ huius incundissimo fatu annos ioo. ille excesserat originis septem, cum randem Diuino metu, succendi amore illius mens cœpit, & abamore mundi repelcere. Ab exterioribus oculam cordis conuertens ad seipsum, ibat frequentius ad Ecclesiam, orabat deootè, ac sæpè prompturpabat in lachrymas, fugè totum ieiunijs transigebat diem, in aemis, in cultu corporis, non item fuidium, quod prius fatis indicabat alterationem animi illius, quam adhuc seria dissimulatione celabat. Militiæ ac cetera ei secularis summa erat vetis, verum, quo se conferret, quod vitendi genus assumeret, ignorabat. Rarus in normanis tunc reditus, tranfitis index, aut praxius erat, sed licut spiritus vbi vult spirat, ita quem adpat, vndlio eius docet de omnibus.

Abrennianus ergo militiæ, vili tegumento indutus, barba & crine intonso, inter nullcas diu seruiuit, vt predia sua Deo lecum lucraretur, exiturus ab Egypto verus ille Hebræus, iam Dominifui affidens menſæ, inter multi modas epulas, parue vescebatur & aqua. Ridebatur ab vniuersis, amentiæ, quidquid agebat reputabatur, inanis, promiſſis, iniuriis, officijs, Dominus, & vniuersi fatellites non poterant a propolito fuo eum auertere: nolebat tamen ine Domini, eandem mentem, diſcerdere: interea Comes Gillebertus, ob damnum ſibi pernitioſum, quod quiſpiam compatriota molieb atur, miſit Herluinum, ad Robertum, Normanię principem. At vir pacis ferre, damnoſa alicui machinamenta, penitus recuſauit: perſtat Dominus in ſententia, hortans, comminans, vt conſilij ſui verbum ad Dominum ſuum perferendo referat: Agitur vt iam offendat miles ad verum libet politus: cui ſeruire ſuperno, an terreno Domino malit. Abdicata igitur omnino legatione, diſcedit à Curia. Quod vt cognouit Comes, iuſſit mox abripi vniuerſa eius bona, pauperieque eius clientes: quorum nomine ad Comitem repedit, innocentum cauſam actoris, inter quæ dixit: Quæ mea funt vniuerſa diſtrahentur, modò pauperibus, qui veltram nullo crimine irani meruerunt, ſua reſtituantur. Motus ad pietatem Gilbertus, quem mundanæ falſus celitudinis plurimum obtinebat, abduſio in partem Herluino, perquiſita tandem commutatione, & finem conſilij. Cui paucis verbis multis lachrymis reſpondit: *Seculum amando, & tibi obſequendo nimium, Deum, ac meipſum hactenus neglexi: Quæ corporis erant cultui omnino intentus, nullam animæ mez eruditionem accepi. Quapropter precor, ſi quid vnquam bonæ meruiai à te, licet vitæ quod ſupereſt in Monaſterio tranſiet, ſalua cura me amem tui, & ea me cum Deo, quæ habui.* Corde in lachrymas concitato, nequit ſuſtinere, vlterius loquentem, clientique experiam ſui, fuorumque omnium facultatem.

Protinus, Herluinus, *Barsenulfe (Barnulfum) extremedum* dei ſeruitio, opus arripuit, ipſe igitur, non ſolum præſidebat operi, ſed ipſum quoque efficiebat: terram fodiens, foſſam efferens, lapides, fabulum, calcemque humeris comportans, ac ea in parietem componens. Quibus alij horti aberant, ipſe congerebat, quæ ad opus exigebantur, excludens otium ab omni parte diei: quamò vanitatem tumida olim delicatior, tantò vera humilitate nunc ad omnem laboris tolerantiam propter Deum patientior. Cibum præter quibus non licebat diebus, accipiebat, nec exquilitum: & parcè ſatis, expleto cum die opere ſuo. Et quia interdiu nequibat ſtudere, edificendo pſalterio, nocter̃ pene totam impendebat. His exercitijs multa incunditate, nouus tyro Chriſti exercebat, prima literarum elementa dedicit, cùm iam exilleret annorum prope quadraginta: & Diuina opitulante gratia, eo vique proceſſit, vt etiam apprimè eruditus, in expondendis ac intelligendis Diuinarum ſcripturarum ſententijs, merito haberetur mirabilis. Quod vt ſolitus Diuine gratiæ tribuarur, nocturnis tantum horis, ſtudio huic vocabat: quia propter lectionem nunquam Diuini operis intermiſit executionem. Nouu rurſus contra eum hoſtis antiquus inuenit. Cœnobium quoddam Herluinus abierat, gratia inquirendi de vita Monachorum: orationi tacita, accelit omni cum reuerentia, multo cum tremore ad ollium clauſtri, velut ad clauſtrum paradiſi, deſiderantiſſimus fcire, quis Monachorum habitus, qui mores, qua in clauſtro fedendi ſit Religio. Sed vidit longè aliam ab ea, quam cœnobialis ordo expoſcit grauitatem, huberi. Turbatus eſt, iam incertus, quod vitendi genus approbaret: ad hæc, qui Monaſterij diſcoles erat, vt illum ſic intenſus attendentem conſpexit, furens ſuſpicatus, admiſſo, quanta vi potuit collo illius pugno, per capillos foris, vique ad oſtium

extrufit. Ata vt patientiſſimus pro illata ſibi iniuria, nullum Monacho verbum impatientiæ reſpondit. Nec tantum ſemel, ſed vbique hoſtis ab eo victus, Deo vincente, ſuccubuit.

V. Sacrata tandem quam conſtruxerat, ab Epiſcopo Lexouij *Heberto*, edicula, comam totondit, ab eodem facre religionis habitum indutus: & paulo poſt conſecratus Sacerdos, pluribus jam ducatui illius addictis fratribus Abbas præficitur. Tubi imitandos aliis proponebatur: qui per annos tres imperoriam vitæ ſpiritalis patientiſſimè tulit coram ſæcularibus. Quos autem regendos accepérat, ardiſſime, ſed more fratrum priorum, regebat. Videre erat, perſecto in Ecclesia officio Abbatem, collo lenentem, manu rallum, vel ſarculum geſtantem, ad agricuturam prazire, monachos omnes operi, ſub diei terminum, inſiſtere. Victus quotidianus, panis ſiligineus, & herba cum ſale & aqua. Aqua non niſi lutulenta: quia fons nuſquam, præter ad duo milliaria habebatur. Cæleſte præcipitabant beneficium, cum panis melior, & cælus, vel aliquam diem ad eſtalium vndecumque habebatur: exemplum magiſtri & conatus, omnem murmurandi excludebat adiutum. Abbas prior ad opus, ab opere diſcedebat vltimus. Simili ſe inibi ſeruituti, propter Deum nobilis mater eius addixit: & conſtat. Deum pro præmijs, quæ habebat, ancille fungebatur officio, ſeruientium Deo pannos ablues, & quicquid injungebatur externi operis accuratiſſimè agendi. Ad opus ſeruorum Dei quadam die, cum annonam torreret, neſcio quo caſu, domus vndique locenſa eſt. Cucurrit quidam, ejulando, nuntians Abbati domos combuſtas, & natrem inibi combuſtam. At ille licet lachrymis ſuffuſus, ad Deum manus leuauit. *Gratias tibi Deus* (inquit) *quod in officio ſeruientium tibi, matrem meam ignis aſſumpſit.* Fortis in amore Dei conſtantia, que tot Diaboli arietibus impulſa, labare non potuit: nil tamen mali in illa conflagratione, præſtita domina paſſa fuit.

VI. Deinde, poſt aliquantum temporis, per vitium diuinitus commonitus eſt, vt dimiſſa ſolitudine campeſtri, que competenti opportunitate omnino carebat, ad locum ſui juris, manſionem transferret, qui à situo hic tantum, *Beccus* appellatur, ad militiarum à caſtro *Brionio*. Eſt hic locus in ipſo ſaltu Brioneni, valle ima, montibus altiuſſis hinc inde occluſa, omni opportunitate, humano vſui commodus: propter denitatem ac riui recreationem, ferarum multus erat ibi accurſus: trium molendinorum tres domus illic erant, & ſolum illic habitabile. Ac verò, cum ſylua prædicta Gilleberti effet delitium, variarumque ſoli portionum jure ad varios ſpectaret; tamen Deo iuuante, & Herluino firmiter ſperante, integra Brionij ſylua ad Beccenſes tranſiit. Nec mirum: Etenim ſuo facuło B. Herluinus, fuit totius Gallie, ſpecialis inquenitor Normanie non obſcurè ſydus, cuius aliquos radios hinc inde opportunius ſpargemus. Quæ autē litteris conſignauit Guillelmus *Gemmeticenſis*, tam angulta fant & breuia, vt amplißimā viri gloriā inniquis conſtringant. Vt autem poſteritatem minime lateat, quantum extremori bonoru reliquerit, Chriſti amore, recenſebimus ex eius diplomate. „ *Notum ſit* omnibus Chriſtiani & „ religionis cultoribus, quòd ego Abbas Herluinus, filius Anſgoti, atlantibus, & „ laudantibus fratribus meis, Odone, & Rogerio, jubente Gilleberto Comite, & „ Alberto, & Ranulfo, conſentiente, Roberto Comite, & Roberto Archiepiſcopo, „ Donani S. VII. Laudat tamen præterendum eſt, quod ab Orderico *Vitali* adducitur, de cauſa hujuſce fundationis per ipſum D. Superest, vt de multis, illud animimé reticeam: quod Beccense Chronicon MS. suppeditauit in hæc verba.

Reuerendissimo Patri Vuillelmo, & cunctæ congregationi S. Mariæ Beccensis: Frater Vuillelmus, Abbas Cormeliensis vestra pietatis alumnus.

II. REm, Domini & fratres charissimi, nulli (vt reor) morralium, nisi soli mihi cognitam, refero vobis de venerabili patre Herluino, atque eius Priore Lanfranco: quam ipse Lanfrancus proprio ore singulariter mihi narrauit, & ne tacuissem diceremi, quo ad ipse viueret, penitùs interdixit. Cuius interdictum hactenus cusfodiens, nunc tandem fecurus enuntio; cum iam me nulla cohibet interdictio. Huius autem enuntiationis, ipsam veritatem, Deum videlicet, inuoco testemq; eius mendacilloquorum omnium esse peritorem: dicit enim psalmus: *Perdes omnes, qui loquuntur mendacium.* Hic igitur Lanfrancus tempore prædicandi Herluini patris, conuersionis gratia, Beccum humillimè suscepit, susceptum strenuissime vsque ad finem vitæ, gratia Diuina se protegente, fetuauit. Erat tunc Beccus ecclesijs paruus, pauper fortuna, pauperior Religionis norma. Pater quidem præitus Dei amore pollebat, sed fratrum vtilium consolatione carebat. Verùm, secundum quod scriptum est: *Cum cogitatum tuum in Domino, & ipse te enutriet:* cum affidua Dei clementiam ipse exoraret precibus, quatenus sibi talem virum dirigeret, cuius solatio foueretur, concilio animaretur, adjutorio fulleuaretur: Lanfrancum liberalium artium eruditione peritum, morum probitate conspicuum, ratione Diuina fuffultum, discretionis virtute fobnixum, ei direxit: qui sibi ab omnia vtilis, ad cunda, quæ volebat, accommodus fuit. Nam ipsius bonitate atque industria, Doctrina atque efficatia, illud coenobium, vt cunctis notum est, superna pietas facre Religionis ordine informauit: multis honoribus, terris, & prædijs ampliauit, pluribus etiam personis nobilibus, atque honestis, ad laudem & gloriã hominis sui sublimianda fed ad rei relationẽ, cuius occasione ista præfibaui, veringa.

III. Cemens Lanfrancus fratrum inertiam, morum pranitatem, ordinis transgressionem, conjiciens etiam aliquos sibi inuidere, qui sibi metuebant, cum prudiciendum fore: ignorabat quid ageret, quò se conferret, tædebat eum conuersationis inhonestæ, inhiabat ardenter ad solitariæ dulcedinis vitæ: similabat agitur infirmitate, Fulcrannum hortulanum rogauit, vt ei quottidiè afferret radices quorundam carduorum, quos sibi afferebat afferre solationis remedium. Hoc autem faciebat, vt corpus fum affuefaceret tali edulio, quã fe disponebat viuere in eremo. Cùm ergo iam corpus & animum præpararet ad fugam nocturnæ elapsionis: Domino *Herluino*, Abbati, nihil de hac re fuspicanti, dum in lecto quiefceret, egregiæ indolis Hugo puer, qui nuperrimè obierat, in vefte candida apparuit, filius Baldricidæ Anneruillæ, nepos eiufdem Abbatis. Cuius afpectu in nullo turbatus, amabiliter fic eum Abbas affatur. Quid eft fili? Quomodo te habes? Et puer alacriter. Ego pater bene habeo, quia per Dei mifericordiam, & per tuam interceffionem, liberatus fum ab omni tormento: fed Domine tibi me ad te, vt dicam tibi, quia, fi tibi non profpexeris, Magiftrum Lanfrancum non habebis. Abbas admiratus: Quomodo, inquit, fili? Puer ad hæc, quia vitam folitariam defiderat, & de Monafterio egredi deliberat. Nam mores fratrum & vita, non fibi placent. Vide ergò quid facias: quia tibi non expedit. His dictis puer difparuit.

Abbas attonitus in his, quæ audierat, reliquum noctis, vigilijs & orationibus in somnis peregit. Summo autem mane, mox vt hora loquendi fe dedit, Lanfrancum accitit, fecum fingulariter federe fecit: cor Abbatis intimo dolore cruciabatur, vox intra fauces premitur, lacrymæ vberrimè erumpentes dolorem cordis aperiunt. Lanfrancus hæc videns, in terram profternens fe, cur Abbas fic plorat apertiri fibi fuppliciter precatur. Tandem Abbas in hæc verba prorupit: Heu mihi, cui tale

sale damnum minatur Deus I Vc milli, qui consilium meum perdidi, meum sa-
xilium amisi, multorumque permagnos gemitus Deum rogaui, vberiùsis lachryma-
diuinæ supplicauit misericordiæ, vt talem præsaret mihi virum, cujus consilio &
auxilio locum illis emendaret, & quæ essent Deo placita monachorum vibus insau-
rarem. Et quamvis frater Lanfrancus, huc te pedis adduxit, preces meæ humilitatis
exaudiras credidi. Ego in te onus meum transferre cogitabam: Ego te totius cor-
ris mei sarcinam fupportaturum sperabam. Nunc autem (nescio qua de causa)
hinc discedere, me derelicto fatagis, & ad deserta pergere cupis. Lanfrancus inte-
ligens voluntatem suam detectam, & propositum cordis sui, quod occultum para-
bat, cuidenter propalatum: Abbatis pedibus illicò adoluitur, & qualiter ab ibi
innotuissent talia, humiliter fcifcitatur. Tunc ei Abbas blanda voce visionem
aperuit: & quid ibi diuinitus per puerum reuelatum fit, ficut supra reteximus,
explicat. Lanfrancus obliqueladus, & Dei gratiam in Abbate velementer admi-
rans, humique profiratus, per consilium patri prudentiæ, quicquid in voluntate habuerat, corde compunctus exposuit; penitentiamque accepta, & absolutio-
ne impetrata: Ipsopondit se nunquam abipso discessurum, cuique præcepit, per
omnia obtemperaturum. Abbas ingentes omnipotenti Deo gratias referens, quam
citius potuit, Lanfrancum Priorem confirmat, & quicquid ditioni Monasterij
subjacebat intus & exterius, ipsius cura committit. Quos ita vnanimes esse tribuit
Diuina protectio: vt nulla inter eos vnquam fuerit orta dissentionis occasio. Hanc
visionem Lanfrancus nec volens propalare, nec animo occultare, indicauit illam
cuidam monacho, nomine *Guillelmo*, quem à puero nutritat, & docuerat, pluri-
mumque amabat, præcipiens, ne alicui diceret, quamdiu ipse in corpore viueret.
Quod ille seruauit vsque ad vltimam senectutem. Post mortem vero Lanfranci,
cum jam nulla prohibitione vteretur, scripsit rem, ieu audierat, & Abbati, ac
Monachis Becci, provt supra digessimus, dixit. Hucusque Guillelmi Epistola,
cujus summarium Biographus Beccensis, in eiusdem D. Lanfranci vitam contu-
lerat. ¶

perturbatus, tam graue sibi onus exti mauit, & inducias ad deliberandum petiit: in-

Præterea, ann. 1073. in vigilia festiuitatis omnium sanctorum, Monachi Beccenſes, exeuntes de prima veteri Ecclesia; solemni processione, & magna deuotionis gaudio, venerunt in nouam Ecclesiam, quam B. Norandum igitur, quod prædicti venerabilis viri B. Huic autem dedicationi interfuerunt, Episcopi, Odo Baiocensis, Guilbertus Lubicensis, Gilbertus Abricensis, Robertus Sagiensis, Arnaldus Cenomanensis. De lætitia illius diei, & gaudio multiplici superfluum videtur proloqui, tum de adventu perlonarum, virorum illustrium, & mulierum nobilium, non sine magna largitione donorum, Francix, Normannix, Angliæ, & de superabundanti omnibus præparata pabuli procuratione, nemo sufficienter vix posset differere. Igitur, vt nil intactum pertranseamus superfeda hujusmodi ecclesia ann. 1076. & sequenti ann. 1077. cùm necnon Lanfrancus Templi hujusmodi dicandi causa adesset: mira inter eosdem humilitatis virtus elucit. Conspiciris, præcor, D. Lanfranci adventum. q *Cum* *Venisset* ad delectum montis, qui ipsi cœnobio imminet, ferrar annulum de digito extraxisse: nec postea, quamdiu beccimortuus est, nisi ad Missarum solemnia resumpsisse. Ad Abbatis jam senio incurnati occultum accedens, tam magnus Anglus Antilles, ad pedes adsoluti conatus est. Verùm illo & contra ad ipsum conante, longo vtrinque luctamine, dum alter alterum sustentat, neuter expleuit quod fatagebat. Sanctus Anſelmus Monachus efficitur in cœnobio Beccenſi; cuius ob egregia animi ornamenta, & inſignes virtutes, ſecundus Prior, & Abbas eligitur; ac demùm ad Archiepiſcopatum Cantuarienſem euehitur.

CAPVT IV.

I. POST B. Herluinum, primum Becci Abbatem, & D. Lanfrancum, eiuſdem Monaſterij primum Priorem: ponè ſequitur S. Anſelmus ſecundus Prior & Abbas, qui ſub præfatorum Ducatu, monachatum inijt, ac tandem vtriuſque Paſtorali officio digniſſimè ſucceſſit. Rem ab ouo prodamus ex *Edmero*, in hunc modum. „ *Exactis dehinc* partim in Burgundia, partim in Francia, fermè „ tribus annis, Normaniam adit: ibi quendam nomine Lanfran- „ cum, virum videlicet valdè Bonum, præſtanti Religione ac ſapientia verè nobi- „ lem videre, alloqui, & cohabitare volens. Excellens ſiquidem fama illius cir- „ cumque percrebuerat, & nobiliſſimos quoſque clericorum, ad eum de cunctis „ mundi partibus agebat. Anſelmus igitur viro adito, eumque ſingulari quadam „ ſapientia pollere agnito, eius ſe magiſterio ſubdit: eique poſt modicum, fami- „ liaris præ cæteris diſcipulis fit. Occupatur die noctuque in litterarum ſtudio; „ non ſolùm quæ volebat à Lanfranco legendo, ſed & alios, quæ rogabatur ſtu- „ diosè docendo. Propter quæ ſtudia, cùm corpus vigilijs frigore & inedia fatiga- „ retur: venit ei in mentem, quia ſi aliquando monachus, vt olim propoſuerat, „ eſſet, acriora, quàm patiebatur, eum pati non oportere: nec tunc ſui laboris me- „ ritum perderet, quod nunc vtrum ſibi maneret, non perſpiciebat. Hoc ergò „ mente concepto, totam intentionem ſuam ad placendum Deo dirigere cœpit, & „ ſpernendo mundum cum oblectationibus ſuis, reuera cupit fieri monachus. Quid „ plura? cogitat vbi melius proficere queat, quod facere deſiderat, & ita ſecum „ tractat. Ecce, inquit, monachus fiam, ſed vbi? ſi Cluniaci, ve! Becci, totum „ tempus, quod in diſcendis litteris poſui, perdidi: nam & Clunaci diſtrictio or- „ dinis, & Becci, ſupereminens prudentia Lanfranci, qui illic monachus eſt, mi- „ hi, aut nulli prodeſſe, aut nihil valere comprobabit. Itaque in tali loco perficiam, „ quod diſpono: in quo & ſcire meum poſſum oſtendere, & multis prodeſſe. Hæc „ vt lubens ipſemet referre ſolebat: ſecum meditabatur, Addebatque. Necdum „ eram edomitus, necdum in me vigebat mundi contemptus, vnde, quod ego, „ vt putabam, fretus aliorum charitate dicebam, quàm damnoſum eſſet non ad- „ uertebam. Poſtmodum autem in ſe reuerſus: quid, inquit? Eſſe ne monachus, „ hoc eſt, velle ſcilicet alijs præponi, præ alijs honorari, ante alios magnificari? „ non. Illic ergò depoſita contumacia, monachus deueni, vbi ſicut æquum eſt, „ cunctis, propter Deum, poſtponaris, cunctis abiectior habearis, præ cunctis par- „ uipendaris: & vbi hoc eſſe poterit? Equidem Becci. Ibi ſiquidem nullius „ ponderis ero, quandoquidem ille ibi eſt, qui præeminentis ſcientiæ luce conſpi- „ cuus cunctis ſufficiens, cunctis honorabilis & acceptus. Illic ergò requies mea, „ illic ſolus Deus, intentio mea, illic ſolus amor, eius erit contemplatio mea, il- „ lic beata & aſſidua memoria eius, fœlix ſolamen & ſatietas mea. Hæc cogitabat, „ hæc deſiderabat, hæc ſibi prouenire ſperabat. Raptabatur quoque mens eius per „ id temporis, in alias ſectandæ ſemitas viæ; ſed vis deſiderij eius, in hanc, quam „ maximè declinauerat.

„ Sciens itaque ſcriptum eſſe, omnia fac cum conſilio, & poſt factum, non pœ- „ nitebis: nolebat ſe alicui vni vitæ earum, quas mente voluebat, inconſultè cre- „ dere, ne in aliquo videretur ſcripturæ præceptis non obedire. Amicos inſuper „ multos habens, ſed cui ſe totum in iſtis committeret, conſiliarium vnum de mil- „ le videlicet præfatum Lanfrancum eligens, venit ad eum: indicans voluntatem

„ cto, necci monachus factus eſt, anno ætatis ſuæ 27. Regebat eo tempore, ce-
„ nobium ipſum Dominæ Abbas, Herluinus, nomine, vir grandæuus, & magna
„ probitate conſpicuus: qui primus ipſius loci Abbas, Monaſterium ipſum à funda-
„ mentis, de ſuo patrimonio fecerat. Supra dictus autem Lanfrancus gradum Prio-
„ ris obtinebat, Anſelmus verò nouus monachus factus, ſtudioſi vitam aliorum
„ religioſius virentium æmulabatur. Imo ipſe ſic religioni peremnia ſeruiebat:

„ inueniret, quodmitaretur: & ita per triennium, de die in diem ſemper in me-
„ lius proficiens, magnus & honorandus habebatur. Venerabili autem Lanfranco,
„ in Cadomenſis comobij regimen abeunte, Prioris officio fundus eſt: ſicque
Deo ſeruiendi ampliorem libertatem potitus, totum ſe, totum tempus ſuum, in
„ illius obſequio expendere, faciliùs, & cuncta negotia eius, abintentione ſua,
„ fundius coepit amouere.

Innuit autem ſe ad hujuſmodi Prioratus neceſſis manus fuiſſe aſſumptum ope-

Cum autem tantus euasisset Anselmus, mirum tamen quantum humiliter de seipso sentire, de aliis vero, alta loqueret. Conspicias, præcor, quomodo arguit ac modestè retorquet in auru popularis contemptum, quod ibi fuerat obiectum. VII.

Denique ad id quod mihi dicitur in Epistola vestra scire tuum nihil est, nisi te scire, hoc scias oliter, quanquam id Versus dixerit, vt ostentationem reprimerem, non vt exprimeret: respondeo: scire meum nihil est, si quale est, hoc scias alter. Quod verò quæritis: cur sanus Lanfranci, atque Guitmundi, plus me ægrotemus videri: utique, quia me quilibet sui pari vsse fragrat odore, etiam si non dissimi fallat valore. Posquam enim Dorobernensium Metropolis Præsule vidua, in timore & luctu exigebant tertiandinas: eadem solus arbiter, qui de cælo prospicit super filios hominum, misit in cor Regis, vt huic sedi vacanti Anselmum præficiendum curaret. Ad nominationem Regiam accesse-re cleri populique vnanimis consensus; sed vt auribus Anselmi hoc insonuit; tere-vique ad examinationem sui contradixit, reluctans est, & obstitit: quasi aliut tamen Ecclesiæ Dei conuentus. CAPVT V.

I. Gitur B. Anselmo ad Ecclesiam Cantuariensem translato: opus fuit prælatino gregi becceni providere de futuro Pastore, quod Priori baldrico, aliisque Beccensibus Monachis instanter consuluit. *Abbatem* (inquiebat) *vobis salubriter festinate, expedit enim vobis.* a Eamdem sollicitudinem in voto habuit. Robertus, Normannorum Dux: qui timens, ne forte in electione huiusmodi Abbatis, quid inutilium obueniret, scripsit ea de re ad ipsum S. Anselmum, vt pro sua prudentia, & paterno amore, hilce rebus succurreret. Tanto Principi hæc pie effligitanti annuit citius S. Anselmus, sic ad eos scribens.

a S. Anselmus lib. 3 epistol. 71.

Dilectissimis suis D. Priori Baldrico, & aliis Monachis Becci: Frater Anselmus semper vestri, & sacre, qua Deo placent, & qua expediunt.

Gratia Dei faciente, dominus noster, Princeps Normannorum, mihi multa literas, plenas magna benignitate, & exculsatione sui: si quid aut credidit, aut dixit de me, aliter quam decuit, amore meo, & dolore de amissione mea cogente, ob eam ad Archiepiscopatum electionem. In quibus literis, & de Abbate vobis constituendo petijt benigne meum consilium: quod non solum in hac re, sed & in aliis rebus, se libenter accepturum promisit. Consilium autem de hac re illi mando, & vobis remando, quod mandaui per D. Girardum, fratrem nostrum. Rex Anglorum vobis mandat salutem, & auxilium suum, & custodiam rerum vestrarum, quæ sunt in sua potestate quamdiu meo consilio agetis & vtietis. Si autem illud ipse vetit, in illo proficuum non habebitis, cùm ex vestra parte aliquo mihi mittitur epistola, fecerat, & mihi soli legenda: non minus sit gracilis scriptura. Postquam enim illud, quod de me inceptum esse mecum doletis, contigit: multa diurna & nocturna lachryma vifui meo nimis nocuerunt. Non enim cessitudo, aut opulentia Archiepiscopatus eas tantum valuerunt fuas copias reprimere: quantum timor & tædium eius eas potuerunt sua perturbatione exprimere. Amici mei compatiuini mihi: quia ego compatior vobis, orate pro me: quia ego, si possum, oro pro vobis. Confectatio mea ordinata est fieri prima die Dominica, post festiuitatem S. Andreæ, pridie videlicet nonas Decemb. præsentie eam vestris orationibus: & mandate hoc Monachis & fanctimonialibus per Normanniam, inclusis, & claustralibus, & amicis nostris in Francia. Valete. b

Dulcissimis & Dilectissimis suis, D. Priori Baldrico, & aliis monachis Beccensibus: frater Anselmus, qui habitenus sub Abbatis nomine, seruiuit, à Deo semper custodiri & protegi.

Hinc certius eſt D. Anſelmum intus & in cute hunc præſtitum noſſe IV. Guillelmum, cùm ſpeciale non tantum de eo in ſui locum legendo det conſilium, ſed & votum faciat: quæ quidem certiſſimo funt argumento probitatis & ſanctimoniæ Guillelmi. Agedum, videamus illum puſionem, ſenſimque adoleſcentem; videamus tyronem, cùm hic videamus futurum non dico veteranum militem, ſed Ducem. Anonymus Beccenſis in prologo hiſtoriæ ejuſdem, pollicetur ſe eius, ſucceſſoriſque vitam poſteris relicturum: vnde eſt quòd certius ei credamus, narrationem hoc verborum ſtamine ordiente. *Venerabilis Abbas* Becci Guillelmus, nobili Normannorum proſapia originem trahens, in veteri caſtro ſuper Rillam, quod dicitur, *Mons-fortis*, claris parentibus eſt exortus. Pater eius *Turſtanus*, mater *Allueretæ*, dicebatur, Rogerij de *Bellomonte*, patris Roberti Comitis, ex ſorore neptis. Qui puer dum adhuc in cunis jaceret, graui molеſtia tactus, pené viſum amiſit. Tertia mater, pro filio lugens, cucurrit ad quamdam Eccleſiam S. Germani in eodem caſtro ſitam, & obtulit illum ſuper altare eiuſdem Eccleſiæ, voueus Deo, & Beatiſſimæ Dei genitrici Mariæ, ſanctoque *Germano*, quòd ſi puer illam incommoditatem oculorum, eorum auxilio euaderet, illum ſeruitio Dei nutriret, litterisque imbuendum traderet; ſimulque roganit paum, vt ſi aliter puerum ſanare noller, in ſe, id eſt, in matrem, infirmitatem illum conuerteret. Quid plura? Annuit petitioni, & voto bone matris, gratia Saluatoris noſtri, pleraque eius ſanctiſſimæ genitricis, necnon & beatiſſimi confeſſoris *Germani*: & infans reſtitutus eſt integræ ſoſpitati, matrem verò infirmitas corripuit, nec multò poſt extin-

xit. Creuit puer: & cùm ad congruum peruenisset ætatem, traditus est literarum studiis imbuendus. Cœpit itaque bonæ indolis esse, amore Dei seruere, honestiùs incedere, ab inhonestis animum reuocare. Iam mundi luxum spernebat, iam fermonis otia, & habitu talem se exhibebat: vt iam tunc quasi monachus abominabus haberetur, quantum ad vitæ morumque spectabat informationem. Siquando à cognatis & amicis ad cohoas aliquid pecuniæ illi mitteretur, quali rem malam virtabat fuligere, prout conditionis eius foliti erant referre: ita auaritiam perhorrebat. Cumque 25. ætatis ageret annum, desiderans vocem Domini implere dicentis: Qui non renuntiat omnibus, quæ possidet, non potest meus esse discipulus: &, Si quis vult venire post me, abneget semetipsum & tollat crucem suam, & sequatur me. Renuntians mundo, Becci factus est monachus, sub fanctissimo Abbate Anselmo. Ingressus monasterium intentissimè religioni monasticæ operam dabat: lectioni & meditationi assiduus, virtam suam honestè custodire admodum studebat. Ita Deo placere cupiens, hominibus charus, in castris Domini Sabbaoth, eius signo sequens, per 15. annos, ibtenui militis officio fanctus, huic militiæ à Anselmo Duce militauit tam strenuè: vt omnes eum diligerent, & nullus de eo conqueraretur; fama bonitatis eius circumquaque bonum Christi odorem de eo ferebat. Igitur B. Anselmo in Anglium translato, & Archiepiscopo facto: cujus tali signum virtue præditum Willelmus antea cum veneratus fuisset, pollens fuscipere meruit: &c. ‖

V. Sed de ipsius electione in Abbatem, adum est in capitulo Beccensi, anno 1094. *Prid. hor.* (sit idem Chronicon MS.) vocatus venit, & in ordine suo fedit. Tunc Prior dixit ei, quod ad regimen Beccensis Ecclesiæ illum eligerent, & vt Abbatis officium, & curam animarum fuscipteret, ex parte Dei, & S. Mariæ, atque omnium fanctorum, nemon ex parte Reuerendissimi patris Anselmi, præcepit. At ille in terram profiratus: Precor, Domini, aut me hoc, quod jubetis, omnin abolitum dimittite me: aut quomodo id adimplere possim, docete. Prior ad hæc, vt dimitramini, ait, non est opus laborare, fed fuscipite hanc curam in nomine Domini: & nos robis ex animo obedientes erimus. Statim ipse, die 8. Kal. Rogerius, & Prior, & quidam alij fratres, cum eis affumptis, ad *Gosfo* ad curiam properarunt: & Roberto Normannorum Duci præsentarunt. Quem alacriter, & cum magno honore fuscipiens, dedit et Abbatiam, more Anteceffrum fuorum. Adeuntes eum Principes, Robertus, Comes *Meulenti*, & Robertus *Stafchirilli*, confobrini eiusdem Willelmi Electi Becci: qui de eius promotione valde funt gratulati. Tunc Robertus, Comes *Meulenti* præcepit Roberto, filio *Aschirilli*, vt nouum Electum Becci ad monasterium conduceret: mandans omnibus ministris fuis, ne quis ipsi Abbati, vel hominibus eius, in aliquo molestius esse præsumeret. Dedit tunc Comes *Meulenti*, Robertus, vt res, quæ ad 9 vicia fraxum emebantur, quieta esset ab omni consuetudine: que vique ad illud tempus, de rebus ad eibum monachorum pertinentibus, vbicumque emerentur, tam in coquina Becci, à ministris Briodum caltri exigebantur. Procedente tempore, dedit idem Comes *Meulenti*, per totam terram fuam, vbicumque fuam, erat, hoc exigere, vel dimittere, ne omnino Dominicæ eres monachorum Becci ad victum, vel vestitum pertinentes, vbicumque monachi essent, ad quorum vsus emebantur, sine in claustro, sine extra claustrum, in negotiis monasterij, quietæ forent, ab omni consuetudine, que telonei, vel transitus, vel alio nomine nuncupatur. Hoc fecit pro amore Dei, & Willelmi, Abbatis Becci, cognati fui. Multa quoque alia beneficia Becci cœnobio contulit, dum vixit; cuius eiusdem Abbatis. h

Tum enim grauior ſolitò & potentior, eum lecto fortius, quàm Promethæum Caucaſo alligauit. Inter hæc Richardus, Abbas Pratellenſis conuiſit Vuillelmum, ac mox Beccenſes fratres. Tunc verò, & obſecrationibus, & Eccleſiaſtico chryſmate, roboratus eſt Vuillelmus. Boſo autem Prior Beccenſis, monuit Vuillelmum, vt moribundus filijs cœleſtem quandam legaret benedictionem. Erecta igitur manu, illis benè precatus dixit. *Amate claustralem vitam, quæ reparatio est ordinis: & non quæratis habere obedientias in sæculo, quoniam in eis multi perdunt animas suas: & quantocius Abbatem eligite, quia non est bonum tale opus differre.* Hæc fatus, obnixè rogauit eos ſuo nomine fundere vota. Erat enim pro more, vt ſi quempiam virum noſſet integerrimæ vitæ, communionem precationum eiuſdem cupidius ambiret. Sub hæc, propter repentinos tumultus aliquot in Normania excitatos, Henricus, Nothi filius, & Rex, aduolarat ex Anglia: iſque Paſchalem circiter ſolemnitatem venit Beccum, vbi Beccenſes nonnulli ei ſupplicarunt, vt in morituri locum ſufficeretur quiſpiam Beccenſis. Confestim Becci juga sumpsit suauia Christi,
Que per quindenos constanter pertulit annos.
Anselmo post Anglorum Prasule facto,
Iste loci curam suscepit fratrumque regendam:
Quem grauitas morum, vel vita decusque parentum,
Fecerunt clarum permultis ac venerandum:
Doctus erat, blandoque loquens sermone placebat,
Actibus & verbis subjectos erudiebat.
A puero vita fuerat seruator honesta
Cordis munditiam seruans carnisque perennem:
Beccum ter denos auxit rexitque per annos,
Blandus subjectis Rector, durusque superbis.
Vir tantus meritis morum ditatus opimis,
Nequaquam valuit nexus euadere mortis;
Aprilis sextadecima surgente dieta,
Compleuit cursum vita presentis & actum,
Commendans animam cœlo, corpusque sepulchro,

CAPVT VI.

SANÈ quàm dignus sit Boso longiori latiorique memoria, indicat mutuus, & plusquàm Fyladeus amor, quo S. Anselmus illum, & ille D. Anselmum redamaret. Rem igitur, sui Biographi ordiamur verbis. [a] *In diebus* Vvillelmi Regis, qui Anglos perdomuit, in pago Rothomagensi, fundo Monasterij Villaris, in Calciatensi agro, vulgò, *Montiuilliers au pays de Caux*, Boso parentibus *Haymerico* & *Lezelina* genitus est: eorumque cura, sic bonis artibus pietateque imbutus, vt in medijs fluctibus mundi, nihil prorsus immundum contraxerit, & ne contraheret, ad Beccum sese contulit: mansitque ea potissimum de causa, quam sic Edinerus exponit. „ *Inter hæc* (ait) quidam Clericus, ætate ju- „ uenis, Boso nomine, Beccum venit, Abbatis colloquium expetens. Erat enim „ idem acer ingenio, & quibusdam perplexis quæstionibus inuoluerat animum: „ nec reperire quemquam poterat, qui eas sibi ad votum euolueret. Loquens igi- „ tur cum Anselmo, ac nodos ei sui cordis depromens: omnia, quæ desiderabat „ ab eo sine scrupulo deceptionis accepit. Miratus ergò hominem est: & nimio il- „ lius amore deuinctus. De hinc ergò, cùm eius allocutione familiariter potiretur: „ illectus ad contemptum sæculi, emerso breui spatio, Becci monachus factus est. I.

Hunc, vt diximus, Rex Henricus, imò gene- „ ralis totius conuentus consensus Monasterij beccensis Abbatem statuit: non „ minus reluctantem subiectionis amore, quàm altioris gradus timore. Quod cum „ aliquis nuntiasset minimè expleri quæ iussisset: respondit. Sapè mandata Dei præter- „ mea, & fulfitur: quanto magis tua pati debemus, si nostra contemnuntur iussa? h

Moribus ornatus Paſtor fuit hic tumulatus,
Ingenio clarus, ſobrius atque pius.
Extitit & mitis, prudens ad triſtia fortis;
Nam donec vixit, multa flagella tulit.
Conſilio pollens, multis fuit ipſe leuamen,
Solamen miſeris, ſubſidiumque pijs.
Abbas his ſenis hic quartus præfuit annis,
Cœnobio Becci, forma decuſque gregis,
Mundi contemptor, vera virtutis amator,

Annos tranſierat pater hic jam ſeptuaginta.

Guillelmo ſucceſſit præfatus *Gaufridus* de Paris, dictus de *Harenc*, tunc Prior de *Conſluento*, vir magnanimus & acuti ingenij, Baccalaureus in Decretis: qui vnanimiter ab omnibus electus eſt, ſed electio ad effectum perducta non fuit. Quidam enim *Eſtoldus de Eſtouteuilla*, prius Monachus Fiſcannenſis, tuncque Abbas Ceraſij, authoritate Romani Pontific. regimen obtinuit Beccenſis monaſterij, vi & potentia armorum, vt dicebatur. Et iſte fuit primus alienigena, qui ipſius obtinuit gubernium cœnobij, aliter quàm de gremio eius, à tempore fundationis: quod rexit ferè duobus annis & octo menſibus, cuius tempore, id Monaſterium, quod bellis ceſſantibus, modicùm reſpirauerat: multis tamen debitis erga multos obligatum, in maxima erat neceſſitate, profecit de malo in peius: Eccleſiam enim, domos, officinas, & villas ad Abbatiam pertinentes, ruinis ſubjacere permiſit, eo quod non niſi de pecunia cura illi eſſet. Ipſe ſibi arrogauit officium Theſauratii: conſtituens ibi procuratorem ſæcularem: quod à fundatione factum haud fuerat. Fiebant etiam quotidiè expenſæ inæſtimabiles, tam pro ſuo exceſſivo ſtatu, quàm occaſione aduentus continui fratrum ſuorum, quorum alij erant Pontifices, alij Canonici, alii milites de domo Regia, qui omnes quotidiè ad dictum cœnobium conueniebant, magno cum comitatu. Ipſeque Eſtoldus, petiit à ſummo Pontifice, quòd poſſet vti Mitra, annulo, & inſigniis Pontificalibus: quod ei pro ſe tantum, non pro ſucceſſoribus conceſſum eſt. Tandem neſcio quo fato, fuit vocatus ad regimen Monaſterii Fiſcannenſis, vnde prius fuerat Monachus. Interim, Thomas, Dux Clarentiæ, frater ipſius Regis, in Octauis Paſchæ, obtinuit caſtrum Haricuriæ: deindè cum exercitu, Beccum venit, & obſidione cinxit fortalitium, illud, diuerſis aggreſſionibus, diè noctuque per ſpatium vnius menſis, expugnando. Et quia ijs, qui intus erant, nullum allatum eſt ſubſidium, ex parte Gallorum, tradiderunt ſe in manus prædicti Ducis, in Vigilia Aſcenſionis Domini, ann. 1418. Et quamuis Religiosis nil de redditibus tunc obueniret, quia omnia temporalia Monasterij erant sub manu Regis, eo quòd ipse Abbas, nondum Regi Anglo fidelitatem præstiterat: cogebantur tamen ab ipsis militibus, ad ipsa stipendia soluenda: ideoque necessum fuit annonam, & omne frumentum vendere, quod collectum erat in horreis, quamuis haud sufficiens esset, ad conflandã ex eo pecuniam. Sicque tanta pressi sunt monachi tribulatione, vt vix explicari possit: & hoc vsque ad mensem Martij: quo tempore vrbs Rothomagensis, venit in potestatem Regis; itemque Verno, Rupes-Guidonis, & omne territorium Caletense. c

Postridiè verò cinerum, magno omnium fratrum gaudio, Robertus Abbas Beccum venit. Galli breui gloria inflati, Turrim expugnare negligentes, cæde promptissima profliguntur. Furiosi tanta proditione Clarenses, aderant quippe juris Anglici tutandi causa, in Monachos culpam retorquentes, pluribus passim à se vulneratis, duos violenti gladio, ad aram transverberant; officinas indè perlustrant, thesauri loca, ornamenta Templi, calices, capsam quoque, qua sanctissimum sacramentum reconditur, audaci manu rapiunt: insuper & sepulchrum D. Sequenti itaque Octobri, Episcopali benedictione, Beccensis reconciliatur Ecclesia; ob patratum illic nuper à Clarensibus homicidium; in qua pridie omnium sanctoram, collecti fratres solemne festum solemnibus frequentarunt excubijs. Rex autem (agnita Abbatis Innocentia) qui tum *Meduntæ* morabatur, dedit litteras ipsis monachis, quibus fas erat omnia bona sui Monasterij recuperare, si quæ possent reperire, à die fundationis: quia omnibus mobilibus exspoliata fuerat Ecclesia, quorum pars aliqua, sed minor, restituta est. Præterea, Rex præcepit, vt destrueretur arx, cum omnibus propugnaculis ipsius Monasterij: imò & ipsum Regium consilium decreuit, vt ipsa Ecclesia destrueretur, vt postea sola arx posset esse in præsidium Regi & militibus; sed diuino consilio mutatus est Rex; nam Domum Dei illæsam seruauit, arcem verò jussit solo æquari. Fortassis hæc ipsa tempora prænuntiauit venerabilis Abbas, B. Herluinus, quando post decessum suum, cuidam monacho Beccensi, qui dicebatur *Drogo*, quamuis decorus ornatu, tamen terribilis aspectu, & quasi tristis & anxius, apparuit ei, per obedientiam præcipiens: vt enixius Deum obsecraret, & alios fratres ad orationis præsidia inuitaret: quia Ecclesiæ Beccensi imminebat magna tribulatio, qualis à die fundationis antea non fuerat. Post prædictam Ecclesiæ reconciliationem, & ipsius arcis demolitionem, prædictus Abbas, rediens ad monasterium, cœpit domos aliquas reædificare: insuper, & pro temporis opportunitate, libertates Ecclesiæ defendere: sed cùm propter bellorum pericula, non auderet in cœnobio habitare, eum oportuit Rothomagi manere, pro securitate sua, & bonorum mobilium, quæ inibi

erant repoſita. Tum demùm, multis afflictus ærumnis, Rothomagi, moritur, in hoſpitio, quod acquiſierat, ann. 1430. die 4. CAPVT I.

DIVA Riuulus eſt haud contemnendus, Normaniam inferiorem irrigans, & leucis quinque à Cadomo diſtans, juxta mare Oceanicum, habens cœnobium ſui nominis conſtructum in honorem Beatiſſimæ Dei genitricis Mariæ Virginis, & S. Petri Apoſtolorum Principis: quodquidem Ordinis eſt Benedictini, Taxatum in Curia Romana, pro Annatis Cameræ Apoſtolicæ ſolvendis, ad 800. Florenos aureos: ſitum verò in Diœceſi Sagienſi. [a] I.

Multi ſunt, qui hujuſce Monaſterij conſtructioni manus adiutrices porrexiſſe leguntur. *Guillelmus* Comes Augenſis, & *Leſcelina*, eius vxor, vnà cum filijs ſuis. *Vvillermus*, (ait Ordericus) *Aucenſis Comes, inſtinctu religioſæ conjugis ſuæ, Leſcelinæ, Abbatiam S. Verùm, multa illic per errorem interſerit falſa: Nam Heroina illa, *Leſcelina* nuncupabatur; cujus filius vocabatur, *Hugo*, Lexouienſis Antiſtes: & Maritus eius, *Guillelmus*, frater Nothus erat Richardi, 2. Normaniæ Ducis; [e] cujus beneficio Comitatum accepit *Oximenſem*; quo, ob eius rebellionem, ab eodem Duce, mox ſpoliatus eſt; verùm, vt culpam agnouit, ab eodem fratre Duce, in reconciliationem ſuſceptus, Comitatu *Oucenſi* donatus eſt: & ad ipſius inſtantiam, præfatam *Leſcelinam*, in conjugem ſibi copulauit. „ *Cui non* multò poſt (inquit idem Gemeticenſis) Oucenſem Comitatum tradidit, eique quendam puellam valdè ſpecioſam, „ nomine, Leſcelinam, dedit, filiam ſiquidem nobiliſſimi viri, nomine Turchetilli. IV. Hæc autem clariora reddentur; ex Tractatu quodam MS. apud eam Abbatiam reperto, vbi de fundatione & ſtructura primaria illius agitur: totiuſque rei ſeries, abſque verborum ambage, in hunc modum panditur.

h *Canalis Tom. 5. Hierarchiæ Neuſtriæ in ea Abbatia.*
i *Tract. de Abbat. & Abbatiis cap. 24.*

Hic locus in initio, quo Monaſticæ Religionis in eo ſumpſit ordo principium, quos habuerit fundatores, aut quos, quibus-ve temporibus, in ſacri regiminis officio ſucceſſores, ad memoriam poſterorum, non incongruum duximus litteris breuiter adnotandum. Hunc igitur locum Leſcelina, Comitiſſa nobilis, ſponſa Guillelmi, Augenſis egregij Conſulis, tempore, quo Francorum Rex Henricus agebat in ſceptris, fundauit: poſſeſſionibuſque ac prædijs, quæ ei, ex jure Dotali competebant, ditauit. Verùm, vt rei hujus manifeſtiùs eluceſcat; paulò eſt altiùs repetendum: & quiſnam hic Guillelmus, de quo agimus, quænam etiam, quam præfati ſumus, coniunx eius fuerit intimandum.

V. Hic igitur Guillermus, ille eſt, Richardi 2. Normannorum Ducis clariſſimi frater; qui adhuc junior in Oximenſi caſtro, quod abipſo, cum finitimis locis, cuſtodiendum, acceperat, cùm peruerſorum quorumdam conſilijs, aduerſus fratrem ſuum eumdem rebellare niteretur, captus ab eo, Rothomagumque perductus, Turchitillo, cuidam viro illuſtriſſimo, ſeruandus traditur. Erat autem eidem Turchitillo filia, pulchritudine corporis & ſapientia animi, ſed & morum honeſtate, præcellens, Leſcelina nomine, cujus induſtria, idem Guillelmus, poſteaquam de vinculis, quibus tenebatur, euaſit, cùm in fratris ſui gratiam reuocatus, ab eo etiam Conſulari eſſet honore donatus, eam ſub matrimonio ſociauit; genuitque ex ea viros ſui temporis clariſſimos, Robertum, ſcilicet, qui ſibi poſtmodum in Conſulatu Augenſi ſucceſſit; Guillelmum etiam, qui & ipſe apud Sueſſionem ciuitatem Comes, domi militiæque gloria claruit: Hugonem quoque, qui in Pontificatu Lexouienſi, vita pariter ac doctrina venerandus effulſit.

VI. Ædificauit, autem ſibi idem Comes domum hoc in prædio; quod ab antiquis, ad S. Petrum ſuper Diuam, nominatum eſt. Cui operi dùm inſiſteretur, venit die quadam mulier de villa, quæ *Vallis*, vocatur, quæ orationis gratia, *Curcium* properabat, quia ſub eodem illuc tempore, populorum finitimorum turba frequens, ad S. *Ferreolum*, confluebat. Subſiſtens igitur mulier, opuſque diligentius intuens, ſeſe mox humi proſtrauit, orationem fudit, & quam manu ferebat oblatione ſuper lapidem poſita, ipſoque humiliter exoſculato, ſurrexit, ac ſe jam receſſura ſignauit. Admirati itaque hi, qui operi inſiſtebant; O, inquiunt, mulier, quid-nam eſt quod agere voluiſti? non eſt Eccleſia, quam facimus, ſed domus eſt Comitis Guillelmi. Ac illa: ſcio, ait, ſcio quid fecerim, vos ſcitote quid agitis: Ego enim in nomine Domini, & in honore Beatæ Dei genitricis & perpetuæ Virginis Mariæ, oblationem, quam ad S. *Ferreolum* deferebam, hoc in loco ſacraui, nec vlteriùs jam quæro progredi. His dictis, valefaciens, ad propria repedauit. Tum verò vehementiori multò admiratione permoti; Nos, inquiunt, domum Comiti facere æſtimabamus, ſed forraſſe Eccleſia erit iſta quam facimus. Erat etiam in loco hoc, Sacerdos quidam vitæ venerabilis, Giſlemarus nomine; qui Eccleſiæ B. Petri, à quo & locus nomen acceperat, à multis annis, in Præsbyteratus officio miniſtrabat. Hic die quadam, cùm circumaſtantibus incolis, juxta conſuetudinem, loqueretur, videtis, ait, quàm ſit locus iſte deſpicabilis, quàm nullius ferè nominis & honoris! Dico vobis, quia futurum adhuc eſt, vt videatis in eo Conuentum primò Sanctimonialium, ac deindè Religioſorum Deo ſeruientium monachorum; dixit, verumque dixiſſe eum, rei poſtmodum exitus approbauit.

VII. Nam poſt viri ſui Guillermi ſcilicet Comitis mortem, vxor eius, quam prædiximus *Leſcelina*, de illius, ac ſua, ſuorumque ſalute ſollicita, in hoc ipſo prædio, quod dotali jure, cum appenditijs ſuis ad eam pertinebat, domum illam, de qua ſupra egimus, Eccleſiam conſtituit: vbi primò quidem ſanctimoniales, ſecundum quod vir venerandus prædixerat, aggregauit. Verùm, quia, cùm finitimorum ſuperbia pacem habere non potuerunt: *Lexouium* eas tranſtulit, ibique etiam monaſterium, patrocinante filio ſuo *Hugone* ſuperiùs memorato jam Epiſcopo, ædificauit, &c. [k]

k *Ex Codic. MS. Antiquo Abbat. Diuenſis.*

Monachi Benedictini introducuntur, cui D. Aynardus, Abbas primarius præficitur, ad instantiam fundatricis Lescelinæ; quæ postea piè moritur: sicut & ipse B. Aynardus Abbas eruditione, virtute, & vitæ sanctitate illustris.

CAPVT II.

SAnctimonialibus itaque aliò translatis, nil antiquius animo tulit *Lescelina* pia Heroina, quàm præsens Diuense cœnobium vacuum, optimis habitatoribus replere, monachisq; sanctissimis illud cohonestare: Anxia dubiaque, cui nam potissimũ Religiosorum, congregationi illud aggregaret, cum satis apud se excogitasset; venit protinus in mentem celebris illa Monasterij Fontanellensis sanctitatis fama, tota Gallia jam jam vulgatissima: quare missis illuc nuntijs supplex exposcit ab Abbate auxilium & juuamen, sed factum è latebris erutum prodamus in lucem: quod ex vetusto MS. Codice excerpsimus: ita habens. *At vero, quid de hoc loco ageret apud se deliberans, tradidit eum primò cuidam Abbati Monasterij, quod* Fontinella *nominatum est, instaurandum: sed inchoatum ipse dimisit citius, cùm cognouisset eum nequaquam suæ ditionis esse futurum.* [a] I.

[a] *Ita in MS. Petrus Abbas. Diuens.*

Attamen nec tali commota euentu, cordata mulier, vires animo addidit; & ad remedium fortius indefesso labore, quamprimùm se accinxit. „ *Tunc* Comitissa ac- II.

„ rumque pariter honestate præclarus. Huic igitur, cum possessionibus, quas ha-
„ bebat, locum hunc tradens, adunatis monasticæ vitæ cultoribus, eum pastorem
„ præfecit. Ac deindè verens, ne si in manu filiorum suorum, Monasterium, quod
„ construxerat, relinqueretur, earum rerum, quas contulerat aliquando, sicut est
„ mortalium cupiditas, minorationem pateretur: sapienti vsa consilio, ipsum ab
„ eis, pecunia data redemit; eamdemque pactionem, nec quid videlicet ipsi, vel
„ eorum hæredes, in rebus huius cœnobij suum, jure hæreditario, calumniari in
„ perpetuum possent, in præsentia Guillermi, Normanorum Principis, postea
„ Regis Anglorum, ipsis quoque præsentibus, firmauit: atque ibidem hunc locum,
„ eiusdem principis, ac successorum suorum dominationi, per virgam Pastoralem,
„ quam in manu eius posuit, subiugauit. Ordinatus igitur, D. Ainardus, anno
„ Incarnationis Dominicæ 1046. triginta & duobus ferè annis, huic cœnobio præ-
„ fuit: vitaque pariter & scientia admirabili suo tempore insignis enituit; cuius
„ ordinationis ann. 2. Bellum apud vallium-Dunas factum est; cui etiam Henricus
„ Galliæ Rex, rogatu Guillelmi, postea Regis Anglorum, interfuit, ac diuictis
„ fugatisque hostibus, ab eodem Guillelmo, in præmium, pagum vilcassinum
„ accepit. [b]

CAPVT I.

I. EXTAT *Pratellum*, ad Riſellam fluuium, vna leuca à Ponte-Audomari diſſitum, in Diœceſi Lexouienſi; Eſtque hoc cœnobium Ordinis S. Benedicti, dicatum, D. Petro Apoſtolo, vndè vulgò vocatur, S. *Petrus de Pratellis*; *S. Pierre de Preaux*; Belforeſtus ſcribit ipſum fuiſſe extructum, ex antiqua fundatione Normanorum, quod quidem verum eſt. [a] Fundatur autem, tempore Guillelmi 2. Nothi, Normaniæ Ducis, poſtea Anglorum Regis. Hunfridus de *Vetulis*, vir potentiſſimus, Dominus caſtellaniæ Pontis-Audomari, de Brotonna, & de Bellomonte, fundator primarius extitit præfati cœnobij, 1093. licet, non perfecerit, ſed filius eius, Rogerius, Belli-montis Comes, ann. 1040. vti notat *Ordericus*, *Vnfridus de Vetulis*, *Turoldi filius*, *duo cœnobia*, *vnum monachorum*, *& aliud ſanctimonialium*, *Pratellis inchoauit*: *quæ Rogerius de Bello-monte*, *filius eius multùm amauit*, *& de rebus propriis gratanter ditauit*. Normaniæ Ducis: ex qua genuit ipſum *Hunfridum de Vetulis*, patrem Rogerij de Bellomonte. [d] Hic autem Rogerius in tantum ſe geſſit erga conſtructionem, dotationem, ac ſplendorem hujuſce Monaſterij, vt propterea ſecundarius fundator, meritò dictus ſit: imò & totum hoc opus, illi attributum fuerit per *Gemeticenſem* de eo ſic agentem: *Rogerius etiam de Bello-monte*, *filius Hunfridi de Vetulis*, *in fundo ſuo*, *Pratellis*, *Duo Cœnobia ædificauit*, *vnum monachorum*, *alterum ſanctimonialium*. [f] Quod ab alijs cõfirmatur, [g]

II. Igitur Hunfridus de vetulis, tanquam hujuſce Cœnobij primarius fundator, [h] in honorem S. Petri Apoſtoli conſtruendum curauit; multaſque poſſeſſiones de bonis ſibi à Deo collatis, contulit: videlicet: quicquid habebat in ea villa de *Pratellis*, in *Fouilla*, *Ponte Audomari*, *Boſco Obernij*, *Mellimonte*, *Cellis*, *Campegniaco*, *San-Martino veteri*; &c. Poſtea verò, videns apud Fontanellæ Monaſterium, Religionem florere, & ibidem quamplurimos monachos in propoſito ſanctæ Religionis viuere: magna deuotione motus, petijt Radulphum Abbatem illius loci, vt concederet ſibi vnum ex ſuis probum Religioſum, ad regendum cœnobium Pratellenſe, quod nuper fundauerat, licet nondum adhuc perfectum eſſet. Qui libenter precibus eius annuens, Eimardum, quendam de monachis ſuis tradidit: qui collectis quampluribus fratribus, ad ſeruiendum Domino ſub norma Regulæ S. Benedicti, locum iſtum rexit. Hunfridus autem fundator, poſt multa charitatis, non vulgaris, ob Chriſtianæ pietatis egregia opera, cumulatus meritis, obijt circa ann. 1074. in vigilia S. COENOTAPHIVM:

Si Hunfridi obitus à quoquam quæritur,
Vicesimo octauo Septembris legitur:
In quarto Calendas Octobris terminum,
Vitæ cursum, migrans ad Dominum,
In hac die Hunfridus obiit,
De hac vita in vitam abiit.
Pratellensi duo cœnobia,
Albereda fauente coniuge sua,
Monachi & monachæ ibi sunt posita,
Quæ Deo seruiunt die ac nocte;
In iis Ecclesiis amborum corpora,
Mira sepultura quiescunt condita;
Vtriusque latetur anima,
Inter cœlicolas in summa gloria.
Eorum semper, & omnes aliæ
Sint animæ in summa requie.
Amen. [l]

Duxerat Hunfridus in vxorem, Alberedam, eximiæ virtutis ac pietatis fœmi- III.
nam; ex qua duos genuerat filios Rogerium & Robertum; Rogerius cognominatus de *Bellomonte*, *ad Barbam*; cuius nuper meminimus, non minori pietate, patrem imitatus, hocce Monasterium Pratellense adamauit, locupletauit ac exornauit. Nam post mortem patris, precatu monachorum, Pratellum venit, & in capitulo sedens, cum Abbate & monachis, inquisiuit, quomodo res Monasterij se habebant: Tunc, eo præsente, lecta fuit charta, quam firmauerat pater suus de constructione eius loci, qua perlecta, eam mox approbauit & confirmauit. [m] Erat quippe vir pius, liberalis, ac timens Deum: & fama virtutis inclytus apud homines. Hic est, qui apud præfatum Regem Angliæ, Guillelmum 2. præstantissimus habebatur: cuius prudentiam Regina Mathildis demirata, primum locum dignitatis in consilio, vltrò ei tribuebat. [n] Vnus fuit illorum procerum, qui Robertum 2. Normaniæ Ducem, patri Guillelmo II. Regi Angliæ, suis precibus, & verbis obsecratorijs, reconciliarunt, ann. 1081. [o] Porrò, circa ann. 1050. partes sui Principis tutatus, fœlici prœlio bellum jam gesserat aduersus Rogerium de *Toenio*, quem superauit deuicitque. [p] Interfuit morti ac funeri, ipsius Guillelmi II. Regis, ann. 1087. [q] Dux autem Robertus 2. dedit illi *Briouam* cum toto Comitatu, ann. 1090. non tamen sine armata manu, ac conflictu haud paruo, quo ipse Rogerius, auxilio Roberti Ducis, ad deditionem, omnes compulit rebelles. [r] Desponsauit sibi *Adelinam* (non *Helenam*) vnicam *Galeranni* Comitis Mellenti, filiam: ex qua duos filios habuit prædicti Comitatus Mellenti hæredes; [s] ac denique habitu Religionis suscepto in hoc cœnobio, moritur monachus, ann. 1094. 3. Calend. Decembr. feria tertia, tempore Guillelmi 3. Abbatis: jacetque in capitulo, in medio trium Tumbarum veterum inibi existentium. [t] Frater verò eius *Robertus*, qui Senescallus totius Normaniæ extiterat, vir magnæ authoritatis & prudentiæ à Rogerio *de Clara* occisus, ibidem tumulatus quiescit juxta fratrem suum, Rogerium præfatum. [u] Qui etiam vocatur fundator huiusce Domus. [x]

Porrò, filij Rogerij Robertus & Henricus. [y] Quorum primus, Comes Mellenti cùm esset (post: Hugonem, Auunculum suum, [z]) multa dedit ac confirmauit huic IV.
Abbatiæ: ac tandem morieus circa ann. 1110. tempore Richardi Abbatis Pratellensis, ibidem sepultus est, juxta patrem suum. [aa] Præfato autem Comitatu Mellentino

EPITAPHIVM,

Sed tu qui viuis, das eſſe viuis, daque quod vis,
Tecum ſit in æthere ciuis.

IV. Qua in re obſeruandum venit, *Berengarium* non fuiſſe hæreſeos ſacramentariæ primum doctorem (vt vulgò dictatur & ſcriptitatur) ſed excitatorem. Conſtat quippe in primis Leodienſem Epiſcopum, Epiſtolam conſcripſiſſe aduerſus hujuſmodi hæreſis authores: quod teſtatum reliquit *Guitmundus*, Neuſtrius, cœnobij de Cruce S. Leufredi, monachus, Author coætaneus, lib. 1. de veritate Euchariſtiæ, ſub initium, vbi ſic lectorem alloquitur: *Lege Epiſtolam Leodienſis Epiſcopi, contra Berengarium, ad Henricum, Regem Francor*, &c. [h] Quis autem ille fuerit Antiſtes, vel quo nomine vocetur, minimè aperitur. *Baronius* primus extitit, qui *Durandum*, hunc nuncupatum exiſtimauit: deceptus ex littera Majuſcula, initio prædictæ Epiſtolæ affixa: cùm potius legendum foret *Epiſtola D. Leodienſis Epiſcopi: Domini, Leodienſis Epiſcopi*: non verò; *Durandi, Leodienſis Epiſcopi*, cujuſquidem *Baronij* errorem cæteri recentiores vltrò ſunt ſecuti: [i] Sed perperam, certum quippe eſt *Durandum*, Leodienſis Epiſcopatus inſulas ſuſcepiſſe, ann. 1021. obijſſeque ann. 1024. [k] Deindè, Euſebius ille, *Bruno*, dictus Andegauenſis Eccleſiæ Pontificatum inijt, ann. 1047. ceu, 1048. [l] Tum denique Henricus, Rex Galliæ habetur, ann. 1030. ceu, 1031. vel 1032. [m] Quonam igitur pacto (vt ſcitè infert *Picardus*, ſup.) deſtinaſſet memoratam, Epiſtolam ad Henricum ipſum, Galliæ Regem, ann. 1035. Durandus Epiſcopus, qui jam in fata conceſſerat, ann. 1024? Sed, & quorſum Epiſtolam ſcribere contra Brunonem Andegauenſem Epiſcopum: ann. 1035. qui huic Eccleſiæ haud præfectus eſt, niſi ann. 1047?

VIII. Quid igitur euaſionis? falli oportuiſſe *Sigebertum*, & alios contendit *Baronius*; ſed minus rectè, vti cuiuis cordato viro, liquet euidenter ex chronologica ratione; & hiſtorica veritate: Vult Ægidius *Bucherus*; dictum *Durandum* Epiſcopum, circa ann. 1022. eam ſcripſiſſe Epiſtolam, non ad *Henricum*, ſed ad patrem eius *Robertum*, Franciæ Regem: cùm *Durandus* non potuiſſet ad ann. 1035. pertingere: [n] ſed quali fundamento ſuffultus? nullo vtique: quandoquidem ea Epiſtola, *Henrico*, Galliæ Regi, vbique directa ſit. Quidam, vt omnia concilientur, ingenuè fatentur, perperam ipſi *Durando*, Epiſcopo Leodienſi aſcribi; ſed ſuo Authori legitimo, nempe *Deoduino*, ſeu *Theoduino*, eiuſdem ſedis, 53. Epiſcopo, ann. 1048. electo, reſtituendam eſſe. [o] At hæ omnes futiles ſunt adinuentiones; cùm minimè negetur id opus fuiſſe Epiſcopi Leodienſis: ſed tantum, ad lydium lapidem reuocetur: qui-nam *Durandus* potuerit Leodienſi Eccleſiæ præfuiſſe, ann. 1035. quo Epiſtolam ſcripſit ad *Henricum*, Francorum Regem, contra Berengarium Turonenſem, & *Brunonem*, Epiſcopum Andegauenſem ab illo ſua hæreſi faſcinatum: quod & ipſum hiſtoriæ Eccleſiaſticæ parentem, illuſtriſſimum *Baronium* fugiſſe, non ſatis mirari poſſum, cùm illo viro erudito, Galliæ Chriſtianæ Auctore. [p]

IX. Propterea, tantæ altercationi obuiantes, dicimus, non ann. 1035. ſed ann. 1053. *Durandum* Abbatem, doctrina ſingulari pollentem, & virtute præſtantem eximia, annotaſſe hunc prauum errorem tunc finibus Normannorum irrepſiſſe, & ad hoc Pratellenſe cœnobium appuliſſe, &c. ac proindè calamum poſtea exacuiſſe, vibraſſeque in hunc virulentum, ac peſtiferum Berengarium: vti diſcimus ex ipſius *Durandi* libro: qui ſic inſcribitur. *Liber D. Sanè, non negat abſolutè Cardinalis Eminentiſſimus, Concilium tunc fuiſſe coadunatum in Francia; ſed ſolummodò id memoria haud reperiri: cùm nondum oculis patuiſſet legentium: quod nunc gratanter è latebris erutum, damus; ex eodem MS. *Durandi* Abbatis excerptum: vbi clarè ac diſtinctè, tanquam teſtis

Hunfridus, admodum locuples, gratia Dei, ne dicatur mihi, Bona tua in vita recepisti; Thesaurisare ergo aliquid, vbi nec possit turari, nec à tineis corrumpi. Verùm, ne hæc dicta in cassum esse prolata videantur, post expletionem Monasterij S. Petri *Pratellensis*, quod ad vsum, monachorum, iuuante Deo, constituxi, obnixis precibus coniugis meæ *Alberadæ*, nomine, in eadem villa, in honorem summi Conditoris, & glorioſissimæ Virginis Mariæ, sanctique Leodegarij, martyris, alteram constituxi Basilicam, quatinùs inibi sanctimoniales in sequenti æuo, suo Christo militent, quarum vsibus, ex nostris possessionibus, pro posse, concedimus.

III. Damus itaque S. mariæ Abbatiæ prædictæ, septum quoddam vineæ, quod proximum est ædificio Basilicæ, in vsum famularum eius. Damus iterum illam terram, quam à *Suffrido* mutuauimus; scilicet, duos mansos ad *Magnas Maras*; vbi manent *Osmundus Ficart*; & *Anschitillus* Rusticus, vir Gaudiæ. Damus iterum illam terram, pro qua *Turulfo* recti conuentione Alodij, quatuordecim libras denariorum dedimus, quos pro filio suo *Gisleberto* redimendo, tribuit, quem *Vazo Drogensis* tenebat in vinculis; quæ tantùm erat proxima Ecclesiæ, vt etiam hospitia & viridaria in eam stabilirentur. Damus iterum, quicquid habemus in villa (quæ vulgò *Sigliacus*, dicitur) scilicet in plano & in saltu. Damus iterum quandam terræ particulam, quæ *Nouus Boscus* appellatur, & vulgò dicitur *Aincuria*: quam emimus ab *Hugone*, *Bajocensi* Præsule. Damus iterum, quicquid habemus in villa, nomine, *Stortreta*, scilicet, & in plano, & in Hâya, & in saltu. Damus iterum, quicquid habemus in villa: quæ vulgo *Bretot*, dicitur, Damus iterum, *Grinbordi-villam*, cum omnibus appenditijs suis: pro qua dedimus quoddam Alodium nostrum, nomine *Billemont* (quod emimus magno prætio denariorum, palliorum, caballorum, à *Radulfo*, filio *Auenie*, ituro in Apuliam) cuidam militi, nomine Richardo. Damus iterum, quicquid habemus Alodij, in *Anschitilli-villa*: & tertiam partem molendini.

Damus iterum duo Molendina, quæ habemus in *Cornevilla*, parentum nostrorum hæreditate, à nobis possessa. Duamus etiam quicquid terræ *Vvimundus* habet in eadem villa. Damus quoque quicquid habemus in terris, & in vineis, & in villa, quæ vulgò *Bodelfa*, dicitur; & hoc consensu *Malgerij* Archiepiscopi, vt præsens subscriptio demonstrat, confirmata Pontificali authoritate. *Ego Episcoporum Dei* gratia, Episcopus, *Melgerius*, pro redemptione animæ meæ, fidelium meorum vsus consilio, concedo, ac potiùs perpetualiter dono, Deo, ac Sanctæ eius, atque gloriſsimæ genitrici, nostræ communi protectrici, Mariæ, in loco qui est, in honore eius, atque victorioſissimi martyris, Leodegarij, dicatus; quicquid *Hunfridus* tenuit ex me in *Bodelfa*, ad subsidium, quæ ibi Diuinis instant officijs, sanctimonialium fœminarum, ea videlicet conditione: vt Abbatiſsa eiusdem Monasterij semel in anno, in solemnitate eiusdem Dominatricis nostræ, & Dominæ Mariæ, in Episcopio suo deseruiat. Quod huius subscriptionis signo † Laudo. Huius vero adstipulationis nos legitimi testes sumus; Ego Vvalcherus, Heppo, Ansfridus, Hugolinus, Richardus, Rozelinus, Godobaldus, ipsius Archiepiscopi cubicularius. His ita datis, ne quis in futuro calumniam intuliſse foret, Ecclesiæ, famulabusque Dei inibi famulantibus, in Dedicatione ipsius Ecclesiæ, *Hugo Grammaticus*, Rothomagensis Archidiaconus, ex præcepto Domini *Hunfridi*, excelsa voce commonuit; vt si quis his donis calumniam inferre vellet, liberè & in aures omnium protuliſset. Ad hanc vocem omnis vicinia læto clamore, absque vlla contradictione, quod ipse fecerat vnanimiter conceſsit. Postea Hugo, Lexouiensis Episcopus hanc dedit excommunicationem: si quis de supradictis rebus iniustè aliquid subtraxerit, aut calumniatus fuerit, damnetur.

IV. Defuncto ergo *Hunfrido*, constructore loci, filij eius *Rogerius* Bellimontis, & *Rotbertus* Dapifer, *Guillelmum* Comitem, Marchionis Roberti filium, cum magno Comitatu militum, adduxerunt ad supradictum Monasterium, quorum oratu, pro sua, suorumque salute, donationem supra altare posuit, de his omnibus, quæ *Hunfridus* dederat, & manu propria, cum cunctis Principibus, cartam confirmauit. Hac confirmatione animati, vicini & compatriotæ, nonnulli dono, nonnulli prò pignore, de terris suis dederunt: Deo & S. Leodegario. Vnde quidam miles, *Rodolphus*, & frater eius *Odo*, pro matre sua Feurolta, triginta terræ jugera dederunt supradictæ Ecclesiæ in *Tregeuilla*. Idem verò *Odo*, alia triginta terræ iugera in *Corbello* Domnæ *Alberadi*, pro centum solidis, pignus, dedit: Domna Abbatiſsa

Emma, quindecim libras pro eadem terrula, pro conditione non mutata accepit. Dedit quoque *Rogerus* ſupradicti loci dominus, & mater eius, *Alberada*, S. Leodegario, duos manſos terræ in *Corbello* monte, de terra *Turchetilli*, ſui auunculi. Habet etiam ſupradicta Eccleſia in eodem *Corbello* monte, duodecim iugera à *Giſleberto* ei in pignus accepta pro quadraginta quinque ſolidis. Dedit etiam idem *Giſlebertus* in *Pratelli-villa*, Osbulci arati, viginti quatuor acras, pro filiabus ſuis. Item *Turchitillus*, ſororius eiuſdem *Turſtini*, dedit S. Leodogario triginta iugera in *Turuilla de Alnet*, pro anima vxoris ſuæ *Durandæ*: quæ fuit monacha, in ipſo Monaſterio, & illic jacet ſepulta; concedentibus fratribus ſuis *Giſleberto*, & *Turſtino*. Hanc terram mutuauit *Emma* Abbatiſſa à filijs *Dueline* & tantumdem terræ accepit.

Poſt obitum *Hunfridi*, S. Mariæ, ſanctique Leodegarij, Eccleſiæ conſtructoris, V. *Guillelmus* eiuſdem filius, videns, quia terrena omnia tonſeunt, nihilque diuitiæ diuitibus proſunt; verum etiam non proſint; niſi illis, qui eas pro ſui redemptione, Chriſti pauperibus diſtribuunt. Ne foret expers beneficij à parentibus incœpti, & ne ex toto, illud dictum Euangelicum in die iudicij improperaret ſibi; *Eſurini & non me paſiſti*; in augmentum bonorum Eccleſiæ, triginta manſos terræ eiſdem ſanctis tribuit, in illa ſylua, quæ *Ouce*, vulgò nominatur, concedente Rogerio. *Guillelmus* iterum *de Scalfou*, S. Mariæ, ſanctoque Leodegario, pro ſua quadam filia, ab Abbatiſſa *Emma*, in Monaſterio recepta, medietatem cuiuſdam villæ, quam vulgari nomine *Malogium* nominamus, conceſſit: & Decimam duorum Molendinorum in villa, quæ *Verpucia*, dicitur. Dedit etiam terram *Spinarum*, quam ab ipſo *Giſlebertus Condatenſis* tenebat; ea videlicet conditione, vt poſt mortem *Giſleberti*, prædicta ad Eccleſiæ fiſcum rediret. Huic conuentioni *Giſlebertus*, & vxor eius interfuerunt: vtrique etiam cum lætitia magna fauerunt. *Guillelmus*, filius *Godefridi* pro filia ſua in Monaſterio recepta, dedit Decimam ſuam in villis: Teſtibus *Radulfo*, filio eius, & *Roberto*, clerico. Item *Godfredus*, pro ſua quondam filia, in congregatione recepta, Eccleſiam *Ratarum*, cum totius villæ Decimis conceſſit.

Item, *Hunfridus de Bohum*, medietatem villæ *Pucey*, & Decimam, quam ab ipſo VI. acceperat quidam *Hildulfus*, cognominatus *Parus*, in vadimonium pro quadraginta ſolidis; *Emma* quoque Abbatiſſa tranſmiſit illi *Hildulfo* quadraginta ſolidos, per *Ganfredum* clericum, & per *Turchitillum*: taliſque fuit conuentio, vt poſt deceſſum ſuum, quicquid habet in prædicta villa pro redemptione ſua, ſuorumque, ſit Eccleſiæ: hoc etenim annuerunt filij eius *Robertus*, & *Richardus*, donumque ſuper altare poſuerunt. Dedit etiam idem *Hunfridus* decimam *Barbi-villæ*, & Eccleſiam S. Mariæ; & decimam Burgi *Carentoni*, vulgò nominatum, cum Præsbyterio. Nec multò poſt, auxit & confirmauit hoc donum, pro alia filia ſua, in Monaſterio recepta: & filij eius, *Richardus* & *Hunfridus*, *Radulfuſque*, *Conſtantinus*, conſanguineus eorum, itidem poſuerunt donum ſuper altare: teſtibus, *Eſtuto*, Dapifero, *Osberno*, *Ganfrido* Clerico, *Helberto* præpoſito, *Almerico* piſtore.

Habet etiam eadem Eccleſia terrã villæ, quam quondam dedit *Grento de Fonteua*, VII. & *Oſmundo de Matu*, cum filia ſua, quam aceepit in coniugio. *Oſmundus* verò dedit eam *Giſleberto Condatenſi*, cum filia ſua *Aſcelina*. Et ipſa quando ſacrum velamen accepit, dedit eam S. Leodegario: Et neq; frater, neq; filia, partem, nec hæreditatem in ipſa habeãt. Dedit etiã terram *Columbinæ villæ*, quam Giſlebertus, maritus eius à *Rotberto de Carbonaria*, nepote ſuo acceperat in vidimonio, propter viginti quatuor libras; ea ſanctione, vt ſi *Rotbertus* quandoque rediret, ſub eius ditione redderetur, & Abbatiſſa ab eo reciperet viginti quatuor libras. *Rogerius* quoque loci Dominus, cõceſſit ſancto Decimam *Normanni-villa*, & tres Eccleſias in eadem villa, ſcilicet, S. Valdi, S. Germani, & S. Leufredi: Et idem *Rogerius*, die, qua filia ſua ingreſſa eſt Monaſterium, dedit decem libras; vnoquoque anno de Theloneo ſuo; & Molendinum in *Ponte Aldemari*, & decimam *Curtæ-villæ*; villam quoque, quam

Minorem

Minorem Salernam dicunt; dedit etiam tres agripennos prati in tractu *Pontis-Aldemari*: & in *Hiſpania*, tres manſos terræ. Iuxta hos agripennos dedit etiam *Guibertus*, quicquid terræ habet à *Riſla*, vſque ad *Nemus Alucorum*, & hoc pro filia ſua.

VIII Habet etiam hæc eadem Eccleſia terram in villa, quam vulgari nomine *Breitot* appellamus, dono *Hugonis* vice-Comitis, appoſitis limitibus determinatam: & decimas quatuor hominum: & triginta acras de terra, *Rogerij Caudos*: dedit etiam *Reginaldus Grammaticus*, in *Hiſpania*, terram, quam cum vxore ſua accepit: & Eccleſiam S. Mariæ *Breitot*, pro filiabus ſuis. Emit quoque *Emma*, Abbatiſſa in eadem villa *Breitot*, ſexaginta terræ iugera, ab *Hilberto*, *Heduini* filio, decem libris, pro redemptione ſui corporis datis. Quidam verò *Guimundus Bollit* cognominatus, calumniam molendinis *Corneville* inferebat; ſed acceptis à ſupradicta Abbatiſſa decem ſolidis, dereliquit, & idem Guimundus eiſdem molendinis neceſſaria, conceſſit, extenſiones ſcilicet, riparum in ſua prædia: & Caſulam cum ſuis appenditijs, conceſſis ſibi, quinquaginta quinque ſolidis ab ipſa Abbatiſſa, quos de ſupradictorum molendinorum emolumento debebat. Dedit quoque *Ansgerius*, & vxor eius *Emma*, quicquid in terra & vineis, & in prato habebant in *Priſciniaco*: concedentibus *Richardo* & *Guillelmo*. Poſt mortem verò *Ansgerij*, *Gamalinus*, quidam conſanguineus eius huic dono calumniam intulit; ſed acceptis à ſupradicta *Emma*, Abbatiſſa, quadraginta ſolidis, in præſentia multorum teſtium, donum conceſſit. Emit quoque eadem Abbatiſſa à *Ioanne Philibertenſe*, quindecim libris, decem manſos terræ; & ipſe donum ſuper altare poſuit.

IX. *Hunfridus* verò conſtructor ſæpè dictæ Eccleſiæ, dùm moreretur, ſex hoſpites terræ in *Aincuriam* (quam jam dederat S. Leodegario) dedit *Goſſelino*, filio *Oſmundi*, annuente *Emma* Abbatiſſa; & tali pacto, vt ſeruiret ſancto & inibi famulantibus. Idem quoque *Goſcelinus* fecit ſanctum Leodegarium hæredem ſui de iſta terra, dùm iret Andegauis in exercitum, nullo hærede ſuperſtite, vel parente, vel auctore, qui velit eam vſurpare hæreditario more: & hoc confirmauit ſuper altare S. Leodegarij in præſentia totius Eccleſiæ, excommunicando omnes, qui aliquo modo eam adſtulerint ab Eccleſia. *Roſcelinus*, denique filius *Turolfi*, dedit eidem Eccleſiæ, in qua etiam jacet ſepultus, pro redemptione animæ ſuæ, decem acras ad *Rethel*. *Anfredus* verò frater eius, dùm iret in Anglam-terram, dedit duas acras in *Corbello-monte*, pro ſocietate. Habet etiam hæc Eccleſia decimam *Ranivillæ*, cum duobus hoſpitibus, quam dedit *Rotbertus de Rie*, pro ſua nepte. Habet & decimam de *Villei*, dono *Guillelmi*, filij *Godefridi*, pro ſua filia. *Guillelmus*, *Anschitilli* filius, quicquid terræ in *Sturereta*, & in Coletot habebat, S. OEnobium hoc de Greſtano, Gallicè, de Greſtain, ordinis eſt D. Benedicti S. Mariæ virgini Deiparæ ſacrum, ad Sequanæ fluuij oſtia Marina, ſub Hunfluto oppido, in Diœceſi Lexouienſi: [a] vult *Belforeſtus*, id eſſe ex antiqua Fundatione Normanor. [b] Fundatur quippe, tempore Guillelmi 2. Nothi, Normaniæ Ducis, Angliæque Regis, Conquæſtoris dicti: Auctore Herluino, Comite de *Conteuilla*. [c] Hac ratione motus. Dùm hic Comes detineretur infirmitata, (quæ *Rapis*, dicta, lepræ ſpecies eſt) cum ignominia comparendi in publicum coram aliis, in curia præfati Guillelmi Ducis, pro qua nullum potuit habere remedium: accidit, vt quadam nocte, dùm dormiret, ſibi viſa ſit apparere virgo Maria, manu geſtans florem candidum, in modum virgæ, nempè, Lilium, petens ab eo, ſi vellet ſanari; quo reſpondente, etiam: vade (inquit) ad locum, cui nomen *Greſtanum*, iuxta fontem, vbi primitùs extat ædes mihi olim conſecrata, ſed nunc præ vetuſtate, penè collapſa, quam reſtaurabis, cum vno clerico à te illic ponendo, vt mihi ibidem inſeruiat, tumque ſanaberis. Itaque expergefactus, facto cœpit complere, quæ piè promiſerat; ædem reparauit, ſpinis & dumis repletam mundauit, ornauit, priſtinum in ſtatum reduxit. Poſtea verò, ob vultus deformitatem, fuit iterum, ac tertio in viſu admonitus ab eadem S. virgine Deipara, vt illic monachos, qui die noctuque Deo inſeruirent, ſuis ſtipendiis ditaret: quo expleto, omninò ſanatus euaſit. Itaque anno 1040. prædictus Comes Herluinus, de conſenſu eiuſdem Guillelmi Ducis, cuius matrem ipſe deſponſauerat, locum aſſignauit, benedictione Hugonis, Lexouienſis Epiſcopi conſecratum, cultui Diuino dicauit, cœpitque Abbatiam in honorem B. IV. Vt enim Archimandrita effectus eſt, mox in Angliam traiecit, vbi cùm vltrà tempus, & vanis occupationibus deditus, moras necteret; ad cœnobium redire hortatus eſt ab Arnulpho, Lexouienſi Epiſcopo Diœceſano ipſius, ad quem has deſtinauit litteras.

Quartus decimus menſis agitur, vel fortaſſis exactus eſt, ex quo ad aliud Regnum, & tranſmarinas Regiones, à Monaſterio tuo, ſine Epiſcopi tui benedictione, & conſcientia diſceſſiſti. Quanta autem interim idem Monaſterium in ſpiritualibus, & temporalibus detrimenta, perpeſſum ſit: & fratres ſentiunt, & tota Regio proteſtatur. Nuntiatur verò nobis te in Anglia, nihil niſi lites & calumnias exercere: cum graui Monaſterij tui ſumptu, ſine vtili cauſa, totam diſquirere Regionem, ſuper quo, reuocandum te duximus, & in virtute obedientiæ iniungendum: vt infra Kalendas Auguſti, diſpoſitis rebus illis, vtiliter ad Monaſterium reuertaris, niſi vel infirmitate, vel tempeſtate marina fueris impeditus. Noſce etenim debes, quòd propenſior cura animabus eſt impendenda, quàm rebus, ideoque niſi infra diem aſſignatam venetis: nos tibi mandatum mittere ſeuerius oportebit. f

f *Epiſtol. Arnulphi, Lexouiſſ. Epiſcopi, extat Tom. 13. part. 2. Bibliothec. Patrum.*

V. Paruit tandem iuſſis Pontificijs, ſed domi paruo tempore commoratus, iterum, abſque benedictione Epiſcopali; in Angliam, vt prius, tranſfretauit: qua de re commotus idem Arnulphus, alteras ad eum miſit litteras; quibus illi iubebatur regreſſus opportunus. *Quæ* ſcandala, quæ detrimenta domui tuæ, ex cauſa abſentiarum tuarum, prouenerint, tua fraternitas non ignorat, ſuper quo, cùm rem ad noſtram certum ſit diligentiam pertinere, præcepimus, te vagos cohibere diſcurſus, & debitas ſuper gregem tibi commiſſum vigilias vigilare: nec ad remotas diſcedere Regiones, niſi prius diſpoſita domo, perſonas nobis aſſignaſſes idoneas, quæ curam domus interim gerere poſſent, eique in ſpiritualibus & temporalibus vtiliter prouidere. Tu verò neglecta Epiſcopalis auctoritate mandati, immò tua & animarum tibi commiſſarum ſalute poſtpoſita, ſine noſtra conſcientia diſceſſiſti; nemine domi relicto, cuius res, aut prouidentia dirigi poſſet, aut diligentia gubernari. Vnde ſicut ad tuam credimus notitiã peruenisſe, tot in eodem loco poſtmodum probra commiſſa ſunt; vt & Regionem noſtram ſcandaliſatam eſſe conſtet, & Monaſterium turpiter infamatum. Per præſentia itaque ſcripta tibi mandamus; vt infra viceſimam diem, poſt acceptionem præſentium litterarum, remota omni occaſione, redeas; niſi, aut maris inclementia, aut corporali, quod abſit, fueris infirmitate detentus. Alioquin ex ea die, ab officio altaris, & introitu omnium Eccleſiarum, ea, qua tibi præminemus, te noueris auctoritate ſuſpenſum. g

g *Epiſtol. 13. ibid.*

VI. Interim, quorumdam monachorum Greſtani commorantium nimia recruduit licentia: quorum plures exceſſus & abuſus notati ſunt: quare vt hiſce malis obuiaretur peramplius, idem Epiſcopus ſcripſit ad ſummum Pontificem, Alexandrum III. ſequentem Epiſtolam: qua totius rei ac facti enarrationem, longiori ſermone protrahit. h

h *Epiſtol. 42. ibid.*

Eſt in Epiſcopatu, cui, Deo permittente, deſeruio, *Monaſterium quoddam nomine Greſtanum*, quod aliquando ſuauitatis odorem circumquaque diffudit: ſed in diebus Abbatis iſtius, merita diu laborauit infamia, ſic & præſentes vidiſſe conſtat, & remotos audiſſe. Nec enim infra domeſticos parietes contineri ſcandala potuerunt, quæ procedente temeritatis audacia, publicis offerebantur aſpectibus, & per ora publica perſonant: quoniam Fratres loci illius ab operibus eiuſmodi, nec

timor Dei, nec hominum reuerentia, cohibebat. Quorum quantò major immanitas extitit, tantò latius, celeriùſque fama diſcurrente, vulgata ſunt; majoremque apud omnes contraxit offenſam, quòd palam tanta à ſanctuario procedere malitia videretur. Siquidem nulla, vel modica erat intrinſecus regularis obſeruantia diſciplinæ; minor extrinſecus exhibitio charitatis: quia nec hoſpites agnoſcere conſueuerant, neque quicquam pauperibus impertire, ſed ipſas etiam communis menſæ reliquias, ad impendendum priuatis affectibus diſſolutionis impudentia reſeruabat.

VII. *Parua ſunt* hæc; ſed ad ſanguinem prorupit inſania, vt à nulla ſpecie criminis manus eorum ſeruarentur immunes. Conſtat eos in clauſtro ſtrictis inuicem concurriſſe cultellis, ſicut cicatrices vix obductæ, & recentia quoque vulnera proteſtantur. Ac niſi de cultellis eorum pugionem prouida ſuſtuliſſet antiquitas: ſæpius vſque ad alternas etiam mortes intemperantia deſæuiſſet. In Monaſterio ipſo immerſam aquæ frigidiori mulierem vis algoris extinxit, vt enim miracula facere crederentur, & quibuslibet commentis ſæcularium perſonarum frequentes inuitarent acceſſus, ſanitatis remedia promittebant ei, qui ſe incantatæ ab eis, neſcio quibus carminibus, aquæ ſepties ſuſtineret immergi. Ægra itaque mulier aquæ glaciali frequenter immerſa, inter manus comprimentium monachorum congelata deceſſit, dùm vim algoris ægritudo non ſuſtinet, & profana religio naturam potius irritat ad pernitiem, quàm Dei miſericordiam ad ſalutem. Miniſtrum coquinæ, cùm debitum pronus exequeretur officium, quidam è monachis interfecit: quia dicebatur aliquando de nimia illius circa vxorem ſuam frequentia murmuraſſe. Ceruicem itaque ipſius adacto totis viribus piſtillo grandiore, confregit: & innoxio ſanguine pulmenta, quæ tam ipſi, quàm cæteris fratribus, parabantur, aſperſit.

VIII. Super quibus, cùm egò ſæpius Abbatem, charitati debita commonerem, nec enim ſeuerius cogere permittebat, diſſimulandum potiùs quàm diſtrictione monaſtica cenſuit occurrendum: dedit itaque diſſimulatio remiſſa fiduciam; quia ſibi nihil non licere credebant, quos nec ratio propria, nec aliena correptio refræna-bat. Porrò, nulla Abbati diſciplinæ reſtabat auctoritas; quia etiam à reprobis, eorum diſciplina contemnitur, in quibus benè compoſitæ mentis opera non videntur. Augebat audaciam, quòd eis in clauſtro neceſſaria non dabantur: ſed ad recompenſationem ſubtractæ neceſſitatis, liberior eis euagandi licentia laxabatur. Solent enim huiuſmodi perſonæ patientius inopiam portare, quàm Regulam: & à Prælatis ſuis peccandi libertatem quamlibet egeſtate mercantur: ad hæc, vt nulla eis effluendi deeſſet occaſio, Abbas ſæpius quaſi ad diſponendo bona Monaſterij nauigabat in Angliam: vbi ſine conſorte degens, & iudice, gulæ & lateri, ſicut dicebatur indulgens, parum aliquid præter vagos diſcurſus, & lites ſuperuacuas exercebat, vbi nouiſſimè per continuum ferè biennium demoratus, Epiſcopalis Edicti neceſſitate reductus eſt; ſtatumque Monaſterij deteriorem ſatis quàm reliquerat reuerſus inuenit. Cùmque ſtatim cœpiſſet monachorum contentionibus infeſtari, feſtinantem redire prohibui: niſi ordinato Monaſterio prius mihi perſonas idoneas, quæ curam gererent, vicariæ ſollicitudinis aſſignaſſet: ipſe verò Epiſcopali, qua ei præmineo, auctoritate neglecta, & debito obedientiæ, de cuius exhibitione, vinculo juratæ profeſſionis tenetur aſtrictus, ſine conſcientia mea reuerſus eſt: nemine domi relicto, qui ſciret vel curam ordinis gerere, vel temporalia diſpenſare. Quod ſtatim miſerabiliter ipſe rerum declarauit euentus.

IX. Quia is, quem procuratorem reliquerat, ebrius in Refectorio ſuper cœnam, duos de fratribus cultello percuſſit; atque ab eis incontinenti pertica, quam caſus obtulit, interfectus. Quo facto veterum criminum renouata memoria, ab omnibus omnia, quaſi ſub vnum reducebantur aſpectum, omneſque publicæ exiſtimationis & famæ judicio condemnati ſunt: quia nullus erat, quem nocentem non feciſſet operatio, vel conſenſus. Itaque ejiciendos omnes plerique dixerunt, & perſonas noui Ordinis penitùs inducendas; vt in iſtos vindicaret ejectio, & Ordinis obſeruantiam, nouorum inſtitutio reſtauraret. Porrò, ego ejectis interfectoribus, quia ſic tam ratio, quàm metus potentiæ ſæcularis exegit, ad momentum, quæ mihi viſa ſunt diſponenda, diſpoſui; nec enim quicquam perpetuum conſtitui poterat, cùm de nullo eorum ſatis benè, vel fama, vel conſcientia reſponderet. Feci tamen

quod

quod potui, donec fortiore conſilio, poſſit omnis plantatio, quam pater cœleſtis non plantauit, auelli. Veſtris hoc reſeruatur manibus, veſtris erit viribus adimplendum: quia ei, quod radices altiùs egit, manus non prævalent imbecilles. Super quo, ſi ad communia totius ferè Regionis vota reſpicitis, ij, quos ad perpetuam diſſolutionem par conuictus, alternique conſenſus gratia fœderauit, ſegregandi ſunt, & ſigillatim per Regularia Monaſteria diſpergendi: vt occaſionem peccandi, quam de praua familiaritatis conſortio quæſierunt, apud ignotos de diuiſione & diuerſitate cõuerſationis amittant.

X. Commune votum eſt, ipſique etiam Principi complaceret, in Regulares Canonicos, Monaſterium transformari: vt ipſa ſpecies Ordinis innouata, pleniùs omnem poſſit tollere vetuſtatem, & cætera exempli ſeueritate Monaſteria terreantur. Sunt enim aliqua, quorum in tantam diſſolutio prorupit audaciam, vt confuſionem ſuam deprehenſa etiam non agnoſcat iniquitas; ſed induratis frontibus ſemper obſtinatio conualeſcit. Sic autem locus ille in ſtatum dignioris Ordinis exurgeret; & vbique ſemper quaſi præſens eſſe Apoſtolica ſeueritas crederetur. Præterea, Prouinciam noſtram frequentibus Monaſterijs, ipſiſque nobilibus certum eſt abundare: Canonicos Regulares paucos habet, ipſoſque pauperrimos, adeò vt ad quærendum ordinem illum, plerumque noſtrates oporteat ad Regiones extraneas demigrare. Bonum itaque pleriſque videretur, ſi paucitas monachorum diſſoluta, in multitudinem Regularium excreſceret clericorum, & collatis vtiliter eis, qui ab inſtitutione materna deſciuiſſe noſcuntur, cæteri materno poſſent gremio contineri: ne tanquam ablactati ad ignotarum matrum ſeueriores depellantur amplexus. Si quidem hoc facto, in nocentes vtilis vindicta procedet: quæ ſublata corporibus peccandi licentia, totum ad ſalutem conferet animarum, & ad conſecranda nouellæ plantationis auſpicia proniora fauoris publici vota concurrent: hæc ille.

XI. Sanè cœnobia Canonicorum Regularium, (præter Præmonſtratenſes) jam tunc per Neuſtriam in dies multiplicata, virtute & doctrina, quaſi exoriri conſpicie-bantur, *Salicoſæ*, apud S. *Barbanum*, *Granillæ*, *Corneuillæ*, *Auci*, & quotquot per Algarum Conſtantienſem præſulem, apud S. *Laudum*, *Cæſarisburgum*, *Rothomagum*: &c. Inſtituta: fortè eo tempore pauperrima; quæ tamen aliorum redditibus, vel diſpendio, augeri, ac ditari, ſeu commutatis Monaſterij alterius ordinis, in alienos labores introduci, ſemper vetuit & Romana ſedes Apoſtolica, & antiqua Patrum pia religio: ob ingentia, quæ exindè ſcatent, malorum, & confuſionum germina. Ea propter, ſummus Pontifex: nil innouandum ſapienter conſuluit: ſed ſolummodò, Abbate aliò tranſlato mores preſentis cœnobij reformari: quòd religioſè præſtitum fuit, & adimpletum. Nam præfatus Archimandrita, ann. 1185. menſe Iunio, vigilia SS. Apoſtolorum Petri & Pauli, receſſit à *Greſtano*, tranſijtque ad Monaſterium S. Martini de *Pontaſia*, vti verſus ſequentes ſatis indicant.

S. VICTOR, IN CALETO VVLGÒ, en Caulx.

ANN. 1048.

Quis & qualis fuerit Fundator huius Abbatiæ, viri Illustres ibidem Tumulati.

CAPVT I.

I. HIC locus exordium cœpit ab Ecclesia S. Victori martyri inibi consecrata, ob nonnullas ipsius Christi Athletæ asseruatas Reliquias: ad cujus inuocationem, illic etiamnum complura Deus operatur magnalia, & fideles impetrant, varia cœlitùs beneficia. Quam quidem sacram ædem, quidam Præsbyter nobili stirpe progenitus, nomine *Tormordus*, de cuius jure erat, dedit Abbatiæ S. Audoeni Rothomagensis, assensu Guillelmi, Nothi, Ducis Normannorum, & Malgerij Archiepiscopi Rothomagens. & Rogerij de Mortuo-Mari, illius vici Toparchæ, ann. 1048. [a] ad extruendum inibi Prioratum illi subditum: quem mox monachi San-Audoenenses sub eo Titulo incoluerunt: dùm interim ipse *Tormundus* apud ipsos *Monachus* esset effectus Rothomagi, carta Regia subsequitur. *Vuillelmus* Dei gratia, Dux Normannorum, omnibus ad quos litteræ istæ peruenerint, salutem. Sciant tam præsentes quàm futuri. Quòd coram me; & assensu meo & Malgerij Archiepiscopi; quidam nobilis clericus, nomine *Tormer*, Ecclesiam S. Victoris de *Caleto*, quæ sua erat, jure hæreditario, & absque calumnia, cum omni patrimonio suo, quod habebat, in terris & in redditibus Ecclesiæ S. Audoeni, æternaliter possidendam in eleemosinam dedit tempore D. Nicolai Abbatis ad habitationem Monachorum S. Audoeni, & ipse cum nutritio suo, nomine Gilleberto, in Ecclesia monachus factus est. Rogauit enim me præfatus Nicolaus Abbas, vt authoritate sigilli mei Ecclesiæ S. Audoeni hoc confirmarem, precibus vero eius exauditis, sigillo meo præraxata confirmaui Ecclesiæ in æternum possidenda, & prohibui, firma potentia, sub forfactura 20. vnciarum auri Ducibus, & 20. librarum Archiepiscopis Rothomag. ne aliquis, quod absit, hoc audeat infringere, vel præfata auferre, vel minuere: sed inibi Monachi S. Audoeni cum Priore vel Abbate (si forte per licentiam Ecclesiæ S. Audoeni exiterit) seruiant Domino Regi Regum sub tutela S. Audoeni, & dominio spirituali: & præcipio quòd nullus Abbas electus, aut præpositus, aut Prior, ibi ingrediatur, nisi positione Abbatis S. Audoeni, cuius personatus est, & in æternum sit. Actum est hoc anno ab Incarnatione Domini 1055. in vrbe Roth. Testibus Malgerio Archiepiscopo & Fulberto Archidiacono, & Osberno Dapifero. [b]

II. Tum ann. 1074. *Ioannes* Archiepiscopus, in Concilio Rothomagensi, præfatum Prioratum erexit in Abbatiam, de consensu *Nicolai* S. *Audoeni* Abbatis, à quo dependebat: vti constat ex originali carta, quæ subsequitur: vbi clarius hæc omnia referuntur.

Ioannes, Dei gratia, Rothomagensis Archiepiscopus, vniuersis Christi fidelibus, salutem, gratiam & benedictionem. Notum sit omnibus modernis & futuris, quòd petitio *Rogerij de Mortuo-Mari*, & vxoris eius *Heduisæ* ad nos venit; ad *D. Vuillelmum*, Regem Anglorum; & ad me: sedentes & tractantes de negotijs Ecclesiasticis & sæcularibus, cum Episcopis, in quodam Concilio, congregato in vrbe Rothomagensi: vt D. *Nicolaus*, Abbatem S. conueniremus, quatinus pro amore Dei, & noſtri, Abbatiam fieri dimitteret de quodam Prioratu, de Eccleſia S. Victoris, in *Caux*, in qua habitabant Monachi S. Audoeni, quæ dicitur ad *Sanctum Victorem*: & quam Eccleſiam, quidem Præsbyter, nomine *Tormort*, de cuius iure erat, Eccleſiæ S. Audoeni, aſſenſu *Guillelmi*, tunc Ducis Normaniæ; & *Malgerij*, Archiepiſcopi Rothomagenſis, & *Rogerij de Mortuo-Mari*, in cuius feodo erat, pro ſalute animæ ſuæ, dederat in eleemoſynam; & in Eccleſia S. Audoeni monachus effectus fuerat, cum quodam nutritio ſuo, nomine *Giſleberto*, & præfatus Rogerius, conceſſit, vt tantum redditum augeret Eccleſiæ S. Victoris, & Eccleſiæ S. Audoeni; vt honorificè ibi Deo monachi ſeruire poſſent, & eis dignè ſufficeret. Et quale Dominium antea habuerat Eccleſia S. Audoeni, in Prioratu, tale poſtea in Abbatia æternaliter poſſideret. Cùm verò dictus Abbas Nicolaus, aſſenſu capituli ſui, & rogatu noſtro, & amore, *Rogerio* & vxori ſuæ hoc conceſſiſſet, *Rudulphum*, quemdam monachum ſuum, ibi Abbatem præficiens ad ſupradictum locum conſtruendum miſit, & cum eo, de monachis ſuis S. Audoeni, Fulbertum, Giſlebertum *Fauuetel*, Herbertum *Treton*, & Guillelmum. Tali tamen conditione, quòd dominium ſuum S. Audoeno, in domo S. Victoris, nullomodo minueretur: ſed ibi poneret Abbatem, alio defuncto, ſicut Priorem ponere ſolebat, ſalua dignitate S. Audoeni. Hoc enim conſtitutum eſt inter nos, ratum & firmum eſſe in perpetuum: cuius rei teſtes ſumus ex vtraque parte. Si enim in diſponendo Abbate, monachi, vel laici rebelles Eccleſiæ S. Audoeni fuerint: ſtatuimus & firmiter præcipimus, *Guillelmus* Rex, & ego *Ioannes*, Rothomagenſis Archiepiſcopus, & *Rogerius de Mortuo-Mari*, in quorum præſentia hoc factum fuit, Authoritate D. Papæ *Gregorij*, & Regia poteſtate, omnibus hæredibus & ſucceſſoribus noſtris, vt Abbas S. Audoeni accipiat Eccleſiam Prioratus ſui S. Victoris, cum omnibus appenditijs ſuis tunc ibi inuentis; in Eccleſijs, in decimis, & aliis ſubſtantiis; & ponat Priorem in Eccleſia illa, ſicut antea ſolet; ne Eccleſia S. Audoeni, pro liberalitate ſua, detrimentum patiatur, fraude & dolo; quam Anteceſſores noſtri pro ſalute animarum ſuarum fundauerunt. Hanc Conuentionem authoritate noſtra, ab Abbate *Nicolao*, & *Rogerio de Mortuo-Mari* conceſſam, coram Rege ratam eſſe ſtatuimus; & præſentis ſcripti, & ſigilli noſtri authoritate, confirmauimus: & prohibuimus, ego Ioannes, Rothomagenſis Archiepiſcopus, ſub anathemate, ne quis vlteriùs clericus, vel laicus, audeat hoc infringere, præſentibus iſtis Epiſcopis, & mecum excommunicantibus, Giſleberto, Ebroicenſi Epiſcopo, Odone Bajocenſi, Hugone Lexouienſi, Roberto Sagienſi: quorum anathemate omnes fractores huius operis conſolidantur. Præfatus autem Rex Anglus, Guillelmus prohibuit, ſub foriſfactura, 20. vnciarum auri reddendarum Duci Nomaniæ, & 20. librarum, Rothomagenſi Archiepiſcopo, ne ab aliquo infringatur; teſtibus prædictis Epiſcopis & *Fulberto Archidiacono*: & *Rogerio de Mortuo-Mari*, in cuius tempore hoc factum fuit; anno ab Incarnatione Domini 1074.[c]

[c] *Ibid.*

Quod poſtea confirmatum fuit per ſummum Pontificem Alexandrum III. in hunc modum. Alexander Epiſcopus, ſeruus ſeruorum Dei, dilectis filijs, Abbati & Conuentui Eccleſiæ S. Audoeni Rothomagenſis, ſalutem & Apoſtolicam benedictionem. Iuſtis petentium deſiderijs dignum eſt, nos facilem præbere conſenſum: & vota, quæ à rationis tramite non diſcordant, effectu ſunt proſequente complenda. Ea propter dilecti in Domino filij, veſtris iuſtis poſtulationibus grato concurrentes aſſenſu, ius illud, quo habetis in Eccleſia S. Victoris *in Caux*, ſecundum quod vobis, à bonæ memoriæ, *Ioanne* Rothomagenſi Archiepiſcopo, confirmatum eſt, & in Authentico ſcripto eiuſdem Archiepiſcopi continetur, vobis, & Monaſterio veſtro, auctoritate Apoſtolica confirmamus, & præſentis ſcripti pagina communimus: nonobſtante compoſitione, ſi qua inter Abbatem S. Audoeni, & monachos S. Victoris, præter aſſenſum Conuentus S. Audoeni, aliquo tempore interceſſerit; ſtatuentes, vt nulli omninò hominum liceat hanc paginam noſtræ Confirmationis infringere, vel ei aliquatenùs contraire. Si quis autem hoc attentare præſumpſerit, indignationem omnipotentis Dei, & BB. Petri & Pauli, Apoſtolorum eius ſe nouerit incurſurum. Datum Anagniæ 8. Calend. Martij.[d]

[d] *Ibid.*

Alexandro III. ſucceſſit Lucius 2. ann. 1181. cui Henricus Bajocenſis, vnà cum Abbatibus multis, teſtimonium dedit de eodem iure Abbatis S. Audoeni, in præfatum cœnobium S. Victoris: vti videre eſt ſup. in Abbatia S. Leutredi. cap. 2. ac

tandem

tandem Henricus Rex Anglus, Normania penitus occupatâ, hæc omnia confirmauit, circa ann. Christi 1420 & 1421. ex Monastico Anglico. Tom. 3.

III. Certum itaque est, præcipuum istius Abbatiæ fundatorem extitisse nobilissimum illius loci Dinastam, Rogerium de *Mortuo-Mari*, Gallicè, de *Morte-mer*; Equitem strenuum, Baronem S. *Victoris* in *Caletensi* agro, Diœcesis Rothomagensis. Fundauit autem illam pro monachis Benedictinis, qui sumendi essent ex Regali Archicœnobio S. *Audoeni* Rothomagensis; quibus dedit in puram eleemosynam mediam partem præfatæ Baroniæ suæ, S. *Victoris*; partem verò alteram capitulo Metropolitæ Ecclesiæ Rothomagensis pie largitus est. [e]

IV. Dissidium autem oritur, ex deductione Illustrissimæ ipsius Heroinæ prosapiæ: qua de re *Gemeticensem* audiamus, *Rogerius de Mortuo-Mari* (inquit) *filius primi Vvillelmi de Vvarenna, Monasterium S. Victoris in proprio solo fundauit.* [f] Cui omninò aduersatur Robertus de Monte, hisce verbis. *Rogerius de Mortuo-Mari, filius Vvalterij de S. Martino, frater verò primi Vvillelmi de Vvarenna, Monasterium S. Victoris in proprio solo Fundauit.* [g] At, vt verum fatear, error ibi manifestus deprehenditur; constat quippe vel ipsomet *Gemeticensi* teste, *Rogerium* fuisse quidem Vvillelmi primi de *Vvarenna*, seu de *Guarenna*, fratrem: sed solummodò cognatum Vvalteri de *S. Martino*: quod clarè ostendit, loquens postea de *Gunnore* Comitissa, vxore Richardi 1. Normaniæ Ducis, in hunc modum. „ *Nepotes* verò plures, prædicta „ Gunnor habuit; sed solummodo de quinque, quibus maritis nupserint, audiui; „ vna itaque illarum matrimonio copulata est Petri, primi Guillelmi de Vvaren„ na, ex qua natus est idem Vvillelmus, postea Comes Surrejæ; & Rogerius de „ Mortuo-mari, frater ipsius; Altera, Nicolao de Bascheritvilla; ex cuius poste„ ritate natus est Vvillelmus Martellus, & Vvaltherus de S. Martino; Tertia, Ri„ chardo, Vice-Comiti Rothomagensi, patri videlicet Lamberti de S. Sydonio, „ &c. [h] Alios autem huiusce inclytæ familiæ de *Mortuo-Mari* Proceres, longum esset recensere. [i]

V. Porro complures Heroes, pietatis ergò, illic suam prælegerunt sepulturam; inter quos maximè elucet, Guillelmus, eques, filius Rogerij de *S. Laurentio*, ann. 1119. occisus; cuius cadauer in claustro ipsius Abbatiæ *S. Victoris* sepultum est. *Huius nobilitas* (inquit Ordericus) *de Illustrissimis Caletensium* Baronibus *propagata est: & famosa strenuitas inter præcipuos pugiles Talon, multoties approbata est.* [l]

Audoeni, aſſenſu *Guillelmi*, tunc Ducis Normaniæ; & *Malgerij*, Archiepiſcopi Rothomagenſis, & *Rogerij de Mortuo-Mari*, in cuius feodo erat, pro ſalute animæ ſuæ, dederat in eleemoſynam; & in Eccleſia S. Audoeni monachus effectus fuerat, cum quodam nutritio ſuo, nomine *Giſleberto*, & præfatus Rogerius, conceſſit, vt tantum redditum augeret Eccleſiæ S. Victoris, & Eccleſiæ S. Audoeni; vt honorificè ibi Deo monachi ſeruire poſſent, & eis dignè ſufficeret. Et quale Dominium antea habuerat Eccleſia S. Audoeni, in Prioratu, tale poſtea in Abbatia æternaliter poſſideret. Cùm verò dictus Abbas Nicolaus, aſſenſu capituli ſui, & rogatu noſtro, & amore, *Rogerio* & vxori ſuæ hoc conceſſiſſet; *Radulphum*, quemdam monachum ſuum, ibi Abbatem præficiens ad ſupradictum locum conſtruendum miſit, & cum eo, de monachis ſuis S. Hoc enim conſtitutum eſt inter nos, ratum & firmum eſſe in perpetuum: cuius rei teſtes ſumus ex vtraque parte. Si enim in diſponendo Abbate, monachi, vel laici rebelles Eccleſiæ S. Audoeni fuerint: ſtatuimus & firmiter præcipimus, *Guillelmus* Rex, & ego *Ioannes*, Rothomagenſis Archiepiſcopus, & *Rogerius de Mortuo-Mari*, in quorum præſentia hoc factum fuit, Authoritate D. Papæ *Gregorij*, & Regia poteſtate, omnibus hæredibus & ſucceſſoribus noſtris, vt Abbas S. Audoeni accipiat Eccleſiam Prioratus ſui S. Victoris, cum omnibus appenditijs ſuis tunc ibi inuentis; in Eccleſijs, in decimis, & aliis ſubſtantiis; & ponat Priorem in Eccleſia illa, ſicut antea ſolet; ne Eccleſia S. Audoeni, pro liberalitate ſua, detrimentum patiatur, fraude & dolo, quam Anteceſſores noſtri pro ſalute animarum ſuarum fundauerunt. Hanc Conuentionem authoritate noſtra, ab Abbate *Nicolao*, & *Rogerio de Mortuo-Mari* conceſſam, coram Rege ratam eſſe ſtatuimus; & præſentis ſcripti, & ſigilli noſtri authoritate, confirmauimus: & prohibuimus, ego Ioannes, Rothomagenſis Archiepiſcopus, ſub anathemate, ne quis vlteriùs clericus, vel laicus, audeat hoc infringere, præſentibus iſtis Epiſcopis, & mecum excommunicantibus, Giſleberto, Ebroicenſi Epiſcopo, Odone Bajocenſi, Hugone Lexouienſi, Roberto Sagienſi: quorum anathemate omnes fractores huius operis conſolidantur. Præfatus autem Rex Anglus, Guillelmus prohibuit, ſub forisfactura, 20. vnciarum auri reddendarum Duci Nomaniæ, & 20. librarum, Rothomagenſi Archiepiſcopo, ne ab aliquo infringatur; teſtibus prædictis Epiſcopis & *Fulberto Archidiacono*: & *Rogerio de Mortuo-Mari*, in cuius tempore hoc factum fuit; anno ab Incarnatione Domini 1074.[c]

Quod poſtea confirmatum fuit per ſummum Pontificem Alexandrum III. in hunc modum. Alexander Epiſcopus, ſeruus ſeruorum Dei, dilectis filijs, Abbati & Conuentui Eccleſiæ S. Audoeni Rothomagenſis, ſalutem & Apoſtolicam benedictionem. Iuſtis petentium deſiderijs dignum eſt, nos facilem præbere conſenſum: & vota, quæ à rationis tramite non diſcordant, effectu ſunt proſequente complenda. Ea propter dilecti in Domino filij, veſtris iuſtis poſtulationibus grato concurrentes aſſenſu, ius illud, quo habetis in Eccleſia S. Victoris *in Caux*, ſecundum quod vobis, à bonæ memoriæ, *Ioanne* Rothomagenſi Archiepiſcopo, confirmatum eſt, & in Authentico ſcripto eiuſdem Archiepiſcopi continetur, vobis, & Monaſterio veſtro, auctoritate Apoſtolica confirmamus, & præſentis ſcripti paginâ communimus: nonobſtante compoſitione, ſi qua inter Abbatem S. Audoeni, aliquo tempore interceſſerit; ſtatuentes, vt nulli omninò hominum liceat hanc paginam noſtræ Confirmationis infringere, vel ei aliquatenùs contraire. Si quis autem hoc attentare præſumpſerit, indignationem omnipotentis Dei, & BB. Petri & Pauli, Apoſtolorum eius ſe nouerit incurſurum. Datum Anagniæ 8. Calend. Martij.[d]

Parænesis, siue Exhortatio ad Principes Christianos, vt arma quæ aduersus Turcas parant conuertant in Turcas. Authore Erasmo Roterodamo. Basileæ, Anno M. D. XXIX. Mense Martio. 4.

Ad Carolum Imperatorem Augustum Erasmi Roterodami Parænesis

1 The Proverbs of Solomon the son of David, king of Israel;
2 To know wisdom and instruction; to perceive the words of understanding;
3 To receive the instruction of wisdom, justice, and judgment, and equity;
4 To give subtilty to the simple, to the young man knowledge and discretion.
5 A wise man will hear, and will increase learning; and a man of understanding shall attain unto wise counsels:
6 To understand a proverb, and the interpretation; the words of the wise, and their dark sayings.
7 The fear of the LORD is the beginning of knowledge: but fools despise wisdom and instruction.
8 My son, hear the instruction of thy father, and forsake not the law of thy mother:
9 For they shall be an ornament of grace unto thy head, and chains about thy neck.
10 My son, if sinners entice thee, consent thou not.
11 If they say, Come with us, let us lay wait for blood, let us lurk privily for the innocent without cause:
12 Let us swallow them up alive as the grave; and whole, as those that go down into the pit:
13 We shall find all precious substance, we shall fill our houses with spoil:
14 Cast in thy lot among us; let us all have one purse:
15 My son, walk not thou in the way with them; refrain thy foot from their path:
16 For their feet run to evil, and make haste to shed blood.
17 Surely in vain the net is spread in the sight of any bird.
18 And they lay wait for their own blood; they lurk privily for their own lives.
19 So are the ways of every one that is greedy of gain; which taketh away the life of the owners thereof.
20 Wisdom crieth without; she uttereth her voice in the streets:
21 She crieth in the chief place of concourse, in the openings of the gates: in the city she uttereth her words, saying,
22 How long, ye simple ones, will ye love simplicity? and the scorners delight in their scorning, and fools hate knowledge?
23 Turn you at my reproof: behold, I will pour out my spirit unto you, I will make known my words unto you.
24 Because I have called, and ye refused; I have stretched out my hand, and no man regarded;
25 But ye have set at nought all my counsel, and would none of my reproof:
26 I also will laugh at your calamity; I will mock when your fear cometh;
27 When your fear cometh as desolation, and your destruction cometh as a whirlwind; when distress and anguish cometh upon you.
28 Then shall they call upon me, but I will not answer; they shall seek me early, but they shall not find me:
29 For that they hated knowledge, and did not choose the fear of the LORD:
30 They would none of my counsel: they despised all my reproof.
31 Therefore shall they eat of the fruit of their own way, and be filled with their own devices.
32 For the turning away of the simple shall slay them, and the prosperity of fools shall destroy them.
33 But whoso hearkeneth unto me shall dwell safely, and shall be quiet from fear of evil.

CHAP. II.

1 My son, if thou wilt receive my words, and hide my commandments with thee;
2 So that thou incline thine ear unto wisdom, and apply thine heart to understanding;
3 Yea, if thou cryest after knowledge, and liftest up thy voice for understanding;
4 If thou seekest her as silver, and searchest for her as for hid treasures;
5 Then shalt thou understand the fear of the LORD, and find the knowledge of God.
6 For the LORD giveth wisdom: out of his mouth cometh knowledge and understanding.
7 He layeth up sound wisdom for the righteous: he is a buckler to them that walk uprightly.
8 He keepeth the paths of judgment, and preserveth the way of his saints.
9 Then shalt thou understand righteousness, and judgment, and equity; yea, every good path.
10 When wisdom entereth into thine heart, and knowledge is pleasant unto thy soul;
11 Discretion shall preserve thee, understanding shall keep thee:
12 To deliver thee from the way of the evil man, from the man that speaketh froward things;
13 Who leave the paths of uprightness, to walk in the ways of darkness;
14 Who rejoice to do evil, and delight in the frowardness of the wicked;
15 Whose ways are crooked, and they froward in their paths:
16 To deliver thee from the strange woman, even from the stranger which flattereth with her words;
17 Which forsaketh the guide of her youth, and forgetteth the covenant of her God.
18 For her house inclineth unto death, and her paths unto the dead.
19 None that go unto her return again, neither take they hold of the paths of life.
20 That thou mayest walk in the way of good men, and keep the paths of the righteous.
21 For the upright shall dwell in the land, and the perfect shall remain in it.
22 But the wicked shall be cut off from the earth, and the transgressors shall be rooted out of it.

CHAP. III.

1 My son, forget not my law; but let thine heart keep my commandments:
2 For length of days, and long life, and peace, shall they add to thee.
3 Let not mercy and truth forsake thee: bind them about thy neck; write them upon the table of thine heart:
4 So shalt thou find favour and good understanding in the sight of God and man.
5 Trust in the LORD with all thine heart; and lean not unto thine own understanding.
6 In all thy ways acknowledge him, and he shall direct thy paths.
7 Be not wise in thine own eyes: fear the LORD, and depart from evil.
8 It shall be health to thy navel, and marrow to thy bones.
9 Honour the LORD with thy substance, and with the firstfruits of all thine increase:
10 So shall thy barns be filled with plenty, and thy presses shall burst out with new wine.
11 My son, despise not the chastening of the LORD; neither be weary of his correction:
12 For whom the LORD loveth he correcteth; even as a father the son in whom he delighteth.
13 Happy is the man that findeth wisdom, and the man that getteth understanding.
14 For the merchandise of it is better than the merchandise of silver, and the gain thereof than fine gold.
15 She is more precious than rubies: and all the things thou canst desire are not to be compared unto her.
16 Length of days is in her right hand; and in her left hand riches and honour.
17 Her ways are ways of pleasantness, and all her paths are peace.
18 She is a tree of life to them that lay hold upon her: and happy is every one that retaineth her.
19 The LORD by wisdom hath founded the earth; by understanding hath he established the heavens.
20 By his knowledge the depths are broken up, and the clouds drop down the dew.
21 My son, let not them depart from thine eyes: keep sound wisdom and discretion:
22 So shall they be life unto thy soul, and grace to thy neck.
23 Then shalt thou walk in thy way safely, and thy foot shall not stumble.
24 When thou liest down, thou shalt not be afraid: yea, thou shalt lie down, and thy sleep shall be sweet.
25 Be not afraid of sudden fear, neither of the desolation of the wicked, when it cometh.
26 For the LORD shall be thy confidence, and shall keep thy foot from being taken.
27 Withhold not good from them to whom it is due, when it is in the power of thine hand to do it.
28 Say not unto thy neighbour, Go, and come again, and to morrow I will give; when thou hast it by thee.
29 Devise not evil against thy neighbour, seeing he dwelleth securely by thee.
30 Strive not with a man without cause, if he have done thee no harm.
31 Envy thou not the oppressor, and choose none of his ways.
32 For the froward is abomination to the LORD: but his secret is with the righteous.
33 The curse of the LORD is in the house of the wicked: but he blesseth the habitation of the just.
34 Surely he scorneth the scorners: but he giveth grace unto the lowly.
35 The wise shall inherit glory: but shame shall be the promotion of fools.

CHAP. IV.

1 Hear, ye children, the instruction of a father, and attend to know understanding.
2 For I give you good doctrine, forsake ye not my law.
3 For I was my father's son, tender and only beloved in the sight of my mother.
4 He taught me also, and said unto me, Let thine heart retain my words: keep my commandments, and live.
5 Get wisdom, get understanding: forget it not; neither decline from the words of my mouth.
6 Forsake her not, and she shall preserve thee: love her, and she shall keep thee.
7 Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding.
8 Exalt her, and she shall promote thee: she shall bring thee to honour, when thou dost embrace her.
9 She shall give to thine head an ornament of grace: a crown of glory shall she deliver to thee.
10 Hear, O my son, and receive my sayings; and the years of thy life shall be many.
11 I have taught thee in the way of wisdom; I have led thee in right paths.
12 When thou goest, thy steps shall not be straitened; and when thou runnest, thou shalt not stumble.
13 Take fast hold of instruction; let her not go: keep her; for she is thy life.
14 Enter not into the path of the wicked, and go not in the way of evil men.
15 Avoid it, pass not by it, turn from it, and pass away.
16 For they sleep not, except they have done mischief; and their sleep is taken away, unless they cause some to fall.
17 For they eat the bread of wickedness, and drink the wine of violence.
18 But the path of the just is as the shining light, that shineth more and more unto the perfect day.
19 The way of the wicked is as darkness: they know not at what they stumble.
20 My son, attend to my words; incline thine ear unto my sayings.
21 Let them not depart from thine eyes; keep them in the midst of thine heart.
22 For they are life unto those that find them, and health to all their flesh.
23 Keep thy heart with all diligence; for out of it are the issues of life.
24 Put away from thee a froward mouth, and perverse lips put far from thee.
25 Let thine eyes look right on, and let thine eyelids look straight before thee.
26 Ponder the path of thy feet, and let all thy ways be established.
27 Turn not to the right hand nor to the left: remove thy foot from evil.

CHAP. V.

1 My son, attend unto my wisdom, and bow thine ear to my understanding:
2 That thou mayest regard discretion, and that thy lips may keep knowledge.
3 For the lips of a strange woman drop as an honeycomb, and her mouth is smoother than oil:
4 But her end is bitter as wormwood, sharp as a two-edged sword.
5 Her feet go down to death; her steps take hold on hell.
6 Lest thou should ponder the path of life, her ways are moveable, that thou canst not know them.
7 Hear me now therefore, O ye children, and depart not from the words of my mouth.
8 Remove thy way far from her, and come not nigh the door of her house:
9 Lest thou give thine honour unto others, and thy years unto the cruel:
10 Lest strangers be filled with thy wealth; and thy labours be in the house of a stranger;
11 And thou mourn at the last, when thy flesh and thy body are consumed,
12 And say, How have I hated instruction, and my heart despised reproof;
13 And have not obeyed the voice of my teachers, nor inclined mine ear to them that instructed me!
14 I was almost in all evil in the midst of the congregation and assembly.
15 Drink waters out of thine own cistern, and running waters out of thine own well.
16 Let thy fountains be dispersed abroad, and rivers of waters in the streets.
17 Let them be only thine own, and not strangers' with thee.
18 Let thy fountain be blessed: and rejoice with the wife of thy youth.
19 Let her be as the loving hind and pleasant roe; let her breasts satisfy thee at all times; and be thou ravished always with her love.
20 And why wilt thou, my son, be ravished with a strange woman, and embrace the bosom of a stranger?
21 For the ways of man are before the eyes of the LORD, and he pondereth all his goings.
22 His own iniquities shall take the wicked himself, and he shall be holden with the cords of his sins.
23 He shall die without instruction; and in the greatness of his folly he shall go astray.

CHAP. VI.

1 My son, if thou be surety for thy friend, if thou hast stricken thy hand with a stranger,
2 Thou art snared with the words of thy mouth, thou art taken with the words of thy mouth.
3 Do this now, my son, and deliver thyself, when thou art come into the hand of thy friend; go, humble thyself, and make sure thy friend.
4 Give not sleep to thine eyes, nor slumber to thine eyelids.
5 Deliver thyself as a roe from the hand of the hunter, and as a bird from the hand of the fowler.
6 Go to the ant, thou sluggard; consider her ways, and be wise:
7 Which having no guide, overseer, or ruler,
8 Provideth her meat in the summer, and gathereth her food in the harvest.
9 How long wilt thou sleep, O sluggard? when wilt thou arise out of thy sleep?
10 Yet a little sleep, a little slumber, a little folding of the hands to sleep:
11 So shall thy poverty come as one that travelleth, and thy want as an armed man.
12 A naughty person, a wicked man, walketh with a froward mouth.
13 He winketh with his eyes, he speaketh with his feet, he teacheth with his fingers;
14 Frowardness is in his heart, he deviseth mischief continually, he soweth discord.
15 Therefore shall his calamity come suddenly; suddenly shall he be broken without remedy.
16 These six things doth the LORD hate: yea, seven are an abomination unto him:
17 A proud look, a lying tongue, and hands that shed innocent blood,
18 An heart that deviseth wicked imaginations, feet that be swift in running to mischief,
19 A false witness that speaketh lies, and he that soweth discord among brethren.
20 My son, keep thy father's commandment, and forsake not the law of thy mother:
21 Bind them continually upon thine heart, and tie them about thy neck.
22 When it goeth, it shall lead thee; when thou sleepest, it shall keep thee; and when thou awakest, it shall talk with thee.
23 For the commandment is a lamp; and the law is light; and reproofs of instruction are the way of life:
24 To keep thee from the evil woman, from the flattery of the tongue of a strange woman.
25 Lust not after her beauty in thine heart; neither let her take thee with her eyelids.
26 For by means of a whorish woman a man is brought to a piece of bread: and the adulteress will hunt for the precious life.
27 Can a man take fire in his bosom, and his clothes not be burned?
28 Can one go upon hot coals, and his feet not be burned?
29 So he that goeth in to his neighbour's wife; whosoever toucheth her shall not be innocent.
30 Men do not despise a thief, if he steal to satisfy his soul when he is hungry;
31 But if he be found, he shall restore sevenfold; he shall give all the substance of his house.
32 But whoso committeth adultery with a woman lacketh understanding: he that doeth it destroyeth his own soul.
33 A wound and dishonour shall he get; and his reproach shall not be wiped away.
34 For jealousy is the rage of a man: therefore he will not spare in the day of vengeance.
35 He will not regard any ransom; neither will he rest content, though thou give many gifts.

CHAP. VII.

1 My son, keep my words, and lay up my commandments with thee.
2 Keep my commandments, and live; and my law as the apple of thine eye.
3 Bind them upon thy fingers, write them upon the table of thine heart.
4 Say unto wisdom, Thou art my sister; and call understanding thy kinswoman:
5 That they may keep thee from the strange woman, from the stranger which flattereth with her words.
6 For at the window of my house I looked through my casement,
7 And beheld among the simple ones, I discerned among the youths, a young man void of understanding,
8 Passing through the street near her corner; and he went the way to her house,
9 In the twilight, in the evening, in the black and dark night:
10 And, behold, there met him a woman with the attire of an harlot, and subtil of heart.
11 (She is loud and stubborn; her feet abide not in her house:
12 Now is she without, now in the streets, and lieth in wait at every corner.)
13 So she caught him, and kissed him, and with an impudent face said unto him,
14 I have peace offerings with me; this day have I payed my vows.
15 Therefore came I forth to meet thee, diligently to seek thy face, and I have found thee.
16 I have decked my bed with coverings of tapestry, with carved works, with fine linen of Egypt.
17 I have perfumed my bed with myrrh, aloes, and cinnamon.
18 Come, let us take our fill of love until the morning: let us solace ourselves with loves.
19 For the good man is not at home, he is gone a long journey:
20 He hath taken a bag of money with him, and will come home at the day appointed.
21 With her much fair speech she caused him to yield, with the flattering of her lips she forced him.
22 He goeth after her straightway, as an ox goeth to the slaughter, or as a fool to the correction of the stocks;
23 Till a dart strike through his liver; as a bird hasteth to the snare, and knoweth not that it is for his life.
24 Hearken unto me now therefore, O ye children, and attend to the words of my mouth.
25 Let not thine heart decline to her ways, go not astray in her paths.
26 For she hath cast down many wounded: yea, many strong men have been slain by her.
27 Her house is the way to hell, going down to the chambers of death.

CHAP. VIII.

1 Doth not wisdom cry? and understanding put forth her voice?
2 She standeth in the top of high places, by the way in the places of the paths.
3 She crieth at the gates, at the entry of the city, at the coming in at the doors.
4 Unto you, O men, I call; and my voice is to the sons of man.
5 O ye simple, understand wisdom: and, ye fools, be ye of an understanding heart.
6 Hear; for I will speak of excellent things; and the opening of my lips shall be right things.
7 For my mouth shall speak truth; and wickedness is an abomination to my lips.
8 All the words of my mouth are in righteousness; there is nothing froward or perverse in them.
9 They are all plain to him that understandeth, and right to them that find knowledge.
10 Receive my instruction, and not silver; and knowledge rather than choice gold.
11 For wisdom is better than rubies; and all the things that may be desired are not to be compared to it.
12 I wisdom dwell with prudence, and find out knowledge of witty inventions.
13 The fear of the LORD is to hate evil: pride, and arrogancy, and the evil way, and the froward mouth, do I hate.
14 Counsel is mine, and sound wisdom: I am understanding; I have strength.
15 By me kings reign, and princes decree justice.
16 By me princes rule, and nobles, all the judges of the earth.
17 I love them that love me; and those that seek me early shall find me.
18 Riches and honour are with me; yea, durable riches and righteousness.
19 My fruit is better than gold, yea, than fine gold; and my revenue than choice silver.
20 I lead in the way of righteousness, in the midst of the paths of judgment:
21 That I may cause those that love me to inherit substance; and I will fill their treasures.
22 The LORD possessed me in the beginning of his way, before his works of old.
23 I was set up from everlasting, from the beginning, or ever the earth was.
24 When there were no depths, I was brought forth; when there were no fountains abounding with water.
25 Before the mountains were settled, before the hills was I brought forth:
26 While as yet he had not made the earth, nor the fields, nor the highest part of the dust of the world.
27 When he prepared the heavens, I was there: when he set a compass upon the face of the depth:
28 When he established the clouds above: when he strengthened the fountains of the deep:
29 When he gave to the sea his decree, that the waters should not pass his commandment: when he appointed the foundations of the earth:
30 Then I was by him, as one brought up with him: and I was daily his delight, rejoicing always before him;
31 Rejoicing in the habitable part of his earth; and my delights were with the sons of men.
32 Now therefore hearken unto me, O ye children: for blessed are they that keep my ways.
33 Hear instruction, and be wise, and refuse it not.
34 Blessed is the man that heareth me, watching daily at my gates, waiting at the posts of my doors.
35 For whoso findeth me findeth life, and shall obtain favour of the LORD.
36 But he that sinneth against me wrongeth his own soul: all they that hate me love death.

CHAP. IX.

1 Wisdom hath builded her house, she hath hewn out her seven pillars:
2 She hath killed her beasts; she hath mingled her wine; she hath also furnished her table.
3 She hath sent forth her maidens: she crieth upon the highest places of the city,
4 Whoso is simple, let him turn in hither: as for him that wanteth understanding, she saith to him,
5 Come, eat of my bread, and drink of the wine which I have mingled.
6 Forsake the foolish, and live; and go in the way of understanding.
7 He that reproveth a scorner getteth to himself shame: and he that rebuketh a wicked man getteth himself a blot.
8 Reprove not a scorner, lest he hate thee: rebuke a wise man, and he will love thee.
9 Give instruction to a wise man, and he will be yet wiser: teach a just man, and he will increase in learning.
10 The fear of the LORD is the beginning of wisdom: and the knowledge of the holy is understanding.
11 For by me thy days shall be multiplied, and the years of thy life shall be increased.
12 If thou be wise, thou shalt be wise for thyself: but if thou scornest, thou alone shalt bear it.
13 A foolish woman is clamorous: she is simple, and knoweth nothing.
14 For she sitteth at the door of her house, on a seat in the high places of the city,
15 To call passengers who go right on their ways:
16 Whoso is simple, let him turn in hither: and as for him that wanteth understanding, she saith to him,
17 Stolen waters are sweet, and bread eaten in secret is pleasant.
18 But he knoweth not that the dead are there; and that her guests are in the depths of hell.

CHAP. X.

1 The Proverbs of Solomon. A wise son maketh a glad father: but a foolish son is the heaviness of his mother.
2 Treasures of wickedness profit nothing: but righteousness delivereth from death.
3 The LORD will not suffer the soul of the righteous to famish: but he casteth away the substance of the wicked.
4 He becometh poor that dealeth with a slack hand: but the hand of the diligent maketh rich.
5 He that gathereth in summer is a wise son: but he that sleepeth in harvest is a son that causeth shame.
6 Blessings are upon the head of the just: but violence covereth the mouth of the wicked.
7 The memory of the just is blessed: but the name of the wicked shall rot.
8 The wise in heart will receive commandments: but a prating fool shall fall.
9 He that walketh uprightly walketh surely: but he that perverteth his ways shall be known.
10 He that winketh with the eye causeth sorrow: but a prating fool shall fall.
11 The mouth of a righteous man is a well of life: but violence covereth the mouth of the wicked.
12 Hatred stirreth up strifes: but love covereth all sins.
13 In the lips of him that hath understanding wisdom is found: but a rod is for the back of him that is void of understanding.
14 Wise men lay up knowledge: but the mouth of the foolish is near destruction.
15 The rich man's wealth is his strong city: the destruction of the poor is their poverty.
16 The labour of the righteous tendeth to life: the fruit of the wicked to sin.
17 He is in the way of life that keepeth instruction: but he that refuseth reproof erreth.
18 He that hideth hatred with lying lips, and he that uttereth a slander, is a fool.
19 In the multitude of words there wanteth not sin: but he that refraineth his lips is wise.
20 The tongue of the just is as choice silver: the heart of the wicked is little worth.
21 The lips of the righteous feed many: but fools die for want of wisdom.
22 The blessing of the LORD, it maketh rich, and he addeth no sorrow with it.
23 It is as sport to a fool to do mischief: but a man of understanding hath wisdom.
24 The fear of the wicked, it shall come upon him: but the desire of the righteous shall be granted.
25 As the whirlwind passeth, so is the wicked no more: but the righteous is an everlasting foundation.
26 As vinegar to the teeth, and as smoke to the eyes, so is the sluggard to them that send him.
27 The fear of the LORD prolongeth days: but the years of the wicked shall be shortened.
28 The hope of the righteous shall be gladness: but the expectation of the wicked shall perish.
29 The way of the LORD is strength to the upright: but destruction shall be to the workers of iniquity.
30 The righteous shall never be removed: but the wicked shall not inhabit the earth.
31 The mouth of the just bringeth forth wisdom: but the froward tongue shall be cut out.
32 The lips of the righteous know what is acceptable: but the mouth of the wicked speaketh frowardness.

CHAP. XI.

1 A false balance is abomination to the LORD: but a just weight is his delight.
2 When pride cometh, then cometh shame: but with the lowly is wisdom.
3 The integrity of the upright shall guide them: but the perverseness of transgressors shall destroy them.
4 Riches profit not in the day of wrath: but righteousness delivereth from death.
5 The righteousness of the perfect shall direct his way: but the wicked shall fall by his own wickedness.
6 The righteousness of the upright shall deliver them: but transgressors shall be taken in their own naughtiness.
7 When a wicked man dieth, his expectation shall perish: and the hope of unjust men perisheth.
8 The righteous is delivered out of trouble, and the wicked cometh in his stead.
9 An hypocrite with his mouth destroyeth his neighbour: but through knowledge shall the just be delivered.
10 When it goeth well with the righteous, the city rejoiceth: and when the wicked perish, there is shouting.
11 By the blessing of the upright the city is exalted: but it is overthrown by the mouth of the wicked.
12 He that is void of wisdom despiseth his neighbour: but a man of understanding holdeth his peace.
13 A talebearer revealeth secrets: but he that is of a faithful spirit concealeth the matter.
14 Where no counsel is, the people fall: but in the multitude of counsellors there is safety.
15 He shall smart sorely that is surety for a stranger: and he that hateth suretyship is sure.
16 A gracious woman retaineth honour: and strong men retain riches.
17 The merciful man doeth good to his own soul: but he that is cruel troubleth his own flesh.
18 The wicked worketh a deceitful work: but to him that soweth righteousness shall be a sure reward.
19 As righteousness tendeth to life: so he that pursueth evil pursueth it to his own death.
20 They that are of a froward heart are abomination to the LORD: but such as are upright in their way are his delight.
21 Though hand join in hand, the wicked shall not be unpunished: but the seed of the righteous shall be delivered.
22 As a jewel of gold in a swine's snout, so is a fair woman which is without discretion.
23 The desire of the righteous is only good: but the expectation of the wicked is wrath.
24 There is that scattereth, and yet increaseth; and there is that withholdeth more than is meet, but it tendeth to poverty.
25 The liberal soul shall be made fat: and he that watereth shall be watered also himself.
26 He that withholdeth corn, the people shall curse him: but blessing shall be upon the head of him that selleth it.
27 He that diligently seeketh good procureth favour: but he that seeketh mischief, it shall come unto him.
28 He that trusteth in his riches shall fall: but the righteous shall flourish as a branch.
29 He that troubleth his own house shall inherit the wind: and the fool shall be servant to the wise of heart.
30 The fruit of the righteous is a tree of life; and he that winneth souls is wise.
31 Behold, the righteous shall be recompensed in the earth: much more the wicked and the sinner.

CHAP. XII.

1 Whoso loveth instruction loveth knowledge: but he that hateth reproof is brutish.
2 A good man obtaineth favour of the LORD: but a man of wicked devices will he condemn.
3 A man shall not be established by wickedness: but the root of the righteous shall not be moved.
4 A virtuous woman is a crown to her husband: but she that maketh ashamed is as rottenness in his bones.
5 The thoughts of the righteous are right: but the counsels of the wicked are deceit.
6 The words of the wicked are to lie in wait for blood: but the mouth of the upright shall deliver them.
7 The wicked are overthrown, and are not: but the house of the righteous shall stand.
8 A man shall be commended according to his wisdom: but he that is of a perverse heart shall be despised.
9 He that is despised, and hath a servant, is better than he that honoureth himself, and lacketh bread.
10 A righteous man regardeth the life of his beast: but the tender mercies of the wicked are cruel.
11 He that tilleth his land shall be satisfied with bread: but he that followeth vain persons is void of understanding.
12 The wicked desireth the net of evil men: but the root of the righteous yieldeth fruit.
13 The wicked is snared by the transgression of his lips: but the just shall come out of trouble.
14 A man shall be satisfied with good by the fruit of his mouth: and the recompence of a man's hands shall be rendered unto him.
15 The way of a fool is right in his own eyes: but he that hearkeneth unto counsel is wise.
16 A fool's wrath is presently known: but a prudent man covereth shame.
17 He that speaketh truth sheweth forth righteousness: but a false witness deceit.
18 There is that speaketh like the piercings of a sword: but the tongue of the wise is health.
19 The lip of truth shall be established for ever: but a lying tongue is but for a moment.
20 Deceit is in the heart of them that imagine evil: but to the counsellors of peace is joy.
21 There shall no evil happen to the just: but the wicked shall be filled with mischief.
22 Lying lips are abomination to the LORD: but they that deal truly are his delight.
23 A prudent man concealeth knowledge: but the heart of fools proclaimeth foolishness.
24 The hand of the diligent shall bear rule: but the slothful shall be under tribute.
25 Heaviness in the heart of man maketh it stoop: but a good word maketh it glad.
26 The righteous is more excellent than his neighbour: but the way of the wicked seduceth them.
27 The slothful man roasteth not that which he took in hunting: but the substance of a diligent man is precious.
28 In the way of righteousness is life: and in the pathway thereof there is no death.

CHAP. XIII.

1 A wise son heareth his father's instruction: but a scorner heareth not rebuke.
2 A man shall eat good by the fruit of his mouth: but the soul of the transgressors shall eat violence.
3 He that keepeth his mouth keepeth his life: but he that openeth wide his lips shall have destruction.
4 The soul of the sluggard desireth, and hath nothing: but the soul of the diligent shall be made fat.
5 A righteous man hateth lying: but a wicked man is loathsome, and cometh to shame.
6 Righteousness keepeth him that is upright in the way: but wickedness overthrowth the sinner.
7 There is that maketh himself rich, yet hath nothing: there is that maketh himself poor, yet hath great riches.
8 The ransom of a man's life are his riches: but the poor heareth not rebuke.
9 The light of the righteous rejoiceth: but the lamp of the wicked shall be put out.
10 Only by pride cometh contention: but with the well advised is wisdom.
11 Wealth gotten by vanity shall be diminished: but he that gathereth by labour shall increase.
12 Hope deferred maketh the heart sick: but when the desire cometh, it is a tree of life.
13 Whoso despiseth the word shall be destroyed: but he that feareth the commandment shall be rewarded.
14 The law of the wise is a fountain of life, to depart from the snares of death.
15 Good understanding giveth favour: but the way of transgressors is hard.
16 Every prudent man dealeth with knowledge: but a fool layeth open his folly.
17 A wicked messenger falleth into mischief: but a faithful ambassador is health.
18 Poverty and shame shall be to him that refuseth instruction: but he that regardeth reproof shall be honoured.
19 The desire accomplished is sweet to the soul: but it is abomination to fools to depart from evil.
20 He that walketh with wise men shall be wise: but a companion of fools shall be destroyed.
21 To sinners evil pursueth them: but to the righteous good shall be repayed.
22 A good man leaveth an inheritance to his children's children: and the wealth of the sinner is laid up for the just.
23 Much food is in the tillage of the poor: but there is that is destroyed for want of judgment.
24 He that spareth his rod hateth his son: but he that loveth him chasteneth him betimes.
25 The righteous eateth to the satisfying of his soul: but the belly of the wicked shall want.

CHAP. XIV.

1 Every wise woman buildeth her house: but the foolish plucketh it down with her hands.
2 He that walketh in his uprightness feareth the LORD: but he that is perverse in his ways despiseth him.
3 In the mouth of the foolish is a rod of pride: but the lips of the wise shall preserve them.
4 Where no oxen are, the crib is clean: but much increase is by the strength of the ox.
5 A faithful witness will not lie: but a false witness will utter lies.
6 A scorner seeketh wisdom, and findeth it not: but knowledge is easy unto him that understandeth.
7 Go from the presence of a foolish man, when thou perceivest not in him the lips of knowledge.
8 The wisdom of the prudent is to understand his way: but the folly of fools is deceit.
9 Fools make a mock at sin: but among the righteous there is favour.
10 The heart knoweth his own bitterness; and a stranger doth not intermeddle with his joy.
11 The house of the wicked shall be overthrown: but the tabernacle of the upright shall flourish.
12 There is a way which seemeth right unto a man, but the end thereof are the ways of death.
13 Even in laughter the heart is sorrowful; and the end of that mirth is heaviness.
14 The backslider in heart shall be filled with his own ways: and a good man shall be satisfied from himself.
15 The simple believeth every word: but the prudent man looketh well to his going.
16 A wise man feareth, and departeth from evil: but the fool rageth, and is confident.
17 He that is soon angry dealeth foolishly: and a man of wicked devices is hated.
18 The simple inherit folly: but the prudent are crowned with knowledge.
19 The evil bow before the good; and the wicked at the gates of the righteous.
20 The poor is hated even of his own neighbour: but the rich hath many friends.
21 He that despiseth his neighbour sinneth: but he that hath mercy on the poor, happy is he.
22 Do they not err that devise evil? but mercy and truth shall be to them that devise good.
23 In all labour there is profit: but the talk of the lips tendeth only to penury.
24 The crown of the wise is their riches: but the foolishness of fools is folly.
25 A true witness delivereth souls: but a deceitful witness speaketh lies.
26 In the fear of the LORD is strong confidence: and his children shall have a place of refuge.
27 The fear of the LORD is a fountain of life, to depart from the snares of death.
28 In the multitude of people is the king's honour: but in the want of people is the destruction of the prince.
29 He that is slow to wrath is of great understanding: but he that is hasty of spirit exalteth folly.
30 A sound heart is the life of the flesh: but envy the rottenness of the bones.
31 He that oppresseth the poor reproacheth his Maker: but he that honoureth him hath mercy on the poor.
32 The wicked is driven away in his wickedness: but the righteous hath hope in his death.
33 Wisdom resteth in the heart of him that hath understanding: but that which is in the midst of fools is made known.
34 Righteousness exalteth a nation: but sin is a reproach to any people.
35 The king's favour is toward a wise servant: but his wrath is against him that causeth shame.

CHAP. XV.

1 A soft answer turneth away wrath: but grievous words stir up anger.
2 The tongue of the wise useth knowledge aright: but the mouth of fools poureth out foolishness.
3 The eyes of the LORD are in every place, beholding the evil and the good.
4 A wholesome tongue is a tree of life: but perverseness therein is a breach in the spirit.
5 A fool despiseth his father's instruction: but he that regardeth reproof is prudent.
6 In the house of the righteous is much treasure: but in the revenues of the wicked is trouble.
7 The lips of the wise disperse knowledge: but the heart of the foolish doeth not so.
8 The sacrifice of the wicked is an abomination to the LORD: but the prayer of the upright is his delight.
9 The way of the wicked is an abomination unto the LORD: but he loveth him that followeth after righteousness.
10 Correction is grievous unto him that forsaketh the way: and he that hateth reproof shall die.
11 Hell and destruction are before the LORD: how much more then the hearts of the children of men?
12 A scorner loveth not one that reproveth him: neither will he go unto the wise.
13 A merry heart maketh a cheerful countenance: but by sorrow of the heart the spirit is broken.
14 The heart of him that hath understanding seeketh knowledge: but the mouth of fools feedeth on foolishness.
15 All the days of the afflicted are evil: but he that is of a merry heart hath a continual feast.
16 Better is little with the fear of the LORD than great treasure and trouble therewith.
17 Better is a dinner of herbs where love is, than a stalled ox and hatred therewith.
18 A wrathful man stirreth up strife: but he that is slow to anger appeaseth strife.
19 The way of the slothful man is as an hedge of thorns: but the way of the righteous is made plain.
20 A wise son maketh a glad father: but a foolish man despiseth his mother.
21 Folly is joy to him that is destitute of wisdom: but a man of understanding walketh uprightly.
22 Without counsel purposes are disappointed: but in the multitude of counsellors they are established.
23 A man hath joy by the answer of his mouth: and a word spoken in due season, how good is it!
24 The way of life is above to the wise, that he may depart from hell beneath.
25 The LORD will destroy the house of the proud: but he will establish the border of the widow.
26 The thoughts of the wicked are an abomination to the LORD: but the words of the pure are pleasant words.
27 He that is greedy of gain troubleth his own house; but he that hateth gifts shall live.
28 The heart of the righteous studieth to answer: but the mouth of the wicked poureth out evil things.
29 The LORD is far from the wicked: but he heareth the prayer of the righteous.
30 The light of the eyes rejoiceth the heart: and a good report maketh the bones fat.
31 The ear that heareth the reproof of life abideth among the wise.
32 He that refuseth instruction despiseth his own soul: but he that heareth reproof getteth understanding.
33 The fear of the LORD is the instruction of wisdom; and before honour is humility.

CHAP. XVI.

1 The preparations of the heart in man, and the answer of the tongue, is from the LORD.
2 All the ways of a man are clean in his own eyes; but the LORD weigheth the spirits.
3 Commit thy works unto the LORD, and thy thoughts shall be established.
4 The LORD hath made all things for himself: yea, even the wicked for the day of evil.
5 Every one that is proud in heart is an abomination to the LORD: though hand join in hand, he shall not be unpunished.
6 By mercy and truth iniquity is purged: and by the fear of the LORD men depart from evil.
7 When a man's ways please the LORD, he maketh even his enemies to be at peace with him.
8 Better is a little with righteousness than great revenues without right.
9 A man's heart deviseth his way: but the LORD directeth his steps.
10 A divine sentence is in the lips of the king: his mouth transgresseth not in judgment.
11 A just weight and balance are the LORD's: all the weights of the bag are his work.
12 It is an abomination to kings to commit wickedness: for the throne is established by righteousness.
13 Righteous lips are the delight of kings; and they love him that speaketh right.
14 The wrath of a king is as messengers of death: but a wise man will pacify it.
15 In the light of the king's countenance is life; and his favour is as a cloud of the latter rain.
16 How much better is it to get wisdom than gold! and to get understanding rather to be chosen than silver!
17 The highway of the upright is to depart from evil: he that keepeth his way preserveth his soul.
18 Pride goeth before destruction, and a haughty spirit before a fall.
19 Better it is to be of an humble spirit with the lowly, than to divide the spoil with the proud.
20 He that handleth a matter wisely shall find good: and whoso trusteth in the LORD, happy is he.
21 The wise in heart shall be called prudent: and the sweetness of the lips increaseth learning.
22 Understanding is a well-spring of life unto him that hath it: but the instruction of fools is folly.
23 The heart of the wise teacheth his mouth, and addeth learning to his lips.
24 Pleasant words are as an honeycomb, sweet to the soul, and health to the bones.
25 There is a way that seemeth right unto a man, but the end thereof are the ways of death.
26 He that laboureth, laboureth for himself; for his mouth craveth it of him.
27 An ungodly man diggeth up evil: and in his lips there is as a burning fire.
28 A froward man soweth strife: and a whisperer separateth chief friends.
29 A violent man enticeth his neighbour, and leadeth him into the way that is not good.
30 He shutteth his eyes to devise froward things: moving his lips he bringeth evil to pass.
31 The hoary head is a crown of glory, if it be found in the way of righteousness.
32 He that is slow to anger is better than the mighty; and he that ruleth his spirit than he that taketh a city.
33 The lot is cast into the lap; but the whole disposing thereof is of the LORD.

CHAP. XVII.

1 Better is a dry morsel, and quietness therewith, than a house full of sacrifices with strife.
2 A wise servant shall have rule over a son that causeth shame, and shall have part of the inheritance among the brethren.
3 The fining pot is for silver, and the furnace for gold: but the LORD trieth the hearts.
4 A wicked doer giveth heed to false lips; and a liar giveth ear to a naughty tongue.
5 Whoso mocketh the poor reproacheth his Maker: and he that is glad at calamities shall not be unpunished.
6 Children's children are the crown of old men; and the glory of children are their fathers.
7 Excellent speech becometh not a fool: much less do lying lips a prince.
8 A gift is as a precious stone in the eyes of him that hath it: whithersoever it turneth, it prospereth.
9 He that covereth a transgression seeketh love; but he that repeateth a matter separateth very friends.
10 A reproof entereth more into a wise man than an hundred stripes into a fool.
11 An evil man seeketh only rebellion: therefore a cruel messenger shall be sent against him.
12 Let a bear robbed of her whelps meet a man, rather than a fool in his folly.
13 Whoso rewardeth evil for good, evil shall not depart from his house.
14 The beginning of strife is as when one letteth out water: therefore leave off contention, before it be meddled with.
15 He that justifieth the wicked, and he that condemneth the just, even they both are abomination to the LORD.
16 Wherefore is there a price in the hand of a fool to get wisdom, seeing he hath no heart to it?
17 A friend loveth at all times, and a brother is born for adversity.
18 A man void of understanding striketh hands, and becometh surety in the presence of his friend.
19 He loveth transgression that loveth strife: and he that exalteth his gate seeketh destruction.
20 He that hath a froward heart findeth no good: and he that hath a perverse tongue falleth into mischief.
21 He that begetteth a fool doeth it to his sorrow: and the father of a fool hath no joy.
22 A merry heart doeth good like a medicine: but a broken spirit drieth the bones.
23 A wicked man taketh a gift out of the bosom to pervert the ways of judgment.
24 Wisdom is before him that hath underst

CAPVT I.

I. LOCVS iste Binomius est: vocatur quippe, *de Conchis*, aliàs, *de Castellione*: vulgari sermone *de Conches*, seu, *de Chastillon*; Ordinis S. Benedicti, Diœcesis Ebroicens. à qua vrbe 4. leucis distat: dicaturque B. Petro Apostolo, & taxatur ad 500. Florenos aureos cameræ Apostolicæ, pro Annatis soluendis. [a] Castillionis super Diuam in Normanna meminerunt S. Bernardus Epist. 338. ad Balduinum Abbatem de Castellione, Robertus de Monte, ad ann. 1148. & alij authores ita Quercetanus lib. 1. Histor. Genealog. Domus Castilioneæ, cap. 1. in probation. pag. 10.

II. Fundatur equidè, circa ann. 1048. seu 1050. sed quis fuerit eius fundator: haud est omnium, vna sententia. Nam *Gemeticensis* vocat illum Rodulfū, his verbis *Monasterium autem S. Petri Castellionis, Radulfus de Tœnio, construxit.* [b] Ordericus verò vitalis, Rogerium nominat. „ *Barones* (inquit) Normanniæ Principum suorum „ tantum feruorem erga sanctam Religionem videntes, imitari affectarunt, & ad „ simile opus se, suosque amicos, pro salute animarum suarum excitarunt, vnus „ alium in bono opere festinabat præire, eleemosynarumque largitate digniter su„ perare. Quisque potentum se derisione dignum iudicabat: si clericos, aut mona„ chos, in sua possessione ad Dei militiam, rebus necessarijs non sustentabat: igi„ tur Rogerius de Tœnio, cœnobium Castellionis, aliàs, de Conchis, construxit. [c] cui adstipulatur Episcopus Arboretanus, sed perperam vocans illum Rogerium de *Thorineio*, Gallicè, *Thorigny*. [d]

III. Ad horum intelligentiam venit obseruandum, quòd *Radulfus* Tœnites, de stirpe *Malahulcij*, (qui *Rollonis* Ducis Normaniæ patruus fuerat, & cum eo Francos atterens, Normaniam fortiter acquisierat) vir potens, ac totius Neustriæ signifer, filium habuit nomine *Rogerium*. Hic igitur, dùm Robertus, Normaniæ Dux peregrè perrexerat, in Hispaniam (vbi per eum, multæ probitates super paganos factæ sunt) profectus fuerat: sed post aliquantum temporis ad sua reuersus est. Comperiens autem, quòd Vvillelmus 2. puer, in Ducatu Normaniæ, patri Roberto, successisset, vehementer indignatus est, despexit illi seruire: dicens, Nothum, haud sibi, alijsque Normannis imperandum: quare conflictu inito contra Rogerium de Bellomonte, filium Humfridi de vetulis: ipse *Rogerius Tœnites*, cum duobus filijs suis, Helberto, & Elinantio, peremptus, victoriam hostibus reliquit: cuius viduam, assumpsit in vxorem Richardus, Ebroicensis Comes, filius Roberti, Rothomagensis Archiepiscopi. 44. [e]

IV. Præter hos filios, alium quoque habebat *Rogerius Tœnites*, nomine *Radulfum* 2. Neustriæ vexilliferum, qui in pugna ad Mortuum-mare, clarus euasit, strenuè decertans pro Duce Normaniæ contra Francos, ann. 1054. [f] Postea verò inter Guillelmum, Normanniæ Ducem, & eius proceres, grauis dissensio exoritur, ob quædam falsò relata à nonnullis maledicis accusatoribus ex inuidia: vnde Dux ipse, plus æquo iræ frena laxans, præcipuos Barones suos, *Radulphum* de Tœnio, & alios

alterâ reſponderet, ad nimiam prædicti monachi pertinaciam & clamoſam inſtantiam; ſententiam talem, pro vt rationabiliter lata fuerat, nec legitima appellatione ſuſpenſa, idem prædeceſſor noſter confirmans, eam mandauit inuiolabiliter obſeruari.

V. *Dictus* verò Abbas, poſtmodum ad Apoſtolicam ſedem, cum magnis veniens periculis, laboribus & expenſis, multorum & magnorum virorum teſtimonialibus litteris communitus, ſe poſt appellationem interpoſitam ad litteras per precum mendatia impetratas, à iudicibus ſibi ſuſpectis, juris ordine non ſeruato, ab adminiſtratione Monaſterij, ſe conquæſtus eſt iniuſtè fuiſſe amotum: cùm prædictus Legatus ſæpè dictum Monaſterium viſitans, nihil circa perſonam Abbatis, vel ipſius adminiſtrationem inutilem inueniſſet, quod ei correctione dignum, vel reprehenſione videretur. Idem etiam Cardinalis proprio fuit ore confeſſus, quòd quamdiu in Monaſterio fuit, cùm cuncta diligentius inquiſiſſet, domum per omnia in bono ſtatu iuuenit: nec aliquid aduerſus Abbatem, fuit propoſitum quæſtionis. Poſt diſceſſum verò ſuum quidam aduerſus ſæpè dictum Abbatem, tot, & tanta propoſuere nefaria; quòd nulla ratione, ſalua conſcientia, ſine inquiſitione diligenti poterat prætermitti. Vnde memoratis, & Priori, mandauit, vt de vita & conuerſatione ipſius Abbatis, & totius capituli ſtatu, aſſociatis ſibi viris prudentibus, inquirerent diligenter, & quicquid inuenirent ibidem, ei abſque dilatione ſignificare curarent: numquam tamen ſuæ fuiſſe intentionis, aſſeruit, quòd ipſi ad ſententiam proferendam, abſque ipſius conſilio, procederent & mandato: ſicque ſæpè dictus prædeceſſor noſter, nolens prædictum Abbatem inordinatè grauari, quod à prædictis inquiſitoribus, qui mandato Cardinalis abuſi fuerant, factum erat enormiter, circa ipſum penitùs irritans, in eum ſtatum, ipſum reſtituit in quo fuit, cùm dictus Cardinalis à Monaſterio præfato receſſit: ſubſequenter venerabili fratri noſtro Epiſcopo tunc electo, & dilectis filijs, Hu. & Lu. Archidiaconis Ebroicenſ. præcipiendo mandauit, vt eidem Abbati, memoratæ Abbatiæ plenam, & pacificam poſſeſſionem, auctoritate freti Apoſtolica, nullius contradictione, vel appellatione obſtante, reſtituere non differrent: reuocantes in irritum, quicquid poſt appellationem ad nos interpoſitam, in ipſius Abbatis præjudicium noſcerent immutatum. Ne tamen illius reſtitutionis occaſione, vitia eius, ſi forte talis eſſet, qualem eius aduerſarij aſſerebant, diſſimulari, aut fouere deberet, eiſdem iniunxit: vt ſi quis poſtmodum appareret, qui aduerſus perſonã eius, vel adminiſtrationem inutilem, aliquid proponere vellet, & canonica probatione monſtrare, ea diligenter audirent, eique cum ſigillorum ſuorum teſtimonio, fideliter intimarent: prouidentes attentius, ne bona ipſius Monaſterij, ex tunc poſſent, per eius negligentiam, ſeu malæ adminiſtrationis ſtudium diſſipari.

VI. *Verùm*, cùm, ſicut idem Abbas in noſtra nuper præſentia conſtitutus, aſſeruit, prædictus Epiſcopus illius auctoritate Reſcripti, cum ſuis coniudicibus in negotij deberet executionem procedere, ipſe poſt labores multiplices, reſtitutione nondum facta, diem ipſi apud Ebroicas, aſſignauit: vbi pars aduerſa, ipſum, ob multa pericula, quæ perſonæ ſuæ imminere videbantur, quod præfati Epiſcopi ſtaret arbitrio, fidem interponere compulerunt, duobus alijs coniudicibus in abſentia conſtitutis, Nos igitur cauſam ipſam, tam ſuper principali, quàm incidenti quæſtione veſtro examini commitentes, diſcretioni veſtræ, de qua plenam fiduciam obtinemus, per Apoſtolica ſcripta præcipiendo, mandamus: quatenus ſuper his omnibus ſtudeatis elicere veritatem, & quod ſecundum Deum videritis rationabiliter ſtatuendum, appellatione poſtpoſita, ſtatuatis, & faciatis id per cenſuram Eccleſiaſticam irrefragabiliter obſeruari: ſi qua verò partium legitimè citata, ad veſtram præſentiam venire neglexerit, vos nihilominus, quantum de juræ poteritis, in ipſo negotio procedentes, finem ei debitum, ſine appellationis obſtaculo imponatis: prouiſuri attentius, vt ita per omnia, ſeruato juris ordine procedatis, quòd diſcretio veſtra meritò debeat commendari, nullis litteris, &c. harum mentione, &c. Quod ſi ambo, &c. alter veſtrum, &c. Datum Romæ apud S. Petrum 5. Calend. Iulii. [22]

[22] *Lib. 1. Epiſtol. Innocentij III, Papæ Epiſtol. 338.*

VII. Anno vero ſequenti, ſcilicet 1199. Lite iterum recrudeſcente, finem huic negotio impoſuit idem ſummus Pontifex, Dato hoc ſubſequente diplomate Apoſtolico; quo Abbas Simon Conchenſis, à cauſa ſua totaliter excidit, & eiurata Abbatia, aliò ſolum vertere coactus eſt.

Conuentui de Conchis.

Innocentius, Epiſcopus, ſeruus ſeruorum Dei; &c. Cùm ſuper Abbatia Monaſterij veſtri, inter vos, & S. quondam Abbatem, olim fuiſſet quæſtio diutius agitata: partibus tandem ad noſtram præſentiam accedentibus, dilectum filium noſtrum H. S. Euſtachij Diaconum Cardinalem dedimus auditorem: in cuius præſentia, pro ipſo S. taliter fuit allegatum, quòd cùm dilectus filius noſter Iordanus, titul. S. Pudentianæ, Præsbyter Cardinalis, tunc Apoſtolicæ ſedis Legatus intraſſet Normanniam, & ſuper ſtatu ipſius Abbatiæ, cum Abbate, ac fratribus, inquiſitionem habuerit diligentem, nihil reprehenſione dignum iuuenit ibidem, ſicut ex litteris bonæ memoriæ Cœleſtini Papæ, prædeceſſoris noſtri euidenter apparet, quibus ipſius Cardinalis confeſſio eſt inſerta.

Eo verò poſtmodum ab ipſo Monaſterio recedente, litteræ ipſius ad dilectos filios N. Troarnenſem Abbatem, & N. Priorem S. Barbaræ, fraudulenter obtentæ fuerunt, ſuper inquiſitione Abbatis, & totius Monaſterij facienda; nulla data inquiſitoribus poteſtate, in Abbatem aliquid ſtatuendi, quemadmodum ex teſtimonio eiuſdem Cardinalis colligitur euidenter. Prædictis ergo inquiſitoribus accedentibus ad Monaſterium memoratum; & volentibus fines mandati excedere, in facienda inquiſitione, iuris ordine non ſeruato, idem Abbas, antequam inquiſitio ſortiretur effectum, ſedem Apoſtolicam appellauit; & quamuis iter arripuiſſet ad Eccleſiam Romanam veniendi, dicti tamen inquiſitores, nec appellationi rationabili interpoſitæ, neque ipſius abſentiæ, vel excuſationibus aliquibus deferentes, deſtitutionis in eum ſententiam, contra iuris ordinem, promulgarunt: licet non pronuntiandi poteſtas eis eſſet conceſſa, ſicut ex multorum Prælatorum litteris liquidò declaratur. VIII

Memorato igitur Abbate ad dicti prædeceſſoris noſtri præſentiam accedente, poſtquam de in ordinata deſtitutione ſua, eum reddidit certiorem, omnibus irritatis, quæ contra iuris ordinem, à dictis inquiſitoribus fuerant ordinata, eundem Abbatem ſententia ſua reſtituit, executione ſola Ven. fratri noſtro Epiſcopo, & dilectis filijs L. & H. Archidiaconis Ebroicenſ. demandata. Die verò à ſolo Epiſcopo partibus aſſignata, & ad terminum vtraque partium veniente: cùm expectaret Abbas reſtitutionem fieri ſibi, ſecundum Apoſtolici mandati tenorem, eam non potuit obtinere: quin potius precibus, minis, & terroribus eum Epiſcopus inducere laborauit: vt in ipſum, non ſuper reſtitutione facienda, quod erat principale negotium, compromitteret: ſed ſuper executione tantummodo, differenda. Et quoniam pars aduerſa, cum armis illuc accerſerat, & multitudine armatorum, factum eſt, quod in dictum Epiſcopum, ſicut præmiſſum eſt, compromiſit; fide in manu ipſius præſtita, & reſtitutionis litteris depoſitis apud Deum, non tradendis parti aduerſæ, ſed diligenter ſeruandis, & reſtituendis ſibi tempore opportuno. IX.

Ipſe verò Epiſcopus, contra id, quod promiſerat, venire non metuens: aduerſarijs Abbatis litteras reſtituit memoratas, ſicque compromiſſo ex parte Epiſcopi, & aduerſariorum pariter violato; monachi, bonæ memoriæ M. Titul. SS. Ioan. & Pauli Præsbyteri Cardinalis, tunc Apoſtolicæ ſedis Legati, præſentiam adeuntes; ad I. quondam Rothomagenſem Decanum ſuper grauamine compromiſſi, commiſſionis litteras impetrarunt. Ad cuius primam citationem, monachus à dicto Abbate tranſmiſſus, captus fuit ab aduerſarijs, & vinculis ferreis mancipatus: ad ſecundam verò citationem idem Abbas accedens, per impreſionem coactus fuit compromittere in Decanum: non ſuper Abbatia, de qua ſub eo nulla quæſtio vertebatur, ſed pro quibuſdam bladi redditibus minuendis. X.

Parte autem altera, ſuper compromiſſo ſeruando, fidem, ſicut conuenerat, non ſeruante, dictum S. iterum oportuit ab ſedem Apoſtolicam laborare: vbi à nobis, tam ſuper principali, quam incidenti etiam quæſtione, ad venerabilem fratrem noſtrum, Lexouienſem Epiſcopum, & dilectum filium, Abbatem vallis Richerii, litteras impetrauit; vt ſuper his, quæ nobis fuerant intimata, ſtuderent elicere veritatem: & ſtatuerent, quod ſecundum Deum, viderent rationabiliter ſtatuendum, iuris ordine per omnia obſeruato: ita quod alter ſine altero adeſſe nolente, vel etiam non valente, mandatum Apoſtolicum adimpleret, mentione facta in litteris XI.

Rogerius, Comes Montis-Gomerici Fundator inclytus huius S. Cœnobij: Primarij Abbates, Robertus & Radulphus, poſtea Epiſcopus Roffenſis.

CAPVT I.

I. ORDINEM profitetur Benedictinum, dicataque eſt S. Martino, Turonenſi Archipræſuli; fundatur verò circa ann. 1050. tempore Guillelmi 2. Nothi, Normaniæ Ducis, Authore Rogerio, Comite Montis-Gomerici: qua de re ſic Gemeticenſis. *Rogerius de Monte-Gommerij, pater Roberti de Beleſmo, indignans videri in aliquo inferior ſuis comparibus, in honorem S. Martini Eccleſias duas, vnam, in Sagienſis vrbis ſuburbio: alteram in vico ſuo Troardo, nobiliter conſtruens, greges monachorum ibidem Deo militaturos poſuit.* [a] Cui alij adſtipulantur. [b] Quis verò fuerit iſte Rogerius Mons-Gummerius, breuiter diſcutiendum venit. Hugo Comes Montis-Gommerici, accepta in vxorem Ioſcellina, Gonnoris, Ducis Normanniæ, Richardi 1. ſponſæ, neptis; hunc ex ea genuit Rogerium; qui adoleſcens factus, deſponſauit Mabiliam, Guillelmi Talauacij filiam, qua mediante, Comes Beliſmi, & Alenconij euaſit. Poſtea interfuit Bello Anglico, ann. 1066. vbi ſtrenuè dimicans, à præfato Guillelmo, Normaniæ Duce, tunc Angliæ Rege, Comitatus Arundelli, & Scrobesburiæ dono accepit. [c] Qui tandem, ſcilicet apud Scrobesburiam monachile ſcema deuotus ſuſcepit, & in Baſilica S. Petri Apoſtoli (quam extra vrbem, inter flumina, *Meolam*, & *Sabrinam*, condiderat) tribus diebus in colloquijs Diuinis,

Cùm igitur ipſe Rogerius, Comes Mons-Gommerius, vulgò *Mont-Gommery*, monachos valdè diligeret, nec minori proſequeretur, Iuo, Sagienſis Epiſcopus (cuius neptem, ipſe Rogerius deſponſauerat) de conſtruendo Sagij cœnobio, illi conſilium dedit: teſte Orderico. „ *Præfati* (inquit) Præſulis neptem, nomine „ Mabiliam, Rogerius de Monte-Gomerici Oximenſiũ Vice-comes, in coniugium „ habebat: per quam magnã partem poſſeſſionis Vuillelmi Beleſmenſis obtinuerat. „ Qui prædicti Pontificis inſtinctu, & conſilio, Eccleſiam S. Martini apud Sagiũ, „ Norico Abbati S. Ebrulfi tradidit: eumque vt ibidem cœnobium monachile con- „ ſtrueret, cum coniuge ſua ſummoperè roganit. At ille haud ſegniter aſſignare, „ opus in nomine Domini inchoauit: ibique Rogerium Vticenſem monachum, „ Sacerdotem, & Morinum, & Engelbertum, alioſque ex diſcipulis ſuis conſtituit, „ ipſe quoque ſæpius eumdem locum viſitabat; & aliquando tribus, ſeu quatuor „ ſeptimanis commanebat, & incœpti operis perfectioni, pro amore Dei, & vti- „ litate ſequentium, totis niſibus inſiſtebat. Præfata verò Mabilia multùm erat po- „ tens & ſæcularis, callida & loquax, nimiumque crudelis, valdè tamen virũ Dei „ Theodoricum diligebat, eique (licet alijs religioſis hominibus nimis dura eſſet) „ in quibuſdam obediebat. Rodbertum quoque de Beleſmia, primogenitum filium „ ſuum, (cuius crudelitas in diebus noſtris ſuper miſeras plebes nimium efferbuit) „ ipſi & Rogerio, alijſque monachis apud Sagium commorantibus, ad abluen- „ dum ſacro Baptiſmatis fonte obtulit. Attamen vir Dei, Theodoricus, præfatus, Vticenſis Abbas, varijs ſimultatibus exagitatus, à Sagio tandem recedere decreuit, & vticum reuerti: juxta eumdem Ordericum. *Amator autem pacis Theodericus vndique angustiatus est. Nam apud Sagium nequibat animarum saluti proficere; nec cellam ibi cœptam à Rogerio, & vxore eius ad perfectionem erigere; quia ipsi pluribus sæcularium rerum curis occupabantur, & ab inimicis suis, vndique impugnabantur.* &c. [f] Poſtea autem id compleuit ann. 1056. Et ann. 1060. ipſe Rogerius Comes multa huic loco contulit, vti conſtat ex eius charta. III.

Dominis & fratribus chariſſimis, Reuerendo Abbati Radulpho, & alijs ſeruis Dei, ſub illo commanentibus: Frater Anſelmus, vocatus Archiepiſcopus: ad altiora virtutum, & Monaſtici propoſiti ſemper proficere, & numquam deficere.

De fratre illo, quem dicitis eſſe ordinatum à quodam Epiſcopo, qui à nobis eſt interdictus

interdictus, hoc respondeo: quia si ordinatus est ab Episcopo de Vvalis, qui vocatur Herenardus, nec illis ordinibus, quos ab illo accepit, nostra concessione aliquando vtetur, nec ab vllo Episcopo reordinari debet. De altero fratre, qui herbas quæsiuit mulieri, quibus virum suum interficeret, quamuis propè vos habeatis de hac re in Normannia sufficiens consilium; tamen, quia à me hoc petitis, nostrum negare non debeo sensum. Si monachus noster esset, & vir ille, cujus morti quæsiuit herbas, ipsis interfectus esset; nunquam ad Diaconatum per me, vel ad Sacerdotium ascenderet. Multa dilectioni vestræ, si cordis affectum sequerer, scriberem. Sed quoniam, vt puto, illis loquor, qui ex conscientia sua meam cognoscunt: breuiter dico, quoniam sicut propter Deum nos inuicem dileximus: ita desidero & oro Deum, & vos rogo, vt in eadem dilectione propter Deum perseueremus. Quatenus, sicut causa, propter quam charitas ipsa incœpta est, numquam deficiet: ita charitas inuiolata permaneat. De statu vitæ nostræ scio, quia desideratis, vt amici, cognoscere. Nescio, quid in futuro Deus, de me sit facturus; sed adhuc non sensi ex quo suscepi nomen Archiepiscopi, vnde cor meum audeat gratulari. Quapropter oro supplex, & obsecro, vt mihi in necessitate mea, orationibus vestris subueniatis; donec, ad quid Deus me à vobis, & alijs amicis nostris, qui in Normannia sunt, non sine graui dolore adhuc perseuerante, separauerit, cognoscatis. Omnipotens Dominus sua vos gratia & benedictione semper lætificet, & in animabus vestris virtutes multiplicet. [ii]

ALIA EPISTOLA.

Anselmus, seruus Ecclesiæ Cantuariensis, dilecto fratri, P. Monacho cœnobii S. Martini Sagii; salutem, & gratia Dei semper dirigi & consolari.

Audiui, Amice mi charissime, quia desideras ire Hierosolymam: Vnde in primis dico tibi; quia non est hoc desiderium tuum ex bona parte, neque ad salutem animæ tuæ. Est enim contra professionem tuam, qua promisisti stabilitatem coram Deo in Monasterio, in quo habitum monachi accepisti: & est contra Apostolici obedientiam, qui præcepit magna authoritate sua, ne monachi hanc viam arripere præsumerent, nisi aliqua persona religiosa, quæ vtilis esset ad regendam Ecclesiam Dei, & docendum populum, & hoc, nonnisi consilio, & obedientia prælati. Ego præsens affui, quando istam sententiam Apostolicus promulgauit. Est etiam contra obedientiam Abbatis tui; cujus voluntas hoc odit, & execratur, sicut periculum animæ tuæ. [ii]

Miracula S. Quirini Martyris.

Præfatio in miraculis S. Quirini martyris: cujus ſacratiſſimam caput, in hoc Prioratu B. Mariæ de Rodonio quieſcit.

Multa quidem miraculorum ſigna omnipotens Deus in hoc Prioratu B. Mariæ de Rodonio, ditioni Monaſterij S. Vvandregiſili, Fontinellenſis, Ordinis S. Benedicti, Rothomagenſis Diœceſis, ſubjacente, per S. Quirini martyris merita, præteritis, ac noſtris dignatus eſt patrare temporibus; quæ ob ſcriptorum inſcitiam atque incuriam tecta ſunt ſilentio. Quæ ſi ſcripta fuiſſent, ad ſalutem plurimùm prodeſſe poterant animarum. Quoniam cùm prædicantur in populis virtutum ſigna, magis magiſque excitant ad amorem Dei corda torpentia; atque ad ſuffragia ſanctorum ampliùs ac crebrius depoſcenda reddunt accenſa. De his verò, quæ noſtris acta ſunt temporibus, hæc pauca, largiente Diuina gratia, licet inerudito ſermone; amore tamen prædicti S. Martyris, ac iuſſione Prioris iſtius loci, ſcribenda cenſuimus.

Quòd tempore ſiccitatis, aquarum abundantiam, per interuentum S. Quirini, populus de Rodonio impetrauit, ſanitatemque animarum & corporum, multi obtinuerunt.

Igitur, dùm terræ naſcentia, mortifera ſiccitate langueſcerent, ac cœlum medicinalem pluuiam omnibus modis terræ denegaret; prætioſum caput S. Quirini hîc recluſum, ſancta proceſſio populi Rodonienſis, ſuis geſſit in humeris. In ſemiplena proceſſione, tantam aquarum abundantiam, pro interuentu S. Quirini, pluribus vicibus, impetrauit à Domino, vt celebri proceſſione nondum in extremos fines acta, populus ipſe præpediretur à regreſſu ad Eccleſiam, præ copioſa multitudine pluuiarum. Denique indubitanter retinemus, meritis ipſius S. Quirini, animæ langores atque corporum eſſe curatos: mulieresque à partus difficultate liberatas. [f]

gem, exitiali clade guerrarum ingruente, Anglici inhabitatores, ac præceptores oppidi, quod *Medunta* dicitur, ſuper fluuium Sequanæ ſituatum, formidantes Prioratum de *Rodonio*, occaſione circumſtantis caſtri, quod nouerant, tantum per leucam vel circiter à *Medunta* diſtare, vertendum, in præmunita ſuorum aduerſariorum latibula: oratorium, & ædificia Prioratus de *Rodonio*, vnà cum circum vicino caſtro, in cujus loco dudum fuerat habitatio monachorum, cogitarunt vndique circumpoſitis ſiccorum lignorum ardentibus faſciculis, vno atque eodem atroci incendio, lachrymabiliter exterminare. Hinc lugubris fremuit tumultuoſus clamor plebis de *Rodonio*, abſente Priore: hoc modo, S. Quirini defenſacula pulſans in cœlis. O Beate Quirine, ſalua domum tuam, ſalua, ſalua habitaculum tuum; defende benigne Protector, ne ſtructuram oratorij glorioſiſſimæ Virginis, in quo caput ſacratiſſimum noſtræ licet tæpidæ veneration commiſſere dignatus es, incineret miſerandus ignis. Et confeſtim, plurimis aſtantibus, habitaculis caſtri funditùs exuſtis, incendio; oratorio, domuique ipſi contiguæ, vbi jam combuſtibilia ligna incenſa erant, quaſi virtute naturali ſuſpenſus, nullum nocumentum intulit ignis. Qui verò ad hæc perpetranda principalis extiterat, non longè poſt, in quadam domo, metu hoſtium ſuorum ſe abſcondens, & protegens, vnà cum caterua ſua, ab ipſis hoſtibus comburitur: dignam pro ſuo demerito recipiendo pœnam, dicente ſcriptura: Per quæ quis peccat, per hæc & torquetur. g

V. *De voce cujuſdam conquærentis, à quodam audita, poſt denudationem Repoſitorij capitis S. Quirini.*

His autem diebus, Prior ſeu Adminiſtrator hujus Prioratus de *Rodonio*, nomine Stephanus, attendens fructus, redditus, & prouentus prædicti loci, occaſione guerrarum, proch dolor! ibidem vigentium, quaſi annihilari; pro vineis ſepedicti Prioratus excolendis, ſacratiſſimum caput S. Quirini, argento, quo tegebatur, denudauit, cum ſerico, & lintheo, quibus infra capſulam argenteam inuoluebatur, in coffreto ligneo recondendo: pro cujus ſatisfactione fienda aſſerebat, partem vinorum, tempore vindemiarum ab ipſo colligendorum, vendere, ad ipſum caput, modo & forma elegantioribus adornandum. Verùm, viſa loci paupertate, quibuſdam hujuſmodi factum', quaſi licitum, excuſationeque dignum forſan videretur: niſi euidentiſſimis ſignis Deo diſplicere judicaſſent: è quibus pauca in medium referamus. Pluries præfato Priori Rothomagum jam profecto, vt argentum ſic ſubtractum in pecuniam commutaret: ſignum non modici terroris in famulo ſuo hujuſmodi denudationem ignorante didicimus apparuiſſe. Si quidem audiebat de nocte vocem cujuſdam conquærentis: vnde valdè territus, cuidam conſocio ſuo referens, tale ab eo audiuit reſponſum. Scito caput S. Quirini à magiſtro tuo fuiſſe argento detectum; ideò forſitan ſanctus de amiſſione ſuæ veſtis, per hujuſmodi ſignum conqueritur. Prædictus verò famulus dùm hoc eſſe verum agnouit: non præſumpſit vlteriùs, ob veneration ſanctarum Reliquiarum, in præfata camera requieſcere. Rurſum ad cautelam poſterorum; quæ deincepseuenerunt, hîc breuiter inſerere curauimus. Eodem anno, nedum fuerunt vineæ ipſius Prioratus ſteriles, pro quarum cultura, jam fuerat ſacratiſſimum caput S. Quirini denudatum, alijs circumuicinis vitibus vberes fructus afferentibus; verum etiam quamplurima aduerſa & calamitates eidem Priori inundauerunt. Nec multò poſt, ob hoc, & quibuſdam alijs ex cauſis ſibi diſplicentibus non ſine Diuina, vt opinamur, diſpenſatione, hunc locum deſeruit. In quo facto poſteros, & hujus Prioratus ſucceſſores, ſeu Adminiſtratores euidenter edocuit; ne ad hanc ſacratiſſimam Reliquiam detegendam, audeant de cætero, quacumque etiam neceſſitate vrgente, manus temerarias apponere, ne deterius eis aliquid contingat. Sed Deum præ oculis habentes; deuotè, religiosè, honorificéque ſtudeant tam ſanctam & pretioſam Reliquiam integrè conſeruare. h

VI. *De Priore hujus à quodam prædone capto, ſed B. Mariæ, & S. Quirini martyris, ſuffragio, repente erepto: qui hoc Reconditorium argenteum pro ipſo ſacratiſſimo capite recondendo fecit fabricari.*

Cæterum, ad hoc nos conſtringente breuiloquio, vt talia quamplurima S. Qui-

rini martyris admiranda opera prætermittamus : id vnum tamen dictu dignum, ſingularis deuotio nos compellit enarrare. Quòd Prior, ſeu Adminiſtrator huius Prioratus de *Rodonio*, nomine Thomas, Rothomagenſis diœceſis, de S. Gertrude, propè Calidum-Beccum oriundus, monachus profeſſus Abbatiæ S. Vvandregiſilij, Ordinis S. Benedicti, 16. die Septembris, ann. Dominicæ Incarnationis, 1431. ſepta vinearum ſuarum manè perambulans, vt vindemiatores ſuos viſitaret, intœlici infortunio commutatus eſt in prædam. Captiuatus etenim in prædam, ac nephandis juribus cujuſdam raptoris (qui ſeſe prædonum rapaci cateruæ, ad ſpoliandos homines, in foreſta de *Cheurie* latitanti adjunxerat) ſubjugatus, cruribus concathenatis & pedibus, in quadam ſyluali latebra, tam firmè, tam compreſſè detinetur; vt ibi tormentorum duritia, ſeu tædio, aut inedia, tamdiu cruciaretur, donec quantum prædo exigebat, pro ſua redemptione daret. Quadam verò die, dùm præfatus raptor veſpertinis horis, pro cœna procuranda receſſiſſet, ac paululùm diſceſſiſſet; ipſo Priore de ſua liberatione cogitante, ſed deficientibus ei vniuerſis inſtrumentis, quibus feras vinculorum ſuorum reſerare potuiſſet, aufugit ab eo omnis ſpes euadendi. Taliter itaque intra latera deſperationis, & angustiarum multiformium ſuæ captiuitatis preſſus & agoniſans: anchoram ſpei ſuæ jecit in Dominum, opem glorioſæ Virginis Mariæ, & S. Martyris Quirini, lachrymoſis ſuſpirijs implorando. Et ecce concuſſis, ſola manu, debili verbere cathenis, ceciderunt vincula de tibijs & pedibus eius. Indè gratias agens Deo, deuius & jejunus abſceſſit, duobus diebus & noctibus in ſyluis vagabundus, ferarum ferox formidans laceramen, omni cibo & potu carens, vſque ad cutem pluuia perfuſus, congelatus, diuerſis circumſeptus laqueis aliorum deprædatorum. Et vt in paucis multa concludamus, incidit in ſcyllam, quærens vitare carybdim, priſtinis multò periculoſioribus captiuitatis ſuæ ceruici comminantibus periculis. Sed eumdem benignis intemeratiſſimæ Virginis Mariæ, & S. Quirini Martyris, protegentibus patrocinijs, inſidiantium raptorum vndique per nemora, diſtenſæ ac latitantes excubiæ, fine ſuo caruerunt. Laqueus eorum contritus eſt, ereptus eſt dictus Prior de laqueo venantium. Nam in medios hoſtes jactus viſus, exinanitus fame, debilitatus frigore, finaliter conductu trium agricolarum à caſu inuentorum, perueniens *Meduntam*, benedicendo Deum, liber euaſit. Prædictus itaque frater *Thomas* feruido charitatis zelo ad Reliquias S. Quirini, ſemper conglutinatus, licet hoc deſiderandum caput S. Quirini ferè duodecim annis nudum omni ornamento, ſemper in reconditorio argenteo formam capitis habente, honorificè collocari propoſuiſſet; ardentiori tamen deſiderio ad id agendum in ſuſcepti præſidij exilem recompenſam voto ſe adſtrinxit. Hoc ergò benedictum caput S. Quirini martyris, cum aliarum Reliquiarum prætioſis petiunculis, videlicet ligni S. Crucis, Oſſis S. Honoratæ Virginis, & cujuſdam lapidis de Nazareth, ſuſcepit honorificè conſeruandum præſens capſa: quam Pariſius Anno Dominicæ Incarnationis 1432. ſæpè dictus frater *Thomas*, opere pio atque ſibi ſumptuoſo fecit fabricari. Verum quia minus capax ipſius S. capitis videbatur, propoſuit dictus Prior ipſam ampliare; ſed retardante & impediente guerra, tamdiu partibus iſtis, proch dolor! vigente, rem propoſitam vſque ad ann. Domini 1444. diſtulit peragendam. In qua conſummata ſacratiſſimum caput ipſius prætioſi martyris Quirini, fecit honorificè recludi, ad Dei laudem & honorem, glorioſique martyris ſui Quirini opitulante immenſa diuitiarum plenitudine Dei; cui ſit laus & gloria, in ſæcula ſæculorum, Amen.

CADOMVS
GALLICÈ, CAEN.

Cadomum, nobile oppidum, in cujus Burgo ædificata est Abbatia S. Stephani Proto-martyris; fundata à Guillelmo 2. Notho, Duce Normaniæ, ac postea solemniter, ipso præsente Deo dicata.

CAPVT I.

MVLTA nunc sese offerrent dicenda de Antiquitate, nobilitate, pulchritudine, & jactantia vrbis Cadomensis: quæ omnia lubens prætermitto, cùm hæc apud Authores non paucos jam facile inueniantur, nec ad nostrum videantur pertinere institutum. Situatur *Cadomus*, vulgò, *Caen*, ad fluuium *Olenam*, versus mare Oceanum; Archidiaconatus titulo, in Ecclesia Cathedrali, Bajocensi (a qua quinque leucis distat) insignis; vbi & Academia, seu vniuersitas celebris, anno Christi, 1431. seu 1433. erecta. a Hujusce vrbis disertis verbis meminit inclytus ille Guillelmus *Brito*, scribens ad Ludouicum VIII. Francorum Regem. I.

Villa potens, opulenta, situ spatiosa, decora,
Fluminibus, Pratis & agrorum fertilitate,
Merciferasque rates portu capiente Marino:
Sequetot Ecclesijs, domibus & ciuibus ornata,
Vt se Parisio, vix annuat esse minorem.
Quam cujus Dapifer Arturi condidit olim,
Vnde domus Caij pulchrè appellatur ab illo. b

Constat autem hanc Abbatiam fundatam fuisse Cadomi, in suburbio, à Guillelmo, 2. Notho, Duce Normanniæ, postea Angliæ Rege; pro vt testatur *Guillelmus* Pictauiensis Lexouiorum Archidiaconus. „ *Multis deindè* possessionibus, item „ argento, auro, diuersisque ornamentis, monasteriū idem locupletauit, suo largo „ sumptu, à fundamento astructum, ingenti & magnitudine & decore, dignè beatissimo Prothomartyre Stephano, cujus Reliquijs magnificandum, honore dedicandum erat: *& infra*: c Cadomensi Basilicæ, modo, specieque admirabili, „ suis impendijs, ad titulum Beatissimi Stephani Protho-martyris, à fundamento, „ ve ante est memoratum extructæ, tum diuersa donaria aduexit, materia artifi- „ cioque prætiosissima, quæ ad sæculi terminum honora permanere valeant: &c. d „ *Huic ad stipulatur vitalis Ordericus*: Apud Cadonum (*inquit*) duo cœnobia constru- „ xit; vnum monachorum, in honore S. Stephani Protomartyris: aliud sanctimo- „ nialium, in honore S. Trinitatis. e *Item alio in loco.* Cœnobia quoque plurima de- „ uotè construxit, & ab ipso, vel ab alijs condita, multùm emendauit; multimo- „ disque gazis tripudians, ditauit, & patrocinio suo, contra omnes aduersarios „ defensauit. Hæc vtique palam attestantur, in duobus Monasterijs cœnobitæ Ca- „ domenses, in vno monachi, & in altero sanctimoniales. Hæc duo cœnobia in „ Ducatu, æterno Regi fauens, ædificauerat: in quorum vno, sibi, & in altero con- „ jugi suæ sepulturam elegerat. f Eadem prorsùs alij habent, post *Gemeticensem.* g II.

Cur autem Dux præfatus cœnobium hoc Cadomi extruxerit: paucis aperiendum venit. Discimus quippe, ex historica relatione, hunc Ducem, duxisse sibi in vxorem Mathildem, Balduini, Comitis Flandriæ filiam, neptem verò, ex sorore, Henrici I. Francorum Regis: Balduinus namque gener erat S. Roberti, Regis Franciæ, III.

Hoc agit pia creatoris largitas, & larga eius circa creata pietas, qui cùm bonorum noſtrorum non egeat, (ſuus eſt enim orbis terræ, & plenitudo eius,) honorari tamen de noſtra ſubſtantia, immolarique ſibi ſacrificium laudis, de noſtra ſalute, deſiderat: hortatur nos, vt ei ſeruiamus, tribuit, quod pro collatis beneficijs ſuis ei retribuamus: quod tamen miſericors patet quaſi alienum ſuſcipit, quaſi noſtrum rependit; in hoc ſæculo peccata remittens, in futuro centuplum accepturis, ſeipſum & Regnum cœleſte promittens. Qua ſpe ductus, Ego *Guillelmus*, Anglorum Rex, Normanorum & Cœnomanorum Princeps, *Cœnobium* in honorem Dei, ac Beatiſſimi protho martyris Stephani, intra Burgum, quem vulgari nomine vocant, *Cadomum*, pro ſalute animæ meæ, vxoris, filiorum ac parentum meorum, diſpoſui conſtruendum. II. *Eo tempore*, quo genti Normanorum Comes *Vvillelmus* præerat, qui & Anglos poſtmodum ſuo ſubiugauit imperio, princeps idem ſancta deuotione præuentus, Eccleſiam perpulchram & peramplam in honore B. Prothomartyris Stephani, in loco, qui *Cadomus* dicitur, conſtrui fecit: qua ex parte decenter conſtructa, virum valdè ſcientia imbutum, nomine, *Lanfrancum* de Prioratu *Becci*, ad hoc opus perficiendum accepit, & eum Eccleſiæ, quam conſtruebat, Abbatem præfecit. Sed cùm non multò poſt, Comes idem Angliam ſibi armis ſubiugaſſet: Abbatem eumdem, totius Angliæ Archiepiſcopum primatem conſtituit. In locum verò eius, alium nomine, *Vvillelmum*, eiuſdem Eccleſiæ monachum, Abbatem conſtituit; in cuius tempore, cùm prædictam mirificè conſummaſſet Eccleſiam, conuocatis in vnum Normanorum Epiſcopis & Principibus: Accito quoque de tranſmarinis partibus; Archiepiſcopo *Lanfranco*, Eccleſiam ipſam, in honore glorioſiſſimi Prothomartyris Stephani, dedicari fecit: & quæcumque illi tunc dabat, vel antea dederat, ſua, ſuorumque authoritate filiorum, & principum, in perpetuum habenda firmauit. Reliquias quoque prætioſiſſimi martyris Stephani: prætio non paruo acquiſiuit: vnam videlicet particulam de brachio ipſius, quod in ciuitate *Veſuntio* habetur: & vnam Ampullulam de ſanguine illo, qui de eodem brachio iuiſſe; & veraciter fluxiſſe narratur. Capillorum etiam partem, cum corio capitis, & lapide, quo ipſe martyr percuſſus fuit. Rex idem glorioſus alio tempore comparauit: qui videlicet capilli, adhuc ita ſunt pulchri & candidi, quaſi modò de eius capite fuiſſent inciſi, ſeruantur autem in quodam pulcherrimo vaſculo, de chryſtallo, incluſi. Eſt itaque totum pulchrum, Capilli albi, & pulchri; lapis etiam vnde percuſſus fuit albus; vas pulchrum & album: & aſpicientibus rem adeò pulchram, magnam faciunt admirationem. Tanto igitur Theſauro comparato Beatiſſimi martyris, Cadomenſis Eccleſia, proprijs Margaritis ſuis, ſcilicet, Stephani Reliquijs eſt adornata, cùm poſtmodùm, Abbatem, *Vvillelmum*, Cadomenſem, Rex fieri decreuiſſet Archiepiſcopum *Rothomagenſem*, filium quidem *Giſlebertum* nomine, in loco illius ſubrogauit. Sed non multo poſt tempore, idem Rex, huic vitæ finem fecit. Quamdiu tamen Rex rebus humanis intereſſe potuit, dilectæ ſibi Eccleſiæ, indefeſſus procurator, permanſit; & quos ibi congregauerat, 120. monachos, paterno affectu fouit & dilexit. Cùm verò diem mortis ſuæ ſibi imminere ſenſiſſet,

præcepit Regni ſui Principibus: vt corpus illius *Cadomũ* deferrẽt, atque in Eccleſia dulciſſimi Domini, ſancti ſcilicet Stephani ſepelirent. Principes autem illius, ſicut præceperat, cùm defunctus fuiſſet, eum *Cadomum* attulerunt, atque in Eccleſia S. Stephani, quam ipſe conſtruxerat, coram oculis monachorum ſuorum, qui de illius eleemoſyna viuunt, ſepelierunt. Hoc autem ideò factum eſt: vt tantò dulciùs, pro anima illius, miſericordiam Creatoris exorarent, quantò frequentiùs in præſentia ſua, corporis illius ſepulturam, qui ibi eos congregauerat, inſpicerent.

BEATVS Lanfrancus, Inſuber, Ticini in Italia, honeſtis parentibus natus, & ab illis, præceptoribus, vt liberalibus artibus imbueretur, traditus; inſigniter breui tempore ita profecit, vt vix cuiquam eius ætatis cederet. Maturiore deindè ætate, ardenti pietatis, & ſacrarum litterarum ſtudio flagrans: cœpit monaſticæ vitæ deſiderio incendi. Cúmque iam tandem cogitationes ſuas perficere, abſoluereque deliberaſſet: deſpicere ſecum cœpit, vbi potiſſimùm, & apud quos, eam vitæ rationem capeſceret. Poſt diutinam deindè deliberationem, & variorum locorum luſtrationem, Beccum ſibi in Normannia prudenter delegit: cœnobium quidem facultatibus, & rerum copia, tenue & exile, ſed pijs viris, egregiamque in Deum pietatem ſpirantibus, refertum. Eò cùm veniſſet, incidit in ipſius cœnobij Abbatem, D. *Herluinum*, pauibus conficiendis, & in fornace coquendis intentum, manuſque totas fimo oblitum. At ille nil moratus, in faciem procidens, oſculatus eſt pedes eius; humilitatem animi, ſermoniſque dignitatem in Abbate plurimùm veneratus & amans, monachus illicò efficitur. Atque ita ea res, quæ alios indè deterreret; Lanfrancum ad illud cœnobium adiunxit & aggregauit. Erat is annus 1042. I.

Poſtquam annis 5. cucullam induit: cùm liberaliter eſſet educatus, nec tam accommodus eſſet colendis agris, vt multi ex ſocijs, cœpit quicquid hic deerat, aliunde ingenio, doctrinaque ſua ſupplere; & dialecticem, aliaſque diſciplinas Becci profiteri: hinc ludum litterarium aliis licet grauatè aperuit, iamque eius nomen per ora doctorum celerrimè volitare cœpit: magnaque paulo poſt diſcipulorum multitudo, eo confluxit, fama doctrinæ Lanfranci (quæ jam erat peruagata) excita: Quorum liberalitas mirificè cœnobij inopiam ſubleuauit. Rumor, quippe, vt hoc factum prodidit, longè latéque protulit, & fama viri præclariſſima, Beccum, & Abbatem *Herluinum*, breui per orbem terrarum extulit, Accurrunt Clerici, Ducum filij nominatiſſimi, ſcholarum latinitatis magiſtri, laici potentes, alta nobilitate viri, quorum multi, pro ipſius amore multas eidem Eccleſiæ terras, ampliſſimaſque II.

Erat tunc Beccum magnum & famoſum, tum virtutis, tumque litteraturæ gymnaſium: quem omnes ſuſpiciebant veluti virum antiquis ſcientia & religione comparandum: de quo ſeriò dici poteſt: *Tertius è cœlo cecidit Cato*: adeò cœleſtis ſapor pectus eius & palatum infecerat, adeò latinitas omnis in liberalium artium ſcientiam, per doctrinam eius ſe incitabat.

III. Sed quid exinde? Etenim cùm propriè tantum mortificationi operam impendere deſideraret; deprehendit eum atque publicauit cogitationum inſpector Deus, vt lucerna ſeſe colligens, in vallem diffunderetur, licet excelſa. Cernens quippe Lanfrancus quorumdam inertiam, atque morum prauitatem, necnon Ordinis transgreſſionem, conjiciens etiam aliquos ſibi inuidere, qui ſibi metuebant, eum proficiendum fore: ignorabat quid ageret, quo ſe conferret, tædebat eum conuerſationis inhoneſtæ, inhiabat ardenter ad ſolitariæ dulcedinem vitæ. Cùm ergo jam corpus & animum præpararet ad fugam nocturnæ elaptionis. D. Herluino Abbati, nihil de hac re ſuſpicanti, viſio cœleſtis patefecit. Abbas attonitus in ijs, quæ nocte audierat, reliquum noctis, vigilijs & orationibus inſomne peregit. Summo autem mane, mox vt hora loquendi ſe dedit, Lanfrancum aſciuit, ſecum ſingulariter ſedere fecit: tuncque ei blanda voce viſionem aperuit, & quid ſibi Diuinitus reuelatum ſit, ex integro explicat. Quibus Lanfrancus obſtupefactus, & Dei gratiam in Abbate vehementer admiratus, humique proſtratus: per confeſſionem patri protinus, quicquid in voluntate habuerat, corde compunctus, expoſuit: pœnitentiaque accepta, & abſolutione impetrata, ſpopondit, ſe numquam abipſo diſceſſurum, eiuſque præceptis, per omnia obtemperaturum. Sanctus Abbas ingentes omnipotenti Deo gratias referens, quàm citius potuit, Lanfrancum, Priorem conſtituit: & quicquid ditioni monaſterij ſubjacebat intus, & exterius, ipſius curæ commiſit. Quos ita vnanimes eſſe tribuit Diuina protectio: vt nulla inter eos vnquam fuerit orta diſſenſionis occaſio.

IV. Sed, vt ſæpè fit, vbi excellentium hominum virtus ad inuidiam potius, quàm ad imitationem aliquos rapit: ita & Lanfranco prorſus accidit. Detrectant igitur illi æmuli quidam apud Ducem Normanniæ, & valdè eum ſuis criminationibus apud illum inuidioſum fecerunt; vt ille mandaret, Lanfrancum à Becco, totaque Normannia ſubmoueri. Quorum ille calumnias ita præſentia ſua apud Ducem diſſipauit, tantumque ſibi apud eum ex corporis, ſermoniſque gratia, magnaque; quam Dux de eo conceperat, prudentiæ opinione, fauoris acquiſiuit; vt non ita multò poſt, Cadomenſem eum Abbatem conſtituerit. Sub ann. quippe 1063. Guillelmus Nothus, præfatus Normaniæ Dux, Cadomi, (vti ſuperiùs obſeruauimus) monaſterium condidit in memoriam D. Stephani Protho-martyris; cui Lanfrancum renitentem, ſed tandem ſuâ, Proceromque Normānorum importunitate expugnatum præpoſuit. „ *Lanfrancum* quèmdam (ſcribit Guillelmus Pictauienſis, teſtis ocu„ latus) de quo venit in litem, plus ne ſit meritus reuerentiam atque gloriam ſæ„ cularium atque Diuinarum litterarum ſingulari peritia, an Ordinis monachici „ ſingulari obſeruantia, intima familiaritate colebat: vt patrem venerans verens vt „ præceptorem, diligens vt germanum, aut prolem. Illi conſulta animæ ſuæ, illi ſpe„ culam quandam, vnde ordinibus Eccleſiaſticis, per omnem Normanniam proſpi„ ceretur, commiſit. Potuit namque viri talis vigilans cura, cùm maximam autho„ ritatem ſapientiæ pariter ac ſanctitatis prærogatiua, comparauit: ſecuritatem „ non paruam optimæ ſollicitudini promittere. hunc ferè modum Lanfrancus contradicębat nuptijs filiæ Comitis Flandriæ (quam ipſe ſibi Dux copulauerat matrimonio) quia proxima carnis conſanguinitate jungebantur. Vnde authoritate Romani Papæ, Neuſtria fuerat ab officio Chriſtianitatis ſuſpenſa & interdicta. Quapropter Lanfrancus, iterum Romanum Papam adijt; jam enim antea Romam petierat, cauſa cujuſdam Clerici, nomine *Berengarij*, Diaconi Turonenſis, qui de ſacramento altaris aliter dogmatizabat, quàm tenet Eccleſia. Lanfrancus autem locutus cum Papa Nicolao II. oſtendit; quia eius ſententia illos tantum grauabat, qui eos nec conjunxerant, nec ſeparare poterant. Nam Dux, puellam, quàm acceperat, nullo pacto dimittere volebat. Hoc audiens, & verum eſſe aduertens ſummus Pontifex, diſpenſatione habita, conjugium conceſſit, eo tamen modo: quatenus Dux & vxor eius, duo monaſteria conſtruerent; in quibus ſingulas congregationes virorum, aut mulierum coadunarent: qui ibi die noctuque, ſub norma ſanctæ religionis, Deo deſeruirent, & pro ſalute eorum ſupplicarent. Paruit Dux Apoſtolicæ diſpenſationi, & ædificarunt duo monaſteria in predio, quod Antiquitas *Cadomum* nuncupabat: Dux vnum monachorum in nomine S. Stephani Prothomartyris: & vxor eius alterum ſanctimonialium in nomine ſanctæ & indiuidvæ Trinitatis.

Studioſus fuit verbi gladio perimere ſectas, ſi quæ fidem laceſſerent Catholicam Berengarium præfatum, Turonenſem Hæreſiarcham, cujus dogma telis venenatis nocentius, de Hoſtia ſalutis mortem animabus propinabat, ſpiritualis eloquij mucrone confodit in Synodo Romana, ac vercellenſi; ſanctiſſimè exponens, veraciſſimè comprobans; panem & vinum, quæ menſæ Dominicæ ſuperponuntur, poſt conſecrationem eſſe veram carnem, & verum ſanguinem Domini Redemptoris. Euicțus Berengarius ad obſeruantiam ſententiæ hujus ſemel Romæ, denuò juranit Turonis; ſimul pronuncians excommunicatione feriendum, quemcumque aliter ſentientem. Omnem namque hæreſim anathematizauit; præcipuè de qua, cum vanæ laudis quæritaret nitorem, ſorduerat infamatus. Verum ſeductiſſimus homo, atque peruicaciſſimus ad ſubuertendum, in ſalubri propoſito, fideliter nõ ſtetit, ſchiſmatis crimen iterati jurisjurandi violatione cumulans. Et quia timor pœnæ retinebat ne publicè prædicaret, quod publicè damnauerat, ſecretis diſputationibus domi inſuſurrabat idem, atque per diſcipulos pecunia corruptos pariter ac fallacia, peregrè tranſlegebat. Pœnituit blaſphemum & ſacrilegum amiſiſſe libros peruerſi dogmatis: Romæ ſuis manibus (ne ipſe cremaretur) in ignem conjectos. Proindè ſcriptum condidit recens, vt approbatius fulciretur vetus error, & perdurabilior in annos futuros porrigeretur: ad quod deſtruendum Lanfrancus, veritatis defenſor, Epiſtolam edidit, ſiue libellum dilucido ſtylo, venuſtoque, ſacris authoritatibus ponderoſum; rationum conſequentijs indiſſolubiliter conſtantem. Opimus enim plenitudine charitatis reſſuſcitare ſatagebat, per fidei rectitudinem, in hæreſi mortuos; cuilibet per baptiſmum fratri ſuo veræ intelligentiæ de Euchariſtia adſtructionem relinquere ſufficientem, luculentam, nec tædioſam prolixitate. VI.

Sapientes religioſique Abbates, necnon Pontifices Metropolitani, & timuerunt ſapientiam Lanfranci atque religioſitatem, & authoritati atque correptioni habere gauiſi ſunt. Ipſum quantæ Eccleſiæ Abbatem, vel Pontificem, ſibi incredibili deſiderio petierunt? Chriſtiani orbis caput Roma, ſollicitauit eum Epiſtolis, præcatu retinere conata eſt, & vi. Quippè cognouerant eum peritiſſimum honeſta quælibet, & eorum contraria ſecernere: diligentiſſimum cuique ſuum tribuere perpendiculo rationabilitatis: promptiſſimum ardua duraque ſuſcipere, perpetique cauſa veri boni: ſimiliter cautiſſimum gubernare manum & linguam conſideratione & Comitate. Cognouerant (vt breuiter & apertè loquar) hanc eius vitam: quæ meritò dicatur quædam directiſſima ac tutiſſima ad perennis vitæ portum via, ille verò nimis altum ſibi duxit præeſſe fratribus, loco ſecundo: infimam extremitatem corde non deſerens, Abbatiam Cadomenſem, quam coactus acceperat, libens deſeruiſſet: ad Anachoretas, vel procul remotos cœnobitas confugiens: niſi multæ obſtitiſſent difficultates, quas nulla potuit ratione eluctari extra animæ grauem læſionem. Fuit autem conſolatio ſanctè dolenti pro illa prælatione laborioſum onus; nam ædificatio loci tum primùm conſurgebat: ſcientiæ atque virtutum hujus tanti viri memoriale iſtic inſerimus: quapropter eadem: productius non repetamus. VIII *Vix* effluxerat triennium, hoc est, annus 1067. lethifer D. Maurilio Rothomagensium Archipræsuli: quando in eius locum suffici Lanfrancum postulabant Normanni, sed eos constanter postulantes constanti fatigauit refutatione: humiliter magis cupiens subesse, quàm præesse. Annus tandem 1070. honorem Archiepiscopatus Cantuariensis, aliàs ab eo rejectum, injecit humeris, licet pro more firmiter detrectantis. [a] Ea verò de causa Guillelmus, Anglorum Rex, in Normanniam miserat Legatos; sed & Hermenfrodus, Sedunentium Pontifex, redux ex Anglia, (in quam nauigauerat cum duobus S. R. E. Cardinalibus, missis ab Alexandro Papa, vt Guillelmum Nothum Anglici Regni diademate redimerent, id enim parerat) Lanfranco denuntiauit in Concilio Episcoporum & Abbatum Normanniæ, petitionem Regis, simulque voluntatem suam, & reliquorum sedis Apostolicæ Legatorum, is verò petijt inducias. Perspectum namque & indubitatum tenebat, simul ire non posse, negotium Archipræsulis, & otium monachi. Præcatur Regina cum filio: iubet Abbas Herluinus licet innitus, cui tanquam Christo obedire solitus erat. Hortantur etiam ad hoc studiosi collecti majores. Nam hanc vrgentem vndique violentiam dictauerat mandatum Regis, scientis æstimationem dilectissimi patris, cùm ad altiora inuitaretur. Non abnuit ille præcipiti sententia (sicomne factum & dictum discretionis norma regebat) obedientiam, offendere cauet simul & tantos, qui rogant, fauent, hortantur. Mœstus ergo trans mare excusatum se vadit: sperans iucunditatem in reuersione. Cæterùm Diuinæ dispositioni, quo consilio resisti poterit? Rex cum gaudio, atque cum digna reuerentia recepit Christianæ religionis coadiutorem: deuicit reluctantem pulchrè pugnans humilitate & majestate. Fuit autem Lanfrancus in Cantuariensem vnctus Pontificem, à Gisone Vvellense, & Vvaltero Herefordensi, præsulibus; Anno 1070. Decollati S. Ioannis Baptistæ sacra luce.

IX. *Proximo* deindè anno, Romam proficiscitur: & quem venerabiliter suspiceret Alexander 2. Christi vicarius, honoris maximum iudicium fuit: cùm Romam ingredienti sequestrato illo Romani supercilij fastu, dignanter assurgeret, professus hanc se venerationem, non illius Archiepiscopatui, sed magisterio litterarum deferre. Quapropter se feciſſe, quod esset honoris, illum debere facere, quod esset justitiæ: vt pro more omnium Archiepiscoporum S. Petri successoris vestigijs aduolueretur. Reddidit ille debitum, indè, pallium à D. Petri altari sumptum, ab Alexandro accepit, quod omnibus alijs Archiepiscopis communè est. Hoc verò Alexandri in Lanfrancum obseruantiæ singularis proprium & peculiare fuit; quod ad eiusdem vberiorem contestationem, alterum etiam pallium adiecerit, donoque Lanfrāco dederit, quo ipse, quoties solēnia & sacra Eucharistiæ mysteria perageret, vti solebat: vt alterum esset honoris, alterum amoris pallium. Ipso autem reuertente in Angliam, scripsit summus Pontifex ad Guillelmum Regem. *Ad virtutum incrementa percipienda, Fratris nostri Lanfranci, Cantuariensis Archiepiscopi monitis, gloriam vestram hortamur acquiescere: quem vt charissimum membrum, & vnum ex primis Romanæ Ecclesiæ filijs, lateri nostro assiduè non adiunctum esse dolemus: sed ex fructu, quem Ecclesiæ in Regno vestro tribuit, consolationem eius absentiæ sumimus.* In Pontificatu igitur gesta eius omnia præclara, virtutes eximiæ & charitas in Deum ac proximum exuberans.

X. *Tum* demùm, post multos variosque pro grege & Ecclesia Dei, exantlatos labores; in febrim lethalem, & in mortis genus, quod in votis maximè habuit, incidit: solebat enim Deum rogare, vt vel ex dissenteria, vel ex febri diem suum obiret: propterea, quòd hi morbi nec memorium, nec loquelam auferant. Migrauit itaque in cœlum; & in Basilica S. Trinitatis (quam ipse mirifico opere construxerat) ante crucifixum sepultus est. Porro scriptores nec conueniunt de mense obitus, nec de die, vel anno, quos lubens omitto, cùm in hoc omnes conueniant, Lanfrancum sedisse in Pontificatu annis vndeviginti: sicque mortis debitum exoluisse: ann. 1089. die tertia Iulij. Cùm autem præfata Cantuariensis Basilica ab ipso Lanfranco primùm inchoata, tandemque ad vmbilicum perducta, & à Guillelmo Corbeliensi, tertio post ipsum Archiepiscopo foret sacranda, pro more, vniuersi inhumatorum cineres elati fuere; tumque monachus aliquis præcidit casulæ Lanfranci particulam, quæ cunctos olfacientes, fragrātissimo afflauit odore. Anſelmus, ſeruus Eccleſiæ Cantuarienſis, D. & Reuerendæ matri, Abbatiſſæ Cadomenſ. Mathildæ, ſemper Diuinæ gratiæ regi conſilio.

Petit Sanctitas veſtra per D. Robertum, fratrem Euſtachij, noſtrum conſilium de Abbatia veſtra, quam idcirco deſerere, ſi vobis liceret, vt alij commendaretur, velletis: quoniam eam, propter infirmitatem & ætatis imbecillitatem, ſicut oportet, regere non valetis. Quod quia fieri nõ poteſt, niſi per Comitẽ, & Archiepiſcopum Rothomagenſem, & Epiſcopũ veſtrum, & conſenſum Sanctimonialiũ, vobis cõmiſſarum. Vndè vobis nullum impendere poſſum auxilium: ſed quoniam petitis, quale poſſum mando conſilium. Tentate, ſi per eos, ad quos pertinet, deſiderium veſtrum, ſicut vobis expedire videtur, poteſtis efficere: & ſi nequitis, ſororibus, quæ membra veſtra ſunt, illis ſcilicet, in quibus maiorem prudentiam, & religionis feruorem cognoſcitis, earum rerum, in quibus vires veſtræ deficiunt, præcipiendo, rogando, exhortando, curam iniungite. Nam ſi etiam contigeret, vt tales perſonas, in quibus, ſecundum deſiderium veſtrum poſſitis confidere, non haberetis, quod in Eccleſia veſtra eſſe non ſpero: veſtra tamen reuerentia, ſi illas eligeret, quas ad hoc meliores, & aptiores cognoſceret, excuſabilis apud Deum, quoniam melius non poſſet, ſicut credo, exiſteret. Dictis tanti præſulis ſtetit: vti liquet ex chronologia, qua illi ſuperſtes manſit.

Anſelmus, ſeruus Eccleſiæ Cantuarienſis, D. & Reuerendæ matri, Abbatiſſæ Cadomenſ. Mathildæ, ſemper Diuinæ gratiæ regi conſilio.

Petit Sanctitas veſtra per D. Robertum, fratrem Euſtachij, noſtrum conſilium de Abbatia veſtra, quam idcirco deſerere, ſi vobis liceret, vt alij commendaretur, velletis: quoniam eam, propter infirmitatem & ætatis imbecillitatem, ſicut oportet, regere non valetis. Quod quia fieri nõ poteſt, niſi per Comitẽ, & Archiepiſcopum Rothomagenſem, & Epiſcopũ veſtrum, & conſenſum Sanctimonialiũ, vobis cõmiſſarum. Vndè vobis nullum impendere poſſum auxilium: ſed quoniam petitis, quale poſſum mando conſilium. Tentate, ſi per eos, ad quos pertinet, deſiderium veſtrum, ſicut vobis expedire videtur, poteſtis efficere: & ſi nequitis, ſororibus, quæ membra veſtra ſunt, illis ſcilicet, in quibus maiorem prudentiam, & religionis feruorem cognoſcitis, earum rerum, in quibus vires veſtræ deficiunt, præcipiendo, rogando, exhortando, curam iniungite. Nam ſi etiam contigeret, vt tales perſonas, in quibus, ſecundum deſiderium veſtrum poſſitis confidere, non haberetis, quod in Eccleſia veſtra eſſe non ſpero: veſtra tamen reuerentia, ſi illas eligeret, quas ad hoc meliores, & aptiores cognoſceret, excuſabilis apud Deum, quoniam melius non poſſet, ſicut credo, exiſteret. Dictis tanti præſulis ſtetit: vti liquet ex chronologia, qua illi ſuperſtes manſit.

LONGA-VILLA

GALLICÈ, LONGVEVILLE.

Antiquitas hujuſce Monaſterij, Fondatores, ac præcipui benefactores illius viri illuſtres recenſentur & cætera alia ad ipſum ſpectantia.

PRIORATVS eſt clauſtralis, Ordinis S. Benedicti, Cluniacenſis, ſitus apud *Longam-villam* oppidum, Ducátus titulo decoratum, ad Sereniſſimum Principem, Henricum *d'Orleans*, pertinens, ex illuſtriſſimo Regij Francorum Sanguinis cæſpite fœlicem ſurculum, nobis fauſto omine exortum, ann. 1595. qui propterea de iſtius nomine, vltra quamplura alia Toparchiæ ac Dinaſtiæ inſignia, quibus ampliſſimè potitur, honorificentiſſimè intitulatur. I.

[a] Extat autem præfatum oppidum ad *Sciam*, *Scie*, amnem, in medio Caletenſis, ceu, Calcegiæ, vulgò, *Pays de Caux*, Regiunculæ Neuſtriaçæ noſtræ Prouinciæ, in Gallia Belgica, intra Rothomagenſis Archiepiſcopatus Diœceſim: 7. Leucis ab ipſa Metropolitana vrbe, Septemtrionem verſus, diſtans; cujus meminerunt ſcriptores.

[a] *Vide in Dedicatorio Epiſtola præfatis operis.*

II. Hujuſce itaque Monaſterij exordium conſurgit jam ab ann. 1012. vti diſcimus ex excerpto, MS. apud Gemmeticum: quando hic Prioratus (vti videtur) de *Longa-villa*, Abbatiæ Gemeticenſi, ſub *Roberto* cœnobiarcha, fuit attributus, cujus exemplar ſubſequitur. *Quidam vir* præpotens, pater familias nomine *Alfaſius*, poſſedit Allodum, in villa, quæ vocatur, *Tortoniacus*; & immiſſa eſt voluntas cordi eius à Domino, vt ipſum Alodum ſibi pertinentem traderet Deo, & S. Petro, in venerabili Gemeticenſi cœnobio. Conceſſit ergo, vt diximus, ipſam ſuam poſſeſſionem Deo, & S. Petro, videlicet, tertiam partem ipſius villæ, & totam Eccleſiam, & totum flumen in ipſo loco decurrens: hoc igitur donum dedit S. Petro, pro redemptione animæ ſuæ: deindè, poſt hæc multi in eodem loco *Torniaco* viri terram poſſidentes, voluntate ſpontanea dederunt, de ipſa terra poſſeſſionis ſuæ, tantùm, quantùm eis bonum viſum eſt, S. Petro, qui colitur in venerabili Gemeticenſi loco. Igitur poſt multa curricula annorum, extitit nobiliſſimus Comes *Vuillelmus* Rothomagenſi ciuitate, qui vxorem habuit, nomine, *Leyardam*, cui dedit dotem in villa quæ vocatur *Longa-villa*, ipſa verò *Leyarda* habuit quandam filiam, cuius eſt nomen *Emma*, cuius poſſeſſio tertiæ partis ipſius terræ in eadem fuit villa. Ipſa ergò ſuam partem ipſius villæ dedit Deo, in loco, qui nuncupatur, *Burgulio*, vbi coluntur merita almi Petri. Igitur poſt hæc, temporibus *Roberti*, humillimi Abbatis Gemmeticenſis, ſacri cœnobij, & venerabilis Abbatis *Bernihurg*.... Cœnobij, eorum voluntate ſpontanea libentique animo, ipſam terram ipſius villæ, quæ vocatur, *Longa-villa*, conceſſerunt S. Petro, in Gemeticenſi cœnobio. Ex hac ergo re exiſtunt teſtes, *Richardus* Comes inclytus, cuius imperio atque voluntati, Principis magni; iterumque alij teſtes ſuccedunt, ſcilicet filius eius, *Richardus* & nobiliſſima mater *Richardi* Comitis *Gunnor*, quæ tribuit, pro redemptione animæ ſuæ triginta libras nummorum. Et vxor Comitis Richardi *Iudith*. Hi ſunt alij teſtes idonei, *Robertus*, Archiepiſcopus Rothomagenſis, & *Vuillelmus*, & *Malgerus*, fratres *Richardi* Comitis; *Vuillelmus*, Pictauorum Comes, & vxor *Briſca*; *Giſlebertus* Epiſcopus; *Radulphus*, Iuco Comes, & vxor eius, & mater eius *Heldiardis*; & *Gofredus*, frater eius; nomine monachorum, *Robertus* Abbas, Albertus monachus, Gerardus, Bernardus, Odo, Giſlebertus, monachus, *Bernardus* Abbas, *Tedelinus* Abbas, Garnerus Monachus, Robertus Helgothus, Lambertus, Oſmundus Sacerdos,

dos, Kainus Sacerdos, Vvalterus Sacerdos, &c. Acta sunt hæc anno ab Incarnatione Domini M. 12. indictione 10. epacta 25. concurrentesii. Bissextus & jam eodem fuit anno, Regnante Roberto, Francorum Rege glorioſiſſimo.

III. Sanè differentiam arbitror esse apponendam, inter donationem illam Gemeticenti Abbati factam, de nonnullis terris & possessionibus apud *Longamvillam*, ann. 1012. & Prioratum postea inibi consurgentem. Galterius quippe *Giffardus*, eius nominis primus, vel potiùs secundus, fundator fuit istius Prioratus *Longevillæ*; cui Guillelmus, *Nothus*, Dux Norman. & Rex Angliæ, dedit Comitatum de *Buchingham*, circa, ann. 1070. [b] Nec absre, cùm ipsi Guillelmo Duci ad conquisitionem Regni Anglici, properanti ann. 1066. iste Giffardus præstò adfuit ei in auxilium, quo cum strenuè contra Anglos decertauit. IBREA,
GALLICÈ, YVRI, la Chaussée.

Qui fuerint castri Ebrensis Domini, & Dinastæ; Rogerius de Ibreio, fundator huiusce Monasterij: Damnum non parvum ob bellicos tumultus perpessum: Abbates nonnulli recensentur.

CAPVT VNICVM.

HÆC Abbatia, juxta castrum Ibreicense, ceu Iureicense sita, Diœcesis est Ebroicensis, Ordinis S. Benedicti; fundata à Rogerio de *Ibreio*, viro Illustrissimo, tempore Guillelmi 2. nothi, Ducis Normaniæ, ac Angliæ Regis conquisitoris. [a] Vti mox dicetur, postquam de Ibrea arce, pauca ediderimus.

II. *Hæc nimirum* (ait Ordericus) *est turris famosa, ingens, & munitissima, quam Albereda, uxor Radulphi Bajocensis Comitis, construxit: & Hugo Bajocensis Episcopus, frater Ioannis, Rothomagensis Archiepiscopi, contra Duces Normannorum, multo tempore tenuit.* Ipsa verò *Albereda*, pro eadem arce, à viro suo postea iugulata est; eo quòd ipsum ab ea munitione arcere conata sit. [b] Porrò, ille Hugo fuit, 25. Bajocensis Antistes; quomodò autem, contra Ducem Normanniæ Robertum 1. circa ann. 1030. illud munierit castrum, suo loco, egimus. [c] Mortua itaque Albereda, Radulphus aliam desponsauit, mulierem, nomine *Erembergam*, ex qua duos genuit filios, scilicet, *Hugonem*, & *Ioannem*, præsules præfatos. Verùm, quia Rodulphus ipse haud erat Dominus huiusce municipij Ibrensis, Dux Richardus, 1. frater eius vterinus, illud dono dedit illi: qua de re Rodulphus vocatus est in posterum Ibreij Comes. [d]

III. Postea, Hugo, supradictus Bajocensis Episcopus, vti Radulphi primogenitus, ad se pertinere, post obitum patris, ratus, hanc arcem occupare, tenereque tentauit, aduersus Robertum Ducem; sed minimè prævaluit, vnde ipsa protinùs à Duce spoliatus est; mansitque castrum in potestate Ducum Normanniæ, vsque ad Robertum 2. circa ann. 1087. quo redditum est (sollicitatione, Roberti, Mellenti Comitis, qui turrim illam custodiens, Vice-comitis officio, in prædicto Ibreio oppido fungebatur) Guillelmo de *Bretolio*, cuius pater, Guillelmus, Comes Herefordi, filius erat Osberni de *Crepon*, & filia Radulphi, præfati Comitis Ibreicensis. [e] Hinc, ann. 2. à morte Guillelmi 2. nothi, Ducis Normanniæ, ac Regis Angliæ, circa ann. 1090. Ascelinus, cognomento *Goellus*, Guillelmo Bretolienſi, Domino suo, illam Ibreij arcem fraude surripuit, & Roberto 2. Duci Normanniæ prodidit, pro cuius redemptione arcis, qua carere noluit Guillelmus, 1500. libras Duci erogauit. Receptaverò turri, præsidiatum Ibreij, pro vindicta, Goello abstulit; [f] qui paulò post eumdem Dominum suum, Guillelmum ipsum Bretolienſem, deloſè bello victum, comprehendit, & in arctissimo grauiter coercuit carcere: donec pro redemptione sua, inter alia, Ibream arcem ab eo extorserit, ann. 1094. [g]

IV. At ex tot odijs, tantisque bellicis simultatibus, prænominata Abbatia Ibrensis graue damnum tunc perpessa est. MONTISBVRGVS.

GALLICÈ,

Mont-Bourg.

Tempus Fundationis eius ad amußim exquiritur ; Balduinus de Reuers, vir ſtrenuus & inclytus, fundator illius agnoſcitur ; Guillelmus Rufus, & Henricus I. Reges Angliæ, præcipui illius Abbatiæ benefactores.

CAPVT I.

EXTAT hæc Abbatia in Diœceſi Conſtantienſi, à *Vallonijs*, per vnam leucam diſſita ; Ordinis S. Benedicti ; fundata à Balduino de *Reuers*, viro illuſtri ; [a] auxilio fretus Guillelmi III. Ruffi, Regis Angliæ, Ducisque Normaniæ, circa ann. Chriſti 1090. Pro cuius rei intelligentia, ſciendum in primis, Richardum de *Reuers*, floruiſſe tempore Guillelmi 2. Ducis Normaniæ, ac Regis Angliæ: qui nonnullos genuit liberos, videlicet, Balduinum, Guillelmum, & Richardum. Porrò, hic Balduinus de *Reuers*, vir extitit actibus bellicis ſtrenuiſſimus æquè ac potentiſſimus, Grauiſſimum geſſit bellum cum Stephano: Anglo Regi, apud *Oxoniam* vrbem ; indèque per alia loca ad *Hantonam* (alijs *Hantonam*) circumiacentia ; ſed cùm, aduerſo marte pugnatum eſſet pro Balduino, coactus eſt ſolum vertere, & in Neuſtriam aufugere, ann. 1136. [b] Eundem Regem ibidem impugnaturus ſi poſſet, ann. 1138. [c] Hic igitur, occaſione accepta, cœnobium Montis-burgenſe iam ſingulari pietate fundauerat : de cuius Eccleſiæ ſtructura ; hæc paucа *Gemeticenſis*, commemorat : *Balduinus etiam de Reuers, aliam apud Montis-burgum fecit.* [d] I.

[d] *Gemeticenſis, lib. 7. de Geſtis Normann. cap. 22.*

At difficultas in eius cognomine videtur exoriri. Nam à *Gemeticenſi*, & *Anonymo* Auctore, Balduinus de *Reuers*, nuncupatur, vt vidimus, qui ab *Orderico*, Balduinus de *Raduarijs*, vocatur ; ſed eadem eſſe vnius familiæ facilè dixerim cognomina, ſicque vnum pro altero ſumi potuiſſe. Certè Author ille *Anonymus* paulò antea fatetur, Balduinum hunc de *Reuers*, fratrem habuiſſe Richardum nomine, quem puto illum eſſe, cuius idem Ordericus antea meminit hiſce verbis. *Tunc optimates Angliæ, Richardus de Raduarijs, & Rogerius cognomento Bigotus, mortui ſunt, & in Monaſterijs monachorum ſepulti ſunt, quæ in propriis poſſeſſionibus ipſi condiderunt* : *Rogerius enim apud Tetfordum, in Anglia : Richardus verò tumulatus eſt, apud Montis-burgum in Normannia.* [e] Dicitur autem hic Richardus illud condidiſſe cœnobium, eo quòd fratri ſuo Balduino maximè auxiliatus ſit, in cõſtructione eiuſmodi Abbatiæ : [f] quapropter mendoſè legitur apud *Galliam Chriſtianam*, Balduinus de *Renes*, loco, de *Reuers*. Attamen Robertus de monte videtur à præfatis paululum diſſentire dùm ait, ad ann. 1155. *Mortuus eſt Balduinus de Rediners : & ſucceſſit Richardus filius eius. Item ad ann. 1162. Richardus de Reuers Dominus inſulæ veſtæ, in Anglia moritur, relinquens ex filia Reinardi, Comitis Cornubiæ, parvulum filium, nomine Balduinum.* II.

Præterea, præſens Monaſterium, multis attributis predijs & poſſeſſionibus ac exemptionibus, locupletatum eſt à Guillelmo III. agens. *Cui post Euannum Anglicum, qui paruo tempore eidem Monasterio præfuit, successit Venerabilis Serlo.*

B. Serlo, Abbas 4. Sauiniaci, sub eo, BB. Aymo & Petrus, Monachi Sauiniacenses, sanctitate floruerunt: idem B. Serlo, se, suaque Monasteria, & cunctam Congregationem Sauiniacensem, subdit Ordini Cistertiensi, in quo tandem Sanctissimè moritur.

CAPVT II.

Succeſſit venerabilis Serlo, de *Valle Badonis*, juxta Bajocas, oriundus, qui prædicti B. Gaufredi fuerat in ſæculo diſcipulus, monachatumque prius cum eo ſuſceperat in cœnobio. *Cereſienſi*, ſed relicto eo Monaſterio, Sauigneium, pro majori religione expetierat: vbi tandem cœnobiarcha efficitur. [a] Itaque ab his Abbatibus præfatis D. Serlo quartus fuit, non minori doctrina & ſanctitate; qui quam acceperat ad Ciſtertij normam, Domum, ordinemque: non vltra ſimilem, quòd longè inferius eſt, ſed omninò eamdem eſſe diſpoſuit. Quo autem tempore huiuſce cœnobij regimen aſſumpſerit, præciſè non aſſignatur: memoratur tamen ad ann. 1143. [b] ex quo propior coniectura ſuboritur, florebat autem tunc Sauiniacum monachis, qui patrum merita, aut præibant, aut ſequebantur, inter quos duo præcipuè, BB. Aymo & Petrus, maximè emicuerunt. I.

Et quidem, Aymonem, à multis annis conuerſatum in cœnobio Sauiniacenſi, argumento eſt, quod de B. Guillelmo 3. Abbate ipſius, per eum tracto à ſæculo, ex viſione mirabili ſibi cœlitùs indita, tradunt. [c] Porrò, nec pauciores ſub Ciſtertio peregiſſe, non minus clarè probat ipſius ad Deum tranſitus, qui incidit in annum 1174. vti inferius annotabimus: vt planum fiat aſtrictum B. Virum Ciſtertij legibus, per annos plus minus, ſex ſupra viginti, reliqua vitæ eius inſignia aliàs dabimus loco opportuniori. [d] Qui demum vitæ ſanctitate conſpicuus, & meritis plenus: deceſſit è vita, die 30. April. ann. 1174. ex Roberto de Monte. *Obijt etiam anno ſuperiore, Hamo, de Lanidecopio, monachus Sauinienſis: qui propter* Religionem, *& bona opera in pauperes, charus erat Deo & hominibus.* [e] Agitur de eo memoria in Menologio Ciſtertienſi, hac eadem die: vbi tale de eo Elogium habetur. *Sauiniaci in Gallia B. Aymo monachus, qui ab eo tempore, quo Ciſtertienſium ſe ſubiecit inſtitutis, inſolitæ ſanctitatis ſpecimen dedit, & cœleſtis vitæ ſtudio incenſus, Angelis vicinior, quàm hominibus, puriſſimè inter confratres ſuos conuerſatus eſt: magna ſanctitatis opinione, ibidem diem clauſit extremum.* [f] Eius tamen ſolemnitas, die 1. Maij agitur, quando ſacrum ipſius corpus à terra eleuatum, in decentiorem locum fuit repoſitum. [g]

De B. Petro, dubium adhuc nobis eſt, quo anno, monachum induerit apud Sauigniacum; certum eſt autem ante B. Aymonem obijſſe: nec minus certum clariuiſſe ſimul cum ipſo: quippe qui eius ſemper & confeſſiones exciperet, & occurreret dubijs, ſi quæ ingruerent. De vita & morte B. Petri multa referunt antiqui: quæ nos aliquando in lucem proferemus. [h] Interim verò, quæ teſtatum alij nobis reliquerunt, inſpiciamus. „ *Fuit* (inquit Menardus) B. Petrus, patria Abrincenſis „ Sauiniacenſis monachus. Adeò conſcientiæ purati ſtudebat, vt minimâ labeculâ „ ferre non poſſet, quin ſtatim ad ſacramentum pœnitentiæ recurreret. Mortuus „ apparuit B. Haymoni, confeſſori ſuo, immenſa luce, circumfuſus; dicens, ſe tali „ gratia à Deo locupletatum, ob conſcientiæ puritatem. [i] Hæc paulò exactius excerpta tradit Philippus *Seguinus*, in hunc modum. „ *Petrus*, Sauiniaci monachus, „ vir religione & ſanctitate conſpicuus: multis virtutibus refulgens, fœliciter ad „ beatam gloriam aſcendit. Is cùm in terrena Sauiniaci ſolitudine, vitam cœnobiticam, ne dicam Angelicam, ageret apud Deum Opt. Max. cuius fuerit meriti, „ Dominus ipſe ſeruo ſuo Haymoni oſtendere voluit: de eo ſiquidem fertur, quòd II.

Alterum quoque notandum venit, ipſi Sauiniaco peculiare, & valdè ſingulare: III. quòd quamuis ſe totum, & ex integro Ciſtertienſi ordini ſe ſubdidiſſet, remaneretque in poſterum ſub filiatione Claræuallis: ea tamen lege, vt Abbas Sauiniacenſis ſemper omnibus ſuis Monaſterijs, juxta ſolitum, Superior mediatus, vel immediatus præeſſet. Ita enim confirmatum legimus authoritate Apoſtolica ipſius Eugenij III. Papæ: qui hujuſce rei præſens aderat: cujus Diploma ſequitur.

Eugenius, Epiſcopus, Seruus Seruorum Dei, dilectis filijs, Conuentui Sauiniacenſi, & Abbatibus Monaſteriorum ad idem cœnobium pertinentium, eorumque fratribus; Salutem & Apoſtolicam Benedictionem. Pax Eccleſiæ, fratrum concordia, Religionis Vigor, ſtatus monaſteriorum, vnitatis vinculo conſeruetur. Hujus rationis intuitu, dilecti filij noſtri, Sauigniatenſis, & Belbecenſis, Abbates, ad Ciſtertienſe capitulum venientes, tam ſe, quàm vniuerſitatem veſtram per chariſſimum filium noſtrum, Bernardum, Claræuallis Abbatem, in vnitatem Ciſtertienſis congregationis & ordinis ſuſcipi, nobis præſentibus, humiliter poſtularunt. Eorum itaque Religioſam deuotionem in Domino commendantes, paternæ charitatis debito ſumus congauiſi: ſcientes, ſcriptum eſſe, Frater adiuuans fratrem, ambo conſolabuntur. Quocirca, ſecundum eorum gratum Deo, & laudabile deſiderium, tam eos, quàm vos, ſancto illi Collegio ſociantes, Apoſtolica authoritate ſtatuimus: vt hæc amabilis & iucunda ſocietas, futuris temporibus inuiolabiliter obſeruetur. Præfato igitur filio noſtro Sauigniacenſi Abbati, tantò vos propenſius filialem obedientiam, ſecundum eiuſdem Ordinis inſtituta, exhibere præcipimus: quantò attentius pro veſtra ſalute cognoſcitur laborare. Eugenius, Epiſcopus, Seruus Seruorum Dei, Dilecto filio Serloni, Abbati Sauigniacenſi, Salutem & Apoſtolicam Benedictionem. Cùm omnibus Eccleſiaſticis perſonis debitores, ex iniuncto nobis à Deo Apoſtolatus officio exiſtamus: illis tamen propenſioris charitatis ſtudio nobis conuenit imminere, quos in veræ Religionis habitu, omnipotenti Domino militare cognoſcimus. Ad hoc enim Paſtoralis officii nobis eſt cura commiſſa; vt beneplacentem Deo Religionem, laboremus ſtatuere, & ſtabilitam exacta diligentia conſeruare. Proindè, dilecte in Domino fili, Religionem in Monaſterijs, quæ de tuo monaſterio, cui præſides, ſunt egreſſa; & in his, quæ de egreſſis ab eodem monaſterio, prodierunt; tam de ipſis perſonis, quàm de rebus monaſteriorum, iuxta Ciſtertienſium fratrum Conſtitutionem, diſponendi, & ordinandi habeas facultatem. Quia verò plures maligno ſpiritu inducti, ab obedientia ſuorum prælatorum reſiliunt, & vt ſuæ liberius deſeruiant voluntati, aliena ſolatia, quærunt: prohibemus, vt nulli, poſt factam in eiſdem locis profeſſionem, liceat ſe à tua, vel ſucceſſorum tuorum, ſubiectione ſubtrahere; aut alii huiuſmodi profeſſos, ſeu aliquid de prædictis Monaſteriis, retinere. Quod ſi quis eorumdem monaſteriorum ſe à tua ſubiectione ſubtraxerit, & tertio monitus, redire contempſerit: eum excommunicandi habeas facultatem. Datum Tuſculani, 12. Calend. Nouemb. ann. Ego Henricus, Comes Augi, quorumdam Augenſium ſæcularium Canonicorum, clauſtro & communi habitatione, ſimul vluere, ſecundum Regulam B. Auguſtini, deſiderantium, petitioni aſſenſum præbens, in præſentia D. *Gaufridi*, Rothomagenſis Archiepiſcopi, conceſſi: vt redditus præbendarum ſuarum, ipſi & ſucceſſores ſui cominuniter vluentes, in perpetuum habeant. Conceſſi etiam, vt poſt deceſſum, vel mutationem cæterorum canonicorum ſæcularium Eccleſiæ B. Quod ſi quis Canonicorum ſæcularium, de rebus ad Eccleſiam pertinentibus, ſine meo, vel Anteceſſorum meorum, & totius capituli aſſenſu, ab Eccleſia, aliquid aliquo modo alienauerit, vel elongauerit, poſt deceſſum eius, quod fecerat, in irritum teneretur. Dimiſi autem, in manum & tuitionem, D. *Goisfridi*, Archieſpiſcopi, & ſucceſſorum eius, Eccleſiam B. III. Ponè ſequitur Littera præfati *Goisfredi*, Rothomagenſis Archiepiſcopi, ad effectum præcedentium; qua approbat prædictam Reformationem in Eccleſia ipſa Aucenſi.

In Nomine ſanctæ & Individuæ Trinitatis.

Ego Goisfridus, Rothomagenſis Archiepiſcopus, Petitioni Roberti, Decani, ſociorumque eius, Canonicorum, clauſtro & communi habitatione ſimul viuere deſiderantium, ipſius ſub manu Comitis Augi ſæculariter viuentium, aſſenſum præbens, concedo: vt redditus præbendarum ipſorum, qui ipſas diuiſim, juxta numerum perſonarum, poſſidebant, à modò, quia communiter viuunt, communes in perpetuum habeantur. Quòd ſi quis reliquorum canonicorum, ad eorum conuerſationem tranſire voluerit; redditus eius, ſupradicto modo, fiat communis. Poſt mortem verò cæterorum, vel vitæ mutationem; redditus eorum, ad iſtorum victum & communitatem tranſeant. Omnes autem redditus præbendarum, & ea, quæ ad theſaurum Eccleſiæ pertinent; ipſis Regularibus, & eorum Eccleſiæ, ita liberè & quietè, ab omni conſuetudine, concedo, ſicut Eccleſia Augenſis, liberiùs & quietiùs viſa eſt poſſediſſe. Liceat etiam eis, more aliorum clauſtralium, quot Fratres voluerint in ſuo loco, ad id ſeruitium coniungere. Et ſuorum Abbatum liberam electionem facere: nec vlli Abbatum liceat bonos vſus Eccleſiæ, qui ſecundum veram Religionem, in eadem inſtituti ſunt vllo modo, infringere. Quòd ſi quis Canonicorum ſæcularium, de rebus Eccleſiæ pertinentibus, ſine meo juſſu, & Comitum Augi, & conſenſu totius capituli, quoquomodo à præbendæ dominio alienauerit, primò, quòd præbendæ ad communitatem Regularium peruenerint: omnis eorum donatio, vel venditio in irritum reuocetur. Ipſe verò Decanus Robertus, S. Mariæ Augi, & ſocii ſui, præbendas, quas à laïca manu acceperant, in manu mea reddiderunt, & ſe victuros canonicè promiſerunt: ea, quæ prius propria poſſederant, ipſis vt communiter viuerent, habere permiſi: & eidem Roberto, & ſucceſſoribus ſuis, dignitatem & poteſtatem Eccleſiæ conceſſi. Hanc præſcriptam inſtitutionem Regularium canonicorum Augenſis Eccleſiæ, Dei, & noſtræ Metropolitanæ ſedis, authoritate, confirmo; & ſacram Religionem, & canonicum Ordinem, in Eccleſia Augenſi, inuiolabiliter præcipio permanere: & ne quis huic rei, vel contradicere, vel aliquod impedimentum aliquando inferre præſumat: ſub anathemate prohibeo. Anno Domini 1119. Ludouico regnante in Gal-

lia; Henrico, Rege Anglorum, principante in Normania: in Capitulo S. Mariæ Rothomag. præsentibus, Audino, Ebroicensi Episcopo: Ranulfo, Dunelmensi Episcopo; Vv. Abbate S. Audoeni, Rogero, Secretario, Richardo, Archidiacono: Osmundo, Archidiacono: & multis canonicis alijs S. Mariæ. g

Ipse verò Henricus, Augensis Comes, omnibus prædictis testibus, & præsentibus superiùs, in sua charta citatis, iterum hanc hujusmodi fundationem iisdem verbis, à se conceptam, & expressam, approbauit, laudauit, ratamque habuit: necnon omnia eiusdem Ecclesiæ bona; tum ab Antecessoribus suis, tum à se, & ab aliis data confirmauit. h Cuius filius, *Ioannes*, & ipse Aucensis Comes, piè postea comprobauit, vti constat ex contextu ipsius Epistolæ sequentis. G. Dei gratia, Abbati S. Victoris Parisiensis.

Ioannes, Comes Augensis, salutem & dilectionem.

His Litteris discretioni paternitatis vestræ, insinuare curaui, quàm graviter & asperè, & quasi infestanter, Barones mei in me insurgentes, totusque clerus meus, multæ quoque Religiosissimæ personæ, me affligentes incessanter vituperant: pro eo, quòd de Ecclesia Augi, sic contra rationem inconsultè disposuerim; & quòd vestros canonicos, contra institutum patris mei, & meum, in ea receperim. Obiiciunt enim mihi, id quod verum est. Sed quia Pater meus, ex quo canonicos Regulares, apud Augum, zelo Dei, instituit: statim assensu *Gaufridi*, Archiepiscopi Rothomagensis, & postea rogatu & ammonitu atque exhortatione *Hugonis* Archiepiscopi Rothomagens. donaui, & ego concessi, Ecclesiam prædictam, in manu Abbatis *Arouasiæ*, ad tenendum & conseruandum Ordinem in perpetuum, secundum Regulam B. Augustini: & ita quòd Abbas Auci, semel in anno reuisitaret capitulum Ecclesiæ S. Nicolai de *Arouasia*, vt si quid minùs esset, reintegraretur. Quapropter mando, mandans quoque, vestræ diligentissimè paternitati supplico, eamque super omnia rogo, & obsecro: vt pax in Ecclesia Augi habeatur. Rogero Abbati, & sociis eius, quos ad nos transmisistis, per obedientiam præcipitatis, & præcipiendo injungatis: vt secundum morem & consuetudinem *Arouasiæ*, Ordinem Religionis in Ecclesia Augi teneant, aut omninò recedant. Nolo enim amplius ferre sententiam excommunicationis: quæ proindè super me, singulis Dominicis diebus datur. Graue etenim mihi videtur, quòd tamdiu eam sustinui. Quòd si hoc non feceritis, veraciter dico, quia nunquam amplius eos dilexero, sed destruam in quibus potero. Vale. i Quæquidem duximus, ad certiorem, amplioremque Historiæ, reique gestæ, notitiam, per partes explanare.

Igitur, certum est *Henricum*, præfati *Ioannis*, Aucensis Comitis patrem, Dei zelo ductum, Canonicos Regulares, apud Aucum instituisse, assensu *Gaufridi*, Rothomagensis Archiepiscopi, qui obijt, ann. 1128. postea verò, hortatu *Hugonis* itemque Rothomagensis Archipræsulis, eiusdem *Gaufridi* successoris, idem cœnobium Aucense subiecisse Abbati *Arouasiæ*, Diœcesis Attrebatensis, pro manutensione Monasticæ obseruantiæ, secundum Regulam S. Augustini. Sanè, si statim à commutatione Canonicorum sæcularium, in Regulares, ipsos Henricus Aucensis Comes, Cœnobiarchæ Arouasianæ subdidit; id non potuit citiùs tamen explere, quam ann. 1121. quo *Geruasius*, primus Abbas, *Arouasiæ* præfuit, post præpositos aliquot eiusdem loci prædecessores. l Paulò autem post, scilicet, ann. 1128. ex ipso Aucensi Asceterio, adducti sunt Canonici Regulares: vt Abbatiæ S. Barbaræ, in Algia, Diœcesis Lexouiensis, initium darent. m Deindè, hæc ipsa Aucensis Abbatia: regimini atque directioni S. Victoris Parisiens. subacta est, tempore, *Gilduini*, primi Abbatis, (ad quem spectat præfata Ioannis Comitis Aucensis Epistola:) dummodò statuta & mores *Arouasiæ* retineret, ad amussimque seruaret, quod haud renuit, sed incunctanter præstitit ipsi *Henrico* Comiti Aucensi, qui ann. 1140. excessit è vita, sepultus apud Fulcardimontanam Abbatiam, à se etiam extructam. n Cuius meminit Obituarium Aucense ad 12. SAN-HELERIVS
GALLICÈ S. ELIER.

Guillelmus Hamonis, vir illustris Fundator hujusce Abbatiæ: quæ postea unita est cum cœnobio Cæsarisburgi.

CAPVT I.

GERSEIVM, Gersoium, seu Grisogium, vulgò Gersé. Insula est, ad mare Oceanum, Diœcesis Abrincensis, vel (vt alii volunt) Constantiensis: in quam Sanctus Prætextatus, Archiepiscopus Rothomagensis, postea martyr, relegatus est, ann. 582. Itemque Malgerius, eiusdem sedis Archipræsul. ann. 1055. [a] Illustriorem autem haberi cœpit, ex quo S. Helerius, illic à Vvandalis, martyrii palmam accepit. [b] Nam in honorem huiusce inclyti Athletæ Christi: constructa est insignis Abbatia, à D. Guillelmo *Hamonis*, viro nobili, & antiqui stemmatis apud Neustrios Heroe; in qua Canonicos Regulares Ordini S. Augustini posuit: ac tandem ipse excessit è vita, 21. Nouembris: cuius sic meminit obituarium Cæsaris-Burgi, 11. *Calend. Decemb. Guillelmus Hamonis, qui fundauit Abbatiam S. Helerij in Gersoio.* [c] I.

Pluribus annis floruit & monasticæ vitæ obseruantia, & Regularis disciplinæ exercitio: sicque factùm est, vt dùm postea à Mathilde Imperatrice, Reginaque Angliæ cœnobium ædificandum foret apud Cæsaris Burgum: Diœcesi. Constantiens. ad mare Oceanum, canonici Regulares exindè accepti sint, sub Roberto eorum Abbate, vt hanc inhabitarent domum: quæ eam ob causam, ab ipsa S. Helerii Abbatia, subordinationem sumeret: cuiusquidem Abbatis memoria habetur in Necrologio præfato, 27. Ianuar. his verbis, 6. *Calend. Februar. Robertus Abbas S. Helerij, qui dictum locum à fundamentis ædificare cœpit.* [d] II.

Postea verò, illa S. Helerii Abbatia, vnita est cum hoc Cæsaris-burgi Monasterio, ann. 1185. ad instantiam D. Vvaltheri, Rothomagensis Metropolitani, totiusque Neustriæ Primatis, sub Henrico II. Angliæ Rege, ac Normaniæ Duces, teste Roberto, qui ea de re in hunc modum loquitur. „ *Dominus Vvaltherus*, Rothomagens. „ Archiepiscopus, impetrauit à Domino Henrico, Rege Anglorum, vt Abbatia „ S. Elesii, quæ est in insula Grisolii, (al. Gerseii) quam Guillelmus filius Hamo„ ni, fecerat in eadem insula, consilio, & auxilio Domini Regis, iungeretur Ab„ batiæ de voto, quæ est iuxta Cæsaris Burgum; quam Imperatrix, mater Henrici „ Regis ædificauerat. Erat autem tripliciter ditior, tam in Normania, quàm in An„ glia: quàm Abbatia de voto. Erat autem vtraque de Ordine canonicorum Re„ gularium. Facta est itaque Abbatia de voto, mater & caput; habens & perenniter „ possidens Abbatiam de insula, & omnia sibi pertinentia: &c. [e] III.

Ab eo igitur tempore Abbates Cæsaris Burgi: denominati sunt, *Abbates S. Helerij & Cæsaris Burgi*: sed paulatim, decrescente ipsa insulana Abbatia: ac tandem, relicto *S. Helerij* titulo, nuncupati sunt tantummodo, *Abbates Cæsarisburgi.* [f] Præfatum autem S. Helerii cœnobium, nunc Prioratus est: cuius memoria restat, apud D. Michaelem, in monte Tumba: iuxta Arboretanum præsulem. [g] *Qui & testatur, Gerzeium, Gallicè, Gersay, Templo Minoritanæ familiæ, non multis antea annis addictum, & consecratum; nuperrimè autem à sacrilegis & schismaticis quibusdam prædonibus, per summam impietatem dirutum, atque euersum.* [h] Quod confirmat Illustrissimus princeps Gauzaga, Mantuanus Episcopus; dudum minister generalis totius Ordinis Fratrum Minorum. ANN. 1127.

BELLVM-BECCVM,
GALLICÈ, BEAV-BEC.

Vndatur ann. 1127. [a] ceu 1128. [b] Calendis Nouemb. in Regione Caletensi: vnumque fuit ex nouemdecim Monasterijs, quæ B. Gaufridus, Abbas 2. Sauiniacensis, diuersis in locis extruxit: [c] Itaque dicitur prima filia Sauiniaci cœnobii: sicque mansit sub instituto Sauiniacensi, ann. 21. post quos, suscepit, vnà cum matre, Cistertii leges, ann. Christi 1148. [d] cuius Abbas, vnà cum B. Serlone Sauiniacẽsi Abbate, Cistertium ad capitulum generale veniens, tunc Obedientiam præstitit. Normaniam occupat, in Diœcesi Rothomagensi nouicastri decanatu: cuius mentio habetur in iure cap. *Gratum.* De officio & potestate iudicis delegati. Item in cap. *Cùm causam* 62. de appellationibus. Et in libris Cameræ Apostolicæ notatur 400. florenor. præfixa taxat, pro Annatis soluendis. [e] I.

Refertur singulare exemplum hac in Abbatia euentum, quod, quia Conuentus commendat Sanctitatem, atque efficaciam fidei & precum, hìc censui inscribendum. Conuersus quidam de Fratribus *Belli-becci*, quod est cœnobium Cistertiensis ordinis in *Normania*, cum iam morti proximus esset, monebant eum fratres, vt sacram communionem acciperet; quod ipse vehementer abhorrens, pertinaci animo recusauit. Laborantes itaque fratres per vnius ferè diei spatium, vt hoc ei persuadere possent: cùm suam industriam nihil in hac arte prævalere cognoscerent, communi consilio decreuere spiritalem in Conuentu facere orationem. Congregati itaque in Ecclesia cuncti, multiplicatis Litaniis, & psalmis, in fletu & planctu Deum exorabant, vt periclitantem animam illam de profundo malorum eriperet, non eam in tali damnatione aliquatenus mori permitteret. Expleta autem oratione, clamare cœpit infirmus, & dicere. Eia, Fratres, succurrite, quæso, succurrite citius, & afferte Dominicum Sacramentum: ne fortè iterum partes aduersæ me inueniant imparatum. Hìc namque aderat modò ingens Demonum turba, à quibus vndique pressus, ita coarctabar, vt nullum suggerentibus possem dare responsum de salute mea. Ecce interim Fratres nostri, tam monachi, quam conuersi, in vnam aciem conglobati, cum magno impetu super Demones irruerunt; & singuli singulos inuadentes in manu potenti, & brachio excelso, omnes penitùs expulerunt, & me per Dei misericordiam, liberarunt. Hæc audientes fratres gaudio magno gauisi sunt; & abeuntes in instanti, sacrosanctum Domini corpus ei exhibuerunt. Ipse verò compunctus ac pœnitens, cum iugenti reuerentia, communicauit, & protinùs in bona confessione spiritum dimisit. [f] II.

„Episcopus audit; quod Rabellus Camerarius, Ecclesiæ S. Barbaræ, *Manerium Giroldi*, contulisset, Cartam protulit; quæ iam dictum Manerium, à Roberto, „(post fratrem suum Richardum 2.) Duce Normannorum Ecclesiæ Lexouiensi „datum fuisse testabatur. Facta est ergò ea de re contentio longa inter Ioannem „Episcopum, & Guillelmum Priorem; sed tandem Prior obtinuit. Orta est quo„que alia disceptatio, super quadam terra, quam Camerarius Ecclesiæ S. Barba„ræ dare volebat: sed eam, quia litigiosa erat, prior suscipere renuebat. Quidam „enim miles, nomine *Adam de Maquetio*, terram ipsam calumniabatur, seque eam „dicebat debere de Camerario in feodo & hæreditate, tenere. Cùm ergò Came„rarius totam illam dare vellet, & prior, propter calumniam talem donationem „differret, tandem, fauente Camerario, hunc finem illa contentio sortita est: „mediam partem habuere Canonici, reliquam verò supra memoratus Adam, de „ipsis in feodo, ea conditione tenuit, vt bis in anno, ad necessaria eorum „infra Normanniam, itinera, bis pro eorum beneplacito, equum commodaret. „Post hæc, videns Prior in Ecclesia S. Barbaræ prouidus futu„rorum adiecit. a

II. Curauit insuper vir Dei Guillelmus, suum Prioratum authoritate Apostolica roborari, & congregationem suam nouellam benedictione vicarij Christi confortari. „*His ita se habentibus* (ait idem MS. Codex) Prior Guillelmus ad summum „Pontificem iter agressus, Domum suam in ordine Canonicorum Regularium, „eique dona Regis & Camerarij, Apostolicæ dignitatis priuilegio, fecit confir„mari. Roma autem regressus, in ordinanda domo, maximèque Ecclesiæ officio, „multam & longam operam nauauit. Cuiusquidem officij ordinatio pluribus adeò „placuit; vt ea Archiepiscopi, Episcopi, alijque complures prælati, in Ecclesijs „suis, celebriter vterentur. Abbreuiationes etiam Euangeliorum scripsit, quæ „Dominicis diebus, in Capitulo legi consueuerant. Regis An„glorum, lamentabile, filijs paeis accidit infortunium; quod obitu Camerarij, „Domui fuit non multò post tempore duplicatum. Paruula siquidem adhuc erat, „& sicut Prior scripsit Domino Papæ, primos gressus Religionis attentans, par„uula erat; sed tamen vbera iam habebat.

III. „Nam per idem tempus, cùm Constantiensis *Algarus*, vir religiosus ac timens „Deum, Canonicos Regulares in Ecclesia S. Laudi *Constantini* collocare decre„uisset; illuc, Duce Guillelmo, priore, bonorum coadiutore, primum Conuen„tum adoptionis filios ibidem Domino paritura, eosque sanæ doctrinæ lacte nu„tritura, direxit. Reuoluto itidem anno, ea scilicet Dominica, in qua canitur of„ficium, *Lætare Hierusalem, & Conuentum facite*, &c. Conuentum è suis fratribus „idem Prior Guillelmus induxit in Ecclesiam eiusdem S. Laudi, apud *Rothoma„gum*, præsente Hugone eiusdem vrbis Archiepiscopo, & Algaro Episcopo „Constantiensi, quem prior, quia vtraque Ecclesia de iure eius erat, ad tam bona „opera compellebat; & illuc quidem secum duxit G. alterum fratrem suum, „qui apud S. IV. „Interea Regno Anglorum in se diuiso, secuta est Ecclesiarum Dei non parua „desolatio: quicumque enim viribus, prævalebat, aggerem erigebat, castrum fir„mabat, Ecclesiarum & Monasteriorum possessiones atrociter inuadebat. Atque „hinc factum est, vt quidam Guillelmus *de Bello-campo*, Canonicis de *Bexfort*, cru„deliter extirparet: quo audito, prior in Angliam properè transvectus, fratres „electos magna instantia restituit. Cùm videret autem Episcopos, tamquam canes „mutos, lupis allatrare non audentes, Romanum Pontificem iterum adire coactus „est: à quo viterbij inuento, litteras importuno tempore, opportunas postula„bat. ſus feritate terribilem, hic adegit: Vt locum S. Albini, quem à nobis auferre, modis omnibus nitebatur, non ſolùm liberum, & quietum dimitteret, verùm etiam Priorem euntem ad Remenſe Concilium, cui præerat Eugenius III. ſuis ſumptibus, honorificè duceret, atque reduceret. *Ioannis* Epiſcopi Lexouienſis, qui ei inuidere, ac aduerſari videbatur, ſæpè cornu contriuit. Capellam B. Mariæ de *Boterelli-villa*, quam Presbyter illi ſeruiens, Parœchialis Eccleſiæ nomine, in Rotulo Epiſcopali, viribus Epiſcopi, contra Priorem niti volens, ſcribi fecerat: ipſe Prior, diu reluctante, ſed non præualente Epiſcopo, de Rotulo Epiſcopatus deleri fecit. Poſſeſſionem noſtram de *Agego*, quæ fuerat patris, & fratrum ſuorum, à fratre ſuo Richardo, ſuper Altare Eccleſiæ S. Barbaræ offerri, & in perpetuam eleemoſynam confirmari, curauit: nihil cum ijs habens commune; quorum cura eſt de rebus Eccleſiæ, parentes ditare. Capellam quoque S. Michaelis de *Salquantia*, quinque tantum ſolidos Andegauenſes annua penſione reddentem, longo ſudore in ſuam juriſdictionem redegit. Eccleſiam S. Mariæ de *Texta*, ab aduerſarijs, qui etiam in Canonicos vſque ad verbera exarſerant, poſt multos labores, eorum ſignifero, ergaſtulo Regis injecto, liberauit. Et quoniam de hac Eccleſia, quæ juris B. Benedicti eſt, ſermo incidit; aperire lubet, quomodò S. Benedicti locus, Dominio S. Barbaræ acceſſerit.

VII. Erat in domo B. Barbaræ, canonicus quidam, patria Rothomagenſis, nomine Robertus de *Rollonis-mara*, qui duobus digitis contractis, & aliquantulum aretactis, quædam naſcentis lepræ indicia præferebat. Prior autem quæſito & inuento loco futuræ, vt credebatur, ægritudini, opportuno; eum ibi, miſſa de monaſterio alimonia, collocauit. Qui Deo opitulante, in honorem B. Benedicti oratorium ibi conſtruens, & regulariter cum aliquot fratribus eius miniſterio deputatis viuens; quaſi pater patriæ haberi cœpit. A die autem, qua Domo S. Barbaræ exiuit; lepræ ſignum in eo penitus non excreuit. Miſſas ſæpè celebrabat; potens laboris erat: in feſtis nouem lectionum, pſalterium, priuſquam comederet, decantabat. Tantam apud patronum ſuum, Richardum de *Tornayo*, gratiam inuenerat: vt agellos ei duos, vndè ſuo labore fructus annuatim perciperet, dederit. Notum enim fecit Imperatrici *Mathildi*, quæ eum ipſa inuiſere, & ei (Priore interueniente) eiuſque loci habitatoribus, nonnullam partem vicini nemoris impartiri dignata eſt. Plerumque Prior transfretans in Angliam, domus ſuæ curam eidem, vno interim, vel duobus ex fratribus, apud S. *Benedictum*, officij Diuini cauſa, commorantibus fiducialiter committebat. Non fuit poſt eum, qui tanta de prædicto loco ad Conuentum bona tranſmitteret: quanta ipſe de proprio labore tranſmittebat; aliquando videlicet, & per annum, ſupra decem librarum æſtimationem; quod pretium tunc temporis, multas tum merces, tum labores compenſabat. Priori ſuperſtes fuit, ſed ibi ſepultus: vbi in magna deuotione Domino diu eſt fideliter obſequutus. Poſt incœptum verò S. Benedicti locum, Eccleſiæ S. Barbaræ, à *Guillelmo*, Pontiui Comite, *Salta cocheria*, data fuit: vbi à quodam fratre, ſanctæ Dei genitricis Mariæ oratorium extructum eſt: & à B. *Girardo*, Sagienſi Epiſcopo, qui Eccleſiam S. Benedicti dedicauerat, ſimiliter eſt conſecratum. Prior quoque Guillelmus Eccleſiam S. Mariæ de *Ouuilla*, à Guillelmo, patrono, in redemptionem molendini S. Barbaræ, quem ille, & fortitudo eius combuſſerant; primùm quidem renitente, ſed poſtea fauente, Arnulpho, Lexouienſi Epiſcopo, multiplici perſuaſione, conſecutus eſt. c

Et quoniam de his, quæ pro temporalibus exterius geſſit, tam multa diximus, inuitat nos tam venerabilis patris memoria, vt aliquid de ſpiritali, & interiore eius vita, dicamus. Venerabilium enim patrum venerabiles mores, litterarum monimentis conſignatos, poſteris commendare, piorum eſt filiorum; vt poſſint vitam & virtutes eorum imitari, quorum egregiè facta tantis vident laudibus celebrari: forma quippe Religionis, quæ futuris noſtris patribus imprimenda fuit, in primi patris noſtri Guillelmi moribus expreſſa præceſſit. Ex Anglia oriundus, iuuenculus in Normaniam transfretauit, vbi scholas frequentans, magistri nomen, & honestæ iuuentutis testimonium consecutus est: quo in statu se viro Dei, Guillelmo, Priori præfato, notum faciens, & ab eo verbum ædificationis suscipiens, non post multos dies, eius se disciplinæ, sumpto Religionis habitu, mancipauit; quem post bona spe de illo concepta, professum, ad Presbyteratum prouexit, curatis etiam quibusdam infirmitatibus corporis, quas prius in scholis ex penuria contraxerat. Et licet, viri litterati, & Religiosi tunc temporis in domo huiusce Prioratus haberentur, ipsum tamen sibi in subprioratus officium cooptauit. Cui ille, quantum videbatur, valdè humiliter obsequens, creditumque sibi officium fideliter exequens: tam in absentia, quam præsentia patris, paternæ sollicitudinis participem se præstabat. Quare vir Dei, Prior, de illo amplius confidens, fratribus, qui hostilitatis tempore, in Anglia morabantur, illum præfecit: vnde ad Prioratum assumptus, tempore suo, fructum fecit, honoris & honestatis, humilitate conuersationis, patrem in filios repræsentans; ipse nouarum ædium, partim ex materia, quã prædecessor eius parauerat partim ex ea, quam ipse congregauerat, fundamenti jecit, & ædificare cœpit; *Hebertus* verò superædificauit, iste autem *Hebertus*, multa bona opera, sub vtroque Priore operatus est: vndè & domus meliorata est, & posteritas honorata. d II.

exactorum, nec iam supererat nisi, aut [illegible] librarum solutio, aut fratrum de sua possessione; ejectio sustinuerant pacem, & ecce turbatio: ad cuius nuntium Prior expauit, Conuentus ingemuit, fugit consilium, nullo aduersus Regiam majestatem ferente præsidium: introiuit tamen in conspectu Dei gemitus compeditorum: & vbi humanum defuit auxilium, efficax S. Barbaræ præsidium interuenit. Quadam etenim nocte, minaci vultu & afflatu, Regem in somnis adeò exterruit, vt aduenienti priori Danieli; indicans aliquid eorum quæ viderat, benignè responderet; prædictamque possessionem in perpetuam eleemosynam sigilli Regij munimine confirmaret. Quo successu Prior animatus, redditum illum, quem Imperatrix Priori Guillelmo contulerat, & Rex abstulerat, per quosdam Regis familiares, reuocare tentauit, sed non valuit. Mortuus quippe erat Guillelmus, cui aduenienti Rex ipse, cum tantum Dux erat, expansis in amplexum brachijs, occurrebat. Imperatrix tanquam patri, & consiliario fauebat: cui etiam vnam de Regularibus officinis, siue claustrum, siue dormitorium, se promiserat ædificaturam. Nam ipse causam eius, futuri Regis, eius filij, quantum potuit, semper fouit; ac de imminentibus sibi periculis, sæpe per litteras, inter condensa barbæ cuiusdam fratris implicitas, & occultatas, eam admonuit. Hic prior, qui tunc obijt, quando tempus ampliandæ domus aduenerat: quanti successorem suum æstimaret, in vita sua satis admonuit; iturus enim in Hierusalem, eum de Anglia accersit, domus suæ curam illi commissurus: nisi ipse ab illo itinere fuisset dimissus. Sed quem in vita sua sibi subrogare non potuit: officij & conuersationis suæ futurum hæredem moriens commendauit. f

IV. Quomodo autem illud euenerit, gratum erit inspicere ex relatu authentico: vbi agitur de fœlici B. Guillelmi, primi prioris, ad Deum transitu, in hunc modum. *Sepulto* itaque P. Guillelmo, Fratres in Ecclesiam, deindè in capitulum conueniunt: vbi de facienda & acceleranda electione, conuenit eos Episcopus, quod & factum est. Priùs enim quàm de capitulo exirent, electus est *Daniel*, in Priorem, quem fratribus, apud *Bexfort* commorantibus, Prior Guillelmus præfecerat, quemque laudatum moriens, sibi successorem nominarat. Nominantis verò sanctitatem & auctoritatem præsul commendans, animam illius, suo iudicio, nulli totius Episcopatus secundam fuisse affirmauit. Familiaribus quoque suis dicebat; Tales in auro, vel argento repositos esse, quorum merita P. Guillelmi meritum æquaret. Porrò missus est vnus de primoribus fratribus S. Barbaræ, in Angliam, cum litteris Episcopi, & Capituli; vt electum ad hoc onus cum honore deduceret. Qui & onus & honorem refugiens; seipsum, multa prætendens, excusauit litteris. Patris & prædecessoris sui Guillelmi humilitatem secutus, qui se à Prioratu amoto, alium sibi subrogari tentauerat; sed quia à Deo in Pastorem vocatus fuerat, etiam ab hominibus compulsus est, id esse quod erat. Excusanti autem rescripsit Episcopus, omnium Ecclesiarum introitum ei interdicens, nisi officium, ad quod vocabatur, obedienter susciperet. g

Ad Danielem, Priorem S. Barbaræ.

V. *Ad gerendam* sollicitudinem Domus tuæ, non pro tua te frater, virtute vocauimus, sed pro Diuinæ fiducia bonitatis; quæ ijs, qui ad regimen animarum purè vocantur, & humiliter obedire consentiunt, vberiorem largiri gratiam consueuit. Sicut autem te non debebas, non vocatus ingerere, ita vocatus non debes recusare: quia non minus delictum tumor inobedientis, quàm zelus ambitionis importat. Quod si non ex tumore sed ex humilitate potius, sicut putas, & timore desistis; pusillanimitatem hæc mihi sapit humilitas, qui tanto magis deuitanda est, quantò propius periculo desperationis accedit. Sed & si qua vnquam ratione, ab hac vocatione fueras absoluendus, non debuisti apud fratres tuos, nec apud nostram authoritatem, litteris excusari, nec propriæ voluntati cui te renuntiasse cognoscis, morem gerere; sed personam tuam, quæ magis nostra, quàm tua est, pedibus nostris humilis & deuotus offerre, fratrumque tuorum trahi desiderijs; & mandatis Pontificalibus inclinari. Porra mora tua, rerum temporalium, & quod granius est, periculum continet animarum; quia incustoditas oues luporum incursibus esse constat expositas, detrimentumque omne ab eo requirendum est, qui debitam custodiam detrectat aliquibus occasionibus adhibere. Veni igitur, quoniam cum ipso

onere gratia tibi Diuina concreſcet; & nos perſonam tuam, & domum ipſam ſolita, vel majore etiam charitate fouebimus. Et ſi qua forte intrinſecus difficultas emerſerit; ego in manu forti ante faciem tuam protinus omnia complanabo. Veni, inquam, & infra octauam diem, poſt acceptionem præſentium litterarum, iter aggredere; nullaſque in veniendo cauſas dilationis admittas, niſi quas neceſſitas inuincibilis, vel enormis dãni euitatio ſuggeſſerit admittendas. Quod ſi non feceris exindè te, tanquam inobedientem, Epiſcopali auctoritate, ab omnium Eccleſiarum introitu ſummouemus. h

VI. Qua ille comminatione perterritus, migrauit in Normanniam: fratribuſque illum Pontifici præſentantibus, de manu ipſius regendæ domus curam ſuſcepit. Paucis verò diebus poſt Prioris *Guillelmi* obitum euolutis, accidit, vt quidam religioſus, per ætatem, & infirmitatem lecto affixus, quadam nocte, ſeruum ſuum frequenter vocaret, & ab eo lateris conuerſionem voce gemebunda poſtularet. Quo in vocando perſeuerante, & vocato diſſimulante, ecce adfuit prior *Guillelmus*, vocatum aſperius obiurgans: Quare inquit, Dominum tuum tota nocte vociferare ſinis? Qua voce, ſtatim ille exterritus ſurrexit; deinceps ad vocem Domini ſui factus vigilantior; & ſurgendo poſteriora egredientis poſtea ſe vidiſſe teſtatus eſt. Quiquidem Rogerus, apud S. Barbaram diu commoratus, & inter conuerſatus, ſuo ſumptu, & inſtantia, illam Eccleſiam elaborauit. Vndè ipſo quoque poſtulante, ſtatutum eſt: vt in die Anniuerſaria eius obitus, ex præfatæ Eccleſiæ redditu, conuentus procuraretur.

Vt igitur, qui non viderunt, ſaltem ab illis, qui viderunt, audiant; & ne miraculum noſtris temporibus declaratum, nobis, inter quos accidit, venerandum, omnibus audientibus admirandum, omnibus electionem celebrantibus recolendum, proceſſu temporis, obliuioni tradatur: illud veraci ſtylo, quia præſentes fuimus, fideliter duximus exprimendum. Igitur anno Incarnationis Domini 1247. in feſto SS. Martyrum Fabiani & Sebaſtiani, conuocati ſunt omnes Canonici S. Barbaræ, qui fuerant & poterant conuocari, ad eligendum ſibi Paſtorem & Priorem, Eccleſia ſua tunc vacante, ex reſignatione Religioſi viri, Rogeri, eiuſdem loci antea Prioris. Ea die, manifeſtauit ſe coram diſcipulis ſuis, virgo venerabilis, & Deo amabilis, atque omnibus eius notitiam habentibus, colloudanda, & prædicanda Barbara; quæ ſe non Barbaram Conuentui ſuo exhibere voluit, ſed præſentem. Erant autem in capitulo memorati loci, ad præfatam electionem ſexaginta ſex Canonici Congregati: inter quos erat, quidam juriſperitus, ſicut tales vocantur in tali facultate, qui aliquando juris imperiti veriùs dici poſſunt: Quandoquidē jure ſibi cognito abuntuntur. Grauius enim peccat, qui ſcienter, quàm qui deuiat ignoranter. Seruus namque qui cognouit voluntatem Domini ſui, & non fecit ſecūdum voluntatem eius, plagis vapulabit multis: qui autem non cognouit, & fecit digna plagis, vapulabit paucis. Ille ergò quem juriſperitum diximus, ſed vt veriùs loquamur, qui jura audierat, ſed juris Dei imperitus fuiſſe ſatis apertè cognoſcitur, ſicut expertus factus datur intelligi: ad Prioratum aſpirabat Eccleſiæ memoratæ. Quod ideò dicimus, nouit Dominus, non vt famæ ipſius aliquid ridiculum generetur, ſed vt magnitudo miraculi, quod illa die inter nos accidit, euidentiùs agnoſcatur: & ne videamur falſa texere, illi, qui ſecretam ipſius intentionem cognouerant, hoc nobis, & alijs retulerunt: imò & ignorantibus, dùm vixerint, referre parati ſunt, quàm malignè præfatam electionem, niſi de eo facta eſſet, propoſuerat perturbare. Ex aſſertione ſiquidem ſociorum noſtrorum cognouimus, ex quorum collegio ſumus, & fuimus, qui per triginta annos & amplius, ſub protectione Beatiſſimæ Virginis Barbaræ viximus; quòd ille idem, de quo tetigimus, quos in eodem Collegio magis familiares habebat, & quibus ſecretiùs intentionem ſuam aperiebat, ad hoc callidè ſuadebat; vt numquam proceſſui electionis, niſi per ſcrutinium, conſentirent. Quòd idcirco faciebat, vt intellexímus, quia niſi in Priorem eligeretur, quærebat occaſionem, vt appellaretur: quia habebat quemdam familiarem in Curia Domini Papæ notarium, cujus fauore confidebat, quòd poſſet ſuum propoſitum obtinere. Sed ille, qui cuncta creauit ex nihilo, qui omnia nouit, antequam fiant, qui & illuminat abſcondita tenebrarum, & manifeſtat conſilia cordium: quia verè non eſt ſapientia, non eſt prudentia, non conſilium contra Dominum: idem ipſe diſponens, omnia, quaſi in momento, & in ictu oculi, redegit ad nihilum, quicquid multo tempore, fuerat longa machinatione deſudatum. Vt ergò de multis plura relinquamus; cùm ad electionem vellemus procedere, iniunctum eſt illi de quo facta eſt mentio, vt nobis ſimplicioribus, modos electionis exereret, ſecundum quod in Canone exprimuntur. Qui ſurgens, & quaſi in medio capituli veniens, fecit iuniores & remotiores propiùs accedere; vt ea, quæ diceret, poſſent apertiùs audire, intelligere, & notare. Sed hoc, vt credimus, Diuina Sapientia ordinauit; vt nullus poſſet diffiteri, imò, vt quotquot eramus, quæ ad honorem glorioſæ Virginis *Barbaræ*, facturus erat Dominus, compelleremur ſine dubitatione aut cauſatione aliqua, intueri. Illo igitur in medio, vel quaſi in medio ſtante, nobis omibus circa ipſum ſedentibus; cœpit ipſe multa proponere, quæ ad electionē nullatenus pertinebant. Vndè moti ſunt quāplurimi de Capitulo. Quare majores de eodē Capitulo inhibuerūt ei, ne in talibus nos ampliùs detineret; ſed de formis electionis, tantūmodò loqueretur. Mira res! & à ſæculis, vt credimus, inaudita. Nam, qui priùs apertè, planè & compoſitè, de alijs negotijs loquebatur, & adhuc loqui paratus erat; ita vſum linguæ eadem hora, penitùs amiſit, quòd nec poſtea vnicum verbum potuit perſonare. Sans ergò, vt elinquis effectus, ad procedendum vlterius, quamtum poterat conabatur; ſed voluntate, ſeu permiſſione Dei, apoplexia percuſſus, cœpit aliquantulum titubare. Quod cernentes aliqui, qui fortè de hoc, quod acciderat,

fãt, id jam notabant, illis, qui propiùs assistebant, dixerunt, vt eum velociùs sustentarent: quem benignè vt moris est fratrum, sustentantes, quamuis aliquantulum in brachijs residentem, & vt re videbatur, credentem quàm citiùs conualescere videntes, & quod paulatim tam subito debilitaretur, super vestimenta sua, imo super genua sua, pro vt mitiùs poterant, cubarunt. Adhuc autem intellectu in ipso remanente, non tantum, quantum credebatur, ipsi inter nos sic jacenti, vt diximus, nec loquenti, allatæ sunt Decretales; vt saltem illam Decretalem nobis ostenderet, in qua formæ electionis plenius exprimuntur, vt coram omnibus, ante electionem, ab aliquo legeretur. Qui manu vertens nescio quot folia, nec illam inueniens, quippe, cui in electione illa ablata erat omnino procedendi facultas; oculis & vultu demissus, tanquam confusus, & impotens, omnia dereliquit.

Tunc confusis omnibus circumstantibus, & nouo signo, admirantibus, perterritis, & turbatis: sacrista loci illius ad Diuinum auxilium primo, sicut dignum & necesse erat, recurrens, suscitato spiritu, sicut suscitauit Deus in agone Susannæ, spiritum Danielis, jussit caput Aduocatæ nostræ Beatissimæ Barbaræ, in capitulum afferri: vt tam illi humano leuamine destituto, quàm nobis, propter tale infortunium, stupefactis, & de electione nostra sollicitis & incertis, suam gratiam impertiret. Rem dignam relatu audiat, qui non vidit: ille vero, qui ad afferendum, sanctum caput Missus est, palliali cappa indutus, sicut consuetum est, quandocumque sacratissimum illud pignus alicui ostenditur; intrans capitulum, vndique flebat largiter, misericorditer, & vbertim, tanquam proprij patris funus duceret, siue matris, in tantum, quod emollita corda assistentium, & ad fletum incitata, omnes, vel ferè omnes, lachrymas effunderent copiosas. Ille ergo, qui percussus erat, à planta pedis vsque ad verticem, venerandum caput Dominæ suæ, & nostræ, ad se allatum inspiciens, reuerentiam, quam potuit, eidem exhibuit: jam ferè destitutus ab omnibus corporis sensibus, præter satis tenuem aspectum oculorum, & intentionem mentis, quam in veneratione sanctarum Reliquiarum, nobis præsentibus & videntibus affectuosè, & multùm laudabiliter, demonstrauit. Concedat Dominus, quòd anima eius bonam & perpetuam inueniat requiem, quia de residuo parùm, aut nihil scimus: nisi quòd in sequenti nocte illius diei, spiritum exhalauit. Quia ergò sancta & salubris est cogitatio pro defunctis exorare, vt à peccatis soluantur: quamuis multi multa dicant, non est nostrum talia judicare, maximè, quia tempus pœnitendi habuit, si etiam in his, vel alijs deliquisset: & cùm dicat Dominus per prophetam, Nolo mortem peccatoris, sed vt conuertatur, & viuat; potius præsumendum èst de Dei misericordia, & pro eo erga misericordem Dominum sollicitiùs, missis, debitisque precibus à fratribus insistendum. Præmissa de isto igitur materia; quid præsentia & aduentus sanctissimi capitis Dominæ, & aduocatæ nostræ, Deo dicatæ Barbaræ, nobis contulerit, breuiter referamus. Omnibus enim ibi præsentibus, sicut jam diximus, corde intimo emollitis, leguntur tres formæ Electionis: quibus auditis, major pars Conuentus, vt recolimus, formam compromissionis, propter consuetudinem ab antiquo, in eodem capitulo semper in eodem capitulo semper in electione Prioris sui conseruatam, præ cæteris eligebat. Sed quibusdam dicentibus, quòd sancto spiritui sanius erat, & primitùs adhærendum: Tandem in forma, quæ sit per inspirationem Diuinam, omnes pariter consenserunt: & sicut fas est credere, spiritus sanctus, cui adhæsimus, per intercessionem præfatæ virginis, sic nos ad eligendum vnanimiter informauit. Nobis igitur omnibus isti formæ, & communiter adhærentibus: *Veni Creator*: primitùs decantato; ille venerabilis, qui prioratum resignauerat, primus surgens, rogatus à toto Conuentu, vt primò diceret: D. Philippum, tunc Priorem de Guerardivilla, eligendum nominauit. Cæteris ergo, quasi vno corde, vnico ore, conclamantibus & eadem dicentibus, nullo penitùs contradicente: ille ita canonicè electus, cum laudibus debitis, in Ecclesia, ante majus altare, ad rèddendas Deo gratias, est præsentatus, & in crastino à Domino Lexouiensi Episcopo confirmatus. Si quas autem commendationes de ipso cognouimus, ad tempus reticere censuimus; ne in ipso aliquas elationis scintillas generent, & ne nobis adulationis gratia, talia dixisse, ab aliquibus maliloquis ascribatur. Sed quia numquam similia vidimus, & nostris temporibus, necdum adhuc audiuimus aliàs accidisse: valdè ad præsumendum inuitamur, quòd, nisi à bono recesserit, Deum, & B. Barba-

AVMALLE.

Qui fuerint huius insignis Abbatiæ fundatores, & à quo exordium susceperit; cum Priore Fundatione.

CAPVT I.

I. EA Abbatia est Ordinis S. Benedicti, vulgo, *Aumalle*, ab oppido, juxta quod sita est, sic denominata, in Diœcesi Rothomagensi, Beluacum versus. Olim siquidem hujusmodi oppidum titulo gaudebat Comitatus; postea erectum fuit in Ducatum Pariatumque Franciæ, per Christianissimum Regem, Franciscum I. ann. 1547. [a] Confirmatum per Henricum II. Regem, eius filium: qui mox eo inuestiuit Franciscum à Lotharingia, Ducis *Guisei* filium cujusquidem erectionis Litteræ patentes Regiæ in Parlamento publicatæ sunt, die 5. Ianuarij, ann. 1548. [b]

II. Quantùm verò ad tempus, fundationis hujusce domus Religiosæ, spectat, minimè nos latet; cum *Ordericus*, scribat, lib. 3. Histor. Eccles. ad ann. 1130. sub Guilielmo 2. Normannor. Duce, Angliæ Rege, optimates Neustriæ; suorum exemplo principum, tantum feruorem erga monasticum institutum imitari affectasse; vt pro salute animarum suarum, sese excitarint, ad diuersa construenda cœnobia: imo, quisque potentum, in decisione dignum judicabat, si clericos, aut monachos, in sua possessione, ad Dei militiam, rebus necessarijs non sustentaret. In quorum numerum, Comites Albæ-mallæ, meritò veniunt computandi: quos Priores fundatores optimos fuisse præsentis Asceterij, agnoscimus in honorem S. Martini de *Alcio*, seu, de Alchiaco, vulgò, *Acci*: in Archidiaconatu Aucensi; vti clarè constat ex subsequenti carta fundationis.

III. *In nomine Sanctæ & individuæ Trinitatis.*

Hoc notum sit, tam præsentibus, quàm futuris; quia ego *Stephanus*, Albæ-Marlensis Comes, Monachis S. *Luciani Belnacensis*, quibus mater mea *Adeliza*, donauit & concessit Ecclesiam S. Martini de *Alcio*, constructam & ædificatam ab Antecessoribus meis, extra castellum, *Albe-marle*, sicut mater mea concessit, sic dono, & concedo Ecclesiam *S. Martini*, & omnes redditus ipsi Ecclesiæ adjacentes, pro

remissione peccatorum: & *Vuillelmi*, Regis Angliæ, Auunculi mei, atque omnium Anteceſſorum meorum. Quibus etiam monachis, præter hæc ſupradicta, addo, & concedo, omnes Eccleſias & decimas meas *Anglia*, quas teneo ab *Henrico* Rege Anglorum, ita quietas & liberas, & ſine retentu alio, ſicut de ipſo Rege teneo? Necnon & ipſi ſacerdotes, ita liberrimè habeant, & teneant à me, vt neque Dapifer, neque Vicecomes, nec aliquis miniſtrorum meorum, ſuper eos manus imponant: ſi verò Sacerdotes forisfecerint aliquid in illo juſtificent.

Has Eccleſias & Decimas, videlicet, in *Holderneſa*, Eccleſiam & decimam de *Pagla*; quam in dominio habeo; ſimiliter, & de *Preſtona*, & de *Bſchechilinga*; & de *Vviforneuvic*, *de Vagla*, *de Frohinghebam*, & de caſtro de *Aldeburgo*, & de *Mapletona*, de *Toneſtal*, de *Eſingtona*, de *Bereſtall*, de *Chinleſi*, *de Cainghebam*, de *Vviforneſel*: in *Lindeſcia*, Eccleſiam & Decimam de *Carlentona*, & Decimam de *Vviſlebi*; & de *Barouier*, medietatem Eccleſiæ & decimæ: aliam vero medietatem, quam *Vuillelmus* Capellanus tenet de me in vita ſua; & vnam de Eccleſia de *Vviforniſel*, poſt obitum eius, ipſis monachis concedo.

Quin etiam omnes Decimas Dominicatus mei, videlicet, horreorum meorum, id eſt, totius annonæ meæ, & vaccarum mearum, omniumque Ouium, & Baconum, & caſeorum, atque pullorum, equarum mearum. Hæc omnia ſupradicta ad vtilitatem monachorum in Eccleſia S. Martini de *Alecio*, morantium & ſeruientium, vt liberè diſponant, & ordinent, confero: etiam hoſpitem vnum ad flumen *Heldone*, dono. Quin etiam tranſitum de *Humbro*, ad opus monachorum, & omnium illis ſeruientium, & ad omnia neceſſaria eorum, ita liberè, ſicut à Rege teneo.

Omnes etiam Eccleſias de fundo meo in *Normania*, cum decimis & omnibus pertinentijs ſuis: Eccleſiam videlicet, de *Vilers*: Eccleſiam de *Haudricurt*, Eccleſiam *S. Vvalerici*: Eccleſiam de *Belfraiſuo*, Eccleſiam S. *Saturnini*, Eccleſiam de *Ailecurt*, Eccleſiam de *Flomines*, Eccleſiam de *Hillais*, Eccleſiam de *Vilers*, vltra nemus, cum duabus partibus Decimæ: nundinas quoque in feſtiuitate *S. Martini*, & quicquid vtilitatis de eis, & conſuetudine, prouenerit. Addo etiam decimam molendinorum & furnorum; & Telonei, & Trauerſi de *Alba-marla*: & decimam omnium quæ nauis mea de Anglia attulerit, quæ mandi poſſunt; & decimam omnium piſcium, qui comeduntur in curia mea, ſiue in *Alba-marla*, ſiue vbicumque in hac patria. Decimam quoque in *Bloſſeuilla*, piſcium, porcorum, Baconum, & lanæ de ouibus meis: ſyluam etiam de *Muſieres*, ad omnes vſus neceſſarios, jure perpetuo. Si quis autem hanc donationem meam infringere, ac minuere voluerit: Diuino judicio illum puniendum commendo. Actum eſt apud *Albam-marlam*, regnante Henrico Rege Anglorum, & Duce Normannorum, & ipſo concedente: vxore mea, hac cauſa, & filio meo, concedentibus, ann. 1115. ab Incarnatione Dominj. His videlicet teſtibus. Vvaltero de Sinardi ponte: Gaufrido, filio Fulconis; Vvillelmo Biſa, Berengario de Alneto, Radulfo de Porta, Gerardo de Caineio: Girolldo de Hornet: Alano de Hambi, Vvillelmo de Albani: Richardo fratre eius: clericis verò, Roberto, Decano: *Alberto*, *Canonico*, *Vvarnero*, *clerico*. [a]

His ita pie inſtitutis, Anglicani præſules ex voto annuerunt; & ſuis ſcriptis ea omnia conſignarunt: maximè verò Lincolnienſis Antiſtes: in hunc modum.

IV.

Robertus, Dei gratia, Lincolnienſis Epiſcopus, vniuerſis ſanctæ Eccleſiæ fidelibus, ſalutem.

COndignum me feciſſe arbitror, ſi poſt fundationis huiuſce Abbatiæ negotium expeditum: Fundatorum eius genus præclarum, atque Neuſtriacæ gentis auito ſtemmate illuſtriſſimum, paucis tamen verbis, referarem. Porro Guillelmus de *Magna-villa*; *de Maine-ville*; altera eiuſdem Guillelmi ducta filia, factus eſt & ipſe Albæ-mallæ Comes, ann. 1179. ex chronico dicti Roberti à *Monte*. Nec abſque ratione; cùm eo anno vitæ finem fecerit vxoris pater, *Hovedeno teſte*. *Obiit* (inquit) *Guillelmus Comes Albæ-marliæ, & ſepultus eſt in Abbatia ſua de Torneto.* ‖ Qui rurſus ad ann. 1195. meminit alterius Guillelmi, eo tempore demortui in hunc modum. *Obiit Vuillelmus de Fors, Comes Albemarliæ; cui ſucceſſit in Comitatu illo, Balduinus de Betun, dono Richardi, Regis Anglia: & duxit vxorem, Comitiſſam Albe-marliæ.* Qua de re, vide *Quercetanum* lib. 2. PLESSEYVM GRYMOLDI, GALLICÈ, Pleſſis Grimould.

Fundatores hujuſce Prioratus Clauſtralis commemorantur: & qui Priores illius extiterint inueſtigantur.

CAPVT VNICVM.

SITVM habet hic Prioratus in Diœceſi Bajocenſi, diſtans ab Alneto Abbatia, per vnam leucam; quem incolunt Canonici Regulares S. Auguſtini; cujus Eccleſia ſancto Stephano Protho-martyri dicata eſt. Conſtat autem Fundatorem primarium extitiſſe Guillelmum 2. Nothum, Normanniæ Ducem, & Angliæ Regem Conquiſitorem: per donationem, quam ipſe fecit de Pleſſiaco Grimoldi, Odoni, fratri ſuo, Bajocenſi Epiſcopo: in cuius Cathedralis Eccleſiæ theſauro nunc vſque aſſeruatur. [a] Dedit quippe Guillelmus Rex, Eccleſiæ Baiocenſi, & eidem fratri ſuo, Odoni Epiſcopo, ann. 1074. ipſum Pleſſeyum Grimoldi, & multa appenditia; quibus ille *Grimoldus*, pro reatu ſuæ infidelitatis, & crimine inſidiarum ſuarum ſpoliatus eſt abeo. Carta incipit. *Quoniam de præſentibus.* Teſtes verò ſunt, Ioannes, Archiepiſcopus Rothomagenſis; Hugo, Lexouienſis; & Gilbertus, Ebroicenſis, Epiſcopi: Abbates autem, Nicolaus S. Audoeni; Gilbertus Fontanellæ; Durandus Troarni, & Vitalis de Bernayo. [b] Porrò, factum euidentius prodit ſcrinium eiuſdem Eccleſiæ Cathedralis Bajocenſis: in quo hæc leguntur. *Quòd Rex* Guillelmus dedit Odoni fratri ſuo, Bajocenſi Epiſcopo, Feodum Grimoudi de Pleſſeyo, in incrementum Eccleſiæ Bajocenſis, totum integrum, poſt mortem Grimoudi, qui in carcere Regis, apud Rothomagum mortuus eſt, & ſepultus in cœmeterio S. Geruaſij, extra villam, habens adhuc tibias in compedibus ferreis, in ſignum proditionis; de qua erat ab ipſo Rege accuſatus. Epiſcopus verò de eodem Feodo, fecit ſeptem prebendas; & retinuit in Dominium ſuum, Manerium de Pleſſeyo, cum foreſta de Montpinçon: &c. [c] Motitur autem Guillellmus Rex, Nothus, ann. 1087.

Secundus fundator huiuſce domus planè euaſit ipſe Odo, Pontifex Baiocaſſinus; quippe, quam donationis ſibi factæ à fratre Rege, piè participem voluit eſſe: imò & ex aſſe eamdem conſurgere fecit ab ouo. [d] Obiit Odo Epiſcopus ann. 1097. Fundator etiam dicitur Henricus I. Rex Angliæ: iuxta Necrologium huiuſce loci: iis verbis: 1. Decembris, ann. 1135. obiit Henricus I. Normanniæ: qui dedit nobis Ecclesiam de Yurandia, aliaque plura. [f] f *Ibid.*

Alij quoque nominantur fundatores in eodem Necrologio, cujus verba hic Apponenda duximus: ne forte pereant, vel à memoria excidant: 3. *Aprilis*, obierunt Episcopi duo: & obitus Fundatoris. Notandum duos Episcopos infra notatos, benè cum Samsone, fundatore nostro, fuisse inscriptos: nam fuerunt omnes Fundatores, cum Henrico I. Rege, de quo ad 1. diem Decembris. Duo illi Episcopi Bajocenses fuerunt, vterque Richardus 1. & 2. Auunculus & nepos: primus, hac die obijt, ann. 1133. duobus annis postquam subscripsit fundationi nostræ cum Samsone, atque Henrico Rege: secundus Richardus dedit eidem Samsoni campum Osberti, vbi nunc hæc nostra Ecclesia sita est, obijtque ann. 1142. Samson verò fundator, & primus prior noster obijt circa, ann. 1150. [g] g *Ibid.*

III. Quid ad hæc? Dixerim sanè, modò hæc notatio Necrologica vero cohæreat, hos præfatos rectè fundatores nuncupatos esse: quia etsi Guillelmus Rex Odoni fratri; & Odo, Huic Prioratui donationem fecisset: confirmatione tamen subsequentum opus erat, ad effectum huiusmodi consequendum. Nam cùm Guillelmus Rex donationem fecisset Ecclesiæ Bajocensi, & Odonì fratri, Episcopo; seu ipsi Odoni Episcopo Bajocensi, in incrementum suæ Ecclesiæ Cathedralis: haud poterat illud donum Regium in aliud commutare, seu in alios vsus dispergere, vel alijs erogare: nisi de licentia, & consensu, tum Regiæ majestatis, tumque Ecclesiæ Bajocensis, quapropter facile crediderim, fundationem talem ipsius Odonis effectum minimè fuisse assecutam: quousque Rex Henricus I. & illi Episcopi prænominati huic fundationi Odonis, vltrò subscripserint: astante Samsone, Priore.

In frumentum fundationis Abbatiæ Fulcardimontis.

In nomine S. Trinitatis, Ego Ioannes Comes Augensis presenti cartula sigillo meo communita tam presentibus quam futuris notificare necessarium judicaui quod Abbatiam juxta Fulcardimontem à Patre meo Henrico & à meipso constitutam sicut venerari debeo ita & multiplicari desidero. Res ergo suas & maximè quas habet de feodo meo in tutela, in protectione & deffensione mea susscipio. Sciant itaque omnes homines terræ meæ quod si quis eorum prædictam Ecclesiam temerè infestauerit & iniustè fatigauerit, seu res suas diripere, detrahere & minuere præsumpserit, non mihi minorem injuriam irrogabit, quam si de jure hereditatis meæ mihi quicquam conaretur auferre. Duplici enim ex causa ad tuendam & manutenendam prætaxatam Ecclesiam compellor, hinc quia scilicet Pater meus in ea monachus effectus est & conditus jacet, hinc quia in suo & de suo proprio instituta est, Concedo igitur & scripto atque sigillo meo confirmo donationes tam in terris quam in rebus alijs quas ab hominibus meis accepit siue iusta emptione siue pia quorumdam oblatione siue liberali Baronum meorum largitione, in quibus hæc propriis duxi exprimenda vocabulis. Ex dono Roberti de Fanicuria vnam carrucatam terræ liberam ab omni decima & ab omni consuetudine alia, in Landa Campanesiæ villæ, & totam decimam eiusdem Landæ, testibus his Valtero de S. Martino, Gosselino de Criolio, Henrico de Cuueruilla, Osberno de Pilo Ceruino, Hugone de Petricuria & aliis. Ex dono Rogeri de Sausseio vnam acram terræ deforis Osbermesnis liberam & ab omni consuetudine quietam, testibus his Rogero de Maineriis, Roberto de Fanecour, Valtero de Osbermainil, Ex dono Valteri, Purelli pratum adjacens Prato quod Henricus Pater meus dedit ad Abbatiam construendam & duas acras terræ nemorosæ; testibus his Valtero de S. Martino, Rogero de Grandi curia & cæteris Baronibus Comitis. Item ex dono Valteri Purelli & Rogerij filij eius terram in qua est virgultum testibus his Valtero de Dauidvilla & cæteris Baronibus Comitis. MORTVVM-MARE

Antiquitas & initium Abbatiæ Mortui-maris, Gallicè, Morte-mer.

CAPVT I.

QVIDAM volunt virum nobilem, Robertum de *Candos*. *Giſortij* Caſtellanum, & *Iſabellam*, eius vxorem, *Vualtheri Giffardi*, *Longæ-villæ* Comitis ſororem, extruxiſſe monaſterium B. Virginis Mariæ Deiparæ de *Bellomonte*, in *Vvilcaſſino* Normanico, ann. 1130. ub regimine. D. *Alexandri*, viri Dei, & ſociorum; quemquidem locum viſitauit ſummus Pontifex *Innocentius* II. dùm Giſortium proficiſcebatur, illicque Miſſarum ſolemnia celebrauit, & indulgentias conceſſit. Vnde tamen hi monachi aliò migrarunt, & præſens cœnobium, *Mortuum maris*, poſtea ædificarunt. Quæ vt clariora reddantur, rei narrationem ex Autographo MS. depromamus. a I.

a *Codex Vetus MS. Abbatiæ Mortui-Maris.*

Verumtamen, quia non ſemper arridet præſens proſperitas, defuncto piæ memoriæ Roberto de *Candos*, & in eodem loco, cum quodam filiorum ſepulto; primogenitus eius, qui ei ſucceſſit, fratres illos non adeò vt pater adiuuit, nec eis ſimiliter prouidere potuit. Cœpit ergò locus ille Abbati & fratribus diſplicere, quia ſic erat expoſitus ſæculo, quòd ex quo aliquis de clauſtro exiret, per omnem circumquaque viciniam conſpicere poſſet: vndè & cogitabant omninò recedere, & locum in parties *Lemouicenſes* transmutare: ſed Vvillelmus *Malus-nepos* conſilium dedit, quod non abſque licentia Regis *Henrici*, qui tunc apud *Rothomagum*, morabatur, recederent, & ei receſſus ſui cauſas, & incommoditates loci manifeſtarent. Placuit omnibus conſilium, & Regem pariter Abbas & *Vvillelmus* adierunt, Auditis itaque Rex cauſis diſceſſionis, prohibuit, ne de terra ſua exirent; ſed locum Ordini ſuo congruum quærerent, quem ſibi donare poſſet, ac ipſius loci fundator exiſteret. II.

De loco Mortui-maris. III.

Erat autem in Foreſta de *Leonib.* vallis quædam ſecretiſſima, ab Occidente in Orientem protenſa, vallis *Mortui-maris*, ab antiquo appellata, propter inundationem fontium, qui indè oriebantur, exhumo iterum mergebantur; & ſic vallem, quaſi bitumen effecerant, vſque dum in riuulum deriuarent. Vallis illa, vallis vtique nemoroſa, vallis ab omni ſæcularium ſtrepitu remota, & à conſpectu ſegregata. Quod vero dicebatur *Mare mortuum*, erat fortaſſis præſagium futurorum, in ea ſiquidem erant habitaturi, in quibus omnis tumor ſuperbiæ, omnis fœtor luxuriæ, omnis motio curioſitatis, omniſque denique ſalſugo amaritudinis deberet mortificari: nec enim dignè poſſunt viuere in Mari mortuo, niſi qui ſe mortificauerunt mundo, habentes in ſe mortem amaritudinis, & amaritudinem mortis: ſed & qui per vallem *Mortui-maris* tranſeunt ad portum ſalutis, ſemper habeant oculos ad *Mariam*, ſtellam maris, in omnibus Anguſtijs, in cunctis periculis, in tentationibus vniuerſis, ſemper oculos habeant ad ſtellam maris.

Tres verò in hac valle habitabant heremitæ viri magni teſtimonij, & bonæ famæ. Et primus quidem dicebatur Teſcio, ſecundus, Vvillelmus de *Freſchienes*; tertius, *Guiardus*; qui locum Deo dicauerant, & ædificijs humilioribus extruxerant. Adierunt ergo eos Abbas prædictus, & *Vvillelmus*, conſilij gratia, quaſi quibus loca pariter nota eſſent; vbi religioſi quique habitare poſſent. Audito autem eorum deſiderio, conſilium ſecum habuerunt heremitæ; & quaſi dicerent. A *Domino factum*

Factum eſt iſtud, & eſt mirabile in oculis noſtris : ſe, & ſua, necnon & locum Abbati obtulerunt, Quod Abbas, & *Monachus* ſuus, audientes, mirati, expauerunt: & adorantes eremitas, dixerunt: *Benedictus Dominus, proſperum iter fecit nobis, Deus ſalutarium noſtrorum*: ſimulque cum eremitis magnificantes Deum: orabant, quatenus dignaretur locum illum viſitare, & ad laudem & gloriam nominis ſui ampliare. Pergentes igitur ſimul ad Regem: nuntiauerunt quæ dicta factaue fuerant. Sed & Rex audiens eremitarum, quos plurimum diligebat, voluntatem, & ipſe Deum benedixit, & aſſenſum benignè præbuit, & adjutorium impendit. Locum nempe Abbati tradidit, & multa ei bona repromiſit: ac ipſius loci fundatorem ſe fore ſpopondit. Accepta igitur Abbas ab Archiepiſcopo tranſmutationis locorum faciendæ licentia; ad locum *Mortui-maris* redijt, & domos eremitarum ad recipiendum Conuentum diligentiſſimè præparauit.

Conjunctio eorum Ciſtertienſi Ordini.

Eodem tempore, Anno ab Incarnatione Domini 1137. Nos verò, quibus nota erat, juxta puritatem conſcientiæ noſtræ, & teſtimonium Rothomagenſis Eccleſiæ, quod præſens erat; Abbati Vuillelmo reſpondimus: Eccleſiam *Mortui-maris* nec habuiſtis, nec poſſediſtis vnquam; nec de noſtra, vel Regia manu ſuſcepiſtis; ſed neque de Eccleſia *Belli-montis*, quamuis fortè per monachos veſtros, quod plerumque fieri ſolet, ædificari cœperit, aliquando fuiſtis inueſtitus. Sanè cùm vterque locus noſtris temporibus ædificatus ſit, & ad noſtram Diœceſim ſingulariter pertineat, de quibus nimirum nemo, niſi per noſtram manũ poſſit, aut debeat inueſtiri. Præterea, quando, ad Eccleſiam *Bellimõtis*, *Alexandrum* Abbatem conſecrauimus, de manu noſtra, in manu noſtra, liberũ & abſolutum reddidiſtis: adeò frater, vt te præſente, te laudante, omnem obedientiam nobis promiſerit, profeſſionem fecerit, ſcriptamque & propria manu ſuper Altare B. Mariæ poſitam, nobis reddiderit. Ex tunc, non monachus tuus, ſed noſter omninò eſt, & quicumque ſub eo profeſſi ſunt. Tu verò *Vuillelme*, cùm hæc audires, & *Alexandrum* præſentem videres; requiſiſti teſtimonium præfati Alexandri, vt quod ipſe diceret, tu teneres.

IV. Alexander reſpondit: Quia tu re vera, meipſum in manu Archiepiſcopi reddidiſti liberum, & te præſente liberam ei profeſſionem ſcripto & verbo, juxta morem Eccleſiaſticum feci: hoc ſolum tibi in Eccleſia Bellimontis à nobis conceſſum eſt, vt ad modum *Cluniacenſis*, & *Radingenſis* Eccleſiæ, in capitulo fratris non poſſidentis, more ſedens, & ſi monitus fueris, capitulum teneas; & Eccleſiæ *Pinu* & *Belli-montis* orationem inter ſe communicent, & decedentium fratrum obitus,

& obſequia annuatim & communiter obſeruent, verumtamen in Eccleſia *Mortui-maris*, nihil à nobis penitus tibi vel Eccleſiæ tuæ conceſſum eſt: ſi quid de his, quæ dixerim, fortè negaueris, profero me Canonicè probaturum. De his nihil ab eo penitùs refragatum eſt; quamuis cùm rem verborum feciſſe non negaret, ſola tamen verba, liberum videlicet & abſolutum ſe negauerit protuliſſe. Cæterùm ſocietatis cartam Cluniacenſis ſeu Radingenſis Monaſterij, cuius exemplar, me legente, impræſentiarum, audierat, iterum recitandam protulimus. Cui cùm nollet acquieſcere, ſi Bullatam non videret, duo propoſuimus: aut exemplar probare, ſi ita acquieſceret, aut ſi melius ire vellet *Radingiam*, litteras noſtras, & ſigillum dare, pro repetenda ſub ſigillo & teſtimonio *Radingenſis*, & deferenda carta. Renuit planè & probationem, & litteras noſtras; ire tiquidem *Radingiam* penitùs recuſauit, niſi prius de Abbate *Alexandro*, & ſupradictis reueſtiretur Eccleſijs. V.

Poſita res eſt in iudicio, iudices, cùm in partem exiſſent, miſerunt *Vvillelmo* Abbati, Domnum *Serlonem*, Abbatem S. *Audoeni*, & duos Archidiaconos, *Oſmundum*, & *Rogerum*, perſuadentes, vt habito cum ſuis conſilio, adderet cauſæ ſuæ, ſi quid haberet, ille nihil addidit, nihil de his, quæ me probaturū protulerā contradixit. Ita tandem rationibus inter alterutrum diſcuſſis, ſententia data eſt: ſiquidem decretum eſt, & dictum à judicibus: de Reinueſtitura *Mortui-maris* perfunctoriè eſſe deciſum, quam conſtabat nunquam *Vvillelmi* Abbatis fuiſſe, cùm Canonica probatione monſtraret ſe, vel diceret de manu noſtra, ſed neque de Regio dono, fuiſſe aliquatinus inueſtitum, de cætero, Reinueſtituram *Bellimontis* non ante faciendam, quam teſtimonium ipſius cartæ, quæ conditionem ipſam continet, ipſe proferret in medium. His auditis, Abbas Vvillelmus, nec iudicium contradixit, nec iudices appellauit, huius actionis teſtes ſunt ſubſcripti, qui preſentes fuerunt; G. Abbas S. *Vvandregiſili*, S. Abbas S. Audoeni, P. His cõfectis litigijſque cunctis ſopitis, idem Archiepiſcopus pro ſua in Ordinem Ciſtertienſem pietate, ſtatim certiorem reddidit eiuſdem inſtituti præpoſitum Generalem, datis ad eum epiſtolis: in hunc modum: ex eodem Codice MS. VI.

Reuerendo Abbati Rainardo, ſacroque Conuentui Ciſtertienſi, Hugo Rothomagenſis ſacerdos, ſalutem, gratiam & benedictionem.

Tempore noſtro ædificatum eſt in Parœchia noſtra Monaſterium *Mortui-maris*, quod precibus Regis Anglorum, donauimus Ordini veſtro, per manum Domni *Gualeranni Vrſicampi*. Abbas verò, qui nunc præeſt Monaſterio *Mortui-maris*, *Alexander*, nomine, fuit quidem monachus *Vvillelmi* Abbatis de cœnobio Pinus. Sed idem *Vvillelmus*, in præſentia Eccleſiæ noſtræ, tenens manum præfato *Alexandri*, manu ſua, reddidit eum in manu noſtra, nobis: quem ego poſtea dedi veſtro Ordini, ſub manu prædicti Abbatis Gualeranni, orate pro me, patres & fratres mei, vt remittat peccata mea mihi: & miſereatur mei, Agnus Dei qui tollit peccata mundi, Amen. II. Erat tunc prior *Vrſicampi*, quando ex inſtitutione Vualteranni prædicti, huiuſce Abbatiæ regimini ſucceſſit: ſi quibuſdam neotericis fas eſt credere: b quibus aduerſatur Codex MS. Autographus toties jam, à nobis citatus: qui cùm copioſior exiſtat, rem luculentius ſic indigitat. In ſequenti anno, Abbas *Alexander*, confectus ſenio: & corpore debilis, renuntiauit curæ Paſtorali, & in domo *Vrſicampi* profeſſionem fecit: vbi vſque in finem perſeuerauit, & corpus eius ibi requieſcit. Cui Domnus *Adam*, natione Anglicus, prior *Mortui maris*, qui ab *Vrſicampo* venerat, monachus, in regimen Abbatiæ ſucceſſit. Vir valdè religioſus, & in ſuſceptione pauperum benigniſſimus, in tempore ipſius Domus *Mortui-maris*, plurimùm excreuit in conuerſione fratrũ, in conſcriptione librorum, in acquiſitione terrarũ, in ædificatione domorũ, in nutrimẽtis animaliũ. Vir nempe venerabilis Robertus de *Daugu*, 60. acras terræ, in loco, qui dicitur *Pomereia*, ad grangiam faciendam Eccleſiæ *Mortui-maris*, donauit. Et *Ioſcelinus* Criſpinus, gener ipſius *Roberti*, alias 60. pro concordia de morte *Adæ aculei*, ſuper addidit. Et alias 8. pro terra *Bartholomæi de Neaphlea*, aliæ quoque terræ plurimæ ibidem ſunt ab eodem Abbate acquiſitæ; tam dono, quàm emptione: & ibi grangiam domoſque ædificauit. Apud *Meſengeriam* verò, grangiam & Domos ædificauit, in terra, quam dederunt ei filij *Richardi de Pleſſeio*: quam etiam *Helotus*, filius *Hiterij de Nogione*, eiſdem dederat, propter pacem reformandã inter ſe, qui propter interfectionẽ patrum ſuorũ, inuicem diſſidebant: pro qua etiam terra *Godefridus de Strepenneio*, pecuniam multam dedit prædicti *Richardi* filijs, alias quoque plurimas ibidem terras acquiſiuit. In loco autem, qui dicitur, *Bremulia*, grangiam & domos ædificauit. In terra, quam *Odo de Greinvilla*, & *Arnulfus Bendengel*, ei dederunt in eleemoſynam ſimul & ad cenſum; pro qua etiam *Godefridus de Strepenneio* pecuniam multam prædictis viris dedit. Alias quoque terras ibidem plurimas acquiſiuit: in loco etiam, qui dicitur, *Rellum*, Domos, & molendinum ædificauit: quem locum *Godefridus de Floreio* in eleemoſynam dedit ad faciendum viuarium & molendinum. In Foreſta verò de *Tellis*, in loco, qui dicitur, *Quercus-Giberi*, ad quatuor carrucas, à Vicedominis de *Gerboredo*, *Helya* & *Petro*, acquiſiuit: & ibidem grangiam & domos ædificauit. Ipſe nuoque *Gaufridus*, Comes Andegauenſis, cùm Normanniam acquiſiſſet, in Landa de *Belfuiſſel*, terram ei accreuit: ſed & filius eius *Henricus*, cùm adhuc Dux Normaniæ eſſet, eundem locum de *Belfuiſſel* 80. acrarum collatione augmentauit. *Engerannus* verò *de Vualcolio*, infirmatorium monachorum, & Domum conuerſorum ædificauit, ſcilicet, Refectorium & Dormitorium, Duo quoque loca ad conſtruenda cœnobia ei donata ſunt; *Vallis Richerij* ſcilicet in *Lexouienſi* territorio, & *Vallis Aſcij in Caleto*. Et alterum quidem locum *Vallem Richerj*, S. *Bernardo*, Abbati Claræuallis contulit: Alterum, id eſt, *Vallem Aſcij*, Abbati de *Bordeſleia*, conceſſit. Hæc & alia multa Domnus *Adam*, in Domo *Mortuimaris*, bona fecit: Et cum per 16. annos Abbas extitiſſet, coram fratribus ſuis ſenex, & plenus dierum, obijt: & in capitulo, quod Domnus Frogerus, *Derbienſis* Archidiaconus, in vita ipſius ædificauerat, ſepulturæ traditus eſt.

3. *Stephanus* 1154.

Hic Prior tunc erat *Vrſicampi*, quando ad *Mortui-maris* regimen aſſumptus eſt; IV.
quod mendoſè ferebatur de *Adamo* eius prædeceſſore; vti obſeruat idem Codex Autographus MS. in hunc modum, heroicas illius virtutes ſic referens. *Huic ſucceſſit Prior Vrſicampi*, Domnus *Stephanus*: qui fuerat *Nouiomenſis* Eccleſiæ Canonicus, de territorio *Sueſſionenſi* oriundus, parentibus ſecundum ſæculi dignitatem, non infimus, vir iſte, vir erat apud Deum & homines gratioſus; nam cùm eſſet in oculis ſuis paruus, apud diuites ſæculi, & potentes erat magnus; erga pauperes & infirmos miſericors, humilimus: erat autem apud omnes affabilis, & benignus: erga fratres, erat mitis, mitiſſimus; erga rebelles, & indiſciplinatos, ſeuerus. Erat his & illis beneficus, in capitulo tenendo, non conſiderans perſonam, vel ætatem; non agnoſcens familiarem; erat quaſi Leo rigidus: foris autem, vel vbiuis, quaſi cæterorum vnus. Arguebat delinquentes, obſecrabat patientes, increpabat negligentes. Nouerat enim terroribus blandimenta miſcere: dirum Magiſtri, pium patris affectum exhibere. In Diuinis officijs erat feruidus, in conſilijs prouidus, in judicijs diſcretus. Quiſquis eum conſuluit tentatione grauatus, nunquam receſſit ab eo, quin eſſet alleuiatus. Munditiam cordis amabat, quod ex hoc apparebat: quia de alienis cordibus maculas diligentiſſimè tergere intendebat. Sedebat ſæpiùs cum fratribus in lectione quotiens poterat, ſtabat cum eis in labore: benè viuendo, mouens ſubditos, exemplo ſimul & verbo. Diſcretus in ſilentio, quia tacenda non proferebat. Vtilis in verbo, quia proferenda non tacebat. Erat ſingulis compaſſione proximus. Erat frequens in orationibus: ne aut ſpiritalibus intendens, proximorum infirmitates negligeret; aut infirmis compatiens ſpiritalia amitteret. Erat benè agentibus, per humilitatem ſocius, contra delinquentium vitia, per zelum juſtitiæ erectus, internorum curam, in externorum adminiſtratione, non minuebat: exteriorum prouidentiam, in internorum ſollicitudine non relinquebat. Ipſe nempe, tanquam animal cœleſte erat in medio, & in circuitu congregationis ſuæ; in medio tanquam eorum vnus: in circuitu tanquam vnus omnium ſeruus: in medio ad miniſtrandum, in circuitu ad protegendum. A cibis lautioribus, niſi fortè hoſpites adeſſent, abſtinebat: quos tamen, à ſeruitoribus & cellerarijs inſtanter requirebat, & conueſcentes ad prandendum incitabat: reliquit fratribus infirmis, ſenibus & delicatis, conſuetè tranſmittebat.

Non erat in veſtitu notabilis; quia nec affectatas ſordes, nec exquiſitas mundi- V.
tias appetebat; & cùm multis virtutibus polléret, ita in ſingulis eminebat, ac ſi cæteras non haberet. Fortis in Ordinis dilectione, prudens in vitiorum deprehenſione, temperans in infirmatum ſupportatione, juſtus in meritorum retributione. In tempore ipſius Domus *Mortui-maris* eſt valdè multiplicata, & magni nominis effecta. Nam fratres plurimos & bonæ indolis juuenes de ſæculo extraxit, & habitu Religionis induit, & quaſi mater filios fouit, & tenerè educauit. Senioribus, quos in domo inuenerat, quaſi patribus reuerentiam exhibebat: & quod ſubiectos docebat, factis ſuis demonſtrabat; ſicut Aquila pullos ſuos ad volandum prouocans, & ſuper eos volitans. Habebat autem adjutores præcipuos, viros ſapientes & induſtrios, *Hugonem* ſcilicet, Priorem, & *Willelmum Malum-ſepototh*, *Rogerum* quoque Cellerarium, & Richardum de *Bleſſeville*, Grangiarium. Horum omnium vna erat intentio, Abbatem ſuum magnificare, & bona Domus ſuæ, tam corporalia quam ſpiritalia ampliare.

Tunc fundauit Eccleſiam illuſtris Rex Angliæ *Henricus Mathildis* Imperatricis VI.
filius,

filius; & vsque ad chorum Monachorum, in tribus annis perfecit: in quod opus pluſquam mille libras dedit. Ipſa quoque mater eius Imperatrix ad recipiendum hoſpites, duo magnæ capacitatis fecit Hoſpitia; vbi ſeorſũ pauperes, ſeorſum, mercenarij, ſeorſum diuites, ſeorſum Religioſi reciperentur. Ipſa etiam in magno maris periculo, Abbatiam ſe fundaturam nouerat: & ideo *vallam Aſcij*, de manu Abbatis *Bordeſleiæ* recepit, & Abbati *Stephano*, coram Rege & Archiepiſcopo, tradidit; volens de Fratribus *Mortui-maris* ſuam fundare Eccleſiam. Abbas verò *Stephanus*, de Conuentu ſuo viros idoneos eligens, illuc tranſmiſit; & D. Richardum de *Bloſſevilla*, eis Abbatem præfecit. Imperatrix verò Abbatiam, eo quod eam vouerat, *Votum* appellauit, & eam nobiliſſimè domibus, & terris & nemoribus fundauit: ſic autem Domus illa, Mortui-maris eſt filia. Quæquidem omnia Alij etiam confirmant. d

VII. Cæterum intereſt *Stephanus* Abbas, cum *Arnulpho*, Lexouienſi Epiſcopo, & alijs Abbatibus, cauſæ judicatæ in fauorem Abbatis S. VIII *Domnus* quoque *Frogerus*, adhuc *Derbienſis* Archidiaconus, totum vetus Teſtamentum, in duobus voluminibus, Eccleſiæ *Mortui-maris* de Anglia tranſmiſit: clauſtrum monachorum incœpit, & vſque ad tres ferè partes conſummauit, in Grangia de *Monte Roſti*, quæ tunc temporis fundata eſt, pecuniam ad tres carrucatas terræ emendas, dedit, & carrucas inſtaurauit: pecuniam quoque multam dedit ad vineas emendas in valle de *Port-mort*. Eandem verò grangiam de *Monte-Roſti*, prædictus Abbas, qui eam fundauerat, vſque ad 7. carrucatas terræ augmentauit: ſed & in alijs grangijs plurimas terras, tam dono, quàm emptione, acquiſiuit. Tunc etiam frater *Iordanus*, quem Rex ab Abbate, precibus multis extorſerat, ad diſtributionem eleemoſynæ ſuæ, infirmitorium pauperum ædificauit, & lectiſternijs inſtaurauit. Tanta autem erat in *Mortuo-mari* bonorum omnium affluentia; vt etiam ipſi per quorum manus miniſtrabantur, vnde prouenirent, mirarentur. Nam & multitudo hoſpitum, pauperum & diuitum. Epiſcoporum, & Abbatum, confluebant; & omnia omnibus affluebant. Hæc & alia multa domui *Mortui maris*, tempore Domni Stephani bona prouenerunt.

IX. Tandem ipſe Stephanus ex cœnobiarcha Mortui-maris factus eſt Abbas *Vrſicampi*: vti clariùs deducit idem Codex MS. ex quo alij ſunt mutuati. g *Cùm per nouem ferè annos* (inquit) rexiſſet Eccleſiam, Domno *Giſleberto* Abbate, Vrſicampi, facto Abbate *Ciſtertienſi*, fratres *Vrſicampi* cum ad regimen ſui reuocauerunt. Et cùm per aliquot annos cum eis moratus eſſet, quia non habebat tantam gratiam apud compatriotas, quantam habuerat apud Normannigenas, dimiſſa paſtorali Cura, apud *Claram-vallem* profeſſus eſt. Et quia non poteſt latere lucerna, maximè in candelabro poſita, à *Claraualle* requiſitus & extractus, in domo *Eſclantij* Abbas conſtitutus eſt. Et cùm ibi per aliquot annos præfuiſſet, & eidem domui non parum profuiſſet, ſentiens ſe viribus corporis, de die in diem, procedente ætate deſtitui: tractus etiam deſiderio moriendi inter manus filiorum, quos in *Mortuomari*, Chriſto genuerat, dimiſſa illius domus paſtorali cura, ad optatam *Mortui-maris* peruenit requiem. Quantum verò deuotè, quantum religioſè, reliquum vitæ ſuæ ibidem tranſegerit, quamuis Deo, cui omne cor patet, plenius notum ſit: totum tamen ad ædificationem fratrum videntium, ad profectum & ſalutem animarum peregit. Cúmque per annum integrum, ſub diſciplina Ordinis vixiſſet, tactus grauiægritudine, vice Purgatorij, vt credimus, 5. Calendas Septemb. inter manus filiorum, Deo reddidit ſpiritum. Corpus verò eius extra oratorium, retro Altare S. *Benedicti*, in quo Miſſam celebrare conſueuerat, loco, quem ipſe præelegerat, ſepultus eſt.

CAPVT IV.

4. *Gaufridus de Calceia 1163.*

COnſtat hunc, eo ordine, Mortui-maris regimen aſſumpſiſſe: licet tempus preciſe haud deſignetur: notatur tamen ad annum Chriſti 1169. ſub Abbate 10. S. *Audoeni* Rothomagenſis: vti ſuperius ſuo loco, obſeruauimus. Quid verò de ipſo referat vetus ille Codex MS. audiamus. *Facto itaque* Domino *Stephano*, Abbate *Vrſicampi*, ad prouidendum Eccleſiæ *Mortui-maris* Abbatem, idem pater, quàm citiùs potuit, cum pluribus Abbatibus reuerſus eſt. Data igitur optione eligendi, cum conſilio eiuſdem patris, vnum de fratribus ſuis, ſcilicet, Dominum *Gaufridum de Calceia*, in Abbatem elegerunt. Iſte primus, natus de Normannia præfuit in *Mortui-maris* Abbatia: Erat autem iuuenis ætate, & formoſus corpore: ſed bonis moribus præditus, & litterarum ſcientia eruditus. Erat autem in ſeruitio Dei ſtrenuus, erat Ordinis amator ardentiſſimus, in primordio prælationis ſuæ, multas tribulationes paſſus eſt, quas & ſuſtinuit viriliter, & ſuperauit patienter, in tempore ipſius, Domus *Mortui-maris* excreuit: nam & terras acquiſiuit, Domos ædificauit, & ipſam Abbatiam à porta Monaſterij vſque ad portam *Epiſcopi* muro circumcinxit, Grangiam de *Querceu Giberi*, quatuor carrucatis terræ, ſimul & boſco augmentauit: vineas, hortos, & pomeria, in valle de *Port-mort*, comparauit. *Oſmundus* quoque de *Hauvalle*, 60. acras terræ tunc temporis dedit: Rex verò Angliæ octo carrucatas terræ apud Grangiam de *Boſquentin*, Eccleſiæ *Mortui-maris* donauit. Alias etiam terras quamplurimas in *Veilcaſſino*, tam dono, quàm emptione, ipſe Abbas acquiſiuit. Et cùm per vndecim, annos Eccleſiæ præfuiſſet: Calendis Septemb. ſpiritus eius à corpore migrauit, & corpus in capitulo, juxta corpus Adæ Abbatis, ſepulturæ traditum eſt. I.

5. *Richardus de Bloſſevilla ann. 1174.* II.

i *capite præcedenti n.* 6.

Hic eſt Richardus de *Bloſſevilla*, qui (vt jam ſuperius notauimus,) primus inſtitutus eſt Abbas *Vallis Asonis*, ceu de *Voto*, ann. 1157. quam 17. vel 18. annis rexit; ex quo euocatus eſt ad hanc *Mortui-maris* cœnobiarchiam, cuius olim fuerat alumnus; ſucceſſit verò (inquit ille vetus Codex MS.) *Abbati Gaufrido, Richardus*, primus Abbas de *Voto*. Hic etiam fuit natione Normannus, nobili quidem proſapia exortus: ſed non minùs nobilis erat moribus. Erat enim inter ſocios ſocialis; alloquio affabilis, erga ſe delinquentibus ad ignoſcendum facilis: erat apud diuites ſæculi, & potentes, magni nominis, ſapiens quippe erat in dandis conſilijs, prudens in interrogationibus, & reſponſis. Apud Eccleſiam de *Voto* per decem & octo annos præfuerat, & in tanto temporis ſpatio valdè profuerat, nemora & terras acquirendo, domos pulchras prægrandes ædificando: Diuinos Codices paſſim colligendo, fratres etiam vndecumque congregando. Cùm autem regimen *Mortui-maris* ſuſcepiſſet, inuenit eam magnis debitis obligatam, quorum partem omnimodò ſoluere curauit; omnia autem fundamenta capitis Eccleſiæ perficiendæ jecit; & cum adiutorio Regis, qui ei centum libras ob hoc donauit, aliquantò altiùs à terra eleuauit. Grangias quoque nouas & amplas in poſſeſſionibus Eccleſiæ conſtruxit, terras ſatis laborioſè acquiſiuit; & cùm hæc faceret, fratribus tamen omnia neceſſaria in victu, & veſtitu, nihilominùs plenariè miniſtrabat. Dùm autem per quinque ferè annos præfuiſſet, Paſtoralem curam dimiſit; & locus ipſe per annum integrum, Paſtore caruit.

6. *Vuillelmus*

6. *Vuillelmus 1180.*

Anno 1180. exoritur Abbas ; de quo sic loquitur ille Codex MS. Post hunc exitit Domnus Vuillelmus, natione Anglicus, conuersatione, si fas est, dictus Angelicus : pro eo, quod conuersatio sanctorum in cœlis est. Vir iste antequam habitum Religionis susciperet, valdè Religiosus inuentus est : nam dùm in scholis moraretur, & præcipuus inter Parisienses dialecticos haberetur, erat tamen paruulus in oculis suis, & pompam sæculi paruipendens, Antequam procederet ad scholas, Ecclesias frequentabat, missas deuotissimè audiebat : corpus suum jeiùnijs, orationibus, vigilijs macerabat : spiritum sanctis meditationibus, & lacrymosis suspirijs recreabat. Et cùm in habitu forinseco appareret sæcularis, & delicatus : subtùs ad carnem laneis, vel etiam cilicijs vtebatur. Cùm verò discipuli eius, nepotes scilicet, Domini *Theobaldi*, Cantuariensis Archiepiscopi, interulas ei subtiles & delicatas præparari fecissent, ipse sibimet eas piè furabatur, & pauperibus, vel leprosis occultè largiebatur. Ordinem quoque Cisterciensem, supra omnes Ordines, dùm adhuc esset in sæculo, diligebat, & cùm aliquos eiusdem Ordinis inueniret, cum eis diligentissimè loquebatur, & de obseruantijs Ordinis sollicitè inquirebat.

IV. Accidit autem, vt apud Parisius infirmaretur & se ad *Vallem* S. *Mariæ*, deportari fecit ; ibique conualescens, habitum simul & humilitatem Cistertiensis Ordinis suscepit, tantoque feruore incœpit, vt infra annum suæ probationis culmen attingeret perfectionis. Factus est monachus in die S. *Ioannis Euangelistæ*, post natale Domini, vnde specialis amator extitit eiusdem Apostoli, omnibus diebus vitæ suæ : Et post modicum, sub prior eiusdem Domus institutus est. Procedente verò tempore, etiam prior factus est : vbi cùm aliquandiu strenuè ministrasset, plus studens amari, quàm timeri, omnes amans, omnibus amabilis, postea in Abbatia de *Vete*, quam impetratrix fundauerat, promotus est. In eadem verò domo, tam in corporalibus, quam in spiritualibus, non mediocriter profuit, & eam vtrobique ampliauit : apud omnes compatriotas magni nominis existens, apud fratres suos reuerendus & diligendus apparens. Cùmque perannos quinque ibidem præfuisset, ad regimen *Mortui-maris Deo volente*, vocatus est.

V. Igitur, cùm ad tantam curam, & ad ardua negotia tantæ Domus deuenisset : non ideò humilitatem suam, non mansuetudinem priorem, non obseruationes sacras, non constitutiones spiritales deposuit : sed augmentauit. Omnia itaque eidem Domui, per orationes suas, & merita, Deodante prosperabantur, & succedebant ; adiuuantibus eum viriliter fratribus suis, qui eum tanquam patrem diligebant, & tanquam sanctum Dei venerabantur : administrantes exteriora, dùm ipse intentus esset ad superiora. Vnde fluenta gratiæ propinabat in clero, propinabat in populo, propinabat in claustro. Quocumque igitur fratres exirent, apud Ecclesiarum Pastores, apud Reges & principes, apud clericos & laicos, apud viros & mulieres, patrem suum commendabant, & virtutes eius sanctas prædicabant : vnde factum est, vt Reges, & principes, Archiepiscopi & Episcopi, Religiosi & sæculares, parui & magni eum venerarentur, & requirerent, & de salute animæ suæ consulerent.

VI. Tempore ipsius, Domus *Mortui-maris*, interius & exterius excreuit, interius venerando, & in pace conseruando, quos inuenerat fratres ; congregando, & de sæculo extrahendo iuniores, omnibus seipsum exemplar proponens, omnibus diligentiam, & Ordinis disciplinam exhibens. Exterius, possessiones augmentabat, ædificia noua construebat, & fratribus in victu & vestitu necessaria sufficienter prouidebat ; Ecclesia, quam Rex *Henricus*, vsque ad chorum monachorum fecerat, tempore ipsius, tota perfecta est ; ad quam perficiendam Dominus *Frogerus*, Sagiensis Episcopus octigentas libras ei dedit : & Capellam infirmorum in honorem S. *Ioannis* Euangelistæ, cuius erat Abbas præcipuus amator Dedicauit ; & perpetuum noctis & diei luminare vnius lampadis eidem Capellæ comparauit : & pro Anniuersario suo faciendo, Sexaginta libras dimisit. Dominus verò *Vuillelmus* Cancellarius Ælienſis Episcopus, nobilissimam campanam Ecclesiæ contulit, & ad faciendos, in ea calices 20. Marcas transmisit : sed & cartas optimas, de

poſſeſſionibus cunctis, libertatibus, & quietantijs totius Eccleſiæ, in ſigillo Domini Regis *Richardi*, cuius erat Cancellarius, omninò quietas & liberas donauit. Comes quoque *Vvillelmus Mortui-maris*, qui de manu conſilij eius ſpiritualis pendebat, ſicut à Domino poſtulauerat, inter manus eius expirauit, & ſe, & ſua, in eius diſpoſitione commiſit: & in capitulo *Mortui-maris*, tanquam vnus de fratribus, ſepulturam accepit. Eccleſiam verò de *Magna-villa*, cuius erat patronus, ad ſuſtentationem pauperum infirmorum, dùm aduenirent, eidem Eccleſiæ conceſſit, & à Domino *Vvaltero*, Rothomagenſi Archiepiſcopo, confirmari fecit. Vnus vero clericorum ſuorum, lampadem vnam ardentem nocte & die, pro eo, ante Altare B. Mariæ, & SS. Angelorum, perpetuam inſtituit.

VII. Quanta autem bona temporalia, pro ſalute animæ ſuæ, & pro Anniuerſario ſuo faciendo eidem Eccleſiæ dedit in auro & in argento, & in cæteris rebus optimis, nouit Dominus, qui retribuat ei. Domina verò *Iſabella de Dangu*, multa bona Eccleſiæ contulit, & in ea ſepulturam ſibi elegit, quam in Capitulo monachorum recepit, & vir eius D. Ioſcelinus *Criſpinus*, & filij eorum, ſex libras annui redditus in molendino de *Vvaletot*, pro Anniuerſario ſuo, & patris eius *Roberti* de *Dangu*, aſſignauerunt. Domina etiam de *Harecort*, filia eius pro emendo redditu panis & vini & ceræ, ad omnes miſſas, centum libras dedit, & ſepulturam ſibi in eadem elegit, quam in clauſtro, juxta introitum Eccleſiæ accepit: & pro ſalute animæ ſuæ, & pro Anniuerſario ſuo faciendo, centum marcas donauit.

VIII. Eo tempore, Abbas in Angliam vnum de monachis cum argento tranſmiſit, & indè plumbum afferri juſſit, ac per illud fontem aquæ, de ſuperiore partis vallis nemoris adduci, & per officinas traduci fecit. *Richardus* etiam miles de *Vvarelina*, cùm in itinere Hieroſolymitano dies ageret extremos, Eccleſiam de *Vvarelina*, cuius erat patronus, Eccleſiæ *Mortui-maris* delegauit; & *Amalricus* miles, filius eius, à D. Rothomagenſi *Vvaltero*, confirmari fecit. *Richardus*, filius *Godefridi*, *de Strepegneio*, pro faciendo Anniuerſario patris ſui, & matris ſuæ, & ſuo, centum libras dedit, & alia multa bona contulit. Rex autem *Richardus*, defuncto nobiliſſimo patre, Rege *Henrico*, cùm ad Regnum vocaretur Angliæ, & Ducatum Normaniæ, inter omnes perſonas, terrarum ſuarum cum conſilio & præcepto Archiepiſcorum Cantuariæ, & Rothomagenſis, eumdem procuratorem animæ ſuæ elegit, & ad coronationem ſuam, in Angliam ſecum deduxit. Vnde, cùm reuerteretur in Normanniam, totam Landam de *Nogione-ſicco*, & totam Landam de *Puceio*, & Sexaginta acras apud *Boſquentim*, ad faciendas grangias, & ad libitum excolendas, liberas omninò & quietas, & apud *Deupam*, duas manſuras, eidem Abbati, & Eccleſiæ *Mortui-maris* contulit. Alia quoque quamplurima beneficia impendit: & fratribus eiuſdem loci dilectionem & honorem, ſupra omnes religioſos, pro amore Dei, & Abbatis, vbique ſemper exhibuit; quæ *Dominus omnipotens illi retribuat. CAPVT I.

PRIORATVS eſt Ordinis Canonicor. Regularium, in media nunc ciuitate Rothomagenſi ſitus: cuius initium loci referturad illud memorandum, quod operatus eſt S. *Mellonus*, Archiepiſcopus Rothomagenſis, dùm Rothomagum venit, circa ann. 265. Nam, pergens in Templum Rothy idolo conſecratum, dæmonem indè expulit, oſtenſum in ſpecie ſimiæ: quem juſſit abire in locum deſertum: comminutis prius aris cunctis & ſimulacris. Vbi, Chriſto Saluatori B. Mellonum primum erexiſſe volunt crucis trophæum, condita Eccleſia, ſub ſanctiſſimæ Trinitatis inuocatione; in qua conuocatum qualibet die Dominica fidelem populum, Diuino in cultu erudiebat, ſacrificium incruentum offerebat, ac ſalutis ſubſidia ſuis ouibus impertiebatur. Interim autem, in viro, *Præcordio*, nuncupato, vis eius enituit; qui obdormiens, in ſermone eius, è tectus domus ceciderat, atque expirauerat, quem viuum reddidit, ac poſtea ſacris ordinibus initiatum, Præsbyterum illius loci inſtituit: a quæquidam Baſilica poſtea S. *Landi* nomen obtinuit. ædicula, seu Capella, B. Virgini Mariæ, Delparæ, dicata, intra fines Parochiæ, seu Prioratus S. Laudi, antiquitus, S. Saluatoris, sita: in qua volunt prætatum S. Mellonum, primordia sedis Episcopalis constituisse. Nec etiam me latet quosdam arbitrari aliam quoque Ecclesiam eidem B. Virgini Mariæ inibi ædificasse: (quæ deindè, S. Gildardi, vulgò, *S. Godard.* nomen tulit) & ab initio sedem obtinuisse Pontificalem: protendebaturque vsque ad dictum Prioratum S. Laudi, sed & hoc parergon est.

III. Verùm hic locus perampliùs excreuit: ex accessu SS. Reliquiarum, B. *Laudi*, & socio ũ, vndè postea nomen sortitus est. Nam cùm Normanni adhuc pagani vbique per Neustriam discurrerent, cædibus & strage cuncta replerent, omniaque expilarent, vrbes tandem captæ sunt, oppida diruta, Ecclesiæ destructæ, clerus & populus dispersus, & corpora sanctorum aliò exportata. [c] *Rollone autem* potentiss. (eorum) Duce sacræ fidei, & secundæ regenerationis fonte renato, in ann. 912. indictione 14. & post biennium, cum Carolo Rege pacificato, corpora SS. Constantiensium Episcoporum Laudi, atque Rumpharij, quæ exportata fuerant, Rothomagum sunt delata, atque in Ecclesia S. Saluatoris, concessu Rollonis, recepta. Igitur Rollo, qui & Robertus, nomine sacri baptismatis, dedit eamdem Ecclesiam (in qua sunt prædictorum corpora sanctorum susceptа) Beato Laudo, necnon & Domino Theodorico, qui tunc temporis Episcopus Constantiensis erat, & omnibus successoribus eius, jure perenni: Terram quoque juxta prædictam Ecclesiam, vbi maneret Episcopus cum clericis suis, qui Ecclesiæ seruirent.

[c] *Vide apud Neustriam Christianam in Constantiens. Episcopo 39. §. 3.*

IV. Quia ergò Constantiensis pagus, Christicolis vacuus erat, & paganismo vacabat: prædictus Constantiensis Episcopus; B Laudo, & ipsius Ecclesiæ, Rothomagi seruiebat, ibique sicut in sede propria, sedebat. Ipsa quoque Ecclesia, quæ transacto longo tempore, vocata fuerat S. Saluatoris; ob honorem & merita sancti & glorioſi hospitis, nominatur, & est S. Laudi. Reuiuiscente verò, gratia Dei, Religione Christiana, Constantijs, & eiusdem circumquaque finibus, & deliberatione, & temporis, & rei necessitate, veniebat huc sæpèdictus præsul, dispositisque Ecclesiasticis, proprijsque negotijs, Rothomagum reuersus, ibi velut in propria sede, morabatur; scilicet, Episcopale officium agens liberè in Ecclesia S. Saluatoris, sicut in Constantiensi. Hæc igitur est vera & certa ratio, qua nunc vsque Constantiensis præsul, nominatur Episcopus de S. Laudo. Sederunt itaque ibi præcipuè, quàm Constantijs, quinque Episcopi: prædictus videlicet Theodoricus, Herbertus, Algemundus, Gislebertus, & Hugo. Post hos quoque Herbertus, vno tantum anno; & Robertus, qui fuerat Episcopus Lexouij; sederunt apud S. Laudum, supra Viram fluuium. [d]

Antiquior ac elegantior hujus Prioratus cum ea S. Reliquiarum Ecclesiæ Turon. S. Laudi, &c. esset proximitas, Monachi Turonenses, ut Ecclesiæ suæ Prioratum, ita proprium Monachorum, & Ecclesiæ Cathedralis, suæ, munire.

CAPVT X.

EGINALDVS Abbas Turonensis, ac postea Archiepiscopus Rhemensis, ut Ecclesiæ suæ Prioratum, ita proprium Monachorum, & Ecclesiæ Cathedralis, suæ, munire. Nam quidquam ejus nomen, cum, ante eum, ex Ecclesiæ Turonensis Abbatibus, nullus Archiepiscopus Rhemensis fuisset, ut ex Catalogo Archiepiscoporum Rhemensium, apud Flodoardum, & Hincmarum, videre est, Archiepiscopus Rhemensis, & Abbas Turonensis, primus fuit. Ejus autem Archiepiscopatus

ædicula, seu Capella, B. Virgini Mariæ, Deiparæ, dicata, intra fines Parochiæ, seu Prioratus S. Laudi, antiquitùs, S. Saluatoris, sita: in qua volunt præfatum S. Mellonum, primordia sedis Episcopalis constituisse. Nec etiam me latet quosdam arbitrari aliam quoque Ecclesiam eidem B. Virgini Mariæ inibi ædificasse: (quæ deindè, S. Gildardi, vulgò, *S. Godard.* nomen tulit) & ab initio sedem obtinuisse Pontificalem: protendebaturque vsque ad dictum Prioratum S. Laudi, sed & hoc parergon est.

III. Verùm hic locus perampliùs excreuit: ex accessu SS. Reliquiarum, B. *Laudi*, & socio-ũ, vndè postea nomen sortitus est. Nam cùm Normanni adhuc pagani vbique per Neustriam discurrerent, cædibus & strage cuncta replerent, omniaque expilarent, vrbes tandem captæ sunt, oppida diruta, Ecclesiæ destructæ, clerus & populus dispersus, & corpora sanctorum aliò exportata. [c] *Rollone autem* potentiss. (eorum) Duce sacræ fidei, & secundæ regenerationis fonte renato, in ann. 912. indictione 14. & post biennium, cum Carolo Rege pacificato, corpora SS. Constantiensium Episcoporum Laudi, atque Rumpharij, quæ exportata fuerant, Rothomagum sunt delata, atque in Ecclesia S. Saluatoris, concessu Rollonis, recepta. Igitur Rollo, qui & Robertus, nomine sacri baptismatis, dedit eamdem Ecclesiam (in qua sunt prædictorum corpora sanctorum susceptа) Beato Laudo, necnon & Domino Theodorico, qui tunc temporis Episcopus Constantiensis erat, & omnibus successoribus eius, jure perenni: Terram quoque juxta prædictam Ecclesiam, vbi maneret Episcopus cum clericis suis, qui Ecclesiæ seruirent.

c *Vide apud Neustriam Christianam in Constantiens. Episcopis 38. §. 3.*

IV. Quia ergò Constantiensis pagus, Christicolis vacuus erat, & paganismo vacabat: prædictus Constantiensis Episcopus; B Laudo, & ipsius Ecclesiæ, Rothomagi seruiebat, ibique sicut in sede propria, sedebat. Ipsa quoque Ecclesia, quæ transacto longo tempore, vocata fuerat S. Saluatoris; ob honorem & merita sancti & glorioſi hospitis, nominatur, & est S. Laudi. Reuiuiscente verò, gratia Dei, Religione Christiana, Constantijs, & eiusdem circumquaque finibus, & deliberatione, & temporis, & rei necessitate, veniebat huc sæpèdictus præsul, dispositisque Ecclesiasticis, proprijsque negotijs, Rothomagum reuersus, ibi velut in propria sede, morabatur; scilicet, Episcopale officium agens liberè in Ecclesia S. Saluatoris, sicut in Constantiensi. Hæc igitur est vera & certa ratio, qua nunc vsque Constantiensis præsul, nominatur Episcopus de S. Laudo. Sederunt itaque ibi præcipuè, quàm Constantijs, quinque Episcopi: prædictus videlicet Theodoricus, Herbertus, Algemundus, Gislebertus, & Hugo. Post hos quoque Herbertus, vno tantum anno; & Robertus, qui fuerat Episcopus Lexouij; sederunt apud S. Laudum, supra Viram fluuium. [d]

d *Ex Codice MS. nigro Ecclesiæ Constantiens. Vide supra in Episcopo 36.*

V. Ex quibus clarè conspicitur, eam Ecclesiam nusquam Titulo S. Trinitatis insignitam fuisse sed *S. Saluatoris* nomen retinuisse, quippe quæ Christo Saluatori dicata esset, licet sub inuocatione sanctissimæ Trinitatis. Illic moraturus deinceps ipse Theodoricus Episcopus Clericos, & alios Ecclesiasticos ministros instituit; quibus præfatus Dux Rollo, bona haud modica suppeditauit. Postea vero Hugò, Episcopus, 40. Constantiensis, circa ann. 1020. *Septem Canonicos, de his, qui Constantiensi Ecclesiæ deputandi erant, ad sæpe dictam Ecclesiam S. Laudi vbi Rothomagi morabatur, transtulit*, [e] quos Hugo, Episcopus 43. Constantiensis exindè postea Constantiam reuocauit.

Laudi, datis indulgentijs cunctis fidelibus, eo die, illam piè visitantibus: quamque ædem mox dotauit ac ditauit pluribus possessionibus, præbendis, ac beneficijs. Sed & cùm B. Quadratum autem ipsius ΔΕ, quod sit ΔΖ, dimidium erit quadrati ΔΒ. Quia enim ΔΕ, ΔΖ, ΔΒ sunt continue proportionales, erit ut ΔΕ ad ΔΒ, ita ΔΒ ad ΔΖ. Quare ut quadratum ΔΕ ad quadratum ΔΒ, ita quadratum ΔΒ ad quadratum ΔΖ. Sed quadratum ΔΕ ad quadratum ΔΒ est in duplicata proportione ΔΕ ad ΔΒ. Ergo quadratum ΔΒ ad quadratum ΔΖ est in duplicata proportione ΔΕ ad ΔΒ. Quare ut ΔΕ ad ΔΒ, ita ΔΒ ad ΔΖ. Ergo ΔΖ est dimidium quadrati ΔΒ.

gium, filia Regis Anglorum Henrici primi mater, ex Andegauorum Comite Gaufrido, fecundi, genitoris Henrici III. Regis Iunioris; obfeſſa pridem in Oxeneſordia fuerat, ab Anglorum intruſo Rege Stephano, quæ cùm obſideretur, voto ſe conſtrinxerat, ad faciendam, ſi liberaretur, ſuis ſumptibus Abbatiam; & cum Deo proſperante, liberata miro modo fuiſſet, poſt multum temporis in Normanniam tranſpoſita, dicebatur Domino Rothomagenſi Archiepiſcopo, quid & quemadmodum vouiſſet, aperuiſſe, interim, & Comes *Galeranus* ſuum inſinuauerat votum, & aduertens Pontifex multùm ad illos eſſe, jam per guerras opibus attenuatos, duas conſtruere domos, ne fortè fieret inſufficiens, vtrique, conſultius æſtimabat vir prudentiſſimus, in vnum contrahi vota duorum, quo domus vna ſufficienter & ſublimiter ædificaretur. Illis diebus, ad ipſam Imperatricem totius Regni ſumma ſpectabat, patre jam mortuo, filio, qui futurus Rex erat juniore, tamen Duce Normanorum. Quamobrem habitus eſt ſermo cum ipſa primùm, deindè cum Domino Archiepiſcopo, cum Camerario de *Tancardiuilla*, cum procurante *Liſlebona*, *Galtero Giffardi*, cæteriſque vicinis: & horum quæſita beneuolentia eſt ſuper hoc loco in Abbatiam ædificando. Cunctiſque fauentibus & volentibus, miſſi ſunt ad partes has, de *Mortuo-mari*, de Monachis, Guillelmus de *Operinis*. Guillelmus ſcriptor, Guillelmus *Perrier*; Rogerius & Fulco, conuerſi, cum quibuſdam alijs.

III. *Venientes*, primò manſerunt apud S. *Marcellam*: ſed ob nonnullas difficultates mox hinc indè obortas, negotium eſt in longum tempus protractum. Attamen Imperatrix finem controuerſiæ fecit, alterius Religionis homines in ipſum locum inducere parans, niſi liberè *Mortuo mari*, ſubderetur: per quod & à diſceptatione ceſſatū eſt, & locus, deinceps, omniū aſſenſu, *Mortuo mari* eſſet. Dederat enim Imperatrici conſiliū, ſoror ſua [illegible] Abbatiſſa Monaſterij *Villaris*, vt quia admodū ipſa Regis Henrici fuit filia, ſic condendam abbatiam domum, Mortui-maris, id eſt, Domus à patre ſuo conditæ, filiam faceret eſſe. Quamobrem illa, jam Abbate *Mortui-maris Adam*, ſacra morte ſublato, miſit ad Abbatem, qui ſucceſſerat ei, *Stephanum*, qui cùm apud Rothomagum occurriſſet ei, conuenit eum illic ſuper hac re. Sed ipſe diu diſtulit aſſenſum adhibere, diſſimulans hoc ipſum quod optabat: donec ex Imperatricis inſtantia, futurum rei profectum collegiſſet. Voto tamen eius in hoc annuit, vt illuc mitteret Richardum de *Bleceuilla*, jam apud *Mortuum-mare* conuerſorum magiſtrum; qui cum his de *Bordeſleis* diſcedere parantibus, pro re ſeruanda moraretur. Nam diſcedentibus illis in Angliam, ipſe cum *Arnoldo*, quondam illorum Abbate, viro venerabili, ſanctæque conuerſationis, loco reſedit: emptis illorum vtenſilibus, cartiſque retentis, præter priuilegium Domini Papæ, ſuper loci confirmatione, quod tulerunt, ac poſtea coacti reddiderunt.

IV. *Inſtantius* interim egit Imperatrix, vt Conuentus illuc ex *Mortuo-mari* mitteretur: quæ poſtquam viſa eſt exanimo rem agreſſa, vocatus eſt, vt conſuleretur olim Abbas *Vrſicampi*, *Guillelmus*, & aduenies, aſſenſum operi dedit. Tunc prouiſum eſt, qui mitterentur ei negotio conuenientiores, & deſignati ſunt, Guillelmus de *Operinis*: Guillelmus de *Falcenes*; Rogerius de *Montiuilla*: Adulphus, Pariſienſis; Rogerius de *Herbeltot*, Robertus de *Cahaio*; Frogerius Lexouienſis; & alij quidam: Raderus de *Neyon*, non multò poſt venit. Hi cùm mittendi fuiſſent, elegerunt Abbatem, ſcilicet, Richardum, quem diximus, de *Bleceuilla*, Dominica quadam die, virum negotijs vtilem, vt ipſis effectibus eſt declaratum. Feria ſecunda proceſſit è *Mortui-mari* Conuentus ille, ſemen benedictum, futuræ frugis, in terra deſerta, in loco ſolitudinis. Proſequuti ſunt illos, Abbates *Vrſicampi*, de *Brioſtel* & *Mortui-maris*; & venerunt vſque Rothomagum. Quibus prandio refectis apud virum venerabilem, Archidiaconum *Laurentium*, ad quem familiariter in vrbe fratres *Mortui-maris*, ex more declinabant: poſt refectionem deſcendit ille Conuentus in nauiculam, ad locum ei deſignatum nauigio, venturus. Et ecce, de loco, quem jam relictum à *Bordeſlienſibus* cuſtodiebat electus illorum Abbas *Richardus*, per litteras exoratus aduenit, neſcius horum, quæ facta fuerant. Cui deducto ſeorſum Abbates intimarunt, quod illi Conuentui, pro vt poterant, conſuluiſſent; eumque monebant non aduerſari, nec impedimento eſſe factis eorum: quod ille ſe minimè præſumpturum eſſe reſpondit. Et illi, Tu es (*inquiunt*) in Abbatem ab eis electus; præeſto illis, nec obliſtas. Fecit ipſe, quomodò dixerat, imperato ſe fine contradi-

ctione, permisit. Enauigauit ergò Conuentus ille trans Sequanam; Abbates verò seorsum alia via venerunt vsque ibi super ripam fluminis. Vtraque *Mathildis*, eis occurrit, ex condicto, videlicet, Imperatrix, & soror eius, Abbatissa, in adjacentibus fluuio pratis, quibus conspectis; En viros (inquit Abbatissa) decoros: & ad fouendos eos, & promouendos, sororem monitis incitabat. Facturam se, quod monebatur illa spopondit; & impositis nauiculæ victualibus, dimisit eos, & abierunt. Et exindè, die noctuque nauigatum est; quo vsque *Kilboc*, feria tertia peruenerunt. Abbates verò apud Rothomagum, illa nocte manserunt, quòd electus ille *Richardus*, ipsa feria tertia, videlicet, in festo S. Barnabæ Apostoli, benedicendus illic esset in Abbatem. Quo nimirum benedicto, destinarunt Abbates Conuentum, qui præcesserat ad sæpè dictum locum, peruenire: sicque factum est, vt hinc indè Conuentus, & Abbates, ad ipsum locum, feria 4. conuenirent.

V. Anno igitur ad Incarnatione Domini 1157. 2. idus Iunij, feriâ 4. in crastino festiuitatis S. Barnabæ Apostoli, Conuentus ex Mortuo-mari, veniens, per dictos Abbates, introductus est in locum istum, qui rectiore nomine, *Votum* appellatur: qui deinceps possessus ab ipsis est, & successoribus ipsorum. Postera die, professiones Abbati suo fecerunt, & in reliquum, moribus & operibus tales apparuerunt, qui verè religiosi patris *Adam* institutione profecerint, verè prodierint domus ex gremio disciplinatæ; sed ab aduentu statim eorum, motus est indignatione Comes *Gualerannus* aduersus illos, quòd eo inconsulto, vel *Bordesleiensem* ipsum locum deseruissent, vel hi vacantem occupassent. Plus anno continuit in ira sua misericordiam suam illam, quam in Francia loco dederat eleemosynam, eorum vsibus vetans; donec Imperatricis ope, Comitissæ etiam interuentu, in eorum capitulum introiret: vbi satisfactione Conuentus supplicantis redijt cum illis in gratiam, & detenta restituit, & auxit ante data, locumque cum omnibus appenditijs suis possidendum eis perpetuò cum omni libertate donauit.[e]

VI. Hæc eadem confirmat Appendix Sigeberti, licet paucis verbis, dicens. Anno ab Incarnatione Domini 1157. 15. Calend. Iulij, processit Conuentus cum Abbate suo *Richardo de Blosenilla*, à *Mortuo-mari*, missus à Domino *Stephano*, tunc Abbate *Mortui-maris*: & venit in hunc locum, qui dicitur, *Votum*, situm in territorio Rothomagensi. Multis namque precibus *Mathildis* Imperatrix, filia magni Henrici, Regis Angliæ, & mater illustris Henrici Regis Angliæ, à prædicto *Stephano*, Abbate *Mortui-mari* obtinuit, vt Conuentus inde mitteretur, ad construendam Abbatiam Cistertiens. ordinis, ad laudem & honorem Dei, & B. Mariæ, omniumque sanctorum.[d] Ex quibus redarguitur quidam Neotericus, id reponens ad ann. 1156. 3. idus Iulij.[e] Alius verò ann. 1159.[f]

gium, filia Regis Anglorum Henrici primi mater, ex Andegauorum Comite Gaufrido, ſecundi, genitoris Henrici III. Regis Iunioris; obſeſſa pridem in Oxenefordia fuerat, ab Anglorum intruſo Rege Stephano, quæ cùm obſideretur, voto ſe conſtrinxerat, ad faciendam, ſi liberaretur, ſuis ſumptibus Abbatiam; & cùm Deo proſperante, liberata miro modo fuiſſet, poſt multum temporis in Normanniam tranſpoſita, dicebatur Domino Rothomagenſi Archiepiſcopo, quid & quemadmodum vouiſſet, aperuiſſe, interim, & Comes *Galeranus* ſuum inſinuauerat votum, & aduertens Pontifex multùm ad illos eſſe, jam per guerras opibus attenuatos, duas conſtruere domos, ne fortè fieret inſufficiens, vtrique, conſultius æſtimabat vir prudentiſſimus, in vnum contrahi vota duorum, quo domus vna ſufficienter & ſublimiter ædificaretur. Illis diebus, ad ipſam Imperatricem totius Regni ſumma ſpectabat, patre jam mortuo, filio, qui futurus Rex erat juniore, tamen Duce Normanorum. Quamobrem habitus eſt ſermo cum ipſa primùm, deindè cum Domino Archiepiſcopo, cum Camerario de *Tancardiuilla*, cum procurante *Liſlebonæ*, *Galtero Giffardi*, cæteriſque vicinis: & horum quæſita beneuolentia eſt ſuper hoc loco in Abbatiam ædificando. Cunctiſque fauentibus & volentibus, miſſi ſunt ad partes has, de *Mortuo-mari*, de Monachis, Guillelmus de *Operinis*. Guillelmus ſcriptor, Guillelmus *Perrier*; Rogerius & Fulco, conuerſi, cum quibuſdam alijs.

III. *Venientes*, primò manſerunt apud S. *Marcellum*: ſed ob nonnullas difficultates mox hinc indè obortas, negotium eſt in longum tempus protractum. Attamen Imperatrix finem controuerſiæ fecit, alterius Religionis homines in ipſum locum inducere parans, niſi liberè *Mortuo mari*, ſubderetur: per quod & à diſceptatione ceſſatũ eſt, & locus, de inceps, omniũ aſſenſu, *Mortuo-mari* ceſſit. Dederat enim Imperatrici conſiliũ, ſoror ſua *Matthildis* Abbatiſſa Monaſterij *Villaris*, vt quemadmodũ ipſa Regis Henrici fuit filia, ſic condendam ab ea domum, Mortui-maris, id eſt, Domus à patre ſuo conditæ, fillam faceret eſſe. Quamobrem illa, jam Abbate *Mortui-maris Adam*, ſacra morte ſublato, miſit ad Abbatem, qui ſucceſſerat ei, *Stephanum*; qui cùm apud Rothomagum occurriſſet ei, conuenit eum illic ſuper hac re. Sed ipſe diu diſtulit aſſenſum adhibere, diſſimulans hoc ipſum quod optabat: donec ex Imperatricis inſtantia, futurum rei profectum collegiſſet. Voto tamen eius in hoc annuit, vt illuc mitteret Richardum de *Bleceuilla*, jam apud *Mortuum-mare* conuerſorum magiſtrum; qui cum his de *Bordeſleia* diſcedere parantibus, pro re ſeruanda moraretur. Nam diſcedentibus illis in Angliam, ipſe cum *Arnoldo*, quondam illorum Abbate, viro venerabili, ſanctæque conuerſationis, loco reſedit: emptis illorum vtenſilibus, cartiſque retentis, præter priuilegium Domini Papæ, ſuper loci confirmatione, quod tulerunt, ac poſtea coacti reddiderunt.

IV. *Inſtantia* interim egit Imperatrix, vt Conuentus illuc ex *Mortuo-mari* mitteretur: quæ poſtquam viſa eſt exanimo rem agreſſa, vocatus eſt, vt conſuleretur olim Abbas *Vrſicampi*, *Guillelmus*, & aduenies, aſſenſum operi dedit. Tunc prouiſum eſt, qui mitterentur ei negotio conuenientiores, & deſignati ſunt, Guillelmus de *Operinis*: Guillelmus de *Falcenes*; Rogerius de *Montiuilla*: Adulphus, Pariſienſis; Rogerius de *Herbeltot*, Robertus de *Cahaju*; Frogerius Lexouienſis; & alij quidam: Raderus de *Noyon*, non multò poſt venit. Hi cùm mittendi fuiſſent, elegerunt Abbatem, ſcilicet, Richardum, quem diximus, de *Bleceuilla*, Dominica quadam die, virum negotijs vtilem, vt ipſis effectibus eſt declaratum. Feria ſecunda proceſſit è *Mortui-mari* Conuentus ille, ſemen benedictum, futuræ frugis, in terra deſerta, in loco ſolitudinis. Proſequuti ſunt illos, Abbates *Vrſicampi*, de *Brioſtel* & *Mortuimaris*; & venerunt vſque Rothomagum. Quibus prandio refectis apud virum venerabilem, Archidiaconum *Laurentium*, ad quem familiariter in vrbe fratres *Mortuimaris*, ex more declinabant: poſt refectionem deſcendit ille Conuentus in nauiculam, ad locum ei deſignatum nauigio, venturus. Et ecce, de loco, quem jam relictum à *Bordeſlienſibus* cuſtodiebat electus illorum Abbas *Richardus*, per litteras exoratus aduenit, neſcius horum, quæ facta fuerant. Cui deducto ſeorſum Abbates intimarunt, quod illi Conuentui, pro vt poterant, conſuluiſſent; eumque monebant non aduerſari, nec impedimento eſſe factis eorum: quod ille ſe minimè præſumpturum eſſe reſpondit. Et illi, Tu es (*inquiunt*) in Abbatem ab eis electus; præſto illis, nec obliſtas. Fecit ipſe, quomodò dixerat, imperato ſe fine contradi-

VALLISMONS. ANN. 1169.

GALLICÈ. VALLEMONT.

Fundatur à Nicolao de Stoteuilla, insigni Heroe: cuius posteritas istud Asceterium polyandrion sibi fecit: quidam Abbates notantur.

CAPVT I.

I. QVIDAM nimis anxiè disceptant, super Etimologia nominis huiusce Abbatiæ dùm ab illis, *Vallidus-mons*, seu de *Vallomonte*; *Mons-Gallicus*, ceu *Vvallo-mons*; vel *Gallomons*; non à valle sed à Gallo, diuersimodè nuncupatur: sed quicquid sit de huiusce modi omonymia; conueniunt omnes Gallicè appellari, *Vallemont*. Illic igitur consurgit Monasterium, Ordinis S. Benedicti, in agro Caletensi Diœcesis Rothomagensis, quatuor leucis à Fiscano dissitum: [a] ex quo *Thuanus* errorem arguitur, alio reponens, nempe in confinio Diœcesi. Constantiens. & Abrincens. [b] Circa cuius Fundationis tempus haud est omnium eadem sententia. *Anno* 1159. (inquit Chronica Normaniæ) *Fundata est Ecclesia de Vallomonte* à Nicolao de Estouteuilla, ann. verò 1173. dedicata est Ecclesia de Vallomonte. [c] Sanè hæc Chronica multùm recedit à vera & communi annorum epocha: vti scitè animaduertit ipse *Quercetanus*, qui primò illam prælo cudendam dedit. Quare loco, ann. 1159. ponendus est annus 1169. quod rectè præstitit Arboretanus Episcopus. [d]

II. Quantum verò spectat ad Dedicationem eiusdem ædis sacræ: non minor exoritur difficultas, chronica præfata vult peractam fuisse ann. 1173. Præsul autem Arboricensis ann. 1170. *Vvallemontensis Ecclesia* (inquit) *aliàs Gallomontensis seu Mons-Gallicus, initium accepit, authore & Fundatore Nicolao Destoteuillo, circiter annum Domini 1169. quam anno reuoluto, eius frater, Robertus Destoteuillus, Rothomagensis Archiepiscopus, die S. Michaelis sacrauit ac dedicauit.* [e] Quod iam antea testatum reliquerat, agens, de Ludouico *Stoteuillo*, & Ioanna *Paganella*, Hambeyensis castri hærede vnica, ac vltima eius consorte; in hunc modum. *Visitur hodiè* in Hambiensi cœnobio, vtriusque, Ludouici, inquam, & Ioannæ, vetus monumentum: etiam si alijs quibusdam in locis sui memoriam reliquerit illustris illa familia: vt pote, in Caletensi Templo, apud Validum Montem, Gallicè, *Vallemont*, aut certè retiùs, Valdèmons, quasi dicas, *Validemont*. Nam & hoc ipsum cœnobiũ vnus ex Atauis à Fundamentis extruxerat, multisque auxerat opibus, Nicolaus d'Estoteuillus, extructum anno reuoluto in augurandum curauit, ope, & opera fratris sui, Roberti d'Estoteuilli, Rothomagensis Archipræsulis: & hinc magna pars eorum, eò loci, sibi delegit sepulturam: nisi quod Aliza, ceu Elisabetha, vnà cum Bertrando, coniuge, apud Bellomontem in Algia, cœnobium à d'Estoteuillis Fundatum & auctum, locum sibi sepulturæ delegit. [f] Quibus in verbis, miror tanti viri, doctrina & peritia clarissimi, lapsum & inscitiam. Quis enim vnquam legit, aut reperit apud historicos & chronologos, aliquem Robertum à *Stoteuilla*, maximè eo tempore, quod assignat, Ecclesiæ Metropolitanæ præfuisse Rothomagensi? sed etiam ipso teste, nullus tali nomine insignitus, continetur in serie eorumdem Archiepiscoporum, à se conscripta. [g] Non me latet, vnum ex ea gente progenitum, ad huiusmodi Archiepiscopatum euectum esse ann. 1452. sed *Guillelmus*, non Robertus nuncupatus conspicitur: Quapropter rem alio clarius explicans, ait huiusmodi dedicationem factam esse

Petrus 2. Valesius Comes Pertici, nepos Philippi *Pulchri*, Regis Francor. magnum porticum eiusdem Monasterij extruxit, de suo nomine etiamnum vocitatum. Fundauit inibi redditus pro quatuor Religiosis sustendandis, cum quatuor cellulis eorum à se fabricatis: aliaque quamplura largitus est bona, propter quæ æstimatur, non abs re, secundus fundator: qui tandem decessit è vita Argentani, die 20. Septemb. ann. 1404. exindè autem, iuxta supremam eius voluntatem sepulturam nactus est apud ipsos Cartusianos *Vallis Dei*; quo dùm viueret, frequentius morabatur, vt deuotioni expeditiùs vacaret; cum *Ioanna*, lectissima virgine, eius filia quæ inibi iuxta amantissimum parentem, tumulata est, ann. 1405. E P I T A P H I V M,

Cy deuant gist Pierre le Valoys,
Grand amateur de Dieu, & de ses Loix,
Prince soigneux de ce qu'aprez sa vie,
Vn vray Chrestien de voir à bonne ennie.
Comme vn oyseau se baisse pour voler,
Il s'est desmis pour mieux au Ciel aller.
Pour les vertus fut plus qu'vn Achilles;
Contre pechez, fut plus qu'vn Hercules.
Le pauure aymoit beaucoup plus que le riche,
Qui par pouuoir, ou par dol tousiours triche.
Pource eut le nom de Pierre le Loyal,
Plus frequenté que le Prince Royal;
Ores qu'il fut proche de la Couronne,
Tant il trouua pieté douce & bonne,
Qu'il vescut ceans en toute humilité;
Sa Fille aussy gardant Virginité,
Ayant tousiours sa lampe pleine d'huyle
Comme les cinq Sages de l'Euangile.
Ce Temple icy tant de voulte que pands
Feirent refaire à leurs propres despens;
Et pour eux deux vne chambre vn peu haute,
Sans la rapine offrirent en holocauste:
Car luy & elle estoient iustes & bons,
Tant que d'autruy, ne prenoient biens, ny dons,
Fondez ilz ont d'vn vouloir magnifique,
Quatre Chartreux plus que le nombre antique,
Le diable ils ont, le monde & chair vaincu,
Et sont bien mortz, comme ils ont bien vescu:
Paisiblement le vingtiesme Septembre,
Mil quatre cens quatre, vn chacun membre
Du bon Seigneur la chaleur delaissa,
Et peu apres sa fille trespassa.
Leurs corps posez dans vne mesme fosse,
N'ont dessus eux de sepulture grosse,
Pour remarquer de tel sang le Tombeau,
Il n'y a rien engrané bon n'y beau:
Pourquoy cela? car telles belles marques
Sont volentiers des hautains les remarques:
Et pour autant ce Comte d'Alençon,
Humble en son cœur n'y voulut de façon;
Ains qu'auec luy sa fille fust ensemble
Tout simplement inhumez en ce Temple:
Ou si leurs corps ne sont point eleuez,
Leurs espritz moins n'en sont pourtant sauuez:
Qui est le point, que par humbles merites,
Ont desiré, viuans ceans comme hermites:
Que Dieu leur doint, si ne leur a donné,
Et sur le Ciel leur soit lieu ordonné:
Ou en Esprit ensemble puissent estre
Comme en leurs corps sont en ce lieu terrestre.

Requiescant in pace. Amen. h

Si quis autem de terris quibuſcumque ad Feodum meum pertinentibus, præfatæ Abbatiæ, terras, ſiue redditus aliquos dedit, aut dabit; ratam habeo illam donationem, & permanere concedo: ita tamen, vt qui dabit, tantum Dei, & tantum ſibi retineat, vt & ſeruitium, quod debet perſoluere poſſit; & beneficium religioſis collatum, liberum, & ab omni ſeruitio permaneat abſolutum. Concedo etiam libertatem, & quietantiam in omnibus omninò rebus, monachis & conuerſis eiuſdem Abbatiæ, in tota terra mea Normaniæ, & Angliæ. Hæc autem omnia libera, & quieta, & ab omni ſeruitio, & exactione penitus abſoluta. Prætaxatas donationes omnes conceſſerunt, Robertus, filius meus, & vxor mea, & filiæ meæ, & milites & homines mei; nulla omninò interueniente reclamatione.

Præterea, inſtituo, propono, & confirmo, quod in præfatæ Abbatiæ Manerio, ego & vxor mea, & hæredes mei, ſepulturas habebimus. Sancti Spiritus adsit nobis gratia.

III. *Ad laudem* & gloriam illius, qui de nihilo cuncta creauit, & creata gubernat, & absque cuius imperio, etiam folium arboris non cadit: proposuimus enarrare, qualiter, quibus temporibus, & à quibus personis, domus *Insulæ Dei*, habuit initium: non enim fabulam, sed rem gestam scribimus, sicut proprijs oculis vidimus, & auribus audiuimus, anno 1187. Regnante illustri Rege Philippo in Gallia: nobiliss. Rege Hẽrico in Anglia, & in Normania, & in alijs Prouincijs plurimis Dominãte; ipso verò anno, quo præfati Reges cum copiosa multitudine magnatorum, cruce signati sunt ad succursum Hierosolymitanæ terræ: fundata est Domus *Insula-Dei*, in honore ipsius Dei, & Domini nostri Iesu Christi, gloriosissimę semper virginis matris eius.

IV. Temporibus illis vir quidam magnæ sanctitatis & bonæ opinionis commanebat in vicina Eremo, quæ vocatur *Sanctæ Honorinæ* in Foresta *Leonum*, non longè à præfata Domo, distanti circa vnum milliarium, Locus autem ille satis amœnus, & religiosus, vallatus vndique syluis: & licet in altis sit positus tamen fontibus est decoratus, qui dùm eremum transierunt, non longè, in terra absorbentur. Sub silentio autem non est prætereundum, quis & quantus sit ille de quo agitur: Frater Hugo de *Sancto Iuiniano* dicebatur: qui licet in natione sua, magni nominis esset, sub regulari disciplina canonicorum apud S. Laurentium in *Arenibus*, se subdidit. Qui dum satis religiosè inter fratres se haberet: ad probationem eius, infirmitate lepræ eum percussit Dominus. Qui nõ iratus, sed libenti animo flagella Dei suscipiens, dicebat: Castigans, castigauit me Dominus, & morti non tradidit me. Et quamuis tanta corporis molestia detineretur: proposuit carnem suam amplius cruciare. De assensu magistri sui, iuxta capellam præfati loci, infra muros se inclusit: volens se ab omni lasciuia, & inquietatione, & hominum frequentia subtrahere, vt liberius & intentius orationi, lectioni, contemplationi, sanctæque meditationi vacaret. Quamdam fenestram, ad seruitium Diuinum audiendum infra capellã habebat: aliã verò extra aduentantibus ad colloquendum, cũ volebat. Opus manuum post missarum celebrationem, & orationum, & afflictionum suffragia, exercebat in cochlearibus faciendis: quæ plurimis ad se venientibus erogabat. Parum, aut nil ab aduenientibus accipere curabat, nihil exigebat: sed super Altare capellæ hoc quilibet offerebat, quod illi bona voluntas ministrabat. Est mirũ in modum, & vix possibile ad credendum: quanta ibi macerando carnem sustinuit: Corpus suum cupiebat potius debellare quàm a ipso superari: reminiscens, quia caro concupiscit aduersus spiritum, & spiritus aduersus carnem. Eloquens etiam erat in sermone, & peritus in scriptura Diuina, in qua reminiscendo sciebat: pater filium, quem diligit, corripit; flagellat autem omnem filium quem recipit: Coadiutores enim Dei sumus, ait Apostolus: Coadiutor verò Dei fuit cum Dominus eum flagello lepræ humiliauerit. Amplius se macerare disposuit: ligaturis namque ferreis in brachijs, alijsque corporis compagibus se circumstrinxit, donec ferrum putrefactum per seipsum decideret.

V. *Et quia* ciuitas supra montem posita non potest abscondi, nec lux in tenebris: fama de eo circumquaque conuolauit. Festinabant ad eum pusilli & magni, pauperes & diuites, nobiles & ignobiles de circumquaque regione. Quidam verò peccata sua confitentes: quidam vt audirent eloquia Domini per os eius sonantia; sicut ipse Dominus ait: vos non estis qui loquimini, sed Spiritus patris vestri

qui loquitur in vobis. Magnates etiam terræ, audientes de eo sanctæ opinionis famam, vt monita salutis acciperent ad eum confluebant. Inter quos miles quidam nobili genere forma decorus, armis strenuus, Deo deuotus, consilio prouidus, in commissa fidelis Reginaldus de *Pauliaco*, cum cæteris ibi deuenit. Vt autem vidit, & consolationem eius audiuit, notatur dixisse. Famam audiui de isto, sed dimidia pars mihi nuntiata non fuit, donec ipse veni, & audiui, & vidi oculi meis: quia mirabatur valdè super Doctrina & responsis eius. Stupebat autem, cum tali laboraret ægritudine; quomodo posset tanta sustinere. Et tunc, cùm in finibus illis transitum faceret; crebrius illic cum magna alacritate, & non parua deuotione, cœpit, ad hominem Dei diuertere; cupiens ab ore eius, ea quæ ad salutem animæ pertinent, audire: &c.

VI. Quid amplius moror? Secretum consilij sui, quod diu in corde suo conceperat, post plurimas allocutiones, homini Dei reuelauit, & ait illi: jam diu est, quod pro salute animæ meæ, & parentum, & amicorum meorum, in mente proposui, domum quorumlibet religiosorum construere, eisque victum & vestitum, pro possibilitate mea, instituere: & quia in partibus istis, terras, & redditus sufficientes non habeo, sed in Anglia, in Dominio meo locus satis est idoneus, pratis, aquis, & sylvis ornatus; si locum istum deserere, & huc venire velletis, ego de auxilio Dei confisus, ad consilium vestrum, omnia præpararem. Cui homo Dei respondit: in veritate, nullomodo transfretarem. Sed si in partibus istis locum cõpetentem inuenires, ad augmentationem S. Religionis, & exaltationem: hinc me transferri me permitterem, Gaudens ergo de promissione recessit; sed sollicitus, & quasi stupefactus, de transmutatione, multa in se recolligens, vbi locum congruentem inueniret, die ac nocte meditabatur: parum, aut nihil proficiendo. Anxius ergo, quid ageret, humano cõsilio destitutus, cœpit cũ pura & maxima deuotione, & oratione, aures Domini pulsare, & intemeratæ Virginis matris eius, quam ardenter & affectuosè diligebat, auxilium super hoc flagitare: & quia Dominus prope est omnibus inuocantibus eum in veritate, non defuit ab eius postulatione.

VII. Nec longum postea, cuidam militi, Radulfo nomine, Domino de *Petrolio*, cui nuper ipse quondam consanguineam suam maritauerat, secretum suum aperuit, & consilium ab eo expetiuit. Cui deuotè respondit. Videatis in terris, pratis, in insulis, & alnetis, locum ad hoc competentem: & sicut melius videritis expedire, pro voluntate vestra accipiatis. Quæsiuit igitur, & inuenit quod desiderauerat. Inter cætera elegit quamdam insulam cum alnetis, vallatam vndique riuulis, ibi verò cum festinatione magna & alacritate, cœpit Capellam, domos, & cætera ad hoc conuenientia, sibimet, & suis, & Religiosis ædificare. Quibus in breui peractis, ad hominem Dei reuertitur. Deuotè & humili vultu dixit ad eum. Pater mi & dilecte, veni, imple desiderium meum; sicut facere promisisti, de consensu autem eius, confracto muro, foras eum extraxit, & statim ascenso equo, accepit eum in brachijs suis coram se, & detulit ad locum, quem præparauerat. Et quamuis tales deuitari solent, & etiam, ne à sanis tangerentur, tamen quasi Deum, sub specie hominis, hunc deferre lætabatur. Celebrata igitur in eodem loco, abs homine Dei missa, quod prius longo tempore, nec postea, fecit: intrauit inclusum iuxta altare sibi parauit. Secuti sunt autem eum duo Canonici, qui cum eo morabantur in heremo, in Capella illius noui loci, Diuina celebraturi. In ipso anno transmigrationis illius hominis Dei, quidam sacerdos Religiosus, timens Deum, Vvalterus nomine, cognomento *Mala*, audiens de eo, venit videre eum: familiares autem & socij extiterant, dùm in sæculo morarentur. Videns enim conuersationem eius, & sanctitatem, post plurimas interlocutiones factas, & animarum consolationes; petijt humiliando, vt iuxta eum se includi concederet, quatinus securius ibi Deo seruiret, monita salubria semper ab eo reciperet. Quod vt audiuit homo Dei, valdè gauisus est, gratias Deo agens, qui talem sibi misit sodalem, & fidelem adiutorem. Cella autem parata, & altari in ea statuto, lætus intrauit: missam ibi quottidiè celebrabat; vigilijs, jeiunijs, & orationibus, nocte ac die humiliter vacabat. Si vultis scire, qui iste sit, & vnde venit, audiatis: licet multùm in juuentute fuisset secularis, tamen ductus à Deo, actiorem vitam postea ducere sibi elegit.

seruatio Ordinis in illo loco constitueretur. Dicebant enim & asserebant Canonici, qui ibi cum homine Dei venerant, & commorabantur, se debere principatum obtinere: & domui suæ, vnde prius venerant, subesse, & obseruationes eius, in ea in perpetuum ordinari; è contrario autem monachi de S. Audoeno Rothomag. dicentes, & contradicentes alienos ibi habitare Religiosos, nisi de suis proprijs monachis, quia in suo Dominio fundata erat domus illa: pluraque promittebant de proprio suo in augmentationem, vt Prioratus de suis, in loco illo construeretur. Miles equidem fundator domus, hæc audiens, & intelligens, contristatus valdè ignorabat quid ageret: venit ad hominem Dei, consilium super his ab eo quæsiturus. Cui ille respondit, affirmando, sicut aliquando in consuetudinem habuerat. Reginalde, per Regnum Dei, dico tibi, si mihi credideris, nec Canonicos nigros, nec monachos in domo ista admittes: quia quatuor, aut quinque illorum deuastando expenderent, vnde tredecim, & amplius Religiosorum, qui parcè, & Religiosè consueuerunt viuere, possent competenter sustentari. Quare laudo, & consulo tibi, vt quæras de ordine Præmonstratens. viros Religiosos Deum timentes, de quibus, & in quibus fodias Fundamentum Ecclesiæ tuæ: quia non lapides, non ligna, non tam faciunt Ecclesiam, quàm congregatio fidelium: & fiduciam habeas in Deum, quia Deo adiuuante, & gloriosa matre eius, in honore cuius fundare eam cupis, quòd crescet & multiplicabitur in perpetuum. His auditis & intellectis, iterum mente consternatus est, & omni consilio humano destitutus: timuit omnia, quæ fecerat, in vanum laborasse.

XI. Interim, nocte ac die, mente vigili, & corde puro, clamabant, tam ille, quam homo Dei, ad Dominum, & ad Virginem Mariam, in qua plurimum confidebant, auxilium & consilium sibi mitti ab alto; & quia Deus non spreuit sperantes in se, aut petitioni illorum non defuit. In illa verò tempestate, venit ad Dominum Gilbertum de *Vvascolio*, qui non procul ab illo loco commorabatur, quatinus & illi, & vxori suæ Philippæ, quæ consanguinea eius erat, secretum suum detegeret: & consilium super omnibus prædictis, pro Dei amore, & ipsius lachrymabili pietate personæ, & animarum suarum salute, apponerent. Et adiecit, dicens. Terras non habeo in partibus istis, nec citra mare, vbi domum istam possim transmutare: sed est locus vicinus, appositione loci præfati in Dominio vestro, ferè à jactu lapidis, si ipsum Deo, & B. Mariæ genitrici eius, & mihi dare velletis, homagium pro eo vobis facerem, & in omnibus bonis domus illius, quæ de cætero in ea fierent, quantum est mihi, in omnibus vobis concederem. His auditis, pietate commotus, & deuotione ductus, tam ad preces vxoris suæ, cui plurimum credebat, & diligebat, quam ad instantiam ipsius militis, & postulationem: concessit quod postulauerat, in puram & quietam eleemosynam, se daturum, dicens, quãdo bonos viros & Religiosos ibi miseritis, ego locum illum de terris meis propijs, & alijs bonis meis, pro salute mea emendabo, licet in tota terra mea, non sit mihi locus cariorillo, propter frequentationem, & transitum ferarum à foresta leonum in nemoribus meis. Audiatis mirabile dictu, sed mirabilius actu: quòd vbi tunc erat transitus ferarum, modo, Dei gratia, fit à terra in cœlum transitus animarum. Re vera, hæc mutatio fuit dexteræ excelsi. Gaudens ergò & exultans, vltra quàm credi potest, ille vir nobilis effectus, redit ad hominem Dei; narrans ei, & alijs omnia, quæ gesta fuerant. Statim expandunt manus vtrasque ad cœlum, laudantes saluatoris clementiam, qui non dereliquit sperantes in eum. Recepto itaque loco illo, & fossatis circumvallato, Capellam, & domos vniuersas, ordinatæ sicut prius erant, à loco in locum in breui fecit asportari, & ibi construi. Domos verò suas in curia fecit seorsum sequestrari: sibi & commilitibus suis, vxori, & familiæ suæ commanendum.

XII. Peractis igitur officinis ligneis, satisque ordinatis, de consilio viri Dei, ad generale capitulum Præmonstrati perrexit, ad nouellæ plantationis suæ ædificationem, secundum statuta ordinis consilium petiturus. Postulatione autem illius audita, & exaudita, de assensu eius, Abbati de *Silleio*, præceptum fuit, quatenus domum illam in filiam reciperet; & secundum consuetudinem ordinis, Abbatem & Conuentum in ea ordinaret. Nec mora, ex voluntate fundatoris, misit in præfata domo, Robertum cognomento *Thalum*, qui antea fuerat in *Falesia*, Abbas destitutus:

stitutus: & cum illo tres tantum Canonicos sociauit; Vvillelmum, scilicet, Hugonem, & Gaufridum. Et quia, quasi inuitus, quilibet eorum veniebat, dicens domum suam ædificatam nolle relinquere, pro inædificata, & ab eis incognita. Quibus responsum tale dedit Abbas: ite, & recipite quos poteritis de patria illa, saltem tantos, quòd ordo ibi plantetur: & si ibi ferre commorando, non poteritis, cùm volueritis, ad propria remeate. Accesserunt ergo Abbas ille, & alij tres Canonici prænominati, ad Insulã-Dei, (quia ita prius à vulgò appellabatur); duos tantum de foris, & duos inclusos, in domo illa inuenerunt, expectantes ordinis confirmationem: qui libenter & deuotè eos susceperunt, & Abbati obedientiam fecerunt. Intrauerunt locum illum circa Quadragesimam: sed non diu perseuerare potuerunt, aut noluerunt. Duo verò ex ipsis, vnus videlicet, qui Prior constituebatur cum quadam socio alio, infra sequens festum B. Ioannis Baptistæ, nolentes laborem, & inopiam sustinere, ad domum vndè exierant, remeare festinauerunt. Et quia Abbas vidit se à socijs derelictum, sperans nihil ibi proficere, in sequenti capitulo Præmonstrati, veniens, propter debilitatem eius & senium, demissionem petijt, & impetrauit; & ad domum, de qua venerat, cum alijs repedauit. Quartus autem aliquantulum remansit, Prior instituitur, cum alijs duobus, quos ibi inuenerat, & duobus nouitijs interim receptis, qui non diu perseuerantes, apostatauerunt.

XIII In tempestate verò illa, ego qui talia scribo, parentibus meis ignorantibus, intuitu charitatis, me nuper in diaconum ordinatum, in collegio suo susceperunt, & de suis pannis, licet egentes mihi commodauerunt: donec parentes mei hæc audientes, & quã plurimũ cõdolentes, omnem supellectilem, quæ mihi contingebat quærierunt, & statim mihi miserunt: conuitia inferendo, quòd in tam parua, & paupere domo me miseram, vnde præ inopia & egestate, sicuti alij plures fecerant, me oporteret, relinquendo, aufugere. Sed Deus omnia videns, & præuidens; qui superbis resistit, & humilibus dat gratiam; qui infirma mundi eligit, vt fortia quæque confundat: noluit ordinem omninò deperire: quia illis à domo illa redeuntibus; Dominus non dereliquit eam, sed assumpsit eam in manibus suis. Statim verò, post recessum eorum, misit in ea domo Dominus viros religiosos & honestos, de ipsa patria, qui ordinem obseruarent ibi, & obseruari adiuuarent; plures plura secum afferentes ad indigentiam domus subuenientes, quæ non possumus per singula dinumerare: & ita successiuè clericis & laicis in ea se subijcientibus, Deo procurante, vsque in præsentem diem, cœpit Domus illa crescere & multiplicari.

XIV Transacto ferè anno accesserunt ad eam, de *Silleio*, de *Falesia*, de *Reson*, Abbates, vt pastorem, in ea, secundũ statuta ordinis instituerent: vocatoque fundatore, cœperunt inquirere ab inclusis, & à nobis ibi commorantibus, possessiones, terras, redditus, & omnia domui illi pertinentia. Quod cùm audissent, responderunt, se non audere Abbatem in ea constituere, de tam parua possessione, nisi victum haberent sufficientem. Post plurimas super his interlocutiones, fundatori dixerunt Abbates, sicuti à nobis ibi astantibus, didicerant. Audiuimus vos medietatem cuiusdam villæ in Anglia huic domui dedisse: si totam ei conferre velletis, forsitan sustentari valeret. Sin autem, quod absit, ad grangiam oportet domus ista redigi. Hæc audiens vir ille nobilis, nobile consilium quæsiuit: solus statim intrat Ecclesiam; ante altare projecit se in orationem. Mirabamur ad inuicem omnes, qui præsentes eramus; quod ad domum suam, & vxorem, & commilites suos, consilium ab eis petiturus, non diuertisset. Cùm diu ibi moram fecisset, redijt ad Abbates, dicens: consilium quæsiui à Domina mea, & ipsa mihi consulatur, & laudat, vt postulationi vestræ acquiescam. Totum manerium integrè, cum omnibus pertinentijs suis, huic dono, & carta mea confirmabo: exceptis duabus marcis argenti, quas mihi, & hæredibus meis, de recognitione retineo, & pro guarantizatione. Quo facto, de Abbate eligendò, secundum ordinis formam, nobis licentiam dederunt: plures nominando in diuersis partibus, ad officium illud, vt dicebant, esse idoneos: sed quia illos, vel alios, nisi paucos noueramus, consilio intra nos habito, diximus. Quis dignior Priore nostro? qui cæteris recedentibus solus remansit, nosque ferè omnes in ordine recepit: diligenter tractauit, monuit

conseruationesque ordinis nos docuit. Quid plura ? de assensu omnium, ipsum elegimus in Abbatem. qui satis honestè, & ordinatè se habuit in tempore suo: terris, pratis, aquis, & alijs domum præfatam ampliauit Tandem, quia debitis eam plurimis oppressit; quasi tædio ductus, & animo destitutus, dimissionem de ea quæsiuit & impetrauit. Postea successiuè in ea electi sunt Abbates, vsque in hodiernum diem.

In ipso anno transmutationis loci, antequam ordo mitteretur ad instãtiam & petitionem illius nobilis viri fundatoris; accessit illuc venerabilis pater, Dominus Galterus de *Constantijs*, Rothomagensis Archiepiscopus, qui cœmeterium consecrauit ibi, & in fundo Ecclesiæ primum lapidem proprijs manibus collocauit: multaque tunc beneficia, & tunc & postea, & in Ecclesijs apparandis, plantationi nouellæ intuitu pietatis contulit, ac confirmauit: vnde dicimus, quod in parte fundator extitit istius Ecclesiæ. Similiter Dominus Gilbertus de *Guascolio*, qui locum ipsum, & duas Ecclesias, terras, & alia bona præfatæ Ecclesiæ contulit. Cum alijs verò Benefactoribus & Fundatoribus Aldulfus de *Bracheio*, vir magni nominis, jure numerandus est; qui tres Ecclesias in *Caleto*, terras, & redditus, fundationi Ecclesiæ loci illius eleemosynauit. XV.

Præfatus Vvalterus Archiepiscopus Ecclesiam Abbatialem consecrauit, ann. 1207. Guillelmus verò *Reginaldi* Fundatoris filius, patris pietatem mox secutus, hunc locum pluribus excreuit bonis & latifundijs, ann. 1225. CAPVT VNICVM.

DIscimus ex Historia Normannica, Henricum I. Angliæ Regem, ac Normanniæ Ducem, complures filios habuisse naturales. *Illorum* autem primogenito Roberto (ait Gemeticensis) pater suus quamdam nobilissimam puellam, nomine Sibyllam, filiam Roberti, filij Hamonis, neptem, scilicet, ex filia Mabilia, Rogerij de Monte Gommerici, patris videlicet, Roberti de Bellismo, matrimonio copulauit: concedens ei maximam hæreditatem, tam in Normannia, quàm in Anglia, quæ præfatæ virgini hæreditario jure competebat, &c. Hæreditatis autem, quam cum præfata virgine idem Robertus adeptus est; caput est oppidum *Torinneium* nuncupatum, in confinio Comitatuum Bajocensis, & Constantinensis situm, distans à fluuio, nomine *Vire*, qui prædictos Comitatus dirimit, in citeriori parte, millibus fermè duobus. Quod municipium à prædicto Regis filio, Roberto, postquam in juris eius potestatem redactum est, turribus excelsis, & mœnibus robustissimis, necnon & fossatis præruptis, & ipso saxeo monte inclusis contra inimicorum omnium conatum munitus est, & ex magna parte, aquis in piscinas collectis vallatum, & inaccessum. Et licet terra circumjacens minus in fertilitate frugum reddenda sit habilis: est tamen idem oppidum populosum, negotiatoribus diuersarum mercium refertum; ædificijs, tam publicis, quàm priuatis ornatum, copia auri & argenti, non egenum, &c. Fuit etiam Comitatus Glocestriæ I.
